Taxation Administration Act 1999

A1999-4

Republication No 16

Effective: 31 August 2006 – 26 September 2006

Republication date: 31 August 2006

Last amendment made by A2006-32

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Taxation Administration Act 1999* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 31 August 2006. It also includes any amendment, repeal or expiry affecting the republished law to 31 August 2006.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Taxation Administration Act 1999

An Act to provide for the administration of certain Acts relating to the imposition and collection of taxes

Part 1 Preliminary

1 Name of Act

This Act is the *Taxation Administration Act 1999*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*group*—see section 112.’ means that the term ‘group’ is defined in that section.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

3A Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

4 Meaning of *tax laws*

The following are tax laws for this Act:

- (a) this Act;
- (b) the *Debits Tax Act 1997*;
- (c) the *Duties Act 1999*;
- (d) the *Emergencies Act 2004*, schedule 1 (Ambulance levy);
- (e) the *Financial Institutions Duty Act 1987*;

- (f) the *Insurance Levy Act 1998*;
- (g) the *Land Tax Act 2004*;
- (h) the *Payroll Tax Act 1987*;
- (i) the *Rates Act 2004*;
- (j) the *Stamp Duties and Taxes Act 1987*;
- (k) the *Taxation (Administration) Act 1987*;
- (l) an Act declared by regulation to be a tax law.

5 Act binds Territory

- (1) This Act applies to the Territory so far as it requires or otherwise provides for the payment of money that, on payment, would form part of the public money of the Territory.
- (2) This section has effect despite the Legislation Act, section 121 (2).

Note Section 121 (2) provides that an Act does not bind the Territory to the extent that it requires or otherwise provides for the payment of money that, on payment, would form part of the public money of the Territory.

5A Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 *Criminal Code*

The Criminal Code, ch 2 applies to an offence against s 71 (6) (Orders to comply with requirements). The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences) and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness*, and *strict liability*).

Note 2 *Penalty units*

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Part 2 Purpose of Act and relationship with other tax laws

6 Purpose of Act and relationship with other tax laws

- (1) The purpose of this Act is to make general provision in relation to the administration and enforcement of the other tax laws.
- (2) The other tax laws include provisions in relation to—
 - (a) the imposition of tax and its payment; and
 - (b) exceptions to and exemptions from liability to the tax; and
 - (c) entitlements to refunds.
- (3) This Act includes general provisions in relation to—
 - (a) the assessment and reassessment of tax liability; and
 - (b) the tax liability of groups of corporations; and
 - (c) payment of tax, if this is not provided for in the tax law concerned; and
 - (d) entitlements to and the obtaining of refunds of tax; and
 - (e) the imposition of interest and penalty tax; and
 - (f) approval of special tax return arrangements; and
 - (g) the collection of tax; and
 - (h) record keeping obligations of taxpayers and general offences; and
 - (i) tax officers and their investigative powers and secrecy obligations; and
 - (j) objections and appeals; and

- (k) cooperation with other jurisdictions in conducting investigations and enforcing tax laws; and
- (l) miscellaneous matters such as the service of documents, corporate criminal liability and evidence.

Part 3 Assessment of tax liability

7 General power to make assessment

- (1) The commissioner may make an assessment of the tax liability of a taxpayer.
- (2) An assessment of a tax liability may—
 - (a) consist of a determination that there is not a particular tax liability; or
 - (b) include an assessment of the value of anything for the purpose of assessing tax liability.
- (3) The commissioner has the same powers of assessment in relation to a trustee of a deceased person as the commissioner would have in relation to the person if the person were alive.

8 Tax avoidance schemes made ineffective

- (1) If the commissioner is satisfied that a person has used a tax avoidance scheme, the commissioner may—
 - (a) determine the tax to which the person and other people would have been liable apart from the use of the scheme; and
 - (b) take the action that the commissioner considers necessary to allow assessments of tax so determined.
- (2) If the commissioner makes a determination under subsection (1), each person benefiting from the scheme is liable for tax in accordance with the determination.
- (3) This section applies in relation to a scheme wherever and whenever entered into.
- (4) This section does not prevent a person from agreeing to pay tax payable by another or from entering a tax-sharing agreement.

