Republication No 46

Effective: 23 December 2023 – 12 September 2025

Republication date: 23 December 2023

Last amendment made by [A2023-23](#)

About this republication

The republished law

This is a republication of the *Guardianship and Management of Property Act 1991* (including any amendment made under the [Legislation Act 2001](#), part 11.3 (Editorial changes)) as in force on 23 December 2023. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 23 December 2023.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the [Legislation Act 2001](#) applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The [Legislation Act 2001](#), part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see [Legislation Act 2001](#), s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the [Legislation Act 2001](#), section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see [Legislation Act 2001](#), s 133).

Guardianship and Management of Property Act 1991

An Act to provide for guardianship, and management of the property, of certain people, and for related purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Guardianship and Management of Property Act 1991*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act or in other legislation.

For example, the signpost definition ‘*trustee company*—see the [Trustee Companies Act 1947](#), dictionary.’ means that the term ‘trustee company’ is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

3 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

Part 1A Important concepts and principles

4 Principles to be followed by decision-makers

- (1) This section applies to the exercise by a person (the *decision-maker*) of a function under this Act in relation to a person with impaired decision-making ability (the *protected person*).
- (2) The *decision-making principles* to be followed by the decision-maker are the following:
 - (a) the decision-maker must provide or facilitate, as far as practicable, support necessary for the protected person to understand the decision to be made, participate in decision-making and communicate their wishes;
 - (b) the protected person's wishes, as far as they can be worked out, must be given effect to, unless making the decision in accordance with the wishes is likely to significantly adversely affect the protected person's interests;
 - (c) if giving effect to the protected person's wishes is likely to significantly adversely affect the person's interests—the decision-maker must give effect to the protected person's wishes as far as possible without significantly adversely affecting the protected person's interests;
 - (d) if the protected person's wishes cannot be worked out or given effect to at all—the interests of the protected person must be promoted;
 - (e) the protected person's life (including the person's lifestyle) must be interfered with to the smallest extent necessary;
 - (f) the protected person must be encouraged to look after himself or herself as far as possible;

- (g) the protected person must be encouraged to live in the general community, and take part in community activities, as far as possible.
- (3) Before making a decision, the decision-maker must consult with each carer of the protected person.
- (4) However, the decision-maker must not consult with a carer if the consultation would, in the decision-maker's opinion, adversely affect the protected person's interests.
- (5) Subsection (3) does not limit the consultation that the decision-maker may carry out.

5 When does someone have impaired decision-making ability?

For this Act, a person has *impaired decision-making ability* if the person's decision-making ability is impaired because of a physical, mental, psychological or intellectual condition or state, whether or not the condition or state is a diagnosable illness.

5A What are a person's *interests*?

A person's *interests* include the following:

- (a) protection of the person from physical or mental harm;
- (b) prevention of the physical or mental deterioration of the person;
- (c) the ability of the person to—
 - (i) look after himself or herself; and
 - (ii) live in the general community; and
 - (iii) take part in community activities; and
 - (iv) maintain the person's preferred lifestyle (other than any part of the person's preferred lifestyle that is harmful to the person);

- (d) promotion of the person's financial security;
- (e) prevention of the wasting of the person's financial resources or the person becoming destitute.

6 **Meaning of *carer***

In this Act:

carer—a person is a ***carer*** of someone else (the ***dependant***) if—

- (a) the dependant is dependent on the person for ongoing care and assistance; and
- (b) the person cares for the dependant otherwise than because of—
 - (i) a commercial arrangement; or
 - (ii) an arrangement that is substantially commercial.

Example of a carer

Ms S suffers from a severe brain injury because of a car accident and requires constant care. Her spouse, 2 children aged 18 and 11 and a family friend share her care and would each be a 'carer'.

6A **Limits on finding impaired decision-making ability**

A person must not be taken to have a physical, mental, psychological or intellectual condition relevant to section 7 (Appointment and powers of guardians), section 8 (Appointment and powers of managers) or section 32A (Definitions—pt 2A), definition of ***protected person*** only because the person—

- (a) is eccentric; or
- (b) does or does not express a particular political or religious opinion; or

- (c) is of a particular sexual orientation or expresses a particular sexual preference; or
- (d) engages or has engaged in illegal or immoral conduct; or
- (e) takes or has taken drugs, including alcohol (but any effects of a drug may be taken into account).

