the Court may make a treatment order in respect of that person.

(3) Where a court makes a treatment order that includes a direction referred to in paragraph (1) (a), the court may, in the treatment order, give to the Director such directions (if any) as it thinks necessary to ensure that a responsible person, being a prescribed relative or the prescribed representative of the person to whom the order relates, is informed of the making of the order and of the premises at which the person is from time to time kept.

(4) A treatment order does not authorize the removal of a person from custody in which that person is held under any law in force in the Territory.

(5) Where a court, by an order or warrant, commits a person who is in the custody of the Director in pursuance of a treatment order to the custody of a person other than the Director, the Director shall, on the production of the order or warrant, deliver the person to a person acting in the execution of that order or warrant.