(5) In this section:

scheme includes—

- (a) any plan, action or conduct of a person; and
- (b) any trust, agreement, arrangement or other understanding between people, whether oral or in writing, whether express or implied and whether or not it is intended to be legally binding; and
- (c) any series or combination of schemes mentioned in paragraphs (a) and (b).

tax avoidance scheme means a scheme by which a person obtains or seeks to obtain a reduction in, or exemption from, tax that would otherwise be payable and where, having regard to—

- (a) the way in which the scheme was entered into or carried out; or
- (b) the form and substance of the scheme; or
- (c) the time when the scheme was entered into and the length of time during which it was carried out; or
- (d) the extent to which the scheme reduces the tax that would otherwise be payable; or
- (e) whether the scheme has resulted in, or can reasonably be expected to result in, a change in any person's financial position, or in any other consequence for any person; or
- (f) the nature of any connection (whether of a business, family or any other nature) between the person and a person mentioned in paragraph (e);

it would be reasonable to conclude that the person entered into or carried out the scheme principally for the purpose of obtaining the reduction in, or exemption from, tax.

9 Reassessment

- (1) The commissioner may make 1 or more reassessments of a tax liability of a taxpayer.
- (2) A reassessment of a tax liability must be made in accordance with the legal interpretations and assessment practices generally applied by the commissioner in relation to matters of that kind at the time the tax liability arose except to the extent that any departure from those interpretations and practices is required by a change in the law (whether legislative or non-legislative) made after that time.
- (3) The commissioner must not make a reassessment of a tax liability more than 5 years after the initial assessment of the liability, unless—
 - (a) the purpose of the reassessment is to give effect to a decision on an objection or appeal as to the initial assessment; or
 - (b) at the time the initial assessment or a reassessment was made, all the facts and circumstances affecting the liability under the relevant tax law of the person in relation to whom the assessment or reassessment was made were not fully and truly disclosed to the commissioner.
- (4) The initial assessment of a tax liability remains the initial assessment of the liability for this Act even if it is withdrawn under section 13.

10 Requirement for full and true disclosure of relevant facts and circumstances

- (1) A person who is liable to pay tax under a tax law must, before or at the time an assessment of the tax liability is made, fully and truly disclose to the commissioner all the facts and circumstances affecting the tax liability under the relevant tax law.

Maximum penalty: 50 penalty units, imprisonment for 6 months or both.

- (2) It is a defence to a charge under this section that the defendant reasonably relied on some other person to ensure that the requirements of this section were satisfied.

11 Information on which assessment is made

- (1) The commissioner may make an assessment on the information that the commissioner has from any source at the time the assessment is made.
- (2) If the commissioner has insufficient information to make an exact assessment of a tax liability, the commissioner may make an assessment by way of estimate.

12 Compromise assessment

- (1) If it is difficult or impracticable for the commissioner to determine a person's tax liability under a tax law without undue delay or expense because of the complexity or uncertainty of the case or for any other reason, the commissioner may make an assessment in accordance with this section.
- (2) The commissioner may, with the agreement of the taxpayer, assess liability in an amount specified in, or determined in accordance with, the agreement.
- (3) Despite section 9, the commissioner must not make a reassessment of a tax liability assessed in accordance with this section unless—
- (a) the taxpayer agrees to the reassessment; or
 - (b) the assessment under this section was procured by fraud or there was a deliberate failure to disclose material information.
- (4) This section does not limit the power of the commissioner to make an assessment by way of estimate under section 11.

13 Withdrawal of assessment

The commissioner may withdraw an assessment for which a notice of assessment has been issued at any time within 5 years after the date of issue of the notice, whether or not the amount of tax specified in the assessment has been paid.

14 Notice of assessment, reassessment or withdrawal of assessment

- (1) The commissioner may issue a notice of assessment, showing the amount of the assessment.

Note If a form is approved under s 139C for a notice of assessment, the form must be used.

- (2) If the commissioner has not issued a notice of assessment of the tax liability of a taxpayer, the commissioner must issue the notice if a request to do so is made by the taxpayer within 5 years after the liability arose.
- (3) If the commissioner makes a reassessment, the commissioner must issue a notice of assessment, showing the amount of the reassessment and the amount by which the assessment has been increased or decreased.
- (4) If the commissioner withdraws an assessment, the commissioner must issue a notice of withdrawal of assessment.