Part 2 Guardians and managers

Division 2.1 Appointment and powers

7 Appointment and powers of guardians

- (1) This section applies if the ACAT is satisfied that—
- (a) someone has impaired decision-making ability in relation to a matter relating to the person's health or welfare; and
 - (b) while the person has the impaired decision-making ability—
 - (i) there is, or is likely to be, a need for a decision in relation to the matter; or
 - (ii) the person is likely to do something in relation to the matter that involves, or is likely to involve, unreasonable risk to the person's health, welfare or property; and
 - (c) if a guardian is not appointed—
 - (i) the person's needs will not be met; or
 - (ii) the person's interests will be significantly adversely affected.

Note 1 See s 8C in relation to appointment of a guardian for a child.

Note 2 A person's needs may be met, or the person's interests protected, under an enduring power of attorney (see *Powers of Attorney Act 2006*).

- (2) In considering subsection (1) (c), the ACAT must consider—
- (a) if support necessary for the protected person to make, participate in and communicate their own decisions were to be provided or facilitated—if it is reasonably likely the person's—
 - (i) needs would be met; and
 - (ii) interests would be adequately protected; and

- (b) if it is reasonably likely that the necessary support can be provided or facilitated.
- (3) The ACAT may, by order, appoint a guardian for the person, with the powers that the ACAT is satisfied are necessary or desirable to make decisions for the person in accordance with the decision-making principles.

Note The powers that may be given to a guardian are restricted under s 7B.

- (4) The powers that may be given to a person's guardian include the following powers:
 - (a) to decide where, and with whom, the person is to live;
 - (b) to decide what education or training the person is to receive;
 - (c) to decide whether the person is to be allowed to work;
 - (d) if the person is to be allowed to work—to decide the nature of the work, the place of employment and the employer;
 - (e) to give, for the person, a consent required for a medical procedure or other treatment (including medical research or low-risk research but not including a prescribed medical procedure or medical treatment mentioned in paragraph (f));

Note For when a guardian may consent to a person participating in medical research or low-risk research, see pt 2B (Medical research and low-risk research).

- (f) to give, for the person, a consent required for medical treatment involving treatment, care or support under the *Mental Health Act 2015* (other than a prescribed medical procedure);

Note For provisions relevant to a guardian with power under this paragraph, see s 70A (Restrictions on consent by guardian to mental health treatment, care or support).

- (g) to bring or continue legal proceedings for or in the name of the person.

7A Appointment of guardians under direction

If the Supreme Court gives a direction under the *Crimes Act 1900*, section 316 (Special hearing), the ACAT must appoint a guardian as directed.

7B Restriction on powers of guardians

The powers that may be given to a person's guardian do not include the power to discipline the person or the power to do any of the following things for the person:

- (a) vote in an election;
- (b) make a will or other testamentary instrument;
- (c) consent to the adoption of a child;
- (d) give a consent to a marriage or civil union;
- (e) give a consent required for a prescribed medical procedure for the person.

8 Appointment and powers of managers

- (1) This section applies if the ACAT is satisfied that—
 - (a) someone has impaired decision-making ability in relation to the person's financial matters or a matter affecting the person's property; and
 - (b) while the person has the impaired decision-making ability—
 - (i) there is, or is likely to be, a need for a decision in relation to the matter; or
 - (ii) the person is likely to do something in relation to the matter that involves, or is likely to involve, unreasonable risk to the person's health, welfare or property; and

- (c) if a manager is not appointed—
 - (i) the person's needs will not be met; or
 - (ii) the person's interests will be significantly adversely affected.
- (2) In considering subsection (1) (c), the ACAT must consider—
 - (a) if support necessary for the protected person to make, participate in and communicate their own decisions were to be provided or facilitated—if it is reasonably likely the person's—
 - (i) needs would be met; and
 - (ii) interests would be adequately protected; and
 - (b) if it is reasonably likely that the necessary support can be provided or facilitated.
- (3) The ACAT may, by order, appoint a manager to manage all, or a stated part of, the person's property, with the powers that the ACAT is satisfied are necessary or desirable to allow the manager to make decisions in relation to the property, in accordance with the decision-making principles.

