**Effective: 2 June 2001**

Republication date: 13 February 2006

## **About this republication**

### **The republished law**

This is a republication of the *Energy and Water Act 1988* (repealed) effective from 2 June 2001.

### **Kinds of republications**

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### **Editorial changes**

The *Legislation (Republication) Act 1996*, part 3, division 2 authorised the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation (Republication) Act 1996*, s 14 and s 16). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

*Energy and Water Act 1988*

**NOTES**

1. The *Energy and Water Act 1988* as shown in this reprint comprises Act No. 30, 1988 amended as indicated in the Tables below.

Citation of Laws—The *Self-Government (Citation of Laws) Act 1989* (No. 21, 1989) altered the citation of most Ordinances so that after Self-Government day they are to be cited as Acts. That Act also affects references in ACT laws to Commonwealth Acts.

2. About the republished Act

The *Energy and Water Act 1988* was formerly the *Electricity and Water Act 1988*. It was renamed by the *Electricity and Water (Corporatisation) (Consequential Amendments) Act 1995* A1995-7 sch.

3. The *Legislation (Republication) Act 1996* (No. 51, 1996) authorises the Parliamentary Counsel in preparing a law for republication, to make certain editorial and other formal amendments in accordance with current legislative drafting practice. Those amendments make no change in the law. Amendments made pursuant to that Act do not appear in the Table of Amendments but details may be obtained on request from the Parliamentary Counsel's Office.