15 Inclusion of interest and penalty tax in notice of assessment

A notice of assessment of a taxpayer's tax liability issued following a tax default by the taxpayer must specify any interest and penalty tax that are payable, or will become payable by the taxpayer under part 5 in relation to the default.

16 Validity of assessment

The validity of an assessment is not affected only because a provision of a tax law has not been complied with.

17 Acceptance of money not necessarily an assessment

If money is paid in connection with the lodging of any document, the acceptance of the money by the commissioner does not, of itself, constitute an assessment.

18 Remissions of tax

Tax must be remitted in the same circumstances as those in which it would be refunded under a tax law if it had been paid.

Part 4 Refunds of tax

19 Entitlement to refund

- (1) If a taxpayer has paid a greater amount of tax in relation to a tax liability than the amount assessed for that liability, the commissioner must refund the difference to the taxpayer, subject to this part.
- (2) To remove any doubt, it is declared that an amount by which tax is overpaid is taken to be tax for this part.

20 Offset of refund against other tax liability

- (1) Instead of making a refund to a taxpayer, the commissioner may apply the amount that would otherwise be refunded to meet tax or any other amount payable by the taxpayer under a tax law.
- (2) A refund may be credited towards a taxpayer's future liability, but only with the taxpayer's consent.

21 Limitation of refunds of revenue amounts

- (1) The commissioner must not refund a revenue amount unless the person claiming the refund (the *claimant*)—
 - (a) satisfies the commissioner that—
 - (i) the claimant has not charged to, or recovered from, any other person an amount paid in relation to the whole or any part of the revenue amount; or
 - (ii) if the claimant has so charged or recovered any such amount—the claimant has repaid the amount; and
 - (b) gives the commissioner a written undertaking that the claimant will not charge to, or recover from, any other person an amount paid in relation to the whole or any part of the revenue amount.

- (2) If the commissioner is not satisfied about the matters mentioned in subsection (1) (a), the commissioner must give the claimant written notice of his or her decision.
- (3) A person who contravenes an undertaking that the person has given under subsection (1) (b) is liable to pay the commissioner, as a penalty, an amount equal to double the amount that the person has charged to, or recovered from, another person by the contravention.

22 Judgments for the recovery of revenue amounts

- (1) Judgment must not be entered for a plaintiff or claimant in a proceeding against the Territory for the recovery of a revenue amount unless—
 - (a) the court is satisfied that—
 - (i) the plaintiff or claimant has not charged to, or recovered from, any other person an amount paid in relation to the whole or any part of the revenue amount; or
 - (ii) if the plaintiff or claimant has so charged or recovered any such amount—he or she has repaid the amount; and
 - (b) the plaintiff or claimant gives to the court an undertaking in writing that he or she will not charge to, or recover from, any other person an amount paid in relation to the whole or any part of the revenue amount.
- (2) A person who contravenes an undertaking that the person has given under subsection (1) (b) is liable to pay to the commissioner, as a penalty, an amount equal to double the amount that the person has charged to, or recovered from, another person by the contravention.
- (3) In subsection (1):
Territory includes an officer, Minister and territory authority.

23 No recovery of revenue amounts following non-legislative change in law

- (1) A revenue amount paid before a non-legislative change of the law is not recoverable from the Territory on a ground of invalidity if the ground came into existence because of the change of law.
- (2) If a revenue amount paid before a non-legislative change of the law would have been refundable as an overpayment if the purported tax had been valid, that amount is refundable as if the purported tax had indeed been valid.

- (3) In this section:

ground of invalidity means—

- (a) the ground of invalidity of a tax law; or
- (b) the ground of mistake (whether law or a fact) about the validity or invalidity of a tax law; or
- (c) any other restitutionary ground relating to the validity or invalidity of a tax law.

non-legislative change of the law means a change of the law or of legal principles, or a change in what is generally perceived to be the state of the law or legal principles, but does not include a change made by legislation.

Territory includes an officer, Minister and territory authority.

