Republication No 4B

Effective: 11 April 2001 – 28 June 2001

About this republication

The republished law

This is a republication of the *Electoral Act 1992* effective from 11 April 2001 to 28 June 2001.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation (Republication) Act 1996*, part 3, division 2 authorised the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation (Republication) Act 1996*, s 14 and s 16). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

2. The OIC of a scrutiny centre shall arrange for a preliminary scrutiny at the centre to be conducted in accordance with this Schedule.

3. An officer shall record the condition of each ballot box containing completed declaration voting papers at the centre and remove the papers from the box.

4. An officer shall produce—

- (a) each set of declaration voting papers at the centre; and
- (b) each written application for a postal vote to which any of those papers relate;

that has not been dealt with at an earlier preliminary scrutiny.

5. An officer shall sort the declaration voting papers to which the preliminary scrutiny relates into the following groups:

- (a) 1 group containing papers to which clause 6 applies;
- (b) 1 group containing the remainder.

6. (1) In this clause—

“relevant provision” means—

- (a) in the case of a vote under section 135—subsection 135 (4);
- (b) in the case of a vote under section 136A—subsection 136A (8);
- (c) in the case of a vote under section 136B—subsection 135 (4) as applied by subsection 136B (18); or
- (d) in the case of a vote under section 136C—subsection 135 (4) as applied by subsection 136C (6).

(2) This clause applies to a set of declaration voting papers if the officer is satisfied that—

- (a) the signature on the declaration is that of the elector;
- (b) the certificate by the witness is in accordance with the relevant provision;
- (c) in the case of a postal vote where the papers were posted to the commissioner—the papers were so posted before the close of the poll; and

SCHEDULE 3—continued

- (d) in the case of the vote of an Antarctic elector—the envelope referred to in paragraph 176 (1) (c) is endorsed and signed by an authorised officer in accordance with that paragraph.

(3) For the purposes of paragraph (2) (b), where an officer referred to in subsection 135 (4) omits to sign the certificate, the certificate shall nevertheless be taken to be in accordance with the relevant provision, if—

- (a) the issue of the relevant declaration voting papers was recorded under Division 3 or 3A of Part 10; and
- (b) the OIC is satisfied the papers were properly issued to the elector.

7. An officer shall sort the declaration voting papers to which clause 6 applies into the following groups:

- (a) 1 group containing envelopes on which appear declarations by electors enrolled for the electorate indicated in the declaration;
- (b) 1 group containing the remainder.

8. An officer shall sort the remaining declaration voting papers referred to in paragraph 7 (b) into the following groups:

- (a) 1 group containing papers to which clause 9 applies;
- (b) 1 group containing the remainder.

9. (1) This clause applies to a set of declaration voting papers if the OIC is satisfied that—

- (a) the elector who signed the declaration was, when the roll closed for the election, entitled to be enrolled; and
- (b) the omission of the elector's name from the roll resulted from an official error.

10. (1) An officer shall withdraw the ballot papers from the envelopes in the groups of declaration voting papers to which paragraph 7 (a) or clause 9 applies and, without unfolding or inspecting the ballot papers or allowing any other person to do so, admit them to scrutiny under section 183.

(2) Where 2 or more sets of papers to which paragraph 7 (a) or clause 9 applies are in the name of a particular elector—

- (a) the OIC shall determine which set shall be dealt with in accordance with subclause (1); and
- (b) the remaining set shall be set aside.

(3) The OIC shall ensure that ballot papers referred to in subclause (1) are kept in a separate sealed ballot box until they are dealt with under section 183.

SCHEDULE 3—continued

11. The OIC shall, in accordance with clauses 4 to 10 (inclusive), conduct a further scrutiny of the groups of remaining declaration voting papers to which paragraph 5 (b) or 8 (b) apply and, if there are any papers to which either paragraph applies after the further scrutiny, the OIC shall—

- (b) seal them, together with any papers to which paragraph 10 (2) (b) applies, in a parcel endorsed with a description of the contents, the name of the electorate and the date.