Note The ACAT's power to appoint a manager is restricted under s 8A.
- (4) The powers that may be given to a person's manager are the powers that the person would have if the person were legally competent to exercise powers in relation to the person's property.

8AA Manager for missing person's property

- (1) This section applies if the ACAT is satisfied, on application, that—
 - (a) someone is a missing person; and
 - (b) the person usually lives in the ACT; and

- (c) while the person is missing, there is, or is likely to be, a need for a decision in relation to the person's financial matters or property; and
 - (d) the person's interests will be significantly adversely affected if a manager is not appointed.
- (2) However, the ACAT must not consider an application under subsection (1) in relation to a person if—
 - (a) the public trustee and guardian has made an application to the Supreme Court to be appointed the manager of the person's property under the *Public Trustee and Guardian Act 1985*, section 34 (Application for appointment as manager of property) and the application has not been finally dealt with; or
 - (b) the Supreme Court has appointed the public trustee and guardian manager of the person's property under that Act, section 34 (2).
- (3) The ACAT may be satisfied that a person is a missing person only if satisfied that—
 - (a) it is not known whether the person is alive; and
 - (b) reasonable efforts have been made to find the person; and
 - (c) for at least 90 days, the person has not contacted—
 - (i) anyone who lives at the person's last-known home address; or
 - (ii) any relative or friend of the person with whom the person is likely to communicate.

Examples of contact

- 1 telephone call
- 2 physical sighting of the person

- (4) The ACAT may, by order, appoint a manager to manage all, or a stated part, of the missing person's property, with the powers that the ACAT is satisfied are necessary or desirable to allow the manager to make decisions in relation to the property in accordance with the decision-making principles as if the missing person were a protected person.

Note The ACAT's power to appoint a manager is restricted under s 8A.

- (5) An application under subsection (1), or an appointment under subsection (4), does not prevent the public trustee and guardian making an application under the *Public Trustee and Guardian Act 1985*, section 34 in relation to the property to which the application or appointment relates.
- (6) The *Legislation Act*, part 19.3 (Appointments) does not apply to an appointment under subsection (4).

8AB Missing people's property—who may apply for appointment of manager?

An application for the appointment of a manager for a person under section 8AA may be made by any of the following:

- (a) a domestic partner of the person;
- (b) a relative of the person;
- (c) a carer of the person;
- (d) the Attorney-General;
- (e) the public trustee and guardian;
- (f) anyone else who has an interest in the property of the person.

8AC Missing people's property—powers and term of manager

- (1) The powers that may be given to the manager under section 8AA (4) (Manager for missing person's property) are the powers the missing person would have if the person were able to exercise them.
- (2) However, an order under section 8AA (4) must state the kind of decisions the manager may make and the property in relation to which the power may be exercised.
- (3) An order under section 8AA (4) must also state the term of the appointment.
- (4) An appointment under section 8AA (4) must be for not longer than 2 years, but the ACAT may, on application by the manager or a person mentioned in section 8AB, extend the term for up to 2 more years.

8A Restriction on power to appoint manager outside ACT

- (1) The ACAT may appoint a manager for property in the ACT of someone (the *protected person*) who lives outside the ACT only if—
 - (a) the ACAT is satisfied that it is impracticable for a manager for the property to be appointed in the jurisdiction (the *other jurisdiction*) where the protected person lives; or
 - (b) an order appointing a manager for the property under the law of the other jurisdiction cannot be registered under section 12 (Recognition of interstate etc guardians and managers).

- (2) For this section:

jurisdiction means a State, another Territory or a foreign country.

8B Effect on guardian or manager of enduring power of attorney in relation to health care

- (1) This section applies if—
- (a) a person (the *principal*) has made an enduring power of attorney giving power in relation to health care matters or medical research matters; and
 - (b) the principal has become a person with impaired decision-making capacity; and
 - (c) the ACAT appoints a guardian for the principal after the making of the power of attorney; and
 - (d) the ACAT revokes or suspends the enduring power of attorney, or part of it.

Note The ACAT may revoke the enduring power of attorney, or part of it, under s 62 (2) (c), or suspend the enduring power of attorney, or part of it, under s 62 (2) (d).

- (2) If the guardian has power to consent to medical treatment, medical research or low-risk research for the person, the guardian must consider the terms of the enduring power of attorney before the enduring power of attorney, or part of it, was revoked or suspended.
- (3) In this section:

health care matter, for a principal—see the *Powers of Attorney Act 2006*, section 12.

medical research matter, for a principal—see the *Powers of Attorney Act 2006*, section 12A.