24 Characterisation

- (1) For the purpose of the application of the rules of conflict of laws, this part is part of the substantive law of the ACT.
- (2) This section does not affect the characterisation of any other provision in this Act.

Part 5 **Interest and penalty tax**

Division 5.1 **Interest**

25 **Interest in relation to tax defaults**

- (1) If a tax default happens, the taxpayer is liable to pay interest on the amount of tax unpaid calculated on a daily basis from the end of the last day for payment until the day it is paid at the interest rate from time to time applying under this division.
- (2) Interest is payable under this section in relation to a tax default that consists of a failure to pay penalty tax under division 5.2 but is not payable in relation to any failure to pay interest under this division.

26 **Interest rate**

- (1) The interest rate is the sum of—
 - (a) the market rate component; and
 - (b) the premium component.
- (2) The *market rate component* for a day is—
 - (a) if a determination of a rate is, under section 139 (1) (b) (Determination of amounts payable under tax laws), in force for this paragraph for the day—the determined rate; or
 - (b) if paragraph (a) does not apply—the monthly 90-day bank bill rate worked out in accordance with table 26 and rounded to the 2nd decimal place (with 0.005 rounded to 0.01).

Table 26

If the day is....	the monthly 90-day bank bill rate is....
in the 1st 6 months of a year	(a) if, before 1 January of the year, the monthly 90-day bank bill rate for the previous November had been published—that rate; or (b) if paragraph (a) does not apply—the last monthly 90-day bank bill rate published before 1 January of the year.
in the 2nd 6 months of a year	(a) if, before 1 July of the year, the monthly 90-day bank bill rate for the previous May had been published—that rate; or (b) if paragraph (a) does not apply—the last monthly 90-day bank bill rate published before 1 July of the year.

(3) The *premium component* is 8% per annum.

(4) In this section:

monthly 90-day bank bill rate means the monthly average yield of 90-day bank accepted bills published by the Reserve Bank of Australia for a particular month.

28 Interest rate to prevail over interest otherwise payable on a judgment debt

If judgment is given by or entered in a court for an amount of unpaid tax (or an amount that includes an amount of unpaid tax), the interest rate determined in accordance with this division continues to apply, to the exclusion of any other interest rate, until the tax is paid.

29 Remission of interest

- (1) The commissioner may remit all or part of the market rate component or the premium component of interest, or both, if—
 - (a) the commissioner has determined that no penalty tax is payable under section 31 (6); or
 - (b) the amount of penalty tax has been reduced under section 32 or section 33; or
 - (c) penalty tax has been remitted in whole or in part under section 37.
- (2) The commissioner must not remit the market rate component unless the commissioner is also satisfied that the circumstances are exceptional and justify the remission.

Division 5.2 Penalty tax

30 Penalty tax in relation to certain tax defaults

- (1) If a tax default happens, the taxpayer is liable to pay penalty tax in addition to the amount of tax unpaid.
- (2) Penalty tax imposed under this division is in addition to interest.
- (3) Penalty tax is not payable in relation to a tax default that consists of a failure to pay—
 - (a) interest under division 5.1; or
 - (b) penalty tax previously imposed under this division.

31 Amount of penalty tax

- (1) The amount of penalty tax payable in relation to a tax default is 25% of the amount of tax unpaid, subject to this division.
- (2) The amount of penalty tax payable in relation to a tax default is 50% of the amount of tax unpaid if the commissioner is satisfied that the

tax default was caused wholly or partly by a failure by the taxpayer (or a person acting on behalf of the taxpayer) to take reasonable care to fulfil the taxpayer's obligations under a tax law.

- (3) Subsection (2) does not apply if the tax payer satisfies the commissioner that the taxpayer (or a person acting on behalf of the taxpayer) had a reasonable excuse for the failure.
- (4) Subsections (2) and (3) apply to a tax default that happened before their commencement in the same way as they apply to a tax default that happened after their commencement.
- (5) The amount of penalty tax payable in relation to a tax default is 75% of the amount of tax unpaid if the commissioner is satisfied that the tax default was caused wholly or partly by the intentional disregard by the taxpayer (or a person acting on behalf of the taxpayer) of a tax law.
- (6) No penalty tax is payable in relation to a tax default if the commissioner is satisfied that—
 - (a) the taxpayer (or a person acting on behalf of the taxpayer) took reasonable care to comply with the tax law; or
 - (b) the tax default happened solely because of circumstances beyond the taxpayer's control (or if a person acted on behalf of the taxpayer, because of circumstances beyond either the person's or the taxpayer's control) but not amounting to financial incapacity.

