About this republication

The republished law

This is a republication of the *Mental Health (Treatment and Care) Act 1994* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 12 December 2011. It also includes any amendment, repeal or expiry affecting the republished law to 12 December 2011.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Mental Health (Treatment and Care) Act 1994

An Act to provide for the treatment, care, control, rehabilitation and protection of mentally dysfunctional or mentally ill persons, and for related purposes

Part 1 Preliminary

1 Short title

This Act may be cited as the *Mental Health (Treatment and Care) Act 1994*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act.

For example, the signpost definition '*electroconvulsive therapy*—see section 55.' means that the term 'electroconvulsive therapy' is defined in that section.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

4A Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 *Criminal Code*

The Criminal Code, ch 2 applies to the following offences against this Act (see Code, pt 2.1):

- s 45 (Communication during detention)
- s 55B (Offence—electroconvulsive therapy without consent)
- s 55C (Offence—electroconvulsive therapy on 10 or more occasions since consent)

- s 55D (Offence—electroconvulsive therapy after consent withdrawn)
- s 55I (Offence—electroconvulsive therapy without electroconvulsive therapy order)
- s 55J (Offence—electroconvulsive therapy on 10 or more occasions since electroconvulsive therapy order)
- s 55K (Offence—electroconvulsive therapy after order consent withdrawn)
- s 56 (Offence—electroconvulsive therapy without doctor’s consent)
- s 57 (1) (Doctor must record electroconvulsive therapy)
- s 57 (2)
- s 57 (3)
- s 58 (Electroconvulsive therapy records to be kept for 5 years)
- s 119B (2) (Identity cards for mental health officers).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 *Penalty units*

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Part 2 Objectives

7 Objectives of Act

This Act has the following objectives:

- (a) to provide treatment, care, rehabilitation and protection for mentally dysfunctional or mentally ill persons in a manner that is least restrictive of their human rights;
- (b) to provide for mentally dysfunctional or mentally ill persons to receive treatment, care, rehabilitation and protection voluntarily and, in certain circumstances, involuntarily;
- (c) to protect the dignity and self-respect of mentally dysfunctional or mentally ill persons;
- (d) to ensure that mentally dysfunctional or mentally ill persons have the right to receive treatment, care, rehabilitation and protection in an environment that is the least restrictive and intrusive, having regard to their needs and the need to protect other persons from physical and emotional harm;
- (e) to facilitate access by mentally dysfunctional or mentally ill persons to services and facilities appropriate for the provision of treatment, care, rehabilitation and protection.

8 Objectives of Territory

In providing services and facilities for mentally dysfunctional or mentally ill persons, the Territory shall have regard to the following objectives:

- (a) to establish, develop, promote, assist and encourage services and facilities—
 - (i) that provide a strong and viable system of treatment and care, and a full range of services and facilities, for mentally dysfunctional or mentally ill persons; and

- (ii) that take into account the various religious, cultural and language needs of mentally dysfunctional or mentally ill persons; and
 - (iii) that minimise the adverse effects of mental dysfunction or mental illness in the community; and
 - (iv) that are comprehensive and accessible; and
 - (v) that are designed to reduce the incidence of mental dysfunction or mental illness in the community; and
 - (vi) that provide for intervention at an early stage of mental dysfunction or mental illness; and
 - (vii) that support mentally dysfunctional or mentally ill persons in the community and coordinate with other community services;
- (b) to ensure that mentally dysfunctional or mentally ill persons are informed of their rights and entitlements under this Act and, in doing so, to make all reasonable efforts to ensure that the relevant provisions of this Act are explained to those persons in the language, mode of communication or terms that they are most likely to understand;
- (c) to assist and encourage voluntary agencies to provide services for mentally dysfunctional or mentally ill persons;
- (d) to promote a high standard of training for those responsible for the care of mentally dysfunctional or mentally ill persons;
- (e) to consult with persons who are receiving or have received such services, their carers and the community about—
- (i) the provision of services and facilities for mentally dysfunctional or mentally ill persons and to establish formal and informal consultative mechanisms for this purpose; and
 - (ii) the development of mental health policy; and

9 Maintenance of freedom, dignity and self-respect

A person exercising a function under this Act, or under an ACAT order, in relation to a mentally dysfunctional or mentally ill person must endeavour to ensure that any restrictions on that person's personal freedom and any derogation of that person's dignity and self-respect are kept to the minimum necessary for the proper care and protection of the person and the protection of the public.

Note A provision of a law that gives an entity (including a person) a function also gives the entity powers necessary and convenient to exercise the function (see Legislation Act, s 196 and dict, pt 1, def *entity*).

- (a) 7 days after the assessment order is made; or
 - (b) another day stated in the assessment order.
- (2) However, the ACAT may, on application, extend the period for conducting the assessment if satisfied, based on clinical evidence provided to it by the person conducting the assessment, that a

satisfactory assessment cannot be completed within the period under subsection (1).

- (3) The extension must be for a period not longer than 7 days.

22 Removal to conduct assessments

- (1) This section applies if the ACAT makes an assessment order in relation to—
- (a) a person mentioned to in section 16 (1) (a), (b) or (c) who—
