This Act may be cited as the *Children and Young People Act 1999*.

2 Commencement

(1) Section 1 and this section commence on the day this Act is notified in the *Gazette*.

(2) The remaining provisions commence on a day fixed by the Minister by notice in the *Gazette*.

(3) If the provisions mentioned in subsection (2) have not commenced within 6 months beginning on the day this Act is notified in the *Gazette*, they commence, by force of this subsection, on the first day after that period.

- (2) The dictionary is part of this Act.
- (3) A definition in this Act applies to each use of the word or expression in the Act unless the contrary intention appears.

4 Orders *in favour of a person*

- (1) An order made in relation to a child or young person is an order *in favour of* a person if—
 - (a) for an order in relation to an aspect of parental responsibility—the person is given that aspect of parental responsibility under the order; or
 - (b) for an order for reparation or compensation—the order requires the child or young person to make reparation or pay compensation to the person; or
 - (c) for a contact order—the order allows the person to have contact with the child or young person; or
 - (d) for a residence order—the order requires the child or young person to live with the person.
- (2) In this section—

order means an order made by the Childrens Court or another court, whether under this Act or another law.

5 Meaning of *carer*

- (1) In this Act, other than Chapter 9 (Childrens Services)—

carer, for a child or young person, includes a person who provides regular and substantial care for the child or young person.
- (2) A person is not a *carer*—
 - (a) only because the person provides care for a child or young person at a child care centre or under a family day care scheme; or
 - (b) if the person provides care on a casual basis and is not a relative of the child or young person being cared for.

- (3) In this section—
care includes foster care, respite care and crisis care.

CHAPTER 2—GENERAL OBJECTS, PRINCIPLES AND PARENTAL RESPONSIBILITY

PART 1—GENERAL OBJECTS

10 Objects

The objects of this Act include—

- (a) to provide for and promote the care, protection and wellbeing of children and young people in a way that recognises their right to grow in a safe and stable environment and that takes into account the responsibilities of parents and others for them; and
- (b) to recognise that children and young people have the right to be protected from abuse and neglect and that their protection is the responsibility of parents and families with community and government support; and
- (c) to ensure that children and young people are provided with a safe and nurturing environment by organisations and people who, directly or indirectly, provide care and protection for them; and
- (d) to ensure that services provided by or for government for the care and protection of children and young people foster their health, education, developmental needs, spirituality, self-respect, self-reliance and dignity; and
- (e) to recognise that the support of young offenders, and the provision of positive opportunities to allow them to become valuable community members, is the responsibility of parents and families with community and government support; and
- (f) to prevent abuse and neglect of children and young people through the provision of appropriate assistance to parents and others who have responsibility for children and young people.

PART 2—PRINCIPLES APPLYING TO THE ACT

11 Application of principles

In making a decision or taking action under this Act in relation to a child or young person—

- (a) the general principles in section 12 (including the best interests principle as explained in section 13) are to be applied; and

- (b) if the child or young person is indigenous—the indigenous children and young people principle in section 14 and, if relevant, the indigenous placement principle in section 15 are also to be applied.

12 General principles

(1) In making a decision or taking action under this Act in relation to a child or young person, the general principles to be applied by a person are as follows:

- (a) the best interests of the child or young person should be the paramount consideration (the *best interests principle*);
- (b) the primary responsibility for providing care and protection for the child or young person should lie with his or her parents and other family members;
- (c) high priority should be given to supporting family members, in cooperation with them, to care for and protect the child or young person, including when the child or young person is subject to an order under this Act or a voluntary care agreement;
- (d) if the child or young person is in need of care and protection and family members are unwilling or unable to provide the child or young person with adequate care and protection (whether temporarily or permanently)—it is the responsibility of government to share or take over their responsibility;
- (e) if intervention by government in the life of the child or young person (and his or her family) is appropriate—the intervention should be the least intrusive consistent with the best interests of the child or young person;
- (f) if removal of the child or young person from his or her existing situation is necessary or desirable in his or her best interests—consideration should be given, before any other placement option is considered, to the child or young person living or being placed with a family member or a person regarded by the child or young person as a family member;

- (i) the child's or young person's sense of racial, ethnic, religious, individual or cultural identity should be preserved and enhanced and the decision or action should be consistent with his or her racial or ethnic traditions and religious, cultural and individual values.
- (2) In making a decision under this Act about a child or young person, the following general principles are also to be applied:
- (a) the child or young person, and anyone else involved in making decisions about the child or young person, should be given sufficient information about the decision-making process, in language and a way that they can understand, to allow them to take part fully in the process;
 - (b) if the child or young person can form and express views about his or her wellbeing—those views should be sought and considered, taking into account his or her age and maturity;
 - (c) anyone else involved in making decisions about the child or young person should be given the opportunity to give his or her views about the wellbeing of the child or young person and those views should be considered;
 - (d) the decision-maker should make a decision promptly—
 - (i) having regard to the degree of urgency of the particular case and the child's or young person's developmental needs; and
 - (ii) having regard to the principle that a delay in the decision-making process is likely to prejudice the wellbeing of the child or young person;
 - (e) the decision-maker should also have regard to the principle that it is important for a child or young person to have settled and permanent living arrangements.
- (3) In addition, if the decision-maker is a court considering whether to make an order under this Act in relation to the child or young person, the court should apply the general principle that an order under this Act should be made by a court in relation to a child or young person only if the court considers that making the order would be better for the child or young person than making no order at all.

(1) In making a decision or taking action under this Act in relation to a child or young person, a person applies the best interests principle if—

 - (v) the nature of his or her relationship with each parent and with anyone else who is significant in his or her life;
 - (vi) the attitude to the child or young person, and to parental responsibilities, demonstrated by each parent;

PART 2—WITHIN THE TERRITORY

Division 1—General

67 Saving of other laws

Except as otherwise expressly provided by this Act, this Part does not affect the operation of the common law or any other law in force in the Territory.

68 Principles

If a decision is to be made under this Part in relation to a young person or young offender, the decision-maker must make the decision in accordance with the following principles:

- (a) if a young person does anything that is contrary to law, he or she should be encouraged to accept responsibility for the behaviour and be held accountable;
- (b) the young person should be dealt with in a way that acknowledges his or her needs and that will provide the opportunity to develop in socially responsible ways;
- (c) a young person may only be detained in custody for an offence (whether on arrest, in remand or under sentence) as a last resort;

- (d) young offenders should be dealt with in the criminal law system in a manner consistent with their age and maturity and have the same rights and protection before the law as would adults in similar circumstances;
- (e) on and after conviction, it is a high priority to give a young offender the opportunity to re-enter the community;
- (f) a balanced approach must be taken between the needs of the young offender, the rights of any victim of the action that constituted the young offender's offence and the interests of the community.

69 Decisions about criminal jurisdiction by reference to age

(1) In deciding whether an information alleging an offence by a person should be heard and decided by the court, regard should be had to the age of the person at the time of the alleged offence.

(2) If a person was under the age of 18 years at the time of an alleged offence and between the ages of 18 years and 18 years 6 months at the time of the person's first appearance in the court after having been charged with the alleged offence—

- (a) the person must be dealt with in accordance with this Part until the time (if any) that the court finds the offence proved; and
- (b) in dealing with the person, this Part applies to and in relation to the person as if the person were a young person; and
- (c) if the court finds the offence proved, the person must be dealt with as an adult.

(3) If a person was under the age of 18 years at the time of an alleged offence and over the age of 18 years 6 months at the time of the person's first appearance in the court after having been charged with the alleged offence, the person must be dealt with as an adult unless, in the circumstances, the court considers it appropriate for the person to be dealt with as a young person.

70 Proceedings where young person jointly charged with adult

(1) If a young person and an adult are jointly charged with an offence, section 54 (General jurisdiction of the Childrens Court) applies to a proceeding against the young person arising out of that charge as if the young person had been charged separately.

(2) Section 54 does not apply to the preliminary examination in respect of an indictable offence alleged to have been committed jointly by a young person and an adult if the Chief Magistrate, having regard to the nature of the alleged offence and the time and expense involved in carrying out the preliminary examinations separately, so orders.

71 Age of criminal responsibility

(1) A child who is under the age of 8 years is, for all purposes, presumed to be incapable of committing in the Territory an offence against a law in force in the Territory.

(2) There is a rebuttable presumption that a child or young person who is of or over the age of 8 years, but under the age of 14 years, is incapable of committing in the Territory an offence against a law in force in the Territory because the child or young person did not have the capacity to know that the act or omission concerned was wrong.

72 Power to apprehend under-age children

(1) If a police officer reasonably believes that a person is a child under the age of 8 years and has done or is doing an act that, but for section 71, would constitute an offence, the police officer may apprehend the child, and for that purpose may use such force as is necessary and reasonable.

(2) When exercising the power conferred by subsection (1), the police officer may—

- (a) enter premises, by force if necessary and reasonable, at any time of the day or night for the purpose of arresting the child; and
- (b) if the police officer reasonably believes that—
 - (i) the child has committed a serious offence within the meaning of Division 2 (Criminal proceedings against young people); and
 - (ii) the child is on the premises;
search the premises for the child.

(3) On apprehending a child under subsection (1), the police officer must—

- (a) take the child to a person with parental responsibility for the child;
or
- (b) if it is not practicable to do so—
 - (i) place the child with a suitable person who is prepared to care for the child; and

- (ii) notify the chief executive that the police officer has done so.

73 Powers of court with respect to reports

- (1) A court hearing any proceeding in relation to or against a child or young person may order a public servant whose duties relate to the welfare of children and young people in the Territory to give the court a report about the child or young person.
- (2) A public servant given an order must, despite any other law of the Territory, give a report.
- (3) In giving effect to an order under subsection (1), the public servant may do 1 or more of the following:
 - (a) visit and interview the child or young person;
 - (b) interview a parent of the child or young person;
 - (c) interview a schoolteacher or other person concerned with the education or welfare of the child or young person;
 - (d) require the child or young person to submit to being interviewed by a doctor or other named person.
- (4) If a report is provided in good faith to the person mentioned in subsection (1) by a doctor or other person following an interview mentioned in paragraph (3) (d), the report is not a breach of confidence, professional etiquette or ethics or a rule of professional conduct.

74 Reports to be made available

- (1) Unless a court otherwise orders, a copy of a report provided under section 73 must be made available to the parties to the proceeding.
- (2) The person providing a report under section 73 may be called as a witness by a party to the proceeding.

75 Care and protection considerations

- (1) If, when hearing an information against a young person, the court is satisfied that the young person should be dealt with under Chapter 7 (Children and young people in need of care and protection), Part 3 (Care and protection orders and emergency action), the court may—
 - (a) dismiss the information; or
 - (b) adjourn the proceeding for a period not exceeding 15 days.

(2) If the court acts under subsection (1) in relation to a proceeding it must, as soon as practicable, but in any event not later than 2 working days after the day it acts, give a statement of the reasons for the action to the chief executive and the community advocate which contains the following information about the proceeding:

- (a) if the proceeding has been adjourned—the reason the proceeding was adjourned;
- (b) the circumstances of which the court is aware which led to the young person coming before the court;
- (c) the factors that satisfied the court that the young person should be dealt with under Chapter 7, Part 3.

(3) The court may, if it proposes to adjourn a proceeding, make an order placing the young person who is the subject of the proceeding in the physical care of the chief executive or an officer, or into the physical care of a police officer for delivery to the chief executive or an officer, if the court is of the opinion that—

- (a) if the young person were convicted as a result of the proceeding—it would be appropriate to make an order under section 96 (other than under paragraph 96 (1) (a), (b) or (g), an order imposing a fine or an order for reparation) in relation to him or her; or
- (b) the immediate release of the young person would not be in his or her best interests.

(4) If the court makes an order under subsection (3) in relation to a proceeding, the chief executive has parental responsibility for the young person who is the subject of the proceeding as if he or she had taken emergency action in relation to him or her and must—

- (a) approve the existing arrangements for the care and protection of the young person; or
- (b) cause suitable arrangements for the care and protection of the young person to be made.

(5) The chief executive must treat a statement of reasons provided to him or her under subsection (2) as if it were a report made under section 159 (Mandatory reporting).