32 Reduction in penalty tax for voluntary disclosure

The amount of penalty tax determined under section 31 is reduced by 80% if, before the commissioner informs the taxpayer that an investigation relating to the taxpayer is to be carried out, the taxpayer discloses to the commissioner, in writing, sufficient information to enable the nature and extent of the tax default to be determined.

33 Reduction in penalty tax for disclosure before investigation

The amount of penalty tax determined under section 31 is reduced by 20% if, after the commissioner informs the taxpayer that an investigation relating to the taxpayer is to be carried out and before it is begun, the taxpayer discloses to the commissioner, in writing, sufficient information to enable the nature and extent of the tax default to be determined.

34 Increase in penalty tax for concealment

Part 7 **Collection of tax**

Division 7.1 **General**

48 **Tax payable to the commissioner**

- (1) Tax that is payable is payable to the commissioner, who may recover any amount unpaid in a court of competent jurisdiction as a debt to the commissioner.
- (2) The commissioner has the same powers and remedies in relation to the trustee of a deceased person for the recovery of tax from the person's estate as the commissioner would have in relation to the person if the person were alive.

49 **Costs of recovery are payable to the commissioner**

If an amount by way of tax, penalty tax or interest payable under a tax law has not been paid, the person who is liable to pay that amount is also liable to pay to the Territory an amount equal to the costs and expenses reasonably incurred by the Territory in attempting to recover the amount of tax, penalty tax or interest.

50 **Joint and several liability**

- (1) If 2 or more people are jointly or severally liable to pay an amount under a tax law, the commissioner may recover the whole of the amount from them, or any of them, or any 1 of them.
- (2) Nothing in this Act prevents a person who is jointly or severally liable to pay an amount of tax and who pays the amount to the commissioner from recovering a contribution from any other person who is liable to pay the whole or part of that amount.

51 Time for payment of tax

Subject to this Act, tax is due and payable—

- (a) in accordance with the relevant tax law; or
- (b) if that law makes no provision in relation to the time for payment—on the last day when the return or other document in relation to the tax is required to be lodged under that law.

52 Arrangements for payment of tax

- (1) The commissioner may extend the time for payment of tax by a taxpayer and may accept the payment of tax by instalments.
- (2) A decision of the commissioner under this section may be made subject to the conditions (for example, about the payment of interest) that the commissioner may determine.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) If the commissioner has accepted the payment of tax by instalments, each instalment is due and payable at the time determined by the commissioner in relation to the instalment.
- (4) If an instalment of tax is not paid on or before the time that payment is due, the whole of the outstanding amount of the tax, duty or penalty tax becomes due and payable at that time.

53 Duties of agents, trustees etc

- (1) This section applies if—
 - (a) a person (the *agent*) has possession, control or management of a business or property of a taxpayer as an agent or trustee or in any other capacity; and

- (2) The agent must, as soon as and so far as is practicable, ensure that—
- (a) the obligations of the taxpayer under a tax law that remain undischarged are discharged; and
 - (b) all further obligations that arise under a tax law in relation to the business or property are discharged while the person continues to have possession, control or management of the business or property.

Maximum penalty: the penalty that could be imposed on the taxpayer for a failure to fulfil the obligation concerned.

- (3) For those purposes the agent must set aside (and, so far as necessary, liquidate) assets of the taxpayer (or the taxpayer's estate) to the value of any tax that has become or becomes payable and use those assets to pay the tax.

Maximum penalty: 50 penalty units.

- (4) If the agent fails, without the commissioner's written permission, to set aside, liquidate and use sufficient assets to pay the tax, the commissioner may recover from the agent as a debt the whole or a part of an amount that is assessed as being payable as tax in relation to the business or property and remains unpaid, but the agent will not otherwise be personally liable for the payment of the tax.
- (5) The agent is entitled to be indemnified by the taxpayer (or out of the taxpayer's estate) for payments made or action taken under this section.
- (6) This section does not prevent the making of a payment to the agent out of the assets, in priority to tax, of any reasonable remuneration, charges and expenses to which the agent would, apart from this section, be entitled in relation to his or her exercise of the agent's functions.