8C May a guardian or manager be appointed for a child?

- (1) The ACAT may appoint a guardian or manager for a person who is a child.
- (2) However, the order appointing the guardian or manager does not take effect until the person becomes an adult.

9 Who may be appointed

- (1) The public trustee and guardian or an individual may be appointed as a guardian.
- (2) The public trustee and guardian, a trustee company or an individual may be appointed as a manager.
- (3) A person may be appointed both guardian and manager, and people may be appointed jointly as guardians or managers, or both.
- (4) The public trustee and guardian must not be appointed as a person's guardian if an individual who is otherwise suitable has consented to be appointed.
- (5) The public trustee and guardian or a trustee company must not be appointed as a manager of a person's property if an individual who is otherwise suitable has consented to be appointed.

10 Considerations affecting appointment

- (1) A person must not be appointed as a guardian or manager unless the person consents in writing to the appointment.
- (2) A person (except the public trustee and guardian or a trustee company) must not be appointed as a guardian or manager unless the person is an adult and has informed the ACAT on oath whether the person—
 - (a) has been convicted or found guilty of an offence involving violence, fraud or dishonesty; or
 - (b) has been, either in the ACT or elsewhere, refused appointment as a guardian or manager, or removed from office as a guardian or manager; or
 - (c) is bankrupt or personally insolvent (and, if so, has given particulars to the ACAT).

Note **Bankrupt or personally insolvent**—see the [Legislation Act](#), dictionary, pt 1.

- (3) Someone (other than the public trustee and guardian) may be appointed as a guardian or manager only if the ACAT is satisfied that the person will follow the decision-making principles and is otherwise suitable for appointment.
- (4) For subsection (3), the matters the ACAT must take into account include—
 - (a) the views and wishes of the person (the *protected person*) for whom a guardian or manager is to be appointed; and
 - (b) the desirability of preserving existing relationships with family and any other carers; and
 - (c) whether the proposed guardian or manager is compatible with the protected person; and
 - (d) whether the proposed guardian or manager lives in the ACT; and
 - (e) whether the proposed guardian or manager will be available and accessible to the protected person; and
 - (f) the nature of the functions to be exercised under the order and whether the proposed guardian or manager is competent to exercise them; and
 - (g) whether the interests and duties of the proposed guardian or manager are likely to conflict with the protected person's interests to the detriment of the protected person's interests.
- (5) The interests and duties of the domestic partner or a relative of a person must not be taken to be likely to conflict with the interests of the person only because of the fact of being the domestic partner or relative.

11 Powers to be least restrictive

The powers given to a person's guardian or on a manager of a person's property are to be no more restrictive of the person's freedom of decision and action than is necessary to achieve the purpose of the order.

Note Also, the guardian or manager should exercise the powers in accordance with the decision-making principles (see s 4).

12 Recognition of interstate etc guardians and managers

- (1) The ACAT must, on application, register the appointment of a person who is, under a corresponding law—
 - (a) a guardian for another person who lives outside the ACT; or
 - (b) a manager of property of another person who lives outside the ACT.
- (2) On registration, the person is taken to be a guardian, or manager of the property, of the other person, as the case requires, as if the appointment had been made by the ACAT.
- (3) The ACAT must not register an appointment unless the instrument of appointment, or a copy of it, has been lodged with the ACAT.
- (4) In this section:

corresponding law means a law of a State or of another Territory, or a law of a prescribed country, that corresponds, or substantially corresponds, to this Act.

13 Authority of guardian or manager

An act or omission of a guardian or manager under this Act has effect as if it were an act or omission of the represented person and that person had the legal capacity for the act or omission.

14 Restrictions on manager about property

- (1) Unless the ACAT, on application, orders otherwise—
 - (a) a manager of a person's property must not enter into a transaction in relation to the property if the interests of the manager are in conflict, or may conflict, with the interests of the person; and
 - (b) a manager of a person's property must keep the manager's property separate from the person's property.
- (2) Subsection (1) (b) does not apply to property owned jointly by the manager and person.