(6) If—

- (a) a proceeding has been adjourned under subsection (1); and

- (b) the court has provided the chief executive with a statement of reasons under subsection (2) about the action of the court;
- the chief executive must, within 15 days after the day the court acts under subsection (1), give notice in writing to the community advocate and the court—
- (c) of the action he or she has taken, is taking or proposes to take under Chapter 7 (Children and young people in need of care and protection), Part 3 (Care and protection orders and emergency action) in relation to the young person who is the subject of the proceeding; or
 - (d) if the chief executive proposes to take no action—that he or she proposes to take no action under Chapter 7, Part 3 in relation to the young person.
- (7)** The chief executive will be taken to have complied with subsection (6) in relation to a proceeding that has been adjourned under subsection (1) if—
- (a) the chief executive files an application under Chapter 7, Part 3 in relation to the young person who is the subject of the proceeding; and
 - (b) serves a copy of that application on the community advocate.
- (8)** When a proceeding adjourned under subsection (1) comes before the court again, the court must—
- (a) if the chief executive has given the court notice under paragraph (6) (c) and the court is satisfied that taking the action mentioned in the notice is in the best interests of the young person—dismiss the proceeding; or
 - (b) if the chief executive has given the court notice under paragraph (6) (d) and the court is satisfied that it is in the best interests of the young person that the chief executive take no action—dismiss the proceeding; or
 - (c) if the chief executive has made an application under Chapter 7, Part 3 in relation to the young person—dismiss the proceeding; or
 - (d) in any other case—make such further order or take such further action in relation to the information that is the subject of the proceeding as the court considers appropriate.

- (a) admission of the evidence is substantially in the public interest as regards the administration of criminal justice; and

- (2) The matters to which a court may have regard in deciding whether it should admit the evidence that was obtained in contravention of, or in consequence of a contravention of, a provision of this Act in relation to the young person include—

92 Committal of guilty young person to Supreme Court

(1) If the Childrens Court convicts a young person of an indictable offence, the court may, if it appears to it that, because of the character and antecedents of the young person, it is desirable that sentence be passed on the young person by the Supreme Court, by order commit the young person to the Supreme Court for sentence.

(2) The Supreme Court may deal with a young person committed for sentence in a way in which it might have dealt with the young person if the young person had been convicted of the offence before the Supreme Court.

(3) Before the Childrens Court makes an order under subsection (1), the court must have regard to any report provided to it in accordance with section 73 (Powers of court with respect to reports).

94 Remission of matter by Supreme Court

(1) If a young person is convicted by the Supreme Court of an offence, the Supreme Court may remit the case to the Childrens Court.

- (a) dismiss the charge and require the young person to submit to the jurisdiction of the Mental Health Tribunal to allow the tribunal to make a mental health order; or
 - (b) dismiss the charge unconditionally.
- (3) If the court makes an order under paragraph (2) (a), the order operates as a stay of the proceeding, or of further proceedings, against the young person in relation to the offence.
- (4) If the court makes an order under subsection (2), the court must not make an order under section 437 (Reparation orders), 556A (Conditional release of offenders without proceeding to conviction) or 556B (Conditional release of offenders) or Part 15A (Community service orders) of the *Crimes Act 1900* in relation to the offence.

154 Person apparently a child or young person

For this Chapter—

- (a) a person who appears, on reasonable grounds, to the court, the chief executive or a police officer to be a child or young person may be dealt with under this Chapter as if he or she were a child or young person and the provisions of this Chapter that refer to a child or young person have effect in relation to the person accordingly; and
- (b) if it becomes known that the person is not a child or young person—
 - (i) no further proceeding with respect to the person may be taken under this Chapter; and

- (ii) if, by reason of the application of a provision of this Chapter, the person is in a hospital, a shelter or a State institution, the provision ceases to have effect with respect to the person and the person must be released; and
- (iii) an order or agreement under this Chapter ceases to have effect with respect to the person.

155 Chapter ceases applying when young person becomes adult

- (1) This Chapter, and any order or agreement under it, ceases to apply in relation to a young person when the young person becomes an adult.
- (2) A young person being detained under this Chapter must be released immediately on becoming an adult.
- (3) However, this section does not require the release of a person who—
 - (a) has been convicted of an offence and, in relation to the conviction, is detained under an order or other decision of a court, including a court of a State; or
 - (b) has been charged with an offence and is so detained in relation to the charge.

- (2) Without limiting subsection (1), a child or young person is in need of care and protection in the following circumstances:

In section 156, it does not matter whether conduct giving rise to the belief that a child or young person has been, is being or is likely to be, abused or neglected occurred wholly or partly outside the Territory.

158 Voluntary reporting

A person who believes or suspects that a child or young person is in need of care and protection may report the circumstances on which the belief or suspicion is based to the chief executive.

- (b) those grounds arise during the course of or from the person's work (whether for remuneration or otherwise);

the person must, as soon as practicable, report to the chief executive the name, or a description, of the child or young person and the grounds for the person's suspicion.

Penalty: 50 penalty units or imprisonment for 6 months.

160 Report other than in good faith

A person must not make a report under section 158 or 159 other than in good faith.

161 Action on report

(1) The chief executive must keep a written record of—

- (a) each report made to him or her under section 158 or 159; and

(2) If the chief executive has parental responsibility for a child or young person about whom a report under section 158 or 159 is made at the time of reporting, the chief executive must provide a copy of any record mentioned in paragraph (1) (a) about the report to the community advocate as soon as practicable.

163 Protection of people making reports

(1) If a person makes a report under section 158 or 159 in good faith—

- (a) the making of the report is, for all purposes, not a breach of confidence, professional etiquette or ethics or a rule of professional conduct; and
- (b) no civil or criminal liability is incurred by reason only of the making of the report; and
- (c) subject to subsections (2) and (3), the report is not admissible in evidence in any proceeding in a court or tribunal and evidence of its contents is not so admissible; and

- (3) Paragraphs (1) (c) and (d) do not apply—
 - (a) in a proceeding before the court under this Part in relation to the child or young person concerned or before a court hearing an appeal from a decision of the court in such a proceeding; and
 - (b) to a charge or allegation made in a proceeding against a person in relation to the person's exercising a power, or performing a duty or function, under this Act.

164 Protection of community advocate and person providing information to community advocate

If the community advocate receives a report that a person believes or suspects that a child or young person is in need of care and protection and provides the report to the chief executive—

- (a) the report is taken to be a report under section 158 (Voluntary reporting); and
- (b) the person who made the report to the community advocate is taken to have made the report to the chief executive; and
- (c) section 163 (Protection of people making reports) applies to the providing of the report by the community advocate to the chief executive as if he or she had made the report in good faith.

PART 2—VOLUNTARY ACTION

Division 1—Family group conferences

165 Definitions

In this Division—

child, in relation to a conference, means the child whose care and protection is the subject of the conference.

conference means a family group conference.

participant, in relation to a conference, means a person who attends the conference at the invitation of the facilitator but does not include a person invited to provide information in accordance with paragraph 169 (3) (b).

166 Facilitators

The chief executive may, by notice in the *Gazette*, appoint people as facilitators for this Division.

167 Register

The chief executive must set up and maintain a register of facilitators.

168 Purpose of conferences

(1) The chief executive may arrange for a conference about a child or young person to be held if he or she reasonably believes—

(a) that—

- (i) the child or young person is in need of care and protection; and
- (ii) arrangements should be made to secure the child's or young person's care and protection; and
- (iii) a conference is a suitable way of deciding what those arrangements should be; or

(b) that a review of existing arrangements in relation to the child or young person agreed on at a conference is necessary or desirable.

(2) The purpose of a conference is to provide an opportunity for participants—

- (a) to take part in making arrangements for securing the care and protection of the child or young person; or
- (b) to review those arrangements and make further arrangements from time to time.

(3) If the chief executive arranges a conference, he or she must assign a facilitator to the conference.

169 Action by facilitator

- (1) A facilitator must, as soon as practicable after being assigned to a conference—
 - (a) decide who should be invited to the conference; and
 - (b) give written notice to each person to be invited stating the time, date and place for the conference; and
 - (c) conduct the conference.
- (2) The following people must be invited to a conference:
 - (a) if the facilitator is satisfied that the child or young person can understand and take part in the conference—the child or young person;
 - (b) each person with parental responsibility for the child or young person, unless the facilitator considers that it would not be in the best interests of the child or young person for the person to attend;
 - (c) a representative of the chief executive;
 - (d) each person with an interest in, or knowledge of, the care, welfare or development of the child or young person who the facilitator considers should attend the conference.
- (3) A facilitator may do anything necessary or convenient to be done in relation to facilitating a conference, including the following:
 - (a) consult with a person with knowledge of or experience in a particular culture;
 - (b) request a person to provide information or to report to a conference without inviting that person to be a participant at the conference;
 - (c) invite a person to attend the conference as a participant at any time;
 - (d) allow a person to take part in the conference by telephone or other electronic means;
 - (e) set times and choose places at which the conference will take place.
- (4) If a facilitator reasonably believes before the day a conference is to take place that the intended participants at the conference will not agree on arrangements to secure the care and protection of the child or young person, the facilitator must tell the chief executive that he or she does not intend to conduct the conference.

170 Financial assistance

The chief executive may provide financial assistance to a person to allow him or her to take part in a conference if satisfied that it is necessary or desirable to do so.

171 Conduct of conference

(1) A facilitator must conduct a conference with as little formality and as much speed as allow a full examination of—

- (a) the situation of the child or young person; and
- (b) why he or she may be in need of care and protection; and
- (c) the options available for making arrangements for his or her care and protection.

(2) However, the facilitator must ensure that he or she takes reasonable steps to find out and provide to the conference the views of the following people about the steps that should be taken to ensure the care and protection of the child or young person:

- (a) the child or young person (so far as his or her views are discoverable) if he or she has not been invited, or refuses, to attend;
- (b) people invited to attend the conference but who are unable to attend;
- (c) each person with parental responsibility for the child or young person or other family member or kin who has not been invited to attend the conference but whose views the facilitator considers it appropriate to provide to the conference.

(3) A participant may not be represented at a conference by a lawyer.

172 Agreements arising from conferences

(1) If the facilitator is satisfied that the representative of the chief executive and a participant with parental responsibility for the child or young person at a conference have reached agreement about arrangements for securing the care and protection of the child or young person, the facilitator must put the agreement in writing and get—

- (a) the signatures of those people on the agreement; and
- (b) the signature of any other participant who agrees with the arrangements on the agreement.

- (2) However, the facilitator may only act under subsection (1)—
- (a) if the facilitator is satisfied that the child or young person is capable of understanding the proposed agreement—if the facilitator has sought and considered the views of the child or young person; and
 - (d) in relation to a young person who is of or over the school-leaving age—
 - (i) if the young person consents to the agreement being made; or
 - (ii) the young person is incapable of consenting.
- (3) Before getting the signature of a person on an agreement, the facilitator must give the person an opportunity to get legal advice about the meaning and effect of the agreement.

173 Outcome of conference

- (1) As soon as practicable after the end of a conference the facilitator must give the chief executive a written record of the outcome of the conference.
- (2) A record must contain the following information about the conference:
- (a) the time, date and place it took place;
 - (b) the name of the facilitator and each participant;
 - (c) the name of each person who was invited to attend but did not attend;
 - (d) the name of a person who was not a participant but provided information or reported.
- (3) A record must—
- (a) if the conference has resulted in a signed agreement, contain—
 - (i) a summary of arrangements agreed to at the conference; and
 - (ii) the signed agreement; or
 - (b) if the conference has not resulted in a signed agreement—contain a statement by the facilitator to that effect.

174 Action by chief executive

- (1) On receiving a signed agreement, the chief executive must—
 - (a) provide a copy of the agreement to—
 - (i) each participant of the conference; and
 - (ii) each person who was invited to attend the conference but did not attend; and
 - (iii) each person with parental responsibility for the child or young person who was not invited to attend the conference; and
 - (b) take such steps as are necessary to implement and maintain the arrangements recorded in the agreement.
- (2) On receiving notice that a conference has not resulted in a signed agreement, the chief executive may reconvene the conference.
- (3) Nothing in this Division prevents the chief executive from taking action under Part 2 (Voluntary action) or Part 3 (Care and protection orders and emergency action) in relation to a child or young person.

175 Application for registration

- (1) If—
 - (a) a conference has resulted in a signed agreement; and
 - (b) that agreement proposes that parental responsibility for the child or young person be transferred from a person to someone else (other than the chief executive) or be shared with a person (other than the chief executive) who would not otherwise have it;

the chief executive may apply to a court to register the agreement.

- (2) However, the chief executive may not apply to register an agreement the effect of which would be equivalent to an enduring parental responsibility order.
- (3) An application to register an agreement must be—
 - (a) in the prescribed form; and
 - (b) accompanied by—
 - (i) a copy of the signed agreement; and
 - (ii) a statement signed by each signatory to the agreement to the effect that he or she has had an opportunity to get legal advice as to the meaning and effect of the agreement.

(4) If the chief executive makes an application, he or she must send a copy of the application to the community advocate.

176 Registration of agreements

(1) On application, the court must—

- (a) if satisfied that it could make an order under this Act to the effect of the proposals in the agreement—register the agreement; or
- (b) if not so satisfied—refuse to register the agreement.