54 Collection of tax from third parties

whichever is the later.

- (8) A debtor subject to a requirement of the commissioner under this section must comply with the requirement.

Maximum penalty: 50 penalty units.

- (10) A debtor who makes a payment in accordance with this section is taken to be acting under the authority of the taxpayer and of all other people concerned and is indemnified by this section in relation to the payment.
- (11) If, after a person is given a notice under this section by the commissioner, the whole or a part of the amount is paid by another person, the commissioner must promptly notify the person to whom the notice is given of the payment and the notice is taken to be amended accordingly.

- the person or set of people mentioned in paragraph (a) has a controlling interest in that other business.

- (5) If—
- (a) a person or set of people is the beneficiary of a trust in relation to more than 50% of the value of the interests in the trust; and
 - (b) the trustee has a controlling interest in a business of the trust;
- the person or set of people has a controlling interest in the business.
- (6) A person who may benefit from a discretionary trust as a result of the exercise of a power of discretion by the trustee or another person, or by the trustee and another person, is taken, for subsection (5), to be a beneficiary in relation to more than 50% of the value of the interests in the trust.
- (7) Subsection (1) does not apply in relation to a person or set of people that has a controlling interest in 2 businesses if—
- (a) for 1 person—both businesses are wholly owned by the person, whether as trustee or otherwise; or
 - (b) for a set of people—both businesses are wholly owned by the people as trustees.

116 Smaller primary groups are subsumed under larger groups

If a person is a member of 2 or more primary groups, the members of all the groups together constitute a *primary group*.

Division 11.2 Treatment of bodies corporate

117 Public officer of body corporate

- (1) The commissioner may require a body corporate to appoint, and afterwards maintain at all times, a public officer of the body for the tax laws.

- (2) A body corporate must maintain a public officer if required to do so by the commissioner.
Maximum penalty: 50 penalty units.
- (3) A person must not be appointed as or remain a public officer unless the person—
- (a) is an individual who is at least 18 years old; and
 - (b) is ordinarily resident in Australia; and
 - (c) is capable of understanding the nature of his or her appointment as public officer.
- (4) An appointment of a public officer is not duly made until written notice of the appointment, specifying the name and residential address of the officer, has been lodged with the commissioner.
- (5) If a body corporate required by the commissioner to maintain a public officer fails to do so, the commissioner may appoint a person as the public officer of the body by written notice served on the person and the body.
- (6) Service of a document on the public officer of a body corporate is sufficient service on the body for a tax law, and, if at any time a body corporate required to have a public officer does not have one, then service on a person acting or appearing to act in the business of the body is sufficient.
- (7) The public officer of a body corporate is answerable for the discharge of all obligations imposed on the body under a tax law, and, in case of default, is liable—
- (a) for a prosecution for an offence—to the penalty applying to an individual who commits that offence; or
 - (b) in any other case—to the same penalties as the body.

- (8) Everything that the public officer of a body corporate is required to do and does in his or her representative capacity is taken to have been done by the body, but the absence or non-appointment of a public officer does not excuse the body from the necessity of complying, or from a penalty for failure to comply, with a provision of a tax law and the body is liable to comply with the tax laws as if there were no requirement to appoint a public officer.
- (9) A document served on or requirement made of the public officer of a body corporate is taken to have been served on or made of the body.
- (10) Any civil or criminal proceeding brought under a tax law against the public officer of a body corporate is taken to have been brought against the body, and the body is liable jointly with the public officer for any penalty imposed on the public officer, or for compliance with any order made against the public officer.

118 Liability of directors or other officers

Without limiting, altering or transferring the liability of the public officer of a body corporate, every notice, process or proceeding that, under a tax law, may respectively be given to, served on or taken against the public officer or the body may, if the commissioner considers appropriate, be given to, served on or taken against a director, secretary or other officer of the body, and the director, secretary or officer then has the same liability in relation to the notice, process or proceeding as the public officer or the body corporate would have if it had been given to, served on or taken against the public officer.