15 Expenses

- (1) A person who acts as a guardian or manager is entitled to reimbursement of the reasonable expenses incurred in acting as guardian or manager.
- (2) Amounts payable under this section are payable out of, and are a charge on, the relevant person's property or, if the manager concerned is manager of part only of the relevant person's property, that part.

Division 2.2 Supervision

Subdivision 2.2.1 General

16 Directions by ACAT

- (1) The ACAT may, on application, give a direction to a guardian or manager about the exercise of his or her functions or powers.
- (2) A guardian or manager must not, without reasonable excuse, contravene a direction.

Maximum penalty: 50 penalty units, imprisonment for 6 months or both.

17 Restrictions on ACAT's power to give directions

- (1) This section applies to an order that affects a person—
 - (a) who has a guardian; or
 - (b) for whom a manager is appointed.
- (2) The ACAT must not give a direction that is inconsistent with the order.

18 Advice by ACAT

- (1) The ACAT may, on application by a guardian or manager, give an opinion or advice about the exercise of functions or powers by the guardian or manager.
- (2) A guardian or manager who acts in accordance with such an opinion or advice is taken to have acted properly and in accordance with this Act unless, in obtaining the opinion or advice, the guardian or manager acted fraudulently or wilfully misrepresented or concealed a material fact.

19 Review of guardians and managers

- (1) The ACAT may at any time, on application or on its own initiative, hold a hearing to consider—
 - (a) whether an order appointing a guardian or manager should be—

the public trustee and guardian must give the ACAT written notice of the fact.

- (5) If the public trustee and guardian becomes aware that there is no longer a manager of a person's property, but not because of—
 - (a) the revocation by the ACAT of the order appointing the person as manager; or

- (b) the removal by the ACAT of the person as manager;
the public trustee and guardian must give the ACAT written notice of the fact.
- (6) If the notice indicates that the public trustee and guardian or a person stated by the public trustee and guardian has consented to act as manager, the notice is taken to be an application for the appointment of the public trustee and guardian or person as the manager.

 - (a) the protected person's domestic partner;
 - (b) a carer for the protected person;
 - (c) a close relative or close friend of the protected person.

 - (a) is a carer of the person for this Act generally; and
 - (b) gives, or arranges for the giving of, care and support to the person in a domestic context but does not receive remuneration or reward for giving, or arranging for the giving of, the care and support.
- (2) If the protected person lives in a hospital, nursing home, group home, boarding-house, hostel or similar place, a person giving, or arranging for the giving of, care and assistance to the protected person at that place is not, only because of that fact, a carer for the protected person.

32D Health attorney may give consent

- (1) This section applies if a health professional believes on reasonable grounds that—
 - (a) a person is a protected person; and

- (b) while the person is a protected person, the person—
 - (i) needs, or is likely to need, medical treatment; or
 - (ii) would, or is likely to, benefit from participating in low-risk research; and
 - (c) the person does not have an advance consent direction under the [Mental Health Act 2015](#) authorising the treatment.
- (2) The health professional may ask the health attorney who the health professional believes on reasonable grounds is best able to represent the views of the protected person to give a consent required for the medical treatment or low-risk research.

Note 1 If a form is approved under s 75A for a consent, the form must be used.

Note 2 A health attorney's power to consent to medical treatment for a protected person, or to the protected person participating in low-risk research, must be exercised in a way that is consistent with any existing health direction made by the protected person, unless it is not reasonable to do so (see [Medical Treatment \(Health Directions\) Act 2006](#), s 18).

- (3) A health attorney may consent to the protected person participating in low-risk research only if the research is approved.
- (4) If, after receiving the information and access to an independent doctor mentioned in section 32G, the health attorney gives consent for the medical treatment or low-risk research, the health professional need not obtain any other consent for the medical treatment or low-risk research.
- (5) However, for medical treatment involving consent for treatment, care or support under the [Mental Health Act 2015](#), the health professional may rely on the consent to provide the treatment care or support only for the period allowed under section 32JA.

Note Special requirements apply for notifying the ACAT if the consent involved mental health treatment, care or support (see s 32JA).

32E Decision-making principles apply

- (1) In making a decision under this part a health professional must follow the decision-making principles.

Note **Decision-making principles**—see s 4 (2).

- (2) In considering whether to consent to medical treatment or low-risk research a health attorney must follow the decision-making principles.
- (3) If the protected person was participating in low-risk research before the protected person became a person with impaired decision-making capacity, it is presumed the protected person's wishes include to continue participating in the research.