(2) However, the court may not register an agreement the effect of which would be equivalent to an enduring parental responsibility order.

(3) If the court registers an agreement, it must give notice that it has done so to—

- (a) the chief executive; and
- (b) the community advocate.

(4) On receiving a notice, the chief executive must provide a copy of that notice to each person mentioned in paragraph 174 (1) (a).

(5) If the court refuses to register an agreement, it must give notice that it has done so to the chief executive.

177 Effect of registration

A registered agreement has effect as if it were an order of the court and may be enforced accordingly.

178 Review of arrangements for care and protection of child or young person

(1) The chief executive must convene a conference to review the arrangements for the care and protection of a child or young person in a signed agreement (whether registered or not) if the chief executive—

- (a) is required to do so under the agreement; or
- (b) has been requested to do so by the child or young person or a person with parental responsibility for the child or young person who is a signatory to the agreement.

(2) However, the chief executive is not required to convene a conference on the request of the child or young person or a person with parental responsibility for the child or young person if the chief executive—

- (a) has already convened a conference in relation to the child or young person in accordance with a request; and

(b) considers it inappropriate to do so.

(3) The chief executive may convene a conference to review the arrangements for the care and protection of a child or young person in a signed agreement if the court has refused to register the agreement.

179 People with parental responsibility who cannot be found

Nothing in this Division requires a person to act in relation to a person with parental responsibility who cannot, after reasonable inquiry, be found.

180 Publication of information concerning conferences

(1) Unless allowed by this Act or another Act, a person must not publish in any manner—

- (a) a signed agreement; or
- (b) a record under subsection 173 (1); or
- (c) a record or report prepared for and presented to the conference; or
- (d) anything said or done at a conference.

Penalty: 50 penalty units.

(2) Evidence of anything said at a conference is not admissible in any proceeding.

(3) However, the record in subsection 173 (1) is admissible in a proceeding under Part 3 (Care and protection orders and emergency action) for the purpose of proving that an agreement was or was not reached.

Division 2—Voluntary care agreements

181 Meaning of *party*

In this Division—

party, for a voluntary care agreement, means the chief executive and the person with parental responsibility who entered the agreement.

182 Voluntary care agreements

(2) Negotiations for making or ending a voluntary care agreement in relation to a child or young person may be initiated by—

- (a) a person with parental responsibility for the child or young person; or
- (b) the child or young person or a person acting on behalf of the child or young person; or
- (c) the chief executive.

(3) The chief executive may not enter into a voluntary care agreement in relation to a child or young person unless—

- (a) he or she has considered whether another form of assistance (for example, organising care by someone else with parental responsibility or a member of kin) would be preferable; and
- (b) he or she is satisfied that a voluntary sharing of parental responsibility is appropriate; and
- (c) if the chief executive is satisfied that the child or young person is capable of understanding that it is proposed that the child or young person will be temporarily cared for by a person other than his or her former caregiver—the chief executive has sought and considered the views of the child or young person; and
- (d) in relation to a young person who is of or over the school-leaving age—
 - (i) the young person consents to the agreement being made; or
 - (ii) the young person is incapable of consenting.

(4) If the chief executive has signed a voluntary care agreement in relation to a child or young person, he or she assumes parental responsibility for the child or young person when the agreement is entered into or at the later time stated in the agreement.

(5) A voluntary care agreement must state the period of 6 months or less for which parental responsibility is to be shared.

183 Extending voluntary care agreements

(1) The parties to a voluntary care agreement may agree in writing to extend the period of the agreement if—

- (a) the chief executive—
 - (i) has considered whether another form of assistance would be preferable; and

- (ii) is satisfied that a voluntary sharing of parental responsibility is appropriate; and
 - (iii) if satisfied that the child or young person is capable of understanding that it is proposed that he or she will continue to be temporarily cared for under a voluntary care agreement—has sought and considered the views of the child or young person; and
- (b) the period of the voluntary care agreement and the proposed extension together will not be longer than 6 months; and

 - (i) consents to the extension; or
 - (ii) is incapable of consenting.
- (2) A voluntary care agreement may be extended in accordance with subsection (1) more than once.

184 Longer agreements allowed for certain young people

Despite anything to the contrary in section 182 or 183, a voluntary care agreement in relation to a young person who has reached the school-leaving age may be entered into or extended for more than 6 months with the consent of the young person.

185 Agreements not void

A voluntary care agreement is not void or voidable because a person with parental responsibility who is a party to it is not an adult.

186 Early termination

A party to a voluntary care agreement may, before the agreement ends, end the agreement by giving written notice to the other parties.

187 Action on expiration or termination

- (1) If a voluntary care agreement in relation to a child or young person expires or is ended, the chief executive—
- (a) must return the child or young person to a former caregiver or other person as agreed between the parties to the voluntary care agreement; and
 - (b) has no parental responsibility for the child or young person once he or she is returned.
- (2) However, the chief executive is not required to return a child or young person if—
- (a) emergency action is being taken in relation to the child or young person; or
 - (b) the chief executive has made an application to the court seeking parental responsibility for the child or young person.
- (3) Nothing in this section allows the chief executive to keep parental responsibility for the child or young person if the court refuses the application for parental responsibility.

- (a) the chief executive exercise parental responsibility for the child or young person; and
 - (b) the person with parental responsibility pay an amount by way of contribution to the cost of the care of the child or young person;

- (4) The chief executive may ask the child or young person or other person who is being appraised or assessed to—
- (a) attend at the place and time stated for the appraisal or assessment; and

- (g) if authorised by a court order—other surgery;

but does not include a prescribed assessment.

191 Restrictions on special assessment of children and young people

(1) An assessor may not undertake a special assessment of a child or young person if—

- (a) the assessor reasonably believes that the child or young person has the maturity to make a reasoned decision about whether to consent to the assessment; and
- (b) the child or young person refuses to consent to the assessment.

(2) If a proposed special assessment of a child or young person involves—

- (a) penetration of a body cavity other than an ear, the nose or the mouth; or
- (b) penetration of the skin, including by way of injection;

the assessment may not be undertaken unless a person with parental responsibility consents to the assessment.

(3) A special assessment of a child or young person for whom the chief executive has parental responsibility may not be undertaken unless the chief executive consents to the assessment.

(4) Nothing in this section prevents a special assessment of a child or young person from taking place without the relevant consent if the assessment—

(4) A police officer assisting the chief executive may exercise the powers stated in subsection (3) even if the police officer has not got a warrant, if the police officer reasonably believes that the delay that would follow as a result of getting a warrant would prejudice the assessment or the safety of a child or young person.

(5) A police officer assisting the chief executive may be accompanied by such other police officers or authorised people while exercising powers under this section as are reasonable or necessary.

(6) A person must not, without reasonable excuse, contravene a requirement made under paragraph (3) (d).

196 Applications by other people

- (1) If the chief executive has not made a care and protection application in relation to a child or young person, a person may, after consultation with the chief executive, seek the leave of the court to make an application in relation to the child or young person.
- (2) The court must hear the person and the chief executive and may make an order granting leave to the person to make the application.
- (3) If an application is made with the court's leave, a copy of it must be served on the chief executive and the community advocate and each may appear and be heard in the proceeding.

197 Burden of proof

In a proceeding under this Part, a fact is proved if it is proved on the balance of probabilities.

198 Information not required to be disclosed

A person is not required, in relation to a care and protection order—

- (a) to provide information that is privileged on the ground of legal professional privilege; or
- (b) to provide information, or answer a question, if to do so would incriminate, or tend to incriminate, the person.

199 Orders in relation to third parties

- (1) The court may not make a care and protection order that imposes an obligation on a person unless the person—
 - (a) consents to the making of the order; or
 - (b) has had an opportunity to be heard in relation to the proposed order.
- (2) The court gives a person an opportunity to be heard in relation to a proposed order if the court has caused to be served on the person a notice in writing directing his or her attendance at the proceeding to be heard in relation to the proposed making of an order, regardless of whether the person attends the proceeding.
- (3) Despite subsection (1), the court may make a care and protection order if the person on whom the obligation is proposed to be imposed cannot, after reasonable inquiry, be found.

200 Contents of care and protection applications

A care and protection application must specify the particular care and protection order sought and the ground on which it is sought.

201 Cross applications for care and protection orders

(1) A party to a proceeding on a care and protection application who seeks—

- (a) an order in terms different from that applied for; or
- (b) a different order from that applied for;

should make a cross application.

(2) A cross application on a care and protection application may only be made by a party to the proceeding with leave of the court.

(3) No-one may cross apply for a therapeutic protection order or an assessment order for a child protection appraisal.

(4) A cross application must specify the particular care and protection order sought and the grounds on which it is sought.

202 Restriction on leave to cross apply

The court may not grant leave to cross apply unless satisfied that there are reasonable grounds for believing that the child or young person to whom the order sought would relate would be in need of care and protection if an order was not made.

203 Interim care and protection orders

(1) The court may make an interim care and protection order in relation to a child or young person after a care and protection application is made and before the application is finally decided if satisfied that the chief executive reasonably believes that the child or young person is in need of care and protection or would be in need of care and protection if the order was not made.

(2) However, the court may not make an interim assessment order.

(3) If making an interim care and protection order, the court may make any other care and protection order that it considers appropriate for the care and protection of the child or young person.

204 Court order not limited by terms of care and protection application

The making of an application for a particular care and protection order of the court does not prevent the court from making a different care and protection order in addition to, or in substitution for, the order applied for.

205 When can the court make a domestic violence order or a restraining order?

The court may make a domestic violence order or a restraining order—

- (a) on application for a care and protection order; and
- (b) at any time it could make an interim order; and
- (c) in addition to an interim order, or in addition to, or in substitution for, the care and protection order applied for.

206 Contact orders

(1) This section applies to a child or young person in relation to whom—

- (a) another order under this Chapter is being sought or is in force; or
- (b) a proceeding is under way under this Chapter which may lead to the making of an order which has the effect of separating the child or young person from a significant person in his or her life.

(2) The court may, on its own initiative, or on application by a person, make an order allowing contact between a child or young person to whom this section applies and someone else.

(3) If a person applies for a contact order in relation to a child or young person—

- (a) if the person has parental responsibility for the child or young person or is his or her sibling—there is a rebuttable presumption that it is in the best interests of the child or young person to have contact with the person; or
- (b) in any other case—the person has the burden of proving that contact between him or her and the child or young person is in the best interests of the child or young person.

(4) A sibling of a child or young person in relation to whom a contact order is sought does not need the leave of the court to be joined as a party to the proceeding on the application.

(5) An order stating that there be no contact between a child or young person and someone else is a specific issues order, not a contact order.

207 Residence orders

(1) This section applies to a child or young person in relation to whom another order under this Chapter is being sought or is in force.

(2) The court may, on application or on its own initiative, make an order about the person with whom a child or young person to whom this section applies is to live if satisfied that there are reasonable grounds for believing that the child or young person would be in need of care and protection if the proposed order were not made.

(3) If the court intends a person to have responsibility for deciding where a child or young person lives, the court must make a residence order in favour of the person.

208 Temporary absence

A person in whose favour a residence order in relation to a child or young person is in force may permit the child or young person to be temporarily absent from the place where he or she is directed to live under the order.

209 Supervision order

(1) While a child or young person is subject to a supervision order under section 246 or 255, the supervisor may meet and talk with the child or young person alone or otherwise.

(2) Without limiting what may be included in a supervision order under this Chapter, a supervision order in relation to a child or young person may—

(a) require—

(i) the child or young person; or

(ii) a person with parental responsibility for the child or young person; or

(iii) both the child or young person and a person with parental responsibility for the child or young person;

to report to the supervisor at a place and at intervals stated by the supervisor; and

(b) require—

(i) the child or young person; or

- (ii) a person with parental responsibility for the child or young person; or
- (iii) both a child or young person and a person with parental responsibility for the child or young person;

to take part in discussions with the supervisor in relation to the welfare of the child or young person, in particular whether the child or young person should receive some form of educational, vocational or recreational activity or other activity, having as its object the welfare of the child or young person.

210 Failure to comply with care and protection orders

- (1) A person must not contravene a short care and protection order.

Penalty: 50 penalty units or imprisonment for 6 months.

- (2) A person must not contravene an order under this Chapter directing that the person—

- (a) not live at the same premises as a child or young person; or
- (b) stop or refrain from living at the same premises as a child or young person.

Penalty: 200 penalty units or imprisonment for 2 years.

- (3) A person must not contravene a final care and protection order.

Penalty: 100 penalty units or imprisonment for 12 months.

- (4) It is a defence to a prosecution under this section if the person proves that he or she had not been served with, did not know about and could not reasonably be expected to know about the care and protection order.

- (5) This section applies to a person's conduct whether within or outside the Territory.