119 Offences by people involved in management of bodies corporate

- (1) If a body corporate contravenes, by act or omission, a provision of a tax law, a person who is concerned in, or takes part in, the management of the body is taken to have contravened the same provision unless the person satisfies the court that—

- (a) the body contravened the provision without the person's knowledge; or
 - (b) the person was not in a position to influence the conduct of the body in relation to its contravention of the provision; or
 - (c) the person, if in such a position, used all due diligence to prevent the contravention by the body.
- (2) A person may be convicted under this section of a contravention of a provision of a tax law whether or not the body corporate has been convicted of its contravention.
- (3) This section does not affect a liability imposed on a body corporate for an offence committed by it against a tax law.
- (4) For this section the following are people who are concerned in, or take part in, the management of a body corporate:
- (a) a director;
 - (b) a secretary;
 - (c) a receiver and manager of property;
 - (d) an official manager or deputy official manager;
 - (e) a liquidator of the body corporate appointed in a voluntary winding up;
 - (f) a trustee or other person administering a compromise or arrangement made between the body and another person or other people.

120 Prosecution of bodies corporate

- (1) A charge against a body corporate for a tax offence may be dealt with summarily.
- (2) If, in a prosecution for a tax offence constituted by an act done by a body corporate, it is necessary to establish the intention of the body,

it is sufficient to show that a servant or agent of the body, being a servant or agent by whom the act was done, had the intention.

- (3) In a prosecution for a tax offence, any act done by or on behalf of a body corporate by—
- (a) a director, servant or agent; or
 - (b) any other person—
 - (i) at the direction; or
 - (ii) with the consent or agreement, whether express or implied;
- of a director, servant or agent;

is taken to have been done also by the body corporate.

121 Notice of appointment of liquidators etc

A person who is appointed as a liquidator, receiver, manager or administrator of a body corporate must notify the commissioner of the appointment within 14 days.

Maximum penalty: 10 penalty units.

Division 11.3 Payments

122 Means and time of payment

- (1) Tax may be paid to the commissioner—
- (a) by a cash payment made at, or a bank cheque or postal money order delivered to, an office of the commissioner; or
 - (b) by any other means, including electronic means, approved by the commissioner.
- (2) An approval of the commissioner may be—
- (a) general or limited to particular taxes, people or payments; and

- (b) unconditional or subject to conditions.
- (3) If the commissioner approves payment by a personal cheque, payment is effected—
 - (a) if the cheque is paid when the commissioner first presents the cheque to the bank for payment—when the cheque was received by the commissioner; or
 - (b) if the cheque is not paid when the commissioner first presents the cheque to the bank for payment, but is paid on a subsequent presentation—when payment is actually effected.
- (4) The commissioner is not required to present a cheque to the bank for payment more than once if it is not paid on the first presentation.
- (5) An approval of a means of payment (other than by personal cheque) may include a stipulation about when payment by that means will be taken to be effected and any such stipulation will have effect according to its terms.
- (6) The commissioner may vary or cancel an approval under this section.

123 Adjustments of amounts

If an amount of tax payable by a taxpayer, whether a single amount or an aggregate of several amounts, is not a multiple of 5 cents, the commissioner may decrease the amount to the nearest multiple of 5 cents.

124 Valuation of foreign currency

If an amount involved in the calculation of tax is not in Australian currency, the amount must be converted to Australian currency at the rate of exchange last reported by the Reserve Bank before the liability to pay the tax arose.

125 Appropriation of public money

If the commissioner is authorised or required to pay an amount under this Act, the amount is payable from the public money of the Territory, which is appropriated accordingly.

Division 11.4 Notices and service of documents

126 Notification of decisions

A notice given or served by the commissioner of—

- (a) an assessment or a decision of a kind mentioned in schedule 1;
or
- (b) a determination of an objection under section 105 to a decision referred to in paragraph (a);

A document authorised or required to be served on, given to or lodged with the commissioner for a tax law may be served, given or lodged—

- (a) by delivering it to an office of the commissioner; or
- (b) by post addressed to the commissioner at an office of the commissioner; or
- (c) by a means indicated by the commissioner as being an available means of service (such as by fax or other electronic means or by delivering it, addressed to the commissioner, to the facilities of a document exchange); or
- (d) by leaving it with a person who has authority to accept documents on the commissioner's behalf.