Note Under the decision-making principles, the protected person's wishes, as far as they can be worked out, must be given effect to (see s 4 (2)).

32F Decision about health attorney

- (1) For section 32D (2), in considering who is best able to represent the views of the protected person, a health professional—
- (a) must consider the health attorneys for the protected person in the priority order; and
 - (b) may take into account any circumstance that the health professional believes on reasonable grounds is relevant and in particular how readily available is a particular health attorney.

Note The health professional must also follow the decision-making principles (see s 32E).

- (2) The health professional need not consider a health attorney if the health professional believes on reasonable grounds that the health attorney is not a suitable person to consent to medical treatment for the protected person or to the protected person participating in low-risk research.

- (3) If subsection (2) applies, a health professional must make a record of the reasons for the belief.

Examples—s (2)

- 1 Rosa is a protected person and needs a hip replacement operation to ensure her continued mobility and the ability to live in her garden unit which is attached to her son's house. The health professional is made aware that Rosa's son Lorenzo has rented out the garden unit to a friend. As the health professional is aware of a conflict of interests Lorenzo may reasonably be seen as not suitable to consent to the medical treatment.
- 2 Craig is seriously injured in a motorcycle accident and receives emergency medical treatment that saves his life. A week after the accident he has not regained consciousness. Craig's mother, Clarissa, has been visiting regularly sometimes accompanied by her partner Joel (who is not Craig's father). Joel strongly believes that the use of blood products and blood transfusions is unacceptable because of the risk of transfer of blood infections. Joel has been heard in the hospital demanding that Clarissa refuse any medical treatment that involves the use of blood products. The health professional is made aware of Joel's conversations with Clarissa on the issue. Consent is required to undertake extensive skin grafts involving the use of blood products and possibly a blood transfusion. Clarissa may not be a suitable person to consent to the medical treatment given what may be undue influence exerted by Joel on this issue.

32G Health professional must give information to health attorney

- (1) If a health professional asks a health attorney to consent to medical treatment for a protected person, or to the protected person participating in low-risk research, the health professional must give the health attorney information about the following:
- (a) the reasons why the person is a protected person;
 - (b) the condition of the protected person;
 - (c) the medical treatment or low-risk research for which consent is sought;
 - (d) any alternative medical treatment or low-risk research that is available;

- (e) the nature and likely effect of the medical treatment for which consent is sought and any alternative medical treatment;
- (f) the nature and degree of any significant risks involved with the medical treatment or low-risk research for which consent is sought and any alternative medical treatment;
- (g) the likely effect of not providing the medical treatment or low-risk research for which consent is sought;
- (h) the decision-making principles;
- (i) any other matter that the health professional believes on reasonable grounds is relevant to the provision of consent for the medical treatment or low-risk research.

Note If a form is approved under s 75A for this provision, the form must be used.

- (2) Also, if a health professional asks a health attorney to consent to a protected person participating in low-risk research that is part of a clinical trial, the health professional must give the health attorney access to an independent doctor to provide further information and answer any questions the health attorney has about the clinical trial.
- (3) In this section:

independent doctor, in relation to low-risk research that is part of a clinical trial, means a doctor who is not involved in, or connected to, the research, other than in having a professional interest in the area of the research.

32H Referring matters to public trustee and guardian—refusal of consent

- (1) This section applies if—
 - (a) a health professional has requested a health attorney for a protected person to give consent to medical treatment for the protected person or to the protected person participating in low-risk research; and

- (b) the health professional believes the refusal is inconsistent with a health direction under the *Medical Treatment (Health Directions) Act 2006*.
- (2) The health professional must refer the matter to the public trustee and guardian.
- (3) On referral of a matter, the public trustee and guardian must—
 - (a) if the public trustee and guardian considers the refusal reasonable—take no further action; or
 - (b) apply to the ACAT to be appointed as guardian for the protected person.