Division 2—Short care and protection orders

211 Initial consideration of applications

- (1) The court must initially consider an application for—

- (a) a short care and protection order; or
- (b) the extension, variation or revocation of a short care and protection order;

within 2 working days after the day it is filed.

(2) The court must initially consider a cross application on an application for a short care and protection order within 2 working days after the day the cross application is filed.

(3) Subject to section 212, after initially considering an application or cross application, the court may adjourn further consideration for not longer than 7 days at a time beginning on the day after adjournment if satisfied that it is appropriate to do so given the urgency of the application.

(4) However, an application for a therapeutic protection order must be heard in accordance with section 240 (Time for hearing and deciding applications).

212 Consideration of applications

(1) The court must begin hearing an application for a short care and protection order (the *main application*) or cross application within 14 days after the day the main application is filed.

(2) If the court fails, for whatever reason, to begin hearing an application or cross application in accordance with subsection (1), an interim order made before the hearing of the proceeding was last adjourned continues in force until the application or cross application is decided.

(3) This section does not apply to an application for a therapeutic protection order.

213 Period of effect of short care and protection orders

(1) A short care and protection order, other than an assessment order or a therapeutic protection order, has effect for the period of not longer than 18 weeks that is stated in the order.

(2) An assessment order has effect for the period of not longer than 4 weeks that is stated in the order.

(3) However, an assessment order or specific issues order may be extended under subparagraph 251 (1) (c) (i) for a period equal to the period of the adjournment.

(4) A therapeutic protection order made as a short care and protection order has effect for the period of not longer than 8 weeks that is stated in the order.

(5) The time limits in this section do not apply to a therapeutic protection order made as a final care and protection order.

214 Extension, variation or revocation of orders

(1) A person who was a party to the proceeding in which a short care and protection order was made (the *original order*) or a person named in the original order may apply for an extension, variation or the revocation of the original order.

(2) On application, the court may extend, vary or revoke the original order.

(3) If—

- (a) an application has been filed; and
- (b) the court cannot hear and decide the application before the date on which, but for this subsection, the order would cease to have effect;

then—

- (c) the court may adjourn the application for a period of not longer than 7 days beginning on the day after the application is adjourned; and
- (d) despite any other provision in this Act, the order sought to be extended continues to have effect until the application is decided.

(4) However, the court may not extend or vary an order if the effect of the extension or variation is to make the total period of the order extended or varied (including any extension, whether under paragraph (3) (d) or otherwise) more than—

- (a) in relation to an assessment order or therapeutic protection order—8 weeks; or
- (b) in any other case—18 weeks;

unless the court is satisfied that there are exceptional circumstances that justify such an extension or variation.

Division 3—Assessment orders

215 Applications for assessment orders

(1) The chief executive may apply to the court for an assessment order in relation to a child or young person if the chief executive considers it appropriate to do so.

(2) A person, other than the chief executive, may apply to the court for an assessment order in relation to a child or young person in accordance with section 196 only if the chief executive has not made a care and protection application in relation to the child or young person.

(3) A person, including the chief executive, may make an application for an assessment order by telephone, fax or other electronic means in an urgent case.

216 Cross applications on assessment orders

On application for an assessment order, the only order for which a cross application may be made is an assessment order for a special assessment.

217 Assessment orders

(1) In this section—

assessment means a child protection appraisal or special assessment.

(2) On application under this Part, the court may make an order authorising the making of an assessment of a person and any of the following orders:

- (a) an order requiring a person to attend, either alone or with someone else, at a stated place and time for an assessment;
- (b) an order requiring a person or entity to comply with arrangements made by the chief executive for an assessment;
- (c) an order requiring, or authorising the chief executive to require, a person or entity to give the chief executive information about the care, welfare or development of a child or young person;
- (d) an order requiring that something be produced to the court or given to the chief executive or someone else for an assessment.

(3) The order may relate to someone other than a child or young person.

218 Restrictions on making assessment orders

(1) The court may only make an assessment order if satisfied that the chief executive reasonably believes or reasonably suspects that the child or young person in relation to whom the order is proposed to be made is in need of care and protection or would be in need if the order were not made.

(2) If the chief executive applies for an assessment order because a child or young person has refused to consent to an appraisal or assessment, the court must—

- (a) take such steps as it considers appropriate to—
 - (i) judge the capacity of the child or young person to give consent; and
 - (ii) identify the reasons for his or her refusal to consent; and

- (b) have regard to such capacity and reasons in making an assessment order.

219 Assistance with assessment

The chief executive may get assistance under section 192 in carrying out a child protection appraisal or a special assessment in accordance with an assessment order.

220 Report

If someone assesses a child or young person or other person in accordance with this Division, the assessor must provide a written report on the assessment as soon as practicable after its completion to—

- (a) each person named in the order for the purpose of receiving the report; and
- (b) if the court so orders—the court.

Penalty: 5 penalty units.

221 Childrens Court may act on recommendations

The court may, on its own initiative, make an order under this Part to implement a recommendation arising out of a special assessment that it could make on application by the chief executive.

Division 4—Emergency action

222 Taking emergency action

- (1) In this section—

place includes a hospital or place where therapeutic protection is provided.

- (2) This section applies if the chief executive or a police officer reasonably believes that a child or young person—

- (a) is in immediate need of care and protection; or
- (b) would be so in need if immediate care and protection were not provided.

- (3) If this section applies, the chief executive or police officer may—

- (a) arrange for the child's or young person's care and protection either in a premises or place or by moving him or her from a place to another place; and

- (b) for the purpose of making those arrangements, use such force (including for breaking into premises) as is reasonably necessary to safeguard the wellbeing of the child or young person.
- (4) The chief executive or police officer may take emergency action in relation to a child or young person even if, at the time he or she proposes to take the action, the child or young person is in the care of someone with parental responsibility for the child or young person.
- (5) The chief executive or police officer may use such assistance as is necessary and reasonable for the purpose of taking the emergency action.

223 Emergency action by police officer

- (1) If a police officer takes emergency action in relation to a child or young person, he or she must—
 - (a) immediately notify the chief executive in writing about the action taken, the reasons for taking the action and the child or young person in relation to whom the action was taken; and
 - (b) if practicable—notify each person with parental responsibility for the child or young person about the action taken; and
 - (c) deliver the child or young person to the place or person advised by the chief executive.
- (2) If it is not practicable to notify the chief executive in writing immediately, the police officer may notify the chief executive orally immediately and provide written notice as soon as practicable.

224 Parental responsibility following emergency action

- (1) A police officer has parental responsibility for a child or young person in relation to whom he or she has taken emergency action until the officer notifies the chief executive under section 223.
- (2) The chief executive has parental responsibility for a child or young person if—
 - (a) a police officer notifies the chief executive that the officer has taken emergency action in relation to the child or young person; or
 - (b) the chief executive takes emergency action in relation to the child or young person.
- (3) The chief executive may authorise a police officer to exercise parental responsibility for a child or young person on his or her behalf.

225 Keeping and losing parental responsibility

(1) The chief executive or police officer ceases to have parental responsibility for a child or young person after emergency action has been taken in relation to the child or young person if—

- (a) the child or young person is returned to a former caregiver or person with parental responsibility; or
- (b) the court so orders.

(2) Except as expressly provided in this Act, the chief executive or police officer may keep parental responsibility for the child or young person without the need for an order of the court—

- (a) for the period of 2 working days beginning after the day the emergency action was taken; or
- (b) if the period mentioned in paragraph (a) is interrupted by a Saturday, a Sunday and a public holiday—for the period from the day the emergency action is taken until such time as the matter can be brought before the court on the next sitting day of the court.

(3) However, if the chief executive has parental responsibility for a child or young person after having been notified under section 223 (Emergency action by police officer), the period for which the chief executive may keep parental responsibility is the relevant period stated under subsection (2) less any period during which the police officer had parental responsibility for the child or young person.

(4) If, at the end of the period for which the chief executive or police officer may keep parental responsibility—

- (a) no order has been made in relation to the child or young person in relation to whom the emergency action was taken; and
- (b) the chief executive or police officer still has parental responsibility for the child or young person;

the chief executive or police officer must deliver the child or young person into the care of a former caregiver or someone with parental responsibility for the child or young person.

(5) The chief executive or a police officer may only exercise parental responsibility for a child or young person under this section for the immediate care and protection of the child or young person.

226 Notice of emergency action

(1) If the chief executive takes emergency action in relation to a child or young person or is notified that a police officer has taken emergency action, he or she must, as soon as practicable, give notice that the action has been taken to—

- (a) each person with parental responsibility for the child or young person who has not been told about the action by the person who took the action; and
- (b) the community advocate; and
- (c) the court.

(2) This section applies even if the chief executive considers that it would not be in the best interests of the child or young person to give notice.

227 Action by chief executive

(1) If the chief executive has parental responsibility for a child or young person under this Division, he or she may make arrangements for the care and protection of the child or young person.

(2) The arrangements the chief executive may make for a child or young person include—

- (a) arranging a child protection appraisal that includes an examination of the circumstance that led to the taking of the emergency action; and
- (b) delivering the child or young person to a person (including someone with parental responsibility or a former caregiver).

228 Early initial consideration of care and protection application

(1) If, before the end of the relevant period mentioned in subsection 225 (2), the chief executive applies to the court for a care and protection order, the court must give initial consideration to an application on the day it is filed.

(2) This section applies despite any other provision of this Part.

229 Contact with siblings and people with parental responsibility

(1) If emergency action has been taken in relation to a child or young person for whom a police officer or the chief executive has parental responsibility, the officer or chief executive must allow reasonable contact between the child or young person and his or her siblings or a person with parental responsibility for the child or young person.

(2) However the chief executive is not required to allow contact under this section if it would not be in the best interests of the child or young person to do so.

230 Record of action

The chief executive must keep a written record of any emergency action taken, including particulars of any notice given under section 223 (Emergency action by police officer).

231 Application for release of child or young person

(1) At any time while the chief executive or a police officer has parental responsibility for a child or young person because of the taking of emergency action, anyone mentioned in subsection (2) may apply to the court for an order for the release of the child or young person into the care of the applicant or another named person.

(2) For subsection (1), the following people may apply:

- (a) the child or young person;
- (b) someone with parental responsibility;
- (c) a former caregiver;
- (d) the community advocate.

(3) The court may not order the release of a child or young person on an application under this section unless satisfied that proper arrangements exist for the care and protection of the child or young person.

Division 5—Therapeutic protection orders

232 Effect of Division on other powers of chief executive

(1) Nothing in this Division prevents the chief executive from taking action he or she can take under the common law, this Act or another enactment.

(2) However, as far as another law would be contrary to this Division, this Division must, so far as possible, prevail.

233 What is therapeutic protection?

Therapeutic protection is care provided by the chief executive for a child or young person, where the child or young person is confined to a place in a way that the chief executive considers appropriate to protect the child or young person from serious harm.

234 Restriction on provision of therapeutic protection

The chief executive may not provide therapeutic protection for a child or young person except in accordance with a therapeutic protection order.

235 Therapeutic protection orders

(1) The court may make a therapeutic protection order in relation to a child or young person if satisfied that there are reasonable grounds for believing that—

- (a) the child or young person is in need of care and protection and therapeutic protection should be arranged for the child or young person; or
- (b) the child or young person would be in need of care and protection if therapeutic protection were not provided.

(2) If the court makes a therapeutic protection order—

- (a) the court must include in the order any term or condition to which it is subject; and
- (b) unless the court otherwise orders—the order has the effect of a residence order in favour of the chief executive and a specific issues order conferring day-to-day responsibility for the care, welfare and development of the child or young person on the chief executive.

236 Restriction on making, varying and extending

(1) The court may not make, vary or extend a therapeutic protection order in relation to a child or young person unless it has received from the chief executive—

- (a) a schedule setting out the proposed time, date and duration of the provision of therapeutic protection for the child or young person and the type of therapeutic protection proposed to be provided; and
- (b) in relation to an application for variation or extension—the same details about the therapeutic protection already provided.

(2) The court may not make, vary or extend a therapeutic protection order in relation to a child or young person unless satisfied that—

- (a) the order is necessary to prevent the child or young person from behaving in a manner likely to cause physical harm to himself or herself or another child or young person; and

- (b) a planned program is in place for the child or young person to be provided with treatment, therapy or other services that will help him or her to deal with the matter mentioned in paragraph (a); and
 - (c) the program is likely to lead to a significant improvement in the circumstances of the child or young person; and
 - (d) the person or administrative unit proposed to provide the therapeutic protection has indicated to the court a willingness and ability to allocate the resources necessary to implement the program; and
 - (e) less intrusive methods have been attempted or would be insufficient for the support of the child or young person.
- (3) However, on application for a variation of the term of a therapeutic protection order or for an extension, the court is not required to rehear the matter completely but may take into consideration a finding of fact made previously in relation to the child or young person.

