About this republication

The republished law

This is a republication of the *Auditor-General Act 1996* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 July 2014. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 July 2014.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$140 for an individual and \$700 for a corporation (see *Legislation Act 2001*, s 133).

Auditor-General Act 1996

An Act to provide for an auditor-general, and for related purposes

Part 1 Preliminary

Division 1.1 Preliminary

1 Name of Act

This Act is the *Auditor-General Act 1996*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act.

For example, the signpost definition ‘*subsidiary*, of a territory-owned corporation—see the *Territory-owned Corporations Act 1990*, section 3 (1).’ means that the term ‘subsidiary’ is defined in that subsection and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

3A Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

3B Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Division 1.2 Important concepts

5 Controlling interests

- (1) For this Act, the Territory or a territory entity has a ***controlling interest*** in a company if its interest in the company is such that—

 - (ii) cast, or control the casting of, more than 50% of the maximum number of votes that might be cast at a general meeting of the company; or
 - (iii) control more than 50% of the issued share capital of the company (excluding any part of that issued share capital that carries no right to participate beyond a specified amount in a distribution of either profits or capital); or
 - (b) if paragraph (a) does not apply—no other person holds a greater interest in the company.

- (2) For this Act, the Territory, or a territory entity, has a ***controlling interest*** in a joint venture if its interest in the venture is such that—
- (a) it is able to control the acts and things done in the course of the venture; or
 - (b) if paragraph (a) does not apply—no other person is able to exercise greater control over the acts and things done in the course of the venture.
- (3) For this Act, the Territory, or a territory entity, has a ***controlling interest*** in a trust if its interest in the trust is such that—
- (a) it is able to control the acts and things done in the course of carrying out the terms of the trust; or
 - (b) if paragraph (a) does not apply—no other person is able to exercise greater control over the acts and things done in the course of carrying out the terms of the trust.