12. The commissioner shall give to each elector whose declaration voting papers are rejected under this Schedule written notice of the rejection setting out the reasons for the rejection.

SCHEDULE 4

Section 185

ASCERTAINING RESULT OF POLL

PART 1—PRELIMINARY

Interpretation

1. (1) In this Schedule, unless the contrary intention appears—

“ballot paper” means a ballot paper that is formal by virtue of Part 12;

“continuing candidate” means a candidate, other than a successful candidate, an excluded candidate or a candidate who died before polling day;

“count” means an allotment of votes under subclause 3 (1) or 6 (3), paragraph 9 (2) (c) or subclause 14 (2);

“count votes”, in relation to a candidate, is the number of votes calculated as follows:

$$\mathbf{BP} \times \mathbf{TV}$$

where—

BP is the number of ballot papers to be dealt with at a count that record the next available preference for the candidate; and

TV is the transfer value of those ballot papers;

any fraction being disregarded;

“excluded candidate” means a candidate excluded under clause 8;

“next available preference” means the next highest preference recorded for a continuing candidate on a ballot paper;

“quota” means the quota of an electorate for an election and is calculated as follows:

$$\frac{\mathbf{BP}}{\mathbf{N}+1} + 1$$

where—

BP is the number of ballot papers for the election; and

N is the number of positions to be filled at the election;

any fraction being disregarded;

“successful candidate” means a candidate who is successful by virtue of clause 3, 4, 6, 9 or 14;

SCHEDULE 4—continued

“surplus”, in relation to a successful candidate, means the candidate’s total votes less the quota, where the resulting number of votes is 1 or greater;

“total votes”, in relation to a candidate, means the sum of all votes allotted to the candidate;

“transfer value”, in relation to a ballot paper, is—

- (a) in relation to the allotment of votes from the surplus of a successful candidate—in the case of ballot papers that specify a next available preference, subject to subclause (2), the value calculated as follows:

$$\frac{S}{CP}$$

where—

S is the surplus; and

CP is the number of ballot papers counted for the candidate at the count at which he or she became successful and which specify a next available preference; or

- (b) in relation to the allotment of votes under paragraph 9 (2) (c)—
- (i) in the case of ballot papers in respect of which votes were allotted to the excluded candidate under clause 3—1; or
- (ii) in the case of ballot papers in respect of which count votes were allotted to the excluded candidate under subclause 6 (3) or paragraph 9 (2) (c)—the transfer value of the ballot papers when counted for the purpose of that allotment.

(2) Where, but for this subclause, the transfer value of a ballot paper calculated in accordance with paragraph (a) of the definition of “transfer value” would be greater than the transfer value of the ballot paper when counted for the successful candidate, the transfer value of that ballot paper is the lastmentioned transfer value.

Disregarding preferences

2. (1) This clause applies where effect is to be given to preferences indicated in candidate squares on a ballot paper by virtue of section 180.

(2) Where the same number is marked in 2 or more candidate squares on a ballot paper, those numbers and any greater number shall be disregarded in determining the elector’s preferences.

(3) Where a number is missing from the series of consecutive whole numbers marked in the candidate squares on a ballot paper, the missing number and any greater number shall be disregarded in determining the elector’s preferences.

SCHEDULE 4—continued

PART 2—GENERAL

First preferences

3. (1) For each ballot paper recording a first preference for a continuing candidate, 1 vote shall be allotted to the candidate.

(2) For the purposes of subclause (1), a ballot paper on which a first preference for a candidate who died before polling day is recorded shall be taken to record a first preference for the candidate for whom the next available preference is recorded.

(3) After the allotment of votes under subclause (1), each continuing candidate's total votes shall be calculated and, if the votes equal or exceed the quota, the candidate is successful.

Scrutiny to cease

4. (1) If, after a calculation under subclause 3 (3), 6 (4) or paragraph 9 (2) (d), the number of successful candidates is equal to the number of positions to be filled, the scrutiny shall cease.