237 Action by chief executive under therapeutic protection order

Without limiting the therapeutic protection the chief executive may provide under an order, he or she may do, or cause to be done, such of the following as he or she reasonably believes is in the best interests of the child or young person who is the subject of the order:

- (a) take necessary steps to ensure that the child or young person may not leave the place where therapeutic protection is provided;
- (b) use such force as is reasonably necessary to safeguard the wellbeing of the child or young person;
- (c) search the child or young person in accordance with sections 399 and 400 (about personal searches);
- (d) provide close or constant supervision for the child or young person;
- (e) restrict the child or young person from having contact with other people.

238 Restriction on cross application

A person may only cross apply on an application for a therapeutic protection order for—

- (a) an assessment order for a special assessment; or
- (b) a specific issues order; or
- (c) a residence order.

239 Application for variation or revocation of therapeutic protection order

(1) The following people may apply to the court for an order varying or revoking a therapeutic protection order in relation to a child or young person:

- (a) the child or young person;
- (b) anyone with parental responsibility for the child or young person;
- (c) a former caregiver;
- (d) the community advocate.

(2) If an application in relation to a child or young person is served on the chief executive, the chief executive must file with the court a schedule setting out—

- (a) the time, date and duration of the provision of therapeutic protection in relation to the child or young person; and
- (b) the type of therapeutic protection provided or to be provided.

240 Time for hearing and deciding applications

(1) The court must hear and decide an application for a therapeutic protection order within 2 working days after the day the application is filed with the court.

(2) However, a cross application may be dealt with in accordance with section 211 (Initial consideration of applications).

241 Limitations on restricting contact

If, acting under a therapeutic protection order, the chief executive restricts a child or young person from having contact with others—

- (a) the restriction may not—
 - (i) unreasonably limit contact between the child or young person and a sibling or the child or young person and a person with parental responsibility for him or her; or
 - (ii) limit contact between the child or young person and the community advocate or official visitor for this Act; or
 - (iii) unreasonably restrict the child's or young person's access to open air; and

- (b) so far as it prevents the child or young person from having contact with people other than the community advocate, the official visitor or a supervisor of the child or young person—the restriction—
 - (i) may only occur under constant supervision; and
 - (ii) may not exceed a continuous period of longer than 12 hours or a period of 12 hours (whether continuous or otherwise) in any 24 hour period.

242 Separation of children and young people from offenders

A child or young person who is under therapeutic protection must not be accommodated in premises used mainly to confine people convicted of offences or remanded into custody in relation to offences.

243 Provision of schedule of therapeutic protection

On request by the community advocate or official visitor, the chief executive must promptly make available to the person requesting it a written schedule setting out—

- (a) the time, date and duration of the provision of therapeutic protection in relation to a named child or young person; and
- (b) the type of therapeutic protection provided or to be provided.

244 Therapeutic protection order made as final care and protection order

A therapeutic protection order made as a final care and protection order may be made for a period of up to 8 weeks and may be varied under Division 7 (Final care and protection orders) to extend the term of the order for an additional period of up to 8 weeks each time a variation is sought.

245 Review

(1) The Minister must review the first 12 months of operation (the *review period*) of this Act in relation to therapeutic protection, to determine whether therapeutic protection is being provided in appropriate cases and appropriate ways and to evaluate the effectiveness of therapeutic protection orders.

(2) The Minister inform the Assembly of the terms of reference for the review.

(3) The Minister must present a report of the review to the Legislative Assembly not later than the first sitting day after a 3 month consideration period commencing on the first day after the end of the review period.

Division 6—Specific issues orders

246 Specific issues orders

(1) On application under this Part, the court may make any specific issues order it considers appropriate in relation to a child or young person if satisfied that there are reasonable grounds for believing that the child or young person is in need of care and protection or would be in need if an order were not made.

(2) A specific issues order is an order relating to the care and protection of a child or young person (other than an assessment order).

(3) Without limiting subsection (2), the specific issues orders that may be made in relation to a child or young person include the following:

- (a) an order relating to the day-to-day or long-term care, welfare or development of the child or young person;
- (b) an order requiring or authorising the chief executive to require a named person or Territory authority to give the chief executive oral or written information relating to the care, protection, welfare or development of a child or young person;
- (c) an order directing that a named person not live at the same premises as the child or young person (including that someone who lives in the same premises as the child or young person stop or refrain from living at those premises);
- (d) an order directing that a party to the application, or anyone else, have no contact with the child or young person;
- (e) an order that the child or young person submit to the jurisdiction of the Mental Health Tribunal to allow the tribunal—
 - (i) to decide whether the child or young person is mentally dysfunctional or mentally ill; and
 - (ii) if the tribunal decides that the child or young person is mentally dysfunctional or mentally ill—to make recommendations to the court as to how the child or young person should be dealt with;
- (f) a supervision order;
- (g) an order requiring a named person to do a stated thing, refrain from doing a stated thing or observe a stated condition;

- (h) such ancillary or other orders as the court thinks fit.

247 Restriction on cross application

A person may only cross apply on an application for a specific issues order for—

- (a) a specific issues order; or
- (b) an assessment order for a special assessment; or
- (c) a residence order.

248 Notice of making, varying or extending certain specific issues orders

(1) This section applies to a specific issues order in relation to a child or young person—

- (a) directing someone to stop or refrain from living in the same premises as the child or young person; or
- (b) directing a named person to have no contact with the child or young person; or
- (c) requiring a named person to do a stated thing, refrain from doing a stated thing or observe a stated condition.

(2) If the court makes, varies or extends an order to which this section applies, the court must cause a copy of the order, or a copy of the order as varied or extended, to be—

- (a) served personally on the person directed to do a thing, cease or refrain from doing a thing or observe a condition; and
- (b) served on the chief executive and the community advocate; and
- (c) given to—
 - (i) the commissioner of police; and
 - (ii) each other person who was a party to the proceeding; and
 - (iii) any other person the court considers appropriate.

(3) Despite paragraph (2) (a), if it appears to the court that it is not practicable to serve a document required to be served under subsection (2) personally, the court may—

- (a) order that the copy of the order be served by such other means as the court thinks just; or
- (b) make an order for substituted service.

(4) If the court is satisfied, having regard to the material before it, that it is appropriate to do so, the court may direct that a document required to be served on someone under subsection (2) be served by a police officer.

(5) If the court gives a direction for service by a police officer, the commissioner of police must, when requested to do so by the registrar, arrange for the document to be served by a police officer.

Division 7—Final care and protection orders

249 Initial consideration of applications

(1) The court must initially consider—

- (a) an application for a final care and protection order; or
- (b) an application for the variation or revocation of a final care and protection order; or
- (c) a cross application on an application for a final care and protection order;

within 5 working days after the day the application, or cross application, is filed.

(2) After initially considering an application (the *main application*) or cross application, the court must—

- (a) if satisfied that no purpose would be served by an adjournment—decide the main application or cross application; or
- (b) in any other case—set a date to begin hearing the main application or cross application that is not more than 10 weeks after the day the main application is filed, and adjourn the main application or cross application.

(3) If the court fails, for whatever reason, to begin hearing the main application or cross application within 10 weeks after the day the main application is filed, an order or direction made in relation to the proceeding before that day continues in force until the main application or cross application is decided.

250 Restriction on cross application

A person may only cross apply on an application for a final care and protection order for—

- (a) an assessment order for a special assessment; or
- (b) a specific issues order; or
- (c) a residence order.

251 Before application adjourned

(1) Before adjourning an application or cross application under this Division, the court—

- (a) must define the matters which are in dispute and consider the length of hearing required; and
- (b) must make such directions as are necessary to facilitate the hearing; and
- (c) if a specific issues order or assessment order is in force, may—
 - (i) extend the length of the order in accordance with subsection 213 (3); or
 - (ii) revoke the order; and
- (d) may order that a meeting be held to find out or resolve the issues in dispute; and
- (e) may make 1 or more of the following orders (*interim orders*) to have effect for a stated period ending on or before the day the application or cross application is decided:
 - (i) an order conferring interim parental responsibility for the child or young person on the chief executive or someone else;
 - (ii) a contact order;
 - (iii) an assessment order;
 - (iv) a specific issues order.

(2) The types of directions that the court may give under paragraph (1) (b) include a direction—

- (a) setting a schedule for the filing of evidence; and
- (b) providing a time for the making of any further direction required.

(3) Before making an interim order, the court may require the chief executive to provide a care plan for the child or young person who is the subject of the hearing for the period of the adjournment.

252 Court ordered meeting

(1) A meeting ordered by the court under paragraph 251 (1) (d)—

- (a) must be attended by the chief executive and someone with parental responsibility for the child or young person who is the subject of the proceeding; and

- (b) may be attended by—
 - (i) a party to the proceeding; and
 - (ii) the representative of a party to the proceeding; and
 - (iii) a person who was served with the application for the care and protection order; and
 - (iv) with the leave of the court—anyone who has an interest in the proceeding.
- (2) The court must appoint someone mentioned in subsection (1) to preside over the meeting.
- (3) Evidence of anything said or done at a meeting is not admissible in the proceeding to which it relates except with—
 - (a) the consent of the parties to the proceeding; or
 - (b) the leave of the court.
- (4) The person presiding at a meeting must report the outcome of the meeting to the court.

253 Variation of interim orders

- (1) A party to the proceeding may apply to the court for the variation of an interim order.
- (2) The court must hear and decide an application for variation within 5 working days after the day the application is filed.
- (3) After hearing an application, the court must—
 - (a) vary the terms of the interim order; or
 - (b) make another order available under paragraph 251 (1) (e) in substitution for the order sought to be varied; or
 - (c) dismiss the application.
- (4) If, but for this subsection, an interim order in force on the day an application for a variation is filed would expire on a day before the hearing of the application, that order continues in force until the application is heard and decided.

254 Appeal from assessment and specific issues interim orders

If the court makes an interim order that is an assessment order or a specific issues order, the order may be appealed from as if it had been made as a short care and protection order.

255 Final care and protection orders

- (1) The court may declare a child or young person to be in need of care and protection if satisfied that a final care and protection order should be made in relation to the child or young person.
- (2) The court may not accept the admission of the parties to a proceeding that a child or young person is in need of care and protection but must satisfy itself that the child or young person is in need of care and protection.
- (3) After making a declaration, the court may make a final care and protection order if satisfied that such an order is necessary to secure—
 - (a) the care and protection of the child or young person; or
 - (b) proper arrangements in existence for the care and protection of the child or young person.
- (4) A final care and protection order in relation to a child or young person may include 1 or more of the following:
 - (a) an order that the chief executive supervise the care and protection of the child or young person in relation to matters mentioned in the order;
 - (b) an order conferring parental responsibility for the child or young person on the chief executive or someone else;
 - (c) an enduring parental responsibility order that has effect until the child or young person turns 18;
 - (d) an order that the child or young person submit to the jurisdiction of the Mental Health Tribunal to allow the tribunal—
 - (i) to decide whether the child or young person is mentally dysfunctional or mentally ill; and
 - (ii) if the tribunal decides that the child or young person is mentally dysfunctional or mentally ill—to make recommendations to the court as to how the child or young person should be dealt with;
 - (e) any other order the court considers appropriate.
- (5) A final care and protection order has effect for a stated period or, if no period is stated, until the child or young person becomes an adult.
- (6) Subsection (5) does not apply to the following final care and protection orders:
 - (a) an enduring parental responsibility order;

- (b) a therapeutic protection order;
 - (c) an order that a child or young person submit to the jurisdiction of the Mental Health Tribunal.
- (7) The court does not need to make a declaration that a child or young person is in need of care and protection before it may make a contact order, a domestic violence order or a restraining order on an application for a final care and protection order.

256 Therapeutic protection order made as final care and protection order

A therapeutic protection order made as a final care and protection order must comply with section 244.

257 Parental responsibility

A final care and protection order dealing with parental responsibility for a child or young person may—

- (a) vest parental responsibility in more than 1 person; and
- (b) state or limit the manner in which a person may exercise his or her responsibilities for the child or young person under that order; and
- (c) state the responsibilities that someone has or does not have; and
- (d) state how someone must consult with someone else with parental responsibility before exercising an aspect of parental responsibility.

258 Restriction on making final care and protection orders

The court may not make a final care and protection order in relation to a child or young person unless it has considered a care plan prepared by the chief executive in relation to the child or young person.

