Republication No 19

Effective: 2 June 2005 – 30 August 2005

Republication date: 2 June 2005

Last amendment made by A2005-20

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Occupational Health and Safety Act 1989* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 2 June 2005. It also includes any amendment, repeal or expiry affecting the republished law to 2 June 2005.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

125 Occupier etc to be told sample to be analysed

- (1) This section applies if an inspector proposes to take, or takes, a sample of a substance for analysis from premises that are a workplace.

129 Exceptions to s 128

- (1) This section applies to a sample of a substance being taken by an inspector for analysis if dividing the substance into 3 separate parts would, in the inspector's opinion—

 - (b) result in the separate parts being of an insufficient size for accurate analysis; or
 - (c) otherwise make the sample unsuitable for analysis (including a method of analysis prescribed under the regulations for the substance in relation to which the sample was taken).
- (2) The inspector may take as many samples as the inspector considers necessary to allow an accurate analysis to be made, and may deal

with the sample or samples in any way that is appropriate in the circumstances, instead of complying with section 128.