(2) If, after a calculation under subclause 3 (3) or 6 (4) or after all the ballot papers counted for an excluded candidate have been dealt with under clause 9—

- (a) the number of continuing candidates is equal to the number of positions remaining to be filled; and
- (b) no successful candidate has a surplus not already dealt with under clause 6;

each of those continuing candidates is successful and the scrutiny shall cease.

Scrutiny to continue

5. If the scrutiny has not ceased in accordance with clause 4 and—

- (a) 1 or more successful candidates have a surplus not already dealt with under clause 6—subject to clause 4, each surplus shall be dealt with in accordance with clause 6; or
- (b) there are no successful candidates with such a surplus—1 continuing candidate shall be excluded in accordance with clause 8 and the ballot papers counted for him or her shall be dealt with in accordance with clause 9.

SCHEDULE 4—continued

Surplus votes

6. (1) Subject to clause 7, this clause applies in relation to the surplus of a successful candidate.

(2) Each ballot paper counted for the purpose of allotting votes to the successful candidate at the count at which the candidate became successful shall be dealt with as follows:

- (a) if it does not specify a next available preference—it shall be set aside as finally dealt with for the purposes of this Part;
- (b) if it specifies a next available preference—it shall be grouped according to the candidate for whom that preference is recorded.

(3) The count votes for each continuing candidate shall be determined and allotted to him or her.

(4) After the allotment under subclause (3), the continuing candidates' total votes shall be calculated and, if the total votes of a candidate equal or exceed the quota, the candidate is successful.

More than 1 surplus

7. (1) In this clause—

- (a) a reference to a successful candidate shall be read as a reference to a successful candidate with a surplus not already dealt with under clause 6; and
- (b) a reference to the earliest count shall be read as a reference to the earliest count at which a successful candidate obtained a quota.

(2) Where there are 2 or more successful candidates, the surplus of the relevant candidate shall be dealt with in accordance with clause 6.

(3) For the purposes of subclause (2)—

- (a) if only 1 successful candidate obtained a quota at the earliest count—that candidate is the relevant candidate;
- (b) if 2 or more successful candidates obtained a quota at the earliest count—the candidate who, of those candidates, has the largest surplus is the relevant candidate; or
- (c) if 2 or more successful candidates (in this paragraph called “contemporary candidates”) who obtained a quota at the earliest count have the same surplus, being a surplus larger than that of any other candidate who obtained a quota at that count and—
 - (i) 1 of the contemporary candidates had more total votes than any other contemporary candidate at the last count at which all the contemporary candidates had unequal total votes—that candidate; or

SCHEDULE 4—continued

- (ii) there is no count at which all the contemporary candidates had unequal total votes—the contemporary candidate who is determined by the commissioner by lot to be the relevant candidate;

is the relevant candidate.

(4) Where—

- (a) a person becomes the relevant candidate by virtue of subparagraph (3) (c) (ii);
- (b) the ballot papers are recounted in accordance with section 187; and
- (c) the same candidates would, but for this subclause, become the contemporary candidates once again by virtue of that subparagraph;

the person shall be taken to be the relevant candidate for the purposes of subclause (2) in the recounting of those ballot papers.

Exclusion of candidates

8. (1) Where clause 5 or 15 requires a candidate to be excluded, the candidate with the least total votes shall be excluded.

(2) Where 2 or more candidates each have the same total votes, being fewer total votes than any other candidate and—

- (a) 1 of those candidates had fewer total votes than any other of those candidates at the last count at which all those candidates had unequal votes—that candidate; or
- (b) there is no count at which all those candidates had unequal total votes—the candidate who, of those candidates, is determined by the commissioner by lot to be the candidate to be excluded;

shall be excluded.

(3) Where—

- (a) a person is excluded by virtue of paragraph (2) (b);
- (b) the ballot papers are recounted in accordance with section 187; and
- (c) that paragraph would, but for this subclause, be applicable once again to the same candidates;

the person shall be taken to be excluded in the recounting of those ballot papers.