259 What is a care plan?

- (1) A *care plan* for a child or young person is a written plan of the chief executive's proposals in relation to the care and protection of the child or young person.
- (2) The care plan may include proposals for the following:
 - (a) allocation of parental responsibility in relation to the child or young person;
 - (b) the type of placement which will be sought or provided for the child or young person if he or she is to live away from home, including any interim placement arrangements;

- (c) whether the chief executive believes restoration of the child or young person to his or her parents is a realistic possibility and, if the chief executive believes it is, a description of the changes at the home or by the parents that the chief executive believes would need to occur before the chief executive would consider it safe for the child or young person to return to his or her parents;
 - (d) contact between the child or young person and his or her parents (and anyone else as appropriate);
 - (e) the agency with whom arrangements are to be made concerning the provision of care and protection, supervision or other support for the child or young person;
 - (f) services to be provided in relation to the child or young person.
- (3) Unless the court orders otherwise, the chief executive must serve a copy of a care plan provided for a proceeding on each other party to the proceeding.

260 Enduring parental responsibility orders

- (1) The court may make an enduring parental responsibility order in relation to a child or young person if—
- (a) no-one with parental responsibility for the child or young person (other than under a care and protection order) has had care of him or her for a continuous period of at least 2 years, or for periods that total at least 2 years within the period of 3 years, immediately before the order is made; and
 - (b) the child or young person has been living with the person in whose favour the order is sought (the *proposed carer*) under a care and protection order for a continuous period of 2 years, or for periods that total at least 2 years within the period of 3 years, immediately before the order is made; and
 - (c) satisfied that—
 - (i) no-one with parental responsibility for the child or young person (other than under a care and protection order) (a *previous carer*) is able or willing to exercise that responsibility; or
 - (ii) it is not in the best interests of the child or young person for a previous carer to exercise parental responsibility for the child or young person; and

- (d) satisfied that the proposed carer—
 - (i) is a suitable person to have parental responsibility for the child or young person; and
 - (ii) is willing and able to assume day-to-day and long-term responsibility for the care, welfare and development of the child or young person; and
 - (e) in relation to an indigenous child or young person—it has given any relevant indigenous organisation a reasonable opportunity to provide a written report about the making of the proposed order.
- (2) An enduring parental responsibility order is—
- (a) a residence order in favour of the proposed carer; and
 - (b) an order conferring parental responsibility for the day-to-day and long-term care, welfare and development of the child or young person on the proposed carer for the duration of the order.

261 Restriction on making enduring parental responsibility orders

The court may not make an enduring parental responsibility order in favour of the chief executive.

262 Effect of enduring parental responsibility order on others with parental responsibility

No-one may discharge parental responsibility for a child or young person in a way that would be incompatible with the discharge of parental responsibility of someone who has an enduring parental responsibility order in relation to the child or young person.

263 Financial contributions and burdens

(1) If the court makes a final care and protection order conferring parental responsibility (whether sole or shared) for a child or young person on the chief executive, the court may order someone with parental responsibility for the child or young person to pay to the chief executive the amount by way of contribution to the cost of the care of the child or young person that the court, having regard to the financial circumstances of the person, decides.

(2) If the court makes an order under subsection (1), the amount ordered to be paid is a debt due and payable by the former caregiver to the Territory.

(3) Unless the court orders otherwise, if the court makes a care and protection order involving a financial cost to a person, the person is responsible for the cost.

(4) If—

- (a) the court makes an enduring parental responsibility order; and
- (b) immediately before the order was made the child or young person was in the care of the chief executive (however described);

the chief executive may arrange for the provision of financial or other assistance to the person in whose favour the order is made, on the terms and conditions, that the chief executive considers appropriate.

264 Application for variation and revocation of orders

(1) A person may, with the leave of the court, apply to the court for the variation or revocation of a final care and protection order on the ground that—

- (a) the child or young person is no longer in need of care and protection; or
- (b) the order made by the court does not secure—
 - (i) the care and protection of the child or young person; or
 - (ii) proper arrangements in existence for the care and protection of the child or young person.

(2) The court may not grant leave to someone to apply under subsection (1) on more than 1 occasion in a 12 month period unless satisfied that there are exceptional circumstances that justify doing so.

(3) The court must grant leave to apply to someone who was a party to the proceeding in which the final care and protection order sought to be varied was made unless subsection (2) prevents it from doing so.

(3) An application for a variation must specify—

- (a) the provision sought to be varied; and
- (b) the nature of the proposed variation.

(4) On application under subsection (1), the court must list the application so that there is a directions hearing in relation to it within 5 working days after the day the application is filed.

(5) At a directions hearing in relation to an application under subsection (1), the court—

- (a) must deal with the application in the same way as it would deal with an application for a final care and protection order at a directions hearing; and
- (b) may take any action in relation to the application that it could take if the application were an application for a final care and protection order.

265 Variation and revocation of orders

(1) On application under subsection 264 (1), the court must—

- (a) if satisfied that it is in the best interests of the child or young person to do so—
 - (i) vary the order; or
 - (ii) revoke the order; or
- (b) in any other case—dismiss the application.

(2) The court may not vary or revoke an order under this section unless the applicant has proved to the satisfaction of the court that it is in the best interests of the child or young person to vary or revoke the order.

(3) The orders the court may make when varying an order under subparagraph (1) (a) (i) include the following:

- (a) substituting the order with another order the court may make on application for a final care and protection order;
- (b) changing the period for which the order has effect;
- (c) varying a term or condition in the order;
- (d) making an additional order that the court may make on application for a final care and protection order.

266 Continuation of existing orders

If, but for this section, a final care and protection order in force on the day an application for a variation of the order under subsection 264 (1) is filed would expire on a day before the hearing of the application, that order continues in force until the application is heard and decided.

267 Chief executive to report

(1) If, under a final care and protection order in force for a period longer than 6 months in relation to a child or young person—

- (a) the chief executive has parental responsibility for the child or young person; or
- (b) the child or young person is subject to the supervision of the chief executive;

the chief executive must give a report under this section to—

- (c) the child or young person; and
- (d) each person with parental responsibility for the child or young person; and
- (e) a carer caring for the child or young person; and
- (f) the community advocate; and
- (g) the court.

(2) A report under this section must include information in relation to the following:

- (a) the circumstances of the child or young person and the family with which he or she lives;
- (b) the chief executive's performance of his or her obligations under the care and protection order;
- (c) whether the chief executive considers the existing arrangements for the care and protection of the child or young person are in the best interests of the child or young person.

(3) A report under this section in relation to a care and protection order must be given—

- (a) if the order is in force for a period of less than 12 months—at least 1 month before the order expires but not earlier than 2 months before; or
- (b) if the order is in force for a period of 12 months or more—
 - (i) at least 1 month before each anniversary of the making of the order while the order is in force, but not earlier than 2 months before; and
 - (ii) if the order is due to expire more than 6 months but less than 12 months after the last report was provided—at least 1 month before the order expires but not earlier than 2 months before.

(4) The chief executive may also give a report to an interpreter, doctor or similar person if the chief executive considers it appropriate to do so to allow the person to bring the report to the attention of someone to whom the report must be provided.

(5) If the chief executive causes a report under this section to be prepared in relation to a child or young person, the chief executive may, before providing the report to someone mentioned in paragraph (1) (c), (d) or (e) or subsection (4), make such minor alterations to the report to protect the privacy and confidentiality of a person named in the report as the chief executive considers appropriate.

268 Waiving of obligation to give report

(1) If the chief executive is required to give a report about a child or young person under section 267 to someone mentioned in paragraph 267 (1) (c), (d) or (e) and—

- (a) the chief executive considers that to give the report to the person would not be in the best interests of the child or young person; or
- (b) the person cannot be found after reasonable inquiries;

the chief executive may apply to the court for an order waiving the need to comply with that section in relation to the person named in the order.

(2) If the ground for applying is that the chief executive considers that to give the report to the person would not be in the best interests of the child or young person, the chief executive must cause a copy of the application to be served on each person to whom the report is required to be given.

(3) On application under subsection (1), the court must order—

- (a) if satisfied that—
 - (i) to give a copy of the report to the named person would not be in the best interests of the child or young person; or
 - (ii) reasonable inquiries have been made and the person cannot be found;

that the chief executive is not required to give a copy of the report to the person under section 267; or

- (b) in any other case—that the chief executive is required to provide the person with a copy of the report.

(4) An order under paragraph (3) (b) must specify whether the copy of the report is to be provided in full or in part.

(5) If the court makes an order under paragraph (3) (b) it may make such other orders in relation to the provision of the copy of the report as it considers appropriate.

(6) An application under subsection (1) may be heard *ex parte*.

269 Failure to give report

(1) If the chief executive has not—

(a) given a report in accordance with section 267 to a person to whom the report is required to be given; and

(b) got an order waiving the requirement to give the report to the person to whom the report has not been given;

the community advocate may apply to the court for an order requiring the chief executive to give a report under section 267.

(2) The community advocate must cause a copy of an application to be served on the chief executive.

(3) If, on application, the court orders the chief executive to give a report, the chief executive must give the report in accordance with section 267 within 14 days after the day the court makes the order.

(4) If—

(a) the court orders the chief executive to give a report; and

(b) the final care and protection order to which it relates ends within a month after the date of making of the order;

the court may extend the period of the final care and protection order so that it ends not more than 1 month after the date of making the order.

Division 8—Safe custody

270 Circumstances in which child or young person may be taken into safe custody

(1) A magistrate may issue a warrant for the purpose of having a child or young person taken into safe custody if satisfied by evidence on oath or by the affidavit of the chief executive, an officer or a police officer that—

(a) someone has contravened an order in force under this Part and as a result the child or young person to whom the order relates is in danger; or

- (b) the child or young person who is the subject of an order in force under this Part is absent without lawful authority or excuse from the place in which the child or young person is required under the order to live and needs to be found and returned to such a place.
- (2) An application for a warrant may be made by the chief executive, an officer or a police officer and must be in the form prescribed under the regulations.
- (3) When acting under a warrant, the chief executive, officer or police officer may—
- (a) be accompanied by such authorised people and police officers as is reasonable or necessary; and
 - (b) use such force as is reasonable.
- (4) If a child or young person is taken into safe custody under a warrant issued under this section, the chief executive must ensure that as soon as practicable and in any event within 1 working day after the day the child or young person is taken into safe custody, the matter is brought before the court.
- (5) However, the child or young person is not required to be brought before the court (unless the court directs otherwise).
- (6) A child or young person taken into safe custody under this section must be placed by the person who executed the warrant—
- (a) in the place stated in the warrant; or
 - (b) if no such place is stated—in a place decided by the chief executive.

271 Court's powers in relation to child or young person taken into safe custody

If a child or young person has been taken into safe custody, when the matter is brought before the court under section 270, the court may do 1 or more of the following in relation to the child or young person:

- (a) make or vary an assessment order;
- (b) make or vary a care and protection order or interim care and protection order;
- (c) make such other orders as it considers necessary or desirable.

Division 9—Representation of wishes of child or young person

272 Opportunity for child or young person to be heard

The court must allow a child or young person who is the subject of a proceeding under this Chapter a reasonable opportunity to give his or her views or wishes personally to the court as to his or her ongoing care and protection unless satisfied that the child or young person is not capable of doing so.

273 Court informing self of child's or young person's wishes

The court should inform itself of the views or wishes of a child or young person—

- (a) by having regard to—
 - (i) anything said by the child or young person personally to the court; or
 - (ii) anything said by a representative of the child or young person in relation to the child's or young person's views or wishes; or
 - (iii) anything contained in a report (whether ordered by the court or otherwise) given to the court in relation to the child's or young person's views or wishes; or
- (b) by any other means the court considers appropriate, including by the child or young person expressing his or her wishes through a statement or submission by a carer, an expert or someone else.

274 No requirement to express views or wishes

Nothing in this Part permits the court or a person to require a child or young person to express his or her views or wishes in relation to a matter.

Division 10—Procedures

275 Applications—scheduled matters

A person making an application in relation to a child or young person of the type mentioned in column 2 of an item in Schedule 1 must cause a copy of the application to be served on each person mentioned in column 3 of the item at least the number of days (if any) stated in column 4 of the item before the hearing of the application.

276 Accompaniments to applications

An application under this Part must—

- (a) be in accordance with any form approved for the purpose by the court; and
- (b) be accompanied by the following:
 - (i) a written statement of the substance of the oral evidence that the applicant intends to adduce at the hearing of the application;
 - (ii) a written notice of any document or expert report the applicant intends to rely on at the hearing of the application.

277 Form of statements and reports

Unless otherwise directed by the court, a statement or report prepared for use in a proceeding under this Part must be in the form of an affidavit or must—

- (a) be signed by the person making the statement; and
- (b) be dated; and
- (c) contain a declaration to the effect that the maker of the statement or the provider of the report believes it to be true and understands that it may be placed before the court.

278 Oral applications

(1) Despite any requirement for service in this Act, someone may, with the leave of the court, make an oral application under this Act in relation to a proceeding before, during or after the hearing of the proceeding.

