About this republication

The republished law

This is a republication of the *Land (Planning and Environment) Act 1991* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 2 July 2004. It also includes any amendment, repeal or expiry affecting the republished law to 2 July 2004.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Land (Planning and Environment) Act 1991

An Act relating to the use of land in the Territory, and for related purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Land (Planning and Environment) Act 1991*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition ‘*order*, for part 6 (Approvals and orders)—see section 222.’ means that the expression ‘order’ is defined in that section and the definition applies to this Act, part 6.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

3 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

4 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 *Criminal Code*

The Criminal Code, ch 2 applies to the following offences against this Act (see Code, pt 2.1):

- s 258 (Contravening orders)

- s 259D (1) (Obstructing etc authorised people)

- s 260A (Contravening prohibition notices)
- s 264 (2) (Identity cards).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 *Penalty units*

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Division 2.2 Territory plan—object and effect

7 Object

- (1) The object of the plan shall be to ensure, in a manner not inconsistent with the national capital plan, that the planning and

development of the ACT provides the people of the ACT with an ecologically sustainable, healthy, attractive, safe and efficient environment in which to live, work and have their recreation.

- (2) The plan shall set out the planning principles and policies for giving effect to its object.
- (3) For giving effect to the object of the plan and the principles and policies referred to in subsection (2), the plan may—
 - (a) set out specific objectives and policies; and
 - (b) specify purposes for which land may be used; and
 - (d) incorporate a register of heritage places known as the heritage places register; and
 - (e) identify land for subdivision 2.3.4, specifying in addition the principles and policies for its development; and
 - (f) for division 5.7—identify an area of land as public land and reserve it for a purpose specified in section 193; and
 - (g) provide for other matters relevant to the exercise of the powers of the Territory, the Executive or a Territory authority under a Territory law, or the administrative review of the exercise of those powers; and
 - (h) provide for other matters that are necessary or convenient.

8 Effect of plan

The Territory, the Executive, a Minister or a Territory authority shall not do any act, or approve the doing of any act, that is inconsistent with the plan.

9 Effect of draft plan variation

- (1) This section applies to a draft plan variation if a consultation notice states that it applies.

- (2) The Territory, the Executive, a Minister or a Territory authority must not, during the defined period or a period stated in the consultation notice, whichever is shorter, do or approve the doing of anything that—
 - (a) would be inconsistent with the plan if it were varied in accordance with the draft variation; or
 - (b) is inconsistent with the plan.
- (3) Subsection (2) is subject to section 11 (Draft heritage places register and variations—lack of effect).
- (4) If a draft plan variation to which this section applies is deferred under section 22 (1) (b) or section 27 (a), this section does not apply in relation to that draft variation during the period of its deferral.
- (5) In this section:

defined period means the period beginning on the day when the draft plan variation is notified under the Legislation Act (see section 19 (Public consultation—notification)) and ending at the end of the day before—

- (a) the date the draft variation comes into effect; or
- (b) the date the corresponding plan variation is rejected by the Legislative Assembly; or
- (c) the date the draft variation, or the corresponding plan variation, is withdrawn under section 22 (1) (c), section 27 (a) or section 30A (3) (b);

as the case requires.

draft plan variation includes a provision of a draft plan variation.

10 Effect of interim heritage places register

- (1) If an interim heritage places register that has been submitted to the planning and land authority under section 63 is not submitted to the

Minister in a draft plan variation before the expiration of the applicable period, it ceases to have effect on the expiration of that period.

- (2) For this section, the applicable period in relation to an interim heritage places register is the period of 4 months beginning on the day when the register is submitted to the planning and land authority pursuant to section 63 or such longer period beginning on that day as the Minister, by writing, allows.

- (4) If compensation is payable under section 173 (7), the planning and land authority shall, in valuing the improvements, assume that the lease of the land had not been terminated or surrendered.

the lessee may, within 28 days after receiving the notice under section 176 (1) relating to the variation, serve on the planning and land authority a written request that he or she review the variation.

- (2) The making of a request under subsection (1) does not affect the operation of the variation to which the request relates or prevent the taking of action to implement the variation.
- (3) If a request is made under subsection (1) in relation to a variation, the planning and land authority must review the variation and may confirm the variation or set it aside and substitute any other variation the authority considers appropriate.

A reference in this division to the *variation* of a lease includes a reference to the surrender of a lease and the grant of a new lease to the same lessee, subject to different provisions, over land—

- (a) that is the whole or part of the land comprised in the surrendered lease; and
- (b) that is not defined land within the meaning of subdivision 2.3.4;

except if a lease is surrendered and a further lease is granted under section 171, section 171A or section 172.

184A Variation of nominal rent lease—change of use charge

- (c) the rent payable throughout the term of the lease were a nominal rent.

- (4) If the capital value assessed as V_1 under subsection (3) is equal to or less than the capital value assessed as V_2 under that subsection, no change of use charge is payable under subsection (1).
- (5) So far as this section applies, because of section 184, to the surrender of a lease and the grant of a new lease—
 - (a) the reference in subsection (3), definition of V_1 , paragraph (c) to the term of the lease is a reference to the term of the new lease; and
 - (b) the reference in subsection (3), definition of V_2 , paragraph (c) to the term of the lease is a reference to the term of the lease to be surrendered.
- (6) A variation of a lease has no effect if the change of use charge payable under subsection (1) for the variation is not paid.

184C Change of use charge for variations of nominal rent leases

- (1) On application by the lessee of a nominal rent lease who applies for a variation of the lease, the planning and land authority must remit a change of use charge under section 184A (Variation of nominal rent lease—change of use charge) in circumstances prescribed under the regulations.

- (2) If the planning and land authority executes a variation of a rental lease, the authority must reappraise the rent payable under the lease,

following (to the extent possible) the method provided by the rental provisions of the lease.

- (3) If the planning and land authority executes a variation of a rental lease, the rent payable under the lease is to be adjusted in accordance with the reappraisal under subsection (2) with effect from the date of variation.
- (4) Subsections (2) and (3) do not apply to a variation of a rental lease—
 - (a) to reduce the rent payable to a nominal rent; or
 - (b) otherwise affecting the rental provisions of the lease.

185 Advice of rent payable on variation of lease

If the planning and land authority agrees to a variation of a lease of Territory land, being a lease under which rent or additional rent is payable, it shall—

- (b) if the Australian Statistician changes the reference base for the consumer price index after the lease is granted but before the calculation of the later index number—the earlier index number is the index number that would have been applicable if the new reference base had been in effect when the lease was granted.