SCHEDULE 4—continued

Votes of excluded candidates

9. (1) Where a candidate is excluded in accordance with clause 8, the ballot papers counted for the candidate shall be sorted into groups according to their transfer values when counted for him or her.

(2) Subject to subclause (3), each group under subclause (1) shall be dealt with as follows:

- (a) if a ballot paper in the group does not specify a next available preference—it shall be set aside as finally dealt with for the purposes of this Part;
- (b) if a ballot paper in the group specifies a next available preference—it shall be grouped according to the candidate for whom that preference is recorded;
- (c) each continuing candidate's count votes shall be determined and allotted to him or her;
- (d) continuing candidates' total votes shall be calculated and, if the votes of any of those candidates equal or exceed the quota, the candidate is successful.

(3) The groups referred to in subclause (1) shall be dealt with under subclause (2) starting with the group with the highest transfer value and, subject to subclause 4 (1) or 15 (2), continuing in descending order until all the groups have been dealt with.

Setting aside ballot papers

10. Where, after a calculation under subclause 3 (3) or 6 (4) or paragraph 9 (2) (d), the total votes of a candidate who became successful on that calculation equal the quota, the ballot papers counted for that candidate shall be set aside for the purposes of this Part.

PART 3—CASUAL VACANCIES

Application

11. (1) This Part applies in relation to the vacancy in the seat of a former MLA that is to be filled by recount under section 194.

(2) For the purposes of this Part—

- (a) “continuing candidate” means a candidate within the meaning of Part 13 of this Act, but does not include a candidate who died before the recount for the purposes of this Part commenced;
- (b) the quota is calculated under clause 12; and
- (c) the transfer value is determined under clause 13.

SCHEDULE 4—continued

Quota

12. For the purposes of this Part, the quota, in relation to a count, is calculated as follows:

$$\frac{\text{TVA}}{2} + 1$$

where **TVA** is the sum of the total votes allotted to the continuing candidates at the count, any fraction being disregarded.

Transfer value

13. (1) For the purposes of this Part, the transfer value of ballot papers counted for the former MLA—

- (a) in relation to a ballot paper dealt with at the count at which the former MLA became successful—is the value ascertained in accordance with subclause (2) or (3), as the case requires;
- (b) in relation to a ballot paper dealt with at the count under clause 3—is 1; and
- (c) in relation to a ballot paper dealt with at any other count—is the transfer value of the ballot paper when counted for the purpose of allotting count votes to the former MLA.

(2) Where, at the count at which the former MLA became successful, **NCP x TV** was greater than or equal to **Q—N—**

- (a) in relation to a ballot paper that did not specify a next available preference—the value is calculated as follows:

$$\frac{\text{Q} - \text{N}}{\text{NCP}} ; \text{ and}$$

- (b) in relation to a ballot paper that specified a next available preference—the value is zero.

(3) Where, at the count at which the former MLA became successful, **NCP x TV** was less than **Q—N—**

- (a) in relation to a ballot paper that did not specify a next available preference—the value is the transfer value of the ballot paper when counted for the purpose of allotting count votes to the former MLA; and
- (b) in relation to a ballot paper that specified a next available preference—the value is calculated as follows:

$$\frac{\text{Q} - \text{N} - (\text{NCP} \times \text{TV})}{\text{CP}} .$$

SCHEDULE 4—continued

(4) For the purposes of subsections (2) and (3)—

- NCP** is the number of ballot papers counted for the former MLA at the count at which he or she became successful that did not specify a next available preference;
- TV** is the transfer value of a ballot paper when counted at that count for the purpose of allotting count votes to the former MLA;
- Q** is the quota for the election at which the former MLA was last elected;
- N** is the former MLA's total votes after the last calculation before that count; and
- CP** is the number of ballot papers counted for the former MLA at that count that specified a next available preference.