(2) If an oral application is made, the court must direct the applicant as to—

- (a) whether service of a written application is required; and
- (b) whether a written application is required or not—which (if any) of the requirements for service or notice of the making of an application are to apply to the oral application and how they are to apply.

(3) If the court does not give directions under subsection (2) in relation to an oral application, no service is required under this Act.

279 Ex parte proceedings

If someone makes an application under this Part, the person may, at the same time, seek the leave of the court to have the application heard ex parte.

280 Parties

(1) The following people are parties to an application under this Part:

- (a) the applicant;
- (b) the child or young person;
- (c) a person served with a copy of the application who takes part in the proceeding (other than as a witness or as a representative);
- (d) someone, other than someone mentioned in paragraph (c), who is a participant in the proceeding (other than as a witness or as a representative) who has—
 - (i) attended at the request of the court and been joined as a party to the proceeding; or
 - (ii) been joined as a party to the proceeding on his or her own application.

(2) However, the community advocate is not a party to a proceeding under this Part unless he or she applies to be joined as a party.

281 Nonattendance of party

If someone required to attend a proceeding under this Part, who has been served with a copy of the application, fails to attend the hearing of the application, the court must—

- (a) adjourn the proceeding and make such order as to further service of that person as the court thinks fit; or
- (b) make such orders or directions as it thinks fit, including orders or directions that are binding on the person.

282 Joining parties—court initiated

If, in a proceeding on an application under this Part, the court is satisfied that it should make an order binding on or affecting someone who is not a party to the proceeding, the court—

- (a) may join that person as a party to the proceeding; and
- (b) must—
 - (i) before making the order; or

- (ii) if, because of the urgency of the case it is not possible to do so before making the order—within a reasonable time after making the order;

allow the person a reasonable opportunity to make representations to the court as to why the order should not be made.

283 Joining parties—on application

(1) The court may order that someone be joined as a party to a proceeding under this Part on application by the person if it considers it appropriate to do so.

(2) If the applicant is the community advocate, the court must join him or her as a party to the proceeding.

(3) If the applicant has been caring for the child or young person who is the subject of the proceeding for a continuous period of 2 years or more, there is a rebuttable presumption in favour of joining him or her as a party to the proceeding.

(4) An application may be made orally without notice to the parties to the proceeding, but the court must give each party an opportunity to be heard on the application before deciding whether to join the applicant as a party.

284 Joined parties—filed material

(1) If the court makes an order under section 282 or 283 that someone be joined as a party to a proceeding—

- (a) the person is not entitled to material already filed in the proceeding unless the court so directs; and
- (b) the court—
 - (i) must direct what material that has already been filed must be provided to the person, and by whom; and
 - (ii) may make such further orders or directions for the conduct of the proceeding as the court thinks fit.

285 Removal of parties

(1) If, on application by a party or on its own initiative, the court is satisfied that a party to a proceeding—

- (a) has been improperly or unnecessarily joined; or

(b) has ceased to be a proper or necessary party;

the court may order that the party cease to be a party and may make such further orders or directions for the conduct of the proceeding as the court considers appropriate.

(2) Before making an order under this section, the court must provide each party to the proceeding with an opportunity to be heard on the application or motion.

286 Notice of address for service

A party to a proceeding under this Part must file with the court and serve on each other party to the proceeding, a notice containing his or her name and address for service of documents.

287 Representation

(1) A party to a proceeding under this Part may appear before the court—

- (a) in person; or
- (b) represented by a lawyer; or
- (c) with the leave of the court—represented by someone else.

(2) Also, the chief executive may appear before the court by his or her delegate or someone authorised to appear on his or her behalf.

(3) If a party to a proceeding under this Part (the *represented party*) is represented by a lawyer in the proceeding, the lawyer must file with the court and serve on each other party to the proceeding written notice that he or she acts on behalf of the represented party and an address in the Territory for service of documents.

(4) A lawyer may not cease to be the lawyer for a party to a proceeding under this Part unless and until the lawyer files with the court and serves on each other party to the proceeding, written notice to that effect.

288 Procedure at hearing

(1) Except as expressly provided in this Act, a proceeding under this Part must be conducted with as little formality and technicality and as quickly as the requirements of this or any other Act and a proper consideration of the matter permit.

(2) The court may, for good cause, order that someone (including the child or young person who is the subject of the proceeding or someone with parental responsibility for him or her) may not be present in the room where the court is sitting during the whole or such part of the hearing of the proceeding as the court decides.

289 Reasons for decisions

(1) A party to a proceeding may, within 28 days after the day an order is made by the court under this Part, request the court in writing to give a statement of reasons in respect of the order.

(2) On receiving a request under this section, the court must, as soon as practicable but in any event within 28 days after the day of receipt, give a written statement of reasons for the order made.

290 Service of orders

As soon as practicable after making an order under this Part, the court must cause a copy of the order to be served on—

- (a) the chief executive; and
- (b) the community advocate; and
- (c) each lawyer representing a party who has, prior to the date of the order, filed a notice of address for service; and
- (d) if no lawyer representing a party has filed a notice and the party has, prior to the date of the order, filed a notice of address for service—the party.

291 Court may inform self as appropriate

(1) In a proceeding under this Part, the court is not bound by rules of evidence but may inform itself of a matter in any manner that it considers appropriate.

(2) In addition to any other manner of informing itself before making, extending, varying or revoking an order under this Part, the court may—

- (a) admit and act on hearsay evidence; and
- (b) take submissions from someone who is not a party.

292 Court may call witnesses

(1) In a proceeding under this Part, the court may, on its own initiative, call as a witness a person whose evidence may, in its opinion, be of assistance to the court.

- (a) someone required to be served with an application under this Part has been served but has failed to attend a hearing to which the application relates; and
 - (b) the court considers that the presence of the person is necessary to allow the court to hear and decide the application;

the court may give such directions or issue and cause to be executed such summonses or warrants, as it considers appropriate to bring about the attendance of the person.

(3) A summons issued under this section must include a statement to the effect that, if the person does not attend the court, a warrant may be issued to bring the person before the court, and that there is a penalty for refusal to attend or failure to attend without reasonable excuse.

(4) A person must not, without reasonable excuse, refuse or fail to attend court in answer to a summons directed to him or her.

the court may direct the issue of a warrant to bring that person before the court.

293 Child or young person as witness

(1) A child or young person may not be called as a witness in a proceeding under this Part without the leave of the court.

(2) Even if the court gives leave for a child or young person to be called as a witness, the court may prohibit cross-examination of the child or young person if satisfied that it is in the best interests of the child or young person to do so.

294 Restriction on taking evidence

If it appears to the court to be necessary or convenient for the proper determination of the matters at issues in a proceeding, the court may restrict the manner or the extent to which someone, including a child or young person, is to be examined or cross-examined for the proceeding.

295 Withdrawal or discontinuance of applications

(1) An applicant for an order under this Part may withdraw or discontinue his or her application before the determination of the proceeding by notifying, in writing, each person served with the application and filing a notice of withdrawal or discontinuance with the court.

(2) A notice of withdrawal or discontinuance in relation to a proceeding must, if the proposed withdrawal or discontinuance has the consent of another party or parties, have the consent endorsed on it.

296 Consent orders

(1) The parties to an application under this Part may file with the court a draft of an order (the *draft order*) which, if made, would have the consent of the parties.

(2) The draft order must be—

CHAPTER 8—TRANSFER OF CHILD CARE AND PROTECTION ORDERS AND PROCEEDINGS

PART 1—PRELIMINARY

298 Object of Chapter

The object of this Chapter is to provide for the transfer of care and protection orders and proceedings between the Territory and a State or between the Territory and New Zealand—

- (a) so that children and young people who are in need of protection may be protected despite moving from one jurisdiction to another; and
- (b) so as to facilitate the timely and expeditious determination of court proceedings relating to the protection of a child or young person.

299 Definitions

(1) In this Chapter—

child care and protection order, in relation to a child or young person, means an order (other than an interim order) under a child welfare law in relation to the child or young person that relates to an aspect of parental responsibility (however that responsibility is described) if the order is in favour of—

- (a) a government department or statutory authority; or
- (b) a person who is the chief executive of a government department or statutory authority or otherwise holds an office or position in, or is employed in, a government department or statutory authority; or
- (c) an organisation or the chief executive (however described) of an organisation.

child care and protection proceeding means a proceeding brought in a court under a child welfare law for the making of a care and protection order or an interim order or for the variation or revocation or the extension of the period of such an order.

Childrens Court, in relation to a State, means the court with jurisdiction to hear and decide a child care and protection proceeding at first instance.

child welfare law means—

- (a) Chapter 7 (Children and young people in need of care and protection), Part 3 (Care and protection orders and emergency action); or
- (b) a law that, under a notice under subsection (2) that has not been revoked, is declared to be a child welfare law for this Chapter; or
- (c) a law of a State that corresponds to Chapter 7, Part 3.

interim order means an order under section 313.

interstate law means—

- (a) a law that, under a notice under subsection (3) that has not been revoked, is declared to be an interstate law for Chapter 8 (Transfer of child care and protection orders and proceedings); and
- (b) a law of a State that corresponds to this Chapter.

interstate officer, in relation to a State, means—

- (a) the holder of an office or position that, under a notice under subsection (4) that has not been revoked, is declared to be an office or position the holder of which is the interstate officer in relation to the State for this Chapter; or
- (b) the person holding the office or position to which there is given under the child welfare law of the State, principal responsibility for the protection of children and young people in the State.

participating State means a State in which an interstate law is in force.

sending State means the State from which a child care and protection order or proceeding is transferred under this Chapter or an interstate law.

State includes New Zealand.

(2) The Minister may, by notice published in the *Gazette*, declare a law of a State to be a child welfare law for this Chapter if satisfied that the law substantially corresponds to Chapter 7 (Children and young people in need of care and protection), Part 3 (Care and protection orders and emergency action).

(3) The Minister may, by notice published in the *Gazette*, declare a law of a State to be an interstate law for this Chapter if satisfied that the law substantially corresponds to this Chapter.

(4) The Minister may, by notice published in the *Gazette*, declare an office or position in a State to be an office or position the holder of which is the interstate officer in relation to the State for this Chapter.

PART 2—TRANSFER OF CERTAIN CHILD CARE AND PROTECTION ORDERS

Division 1—Administrative transfers

300 When chief executive may transfer order

(1) The chief executive may transfer a child care and protection order (the *home order*) to a participating State if—

- (a) in his or her opinion, a child care and protection order to the same or a similar effect as the home order could be made under the child welfare law of the State; and
- (b) the home order is not subject to an appeal to the Supreme Court or affected by a proceeding for judicial review; and
- (c) the relevant interstate officer has consented to the transfer and to the proposed terms of the child care and protection order to be transferred (the *interstate order*); and
- (d) if the chief executive is satisfied that the child or young person who is the subject of the order is capable of understanding the proposal to transfer the order—the chief executive has sought and considered the views of the child or young person; and
- (e) anyone whose consent to the transfer is required under section 301 has consented.

(2) The chief executive may include in the interstate order a condition that could be included in a child care and protection order of that type made in the relevant participating State.

(3) In deciding whether a child care and protection order to the same or a similar effect as the home order could be made under the child welfare law of a participating State, the chief executive may not take into account the period for which it is possible to make such an order in the State.

(4) The period for which an interstate order is to remain in force must be decided by the chief executive and stated in the order.

- (5) The period must be—
- (a) if the remaining period of the home order at the date of registration of the interstate order in the participating State is a period for which an order may be made under the child welfare law of the State—the remaining period; or
 - (b) in any other case—as similar a period as may be made under that law but in no case longer than the period of the home order.

301 People whose consent is required

(1) For paragraph 300 (1) (d), consent to a transfer under this Division is required from—

- (a) in relation to the proposed transfer of a young person of or over the school-leaving age—the young person; and
- (b) each person with parental responsibility for the child or young person; and
- (c) each person who has a contact order in relation to the child or young person in his or her favour; and
- (d) each person not included in paragraph (a) or (b) who has a residence order in relation to the child or young person in his or her favour.

(2) If the child or young person lives in a State with someone who has a residence order in relation to the child or young person in his or her favour, it is sufficient if each person required to consent consents to the child or young person living in the State and their consent to the transfer is not required.

(3) If someone with parental responsibility for, or a residence order in relation to, the child or young person lives in, or is intending to live in, the relevant participating State, it is sufficient if each other person with parental responsibility or a residence order in relation to the child or young person consents to the child or young person living in the State and the consent of the person to the transfer is not required.

(4) However, a person's consent is not required if—

- (a) the person cannot, after reasonable inquiry, be found; or
- (b) the person is incapable of consenting.