**32I Referring matters to public trustee and guardian—
disagreement between health attorneys**

- (1) This section applies if—
 - (a) before obtaining the consent to medical treatment for a protected person from the health attorney that the health professional believes is best able to represent the views of the protected person, the health professional becomes aware that 1 or more of the other health attorneys for the protected person objects to the giving of consent; and
 - (b) the health professional is not aware of any health direction under the *Medical Treatment (Health Directions) Act 2006* that is relevant to the issue of whether consent to the medical treatment should be given or not.
- (2) The health professional must refer the matter to the public trustee and guardian.
- (3) On referral of a matter, the public trustee and guardian may do either or both of the following:
 - (a) try to help the available health attorneys reach agreement about consent;

- (b) apply to the ACAT to be appointed as guardian for the protected person.
- (4) To remove any doubt, a health professional is not required to seek the views of other health attorneys for a protected person before obtaining the consent of the health attorney that the health professional believes on reasonable grounds is best able to represent the views of the protected person.

32J Notice to public advocate—long-term treatment

- (1) This section applies if—
 - (a) consent to medical treatment for a protected person, or to the protected person participating in low-risk research, has been given under this part (other than medical treatment involving treatment, care or support under the *Mental Health (Treatment and Care) Act 1994*); and
 - (b) the protected person continues to be given medical treatment, or continues to participate in the research, in accordance with the consent 6 months after the consent was given.
- (2) The health professional who is giving the medical treatment, or carrying out the research, must tell the public advocate of the matters mentioned in subsection (1).

32JA Notice and duration of consent—mental health treatment, care or support

- (1) This section applies if consent has been given under this part for medical treatment for a protected person that involves treatment, care or support under the *Mental Health Act 2015*.

- (2) A health professional who is giving the treatment, care or support must within 7 days after the consent is given—
 - (a) tell the public advocate in writing that treatment, care or support is being given to the protected person in accordance with the consent; and
 - (b) give the public advocate a copy of the plan for the proposed treatment, care or support.
- (3) The health professional may rely on the consent for 21 days after it is given (the *initial consent period*).
- (4) If treatment, care or support in accordance with the consent is likely to be required for longer than the initial consent period, the health professional must, before the end of that period—
 - (a) apply to the ACAT for approval to continue providing treatment, care or support in accordance with the consent; and
 - (b) unless the health professional believes on reasonable grounds that someone else has applied to the ACAT for an order appointing a guardian for the person—apply to the ACAT under part 2 for an order appointing a guardian for the person.
- (5) The ACAT may give approval for the health professional to continue to provide treatment, care or support in accordance with the consent for a stated period of not longer than 8 weeks after the end of the initial consent period.
- (6) The ACAT must tell the public advocate of any approval given under subsection (5).

32JB Interested person may apply to ACAT for review of health attorney's decision

An interested person for a protected person may apply to the ACAT for review of the decision of the health attorney to consent, or refuse to consent, to the protected person participating in low-risk research under section 32D.

32K Protection of health attorney from liability

No action or proceeding, civil or criminal, lies against a health attorney for a protected person in relation to consent given, or not given, in good faith as a health attorney for the protected person.

No action or proceeding, civil or criminal, lies against a health professional in relation to reliance by the health professional, in good faith, on consent given by—

- (a) a health attorney for a protected person; or
- (b) a person the health professional believes on reasonable grounds is a health attorney for a protected person.

32M Preservation of liability

Nothing in this part relieves a health professional from liability in relation to the provision of medical treatment, or the carrying out of low-risk research, if the health professional would have been subject to the liability—

- (a) had the protected person not had impaired decision-making ability; and
- (b) had the treatment been provided or research been carried out with the protected person's consent.

32N Urgent medical treatment

This part does not affect any common law right of a health professional to provide urgent medical treatment without consent.

32O Interested person may withdraw health attorney's consent to low-risk research

- (1) This section applies if a health attorney consents to a protected person participating in low-risk research under section 32D.

- (2) An interested person for the protected person may withdraw the health attorney's consent.
- (3) If the interested person withdraws the consent, any data or bodily tissue collected from the protected person while the person was participating in the research must be removed from the research, unless the interested person agrees, in writing, that the data or bodily tissue may be kept.
- (4) In this section:
interested person, for a protected person, means each of the following:
 - (a) if, despite section 32A, definition of *protected person*, paragraph (b), the protected person has appointed an attorney under an enduring power of attorney—the attorney;
 - (b) if, despite section 32A, definition of *protected person*, paragraph (c), the ACAT has appointed a guardian for the person—the guardian;
 - (c) the protected person.