Recount—first count

14. (1) If a ballot paper counted for the former MLA—

- (a) does not specify a next available preference—it shall be set aside as finally dealt with for the purposes of this Part; or
- (b) specifies a next available preference—it shall be grouped according to the candidate for whom that preference is recorded.

(2) The count votes for each continuing candidate shall be determined and allotted to him or her, and each continuing candidate's total votes shall be calculated.

(3) If, after the calculation under subclause (2), the total votes of a continuing candidate equal or exceed the quota, the candidate is successful and the scrutiny shall cease.

Recount—continuation

15. (1) If the scrutiny has not ceased in accordance with subclause 14 (3) or subclause (2) of this clause—

- (a) 1 continuing candidate shall be excluded in accordance with clause 8; and
- (b) the ballot papers counted for that candidate shall be dealt with in accordance with clause 9.

(2) If, after a calculation under paragraph 9 (2) (d), a candidate is successful, the scrutiny shall cease.

SCHEDULE 4—continued

Successful candidate is dead

16. (1) If the candidate who is successful on a recount is dead, the recount shall be conducted again.

(2) For the purposes of subclause (1), a ballot paper on which a preference for that candidate is recorded shall be taken to record a preference for the candidate for whom the next available preference is recorded.

Multiple vacancies

17. (1) If there are 2 or more vacancies in the seats of former MLAs that are required to be filled by recount under section 194, the recounts shall be conducted in the order in which the vacancies occurred.

(2) If 2 or more of those vacancies occurred at the same time, the commissioner shall determine by lot the order in which the recounts are to be conducted.

(3) Where—

- (a) a person is a candidate in relation to more than 1 casual vacancy;
- (b) the person becomes a candidate in relation to those casual vacancies before the commissioner declares elected the successful candidate in relation to any of those casual vacancies; and
- (c) the person is successful in relation to 1 of those casual vacancies;

for the purpose of conducting the recount in relation to the casual vacancies other than the one in relation to which the person was successful, the person shall be taken not to be a continuing candidate.

PART 4—DECEASED SUCCESSFUL CANDIDATES

Application of Part 3

18. (1) Where a successful candidate dies on or after polling day but before the declaration of the result of the election, the ballot papers counted for the deceased candidate shall be dealt with in accordance with Part 3 of this Schedule as if they had been counted for a former MLA.

(2) For the purposes of this Part—

“continuing candidate” means a candidate other than a successful candidate, a candidate who died before the recount for the purposes of this Part commenced or a candidate who is excluded for the purposes of clause 15.

SCHEDULE 4—continued

Multiple deaths

19. (1) If 2 or more successful candidates die on or after polling day but before the declaration of the result of the election, the ballot papers counted for each deceased candidate shall be dealt in the order in which the candidates died.

(2) If 2 or more of those successful candidates died at the same time, the commissioner shall determine by lot the order in which the ballot papers for the deceased candidates are to be dealt with.

ENDNOTES

1 About this republication

This is a republication of the *Electoral Act 1992* as in force on 11 April 2001. It includes all amendments made to the Act up to Act 2000 No 76.

Amending and modifying laws are annotated in the table of legislation and table of amendments. However, any current modifications are not included in the republished Act but are set out in the endnotes.

The Parliamentary Counsel's Office currently prepares 2 kinds of republications of ACT laws: authorised printed republications to which the *Legislation (Republication) Act 1996* applies and unauthorised electronic republications. The status of a republication appears on its cover and is indicated by its republication number.

A republication number without a letter (eg 1, 2, 3 etc) indicates that the republication is an authorised printed republication. A number with a letter (eg 1A, 1B, 1C etc) indicates that the republication is an unauthorised electronic republication.

Section 13 of the *Legislation (Republication) Act 1996* authorises the Parliamentary Counsel, in preparing a law for republication, to make textual amendments of a formal nature which the Parliamentary Counsel considers desirable in accordance with current legislative drafting practice. The amendments do not effect a substantive change in the law.

In preparing this republication, amendments have not been made under section 13.

Not all amendments made under section 13 are annotated in the table of amendments. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.