302 Notification to child or young person and people with parental responsibility

(1) If the chief executive has decided to transfer a child care and protection order to a participating State under this Division, the chief executive must serve—

- (a) each person with parental responsibility for the child or young person who is the subject of the order; and
- (b) if the order relates to a young person—the young person; and
- (c) the community advocate;

with notice of the decision as soon as practicable but in any event no later than 3 working days after making it.

(2) Service of a notice on someone is not required if it cannot be effected after making all reasonable efforts.

303 Limited period for review of decision

(1) A proceeding for judicial review of a decision of the chief executive to transfer a child care and protection order to a participating State must be commenced, and originating process must be served on the chief executive, within 10 working days after the date of the chief executive's decision.

(2) A proceeding for judicial review must be brought in accordance with the rules of the Supreme Court.

(3) However, the Supreme Court cannot extend the time fixed by subsection (1).

(4) The lodging (or filing) and service on the chief executive of an originating process mentioned in subsection (1) stays the operation of the decision until the proceeding is determined.

Division 2—Judicial transfers

304 When court may make an order under this Division

The court may make an order transferring a child care and protection order to a participating State if—

- (a) the chief executive applies for the making of the order; and
- (b) the child care and protection order is not subject to an appeal to the Supreme Court; and
- (c) the relevant interstate officer has consented to the transfer and the proposed terms of the child care and protection order to be transferred.

305 Service of application

The chief executive must as soon as possible cause a copy of an application for an order transferring a child care and protection order to a participating State to be sent by post or given to each person to whom he or she would have been required under Chapter 7 (Children and young people in need of care and protection), Part 3 (Care and protection orders and emergency action) to send or give a copy of an application by him or her for the variation of the order sought to be transferred.

306 Type of order

(1) If the court decides to transfer a child care and protection order (the *home order*), the form of the child care and protection order to be transferred (the *interstate order*) is to be a child care and protection order that could be made under the child welfare law of the participating State and that the court believes to be—

- (a) to the same or a similar effect as the home order; or
- (b) otherwise in the best interests of the child or young person.

(2) The court may include in the interstate order a condition that could be included in a child care and protection order of that type made in the relevant participating State.

(3) In deciding whether an order to the same or a similar effect as the home order could be made under the child welfare law of a participating State, the court should not take into account the period for which it is possible to make such an order in that State.

(4) The period for which an interstate order is to remain in force must be decided by the court and stated in the order.

(5) The period must be a period—

- (a) for which a child care and protection order of the type of the interstate order may be made under the child welfare law of the participating State; and
- (b) that the court considers appropriate.

307 Court to have regard to certain matters

In deciding what order to make on an application under this Division the court must have regard to—

- (a) whether the chief executive or an interstate officer is in the better position to exercise powers and responsibilities under a child care and protection order relating to the child or young person; and

- (b) the desirability of a child care and protection order being an order under the child welfare law of the State where the child or young person lives.

308 Court must consider report from chief executive

- (1) The court may not make an order under this Division unless it has received and considered a care plan prepared by the chief executive in relation to the proposed transfer.
- (2) Unless the court orders otherwise, the chief executive must provide a copy of the care plan to each person who was a party to the proceeding in which the original order was made.

309 Appeals

- (1) A party to an application for an order under this Division may appeal to the Supreme Court, on a question of law, from a final order made in that proceeding transferring a child care and protection order to a participating State.
- (2) An appeal under subsection (1)—
 - (a) must be instituted, and originating process must be served on the chief executive, within 10 working days after the day the order complained of was made; and
 - (b) operates as stay of the order.
- (3) An appeal under subsection (1) must be brought in accordance with the rules of the Supreme Court.
- (4) However, the Supreme Court cannot extend the time fixed by paragraph (2) (a).
- (5) The Supreme Court must hear and decide the appeal as expeditiously as possible.
- (6) After deciding the appeal, the Supreme Court may make such order as it thinks appropriate, including an order remitting the case for rehearing to the Childrens Court with or without a direction in law.
- (7) An order made by the Supreme Court on an appeal under subsection (1), other than an order remitting the case for rehearing to the Childrens Court, may be enforced as an order of the Supreme Court.
- (8) The Supreme Court may make any interim short care and protection order pending the hearing of the appeal that the Childrens Court has jurisdiction to make.

PART 3—TRANSFER OF CHILD CARE AND PROTECTION PROCEEDINGS

310 When court may make order under this Part

(1) The court may make an order (the *transfer order*) under this Part transferring a child care and protection proceeding pending in the court to the Childrens Court in a participating State if—

- (a) the chief executive applies for the making of the order; and
- (b) the relevant interstate officer has consented to the transfer.

(2) The proceeding is discontinued in the court when the transfer order is registered in the Childrens Court in the participating State in accordance with the interstate law.

311 Service of application

The chief executive must as soon as possible serve a copy of an application for a transfer order transferring a child care and protection proceeding to the Childrens Court in a participating State on—

- (a) each person with parental responsibility for the child or young person; and
- (b) if the order relates to a young person—the young person; and
- (c) the community advocate.

312 Court to have regard to certain matters

In deciding whether to make an order transferring a proceeding under this Part the court must have regard to—

- (a) whether another proceeding relating to the child or young person is pending, or has previously been heard and decided, under the child welfare law in the participating State; and
- (b) the place where any matter giving rise to the proceeding in the court happened; and
- (c) the place where the child or young person, each person with parental responsibility for the child or young person and anyone else who is significant to the child or young person lives or is likely to live.

313 Interim order

(1) If the court makes an order transferring a proceeding under this Part, the court must also make an interim order that relates to the care, welfare or development of the child or young person.

- (2) An interim order may—
- (a) give responsibility for an aspect of parental responsibility for the child or young person, or allow contact with, a person; and
 - (b) give responsibility for the supervision of the child or young person to the interstate officer in the participating State or another person in that State to whom responsibility for the supervision of a child or young person could be given under the child welfare law of that State.
- (3) An interim order remains in force for the period, not longer than 30 days, that is stated in the order.
- (4) The Childrens Court in the participating State may vary or revoke, or extend the period of, an interim order.

314 Appeals

- (1) A party to an application for an order under this Part may appeal to the Supreme Court, on a question of law, from a final order made in the proceeding transferring a child care and protection proceeding to the Childrens Court in a participating State.
- (2) An appeal—
- (a) must be instituted, and originating process must be served on the chief executive, within 3 working days after the day the order complained of was made; and
 - (b) operates as stay of the order but not of any interim order made at the same time as the order.
- (3) An appeal under subsection (1) must be brought in accordance with the rules of the Supreme Court.
- (4) However, the Supreme Court cannot extend the time fixed by subsection (2) (a).
- (5) The Supreme Court must hear and decide the appeal as quickly as possible.
- (6) After deciding the appeal, the Supreme Court may make such order as it thinks appropriate, including an order remitting the case for rehearing to the Childrens Court with or without a direction in law.
- (7) An order made by the Supreme Court on an appeal under subsection (1), other than an order remitting the case for rehearing to the Childrens Court, may be enforced as an order of the Supreme Court.

- (8) The Supreme Court may—
- (a) make an order staying the operation of an interim order made at the same time as the order that is the subject of the appeal or may, by order, vary or revoke or extend the period of that interim order; and
 - (b) make an interim short care and protection order that the Childrens Court has jurisdiction to make pending the hearing of the appeal.

PART 4—REGISTRATION

315 Filing and registration of interstate documents

- (1) The chief executive must as soon as possible file in the court for registration a copy of a child care and protection order transferred to the Territory under an interstate law.
- (2) The chief executive must as soon as possible file in the court for registration a copy of an order under an interstate law to transfer a child care and protection proceeding to the Territory, together with a copy of any interim order made at the same time.
- (3) The chief executive may not file in the court a child care and protection order or an order to transfer a child care and protection proceeding if, under the interstate law—
- (a) the decision or order to transfer the child care and protection order or the order to transfer the child care and protection proceeding is subject to appeal or review or a stay; or
 - (b) the time for instituting an appeal or seeking a review has not expired.

316 Notification by appropriate registrar

- (1) The registrar of the Childrens Court must immediately notify the appropriate officer of the Childrens Court in the sending State and the interstate officer in that State of—
- (a) the registration of any document filed under section 315; or
 - (b) the revocation under section 318 of the registration of any document so filed.

(2) If the registrar of the Childrens Court is notified under a provision of an interstate law equivalent to subsection (1) that the registration of a copy of a care and protection order or a care and protection proceeding transferred to the State under this Chapter has been revoked, the registrar must notify the chief executive.

(3) On being notified, the chief executive must notify—

- (a) the child or young person concerned; and
- (b) each person with parental responsibility for the child or young person concerned; and
- (c) the parties to the proceeding in the Childrens Court in which the decision to transfer the order or proceeding was made.

317 Effect of registration

(1) A child care and protection order registered in the court under this Part—

- (a) is for all purposes (except for appeal) a care and protection order of the relevant type made by the court on the day it is registered; and
- (b) may be varied or revoked, or the period of the order extended, or a contravention of it dealt with, under this Act.

(2) An interim order registered in the court under this Part—

- (a) is for all purposes (except for appeal) an interim short care and protection order made by the Court on the day it is registered; and
- (b) may be varied, or the period of the order extended, or a contravention of it dealt with, under this Act.

(3) If an order under an interstate law to transfer a child care and protection proceeding to the Territory is registered under this Part, the proceeding is taken to have been commenced in the court on the day the order is registered.

318 Revocation of registration

(1) An application for revocation of the registration of a document filed under section 315 may be made to the court by—

- (a) the chief executive; or
- (b) the child or young person concerned; or
- (c) someone with parental responsibility for the child or young person concerned; or

- (d) a party to the proceeding in the Childrens Court in the sending State in which the decision to transfer the order or proceeding was made.
- (2) The registrar of the Childrens Court must send by post or give a copy of the application as soon as possible to—
 - (a) the relevant interstate officer; and
 - (b) each person, other than the applicant, who could have made an application.
- (3) The court may only revoke the registration of a document filed under section 315 if satisfied that it was inappropriately registered because, under the interstate law—
 - (a) the decision of the interstate officer or the order of the Childrens Court in the sending State to transfer the order or proceeding was at the time of registration subject to appeal or review or a stay; or
 - (b) the time for instituting an appeal or seeking a review had not expired.
- (4) The registrar of the Childrens Court must send each document filed under section 315 to the Childrens Court in the sending State if the registration of the document is revoked.
- (5) The revocation of the registration of a document does not prevent the later re-registration of the document.

PART 5—MISCELLANEOUS

319 Effect of registration of transferred order

- (1) A child care and protection order made by the court under Chapter 7 (Children and young people in need of care and protection), Part 3 (Care and protection orders and emergency action) in relation to a child or young person ceases to have effect when an order in relation to the child or young person is registered in a participating State under an interstate law.
- (2) However, if the registration is revoked in the participating State under the interstate law, the order that ceased to have effect is revived and has effect in accordance with its terms.

320 Transfer of court file

The registrar of the Childrens Court must cause all documents filed in the court in relation to a child care and protection proceeding, and an extract from any part of the register that relates to a child care and protection proceeding, to be sent to the Childrens Court in a participating State if, under this Chapter—

- (a) the child care and protection order or proceeding is transferred to the participating State; and
- (b) the transfer decision or order is not subject to appeal or review or a stay; and
- (c) the time for instituting an appeal or seeking a review has expired.

321 Special provision with respect to Maori children and young people

If an order or proceeding is transferred under an interstate law to the Territory from New Zealand and the child or young person is a Maori child, in deciding what finding or order to make in a proceeding relating to the child or young person under this Act, the court must have regard to the principle that, where practicable, the relationship between the child or young person and his or her family, whanau, hapu, iwi, family groups and community group must be maintained and strengthened.

322 Hearing and determination of transferred proceeding

In hearing and deciding a child care and protection proceeding transferred to the court under an interstate law, the court—

- (a) is not bound by a finding of fact made in the proceeding in the Childrens Court in the sending State before its transfer; and
- (b) may have regard to the transcript of, or evidence adduced in, the proceeding mentioned in paragraph (a).

323 Disclosure of information

Despite anything to the contrary in this Act, the chief executive may disclose to an interstate officer information that has come to his or her notice in the performance of duties or exercise of powers under this Act if the chief executive considers that it is necessary to do so to allow the interstate officer to perform duties or exercise powers under a child welfare law or an interstate law.

PART 2—APPROVALS IN PRINCIPLE AND LICENCES

Division 1—General

332 Deciding if suitable

(1) In deciding if someone is suitable for this Chapter, the chief executive may take into account all or any of the following matters:

- (a) whether the person has been found guilty of an offence—
 - (i) relating to the provision of services for children or young people; or
 - (ii) involving dishonesty, fraud or possession of, or trafficking in, a drug of dependence; or