Part 2B Medical research and low-risk research

33 Guardian may consent to protected person's participation in low-risk research

- (1) This section applies if—
- (a) a guardian is appointed for a person (a *protected person*); and
 - (b) the guardian is given the power to give, for the protected person, a consent required for a medical procedure or other treatment under section 7 (4) (e); and
 - (c) the guardian is considering whether to consent to the protected person participating in low-risk research.
- (2) A guardian may consent to the protected person participating in low-risk research only if the research is approved.

Note A guardian's power to consent to a protected person participating in low-risk research must be exercised in a way that is consistent with any existing health direction made by the protected person (see [Medical Treatment \(Health Directions\) Act 2006](#), s 18).

- (3) If a guardian makes an application, the ACAT must give an opinion or advice to assist the guardian to decide whether to give consent under subsection (2).

34 Guardian may consent to protected person's participation in medical research

- (1) This section applies if—
- (a) a guardian is appointed for a person (a *protected person*); and

- (c) the guardian is considering whether to consent to the protected person participating in medical research.
- (2) The guardian may consent to the protected person participating in medical research only if—
 - (a) the research is approved; and
 - (b) the protected person is not likely to regain decision-making capacity before the latest time that the protected person may meaningfully participate in the research; and

Note An independent doctor must assess the likelihood of the principal regaining decision-making capacity within the time mentioned (see s 36).

- (c) the guardian is satisfied on reasonable grounds that—
 - (i) the research relates to the diagnosis, maintenance or treatment of a condition that the protected person has or has had or to which the protected person has a significant risk of being exposed; and
 - (ii) the research may result in benefit to the protected person or others with the condition; and
 - (iii) the potential benefit to the protected person, or others with the condition, of participating in the research outweighs any potential risk or inconvenience to the protected person, or any potential adverse impact on the protected person's quality of life; and

- (iv) participating in the research will not unduly interfere with the protected person's privacy.

Note 1 A guardian's power to consent to a protected person participating in medical research must be exercised in a way that is consistent with any existing health direction made by the protected person (see [Medical Treatment \(Health Directions\) Act 2006](#), s 18).

Note 2 In considering whether to consent to a protected person participating in medical research, a guardian must follow the decision-making principles (see s 4).

- (3) If the protected person was participating in medical research before the protected person became a person with impaired decision-making capacity, it is presumed the protected person's wishes include to continue participating in the research.

Note Under the decision-making principles, the protected person's wishes, as far as they can be worked out, must be given effect to (see s 4 (2)).

- (4) If a guardian makes an application, the ACAT must give an opinion or advice to assist the guardian to decide whether to give consent under subsection (2).

35 Guardian must not benefit from guardian's decision

- (1) A guardian must not—
- (a) accept a fee or other benefit for consenting, or refusing to consent, to a protected person participating in low-risk research under section 33 or medical research under section 34; or
 - (b) be involved in, or connected to, the research.
- (2) To remove any doubt, subsection (1) does not apply to any personal benefit to the guardian because of an improvement in the protected person's health as a result of participating in the research.

36 Assessment of likelihood of principal regaining decision-making capacity

- (1) The likelihood of a principal regaining decision-making capacity within the period mentioned in section 34 (2) (b) must be assessed by an independent doctor, taking into account—
- (a) the protected person's medical, mental and physical condition; and
 - (b) the severity of the protected person's condition and the prognosis for the protected person; and
 - (c) the current stage of treatment and care required for the protected person; and
 - (d) any other circumstances relevant to the protected person; and
 - (e) the nature of the medical research, including the type of treatment or care provided by the research and the timeframe for the research.
- (2) The independent doctor must state, in writing, the doctor's belief whether the protected person is likely to regain decision-making capacity within the period mentioned in subsection (1), and the reasons for the belief.

Note 1 An independent doctor must always give a statement under s (2), regardless of whether the ACAT has made a declaration about the decision-making capacity of a principal for an enduring power of attorney under s 65.

Note 2 In a proceeding, a certificate by an independent doctor under s (2) stating whether a protected person is likely to regain decision-making capacity within the required period is evidence of that fact (see s 72D).

- (3) In this section:

independent doctor, in relation to medical research, means a doctor who is not involved in, nor connected to, the research, other than a professional interest in the area of the research.

37 Interested person may apply to ACAT for review of guardian's decision