128 Day of service of document or payment of money

If a document is served on the commissioner or a payment of money is tendered to the commissioner at a time on a day that is after the ordinary hours of business when the offices of the commissioner are open to the public on that day, the document or money is taken to have been served on or tendered to the commissioner on the following business day.

129 Service of documents by commissioner

- (1) A document authorised or required to be served on or given to a person by the commissioner for a tax law may be served on or given to the person—
 - (a) personally; or
 - (b) by leaving it at the last address of the person known to the commissioner (including, for a corporation, the registered address or a business address of the corporation); or
 - (c) by post addressed to the person at the last address of the person known to the commissioner (including, for a corporation, the registered address or a business address of the corporation); or
 - (d) by a means indicated by the person as being an available means of service (such as by fax or by delivering it, addressed to the person, to the facilities of a document exchange); or
 - (e) by any means provided for the service of the document by another Act or law.
- (2) If a person (the *agent*) has actual or apparent authority to accept service of a document on behalf of another, the commissioner may, for a tax law, serve the document on the agent as if the agent were that other person.
- (3) Service of a document on a member of a partnership, or on a member of the committee of management of an unincorporated association or other body of people, for a tax law, constitutes service

of the document on each member of the partnership, or on each member of the association or other body of people.

Division 11.5 Proceedings and evidence

131 Presumption of regularity about issue of documents

A document or a copy of a document bearing the written, printed or stamped signature or name of the commissioner or a person described in the document as a delegate of the commissioner must be presumed to have been lawfully issued by the commissioner.

132 Legal proceedings in commissioner's name

- (1) A legal proceeding may be taken by or against the commissioner in the name Commissioner for Australian Capital Territory Revenue.
- (2) A person who takes a legal proceeding in the name of the commissioner must be presumed to be authorised to take the proceeding.

133 Evidence of claim

- (1) In a proceeding in relation to a tax offence that is punishable on summary conviction, a statement or averment in the information, claim or complaint by which the proceeding was instituted is evidence of the matters stated or averred and of the facts on which they are based.
- (2) If a matter stated or averred relates to a question of mixed law and fact, the statement or averment is taken to be evidence of the fact only.
- (3) This section does not apply in relation to an averment of the intention of the defendant in the proceeding.

134 Evidence of assessments and determinations

- (1) Production of a notice of assessment, or of a document signed by the commissioner purporting to be a copy of a notice of assessment, is conclusive evidence—
 - (a) of the due making of the assessment; and
 - (b) that the amount and all particulars of the assessment are correct, except in an objection or appeal proceeding where it is prima facie evidence only.
- (2) Production of a notice of determination of an objection, or of a document signed by the commissioner purporting to be a copy of a notice of such a determination, is conclusive evidence of the making of the determination and of its terms.

135 Commissioner may certify copies of documents

Production of a document, certified by the commissioner as being a copy of, or extract from, a document received by the commissioner, is sufficient evidence of the matters set out in the document without production of the original.

136 Certificate evidence

A certificate signed by the commissioner that states any of the following matters is admissible in a proceeding under a tax law and, in the absence of evidence to the contrary, is proof of the matters stated in the certificate:

- (a) the person named in the certificate is liable to pay tax;
- (b) an assessment of tax has been made in relation to circumstances specified in the certificate;
- (c) notice of an assessment was issued to a person named in the certificate, or the person's agent, on the day specified in the certificate;

137 Evidence of previous convictions

In a proceeding for an offence for which, under this Act, a person is liable for a heavier penalty if the person has committed previous offences of a relevant kind, a certificate of the commissioner setting out the facts that the commissioner considers relevant in relation to any such convictions of the person is evidence of the matters stated in the certificate and of the facts on which they are based.

Division 11.6 Miscellaneous

138 Tax liability unaffected by payment of penalty

The payment by a person of a penalty imposed by a court does not relieve the person from the payment of any other amount the person is liable to pay under a tax law.
