Duties Act 1999

A1999-7

Republication No 69

Effective: 18 September 2017 – 28 February 2018

Republication date: 18 September 2017

Last amendment made by [A2017-11](#)
(republication for amendments by [A2017-1](#))

About this republication

The republished law

This is a republication of the *Duties Act 1999* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 18 September 2017. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 18 September 2017.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

Duties Act 1999

An Act to create and charge various duties

Chapter 1 Preliminary

1 Name of Act

This Act is the *Duties Act 1999*.

2A Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act or other legislation.

For example, the signpost definition ‘*related body corporate*—see the Corporations Act, section 9.’ means that the term ‘related body corporate’ is defined in that section and that the definition applies to this Act.

Note 2 A definition in the dictionary applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

2B Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

2C Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

3 Incorporation of Taxation Administration Act

The [Taxation Administration Act](#) is incorporated and is to be read as one with this Act.

4 Territory not liable for payment of duty

The Territory is not liable to pay duty under this Act.

Note Prescribed territory entities are not exempt from paying duty (see [Taxation \(Government Business Enterprises\) Act 2003](#), s 9).

5 Duty a debt payable to Territory

A duty payable under this Act is, when a liability to pay the duty is created, a debt due to the Territory.

Chapter 2 Transactions concerning dutiable property

Part 2.1 Introduction and overview

6 Definitions—ch 2

In this chapter:

cancelled—

- (a) means rescinded, annulled or otherwise terminated without completion; and
- (b) includes abandoned.

commercial lease means a lease granted for—

- (a) commercial purposes only; or
- (b) more than 1 purpose including commercial purposes.

commercial lease with premium—see section 6A.

commercial purposes does not include residential purposes or the purposes of primary production.

Examples—commercial purposes

- industrial use
- business use
- retail use

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

declaration of trust means any declaration (other than by a will or testamentary instrument) that any identified property vested or to be vested in the person making the declaration is or is to be held in trust for the person or people, or the purpose or purposes, mentioned in the declaration although the beneficial owner of the property, or the person entitled to appoint the property, may not have joined in or assented to the declaration.

market rent, in relation to a commercial lease, means the rent (worked out as at the date the lease was granted) that would be charged by the lessor if the land the subject of the lease was leased by a willing lessor to a willing lessee—

- (a) dealing with each other at arm's length; and
- (b) each of whom had acted knowledgeably, sensibly and without compulsion.

premium, in relation to a commercial lease, means any consideration (being the amount of a monetary consideration or the value of a non-monetary consideration) that is paid or agreed to be paid in relation to the lease, other than rent reserved.

primary production means—

- (a) production resulting directly from—
 - (i) cultivation of land; or
 - (ii) keeping animals for their sale, their bodily produce or natural increase; or
 - (iii) fishing operations; or
 - (iv) forest operations; and
- (b) the manufacture of dairy produce by the person who produced the raw material used in that manufacture.

rent reserved, in relation to a commercial lease, means—

- (a) the rent paid or payable during the term of the lease that is market rent; and
- (b) any reasonable amount paid or payable for the right to use the land under the lease.

Examples—payments for right to use land under commercial lease

- rates
- maintenance and repairs
- services and utilities
- legal costs payable by lessee on behalf of lessor in relation to grant of lease
- insurance premiums
- car park contributions
- turnover rent
- fit-out costs
- security
- land rent
- gardening and landscaping
- lifts
- administration

6A Meaning of *commercial lease with premium*—ch 2

- (1) In this chapter:

commercial lease with premium means a commercial lease in relation to which there is a premium that is more than the amount (if any) determined by the commissioner.

- (2) A determination is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the [Legislation Act](#).

7 Imposition of duty on certain transactions concerning dutiable property

- (1) This chapter charges duty on—
 - (a) a transfer of dutiable property; and
 - (b) the following transactions:
 - (i) an agreement for the sale or transfer of dutiable property;
 - (ii) a declaration of trust over dutiable property;
 - (iii) a grant of a Crown lease;
 - (iv) a grant of a declared land sublease;
 - (v) a grant of a commercial lease with premium.
- (2) A transfer or transaction mentioned in subsection (1) is a ***dutiable transaction*** for this Act.
- (3) In this section:
grant—
 - (a) of a Crown lease over land, includes the grant of a new lease following the surrender or determination of the Crown lease over land that includes part or all of the land over which the new lease is granted; and
 - (b) of a declared land sublease, includes the grant of a new land sublease following the surrender or determination of the sublease over land that includes part or all of the land over which the new sublease is granted.

transfer does not include a transaction treated as a transfer by chapter 3.

Note Ch 3 treats certain transactions as transfers (eg, acquiring an interest in a landholder—see s 85 and s 86). Duty may be payable under ch 3 on those transfers. These may involve the vesting of property under a court order, which would otherwise be a transfer for s (1) (a) or (b) (i) (see dict, def *transfer*, par (a) (v)).

8 Imposition of duty on dutiable transactions that are not transfers

- (1) The duty payable under this chapter on a dutiable transaction mentioned in section 7 (1) (b) is payable as if each such dutiable transaction were a transfer of dutiable property.
- (2) For the purpose of paying duty under this chapter, in relation to a dutiable transaction mentioned in column 2 of an item in table 8:
 - (a) the property mentioned in the item, column 3 is taken to be the property transferred (and a reference in this Act to *property transferred* includes a reference to such property);
 - (b) a person mentioned in the item, column 4 is taken to be the transferee of the dutiable property (and a reference in this Act to a *transferee* includes a reference to such a person);
 - (c) the transfer of the dutiable property is taken to have happened at the time mentioned in the item, column 5 (and a reference in this Act to the *time* when a transfer occurs includes a reference to such a time).

Table 8

9 Form of a dutiable transaction

It is immaterial whether or not a dutiable transaction is effected by an instrument or by any other means, including electronic means.

10 Dutiable property

(1) *Dutiable property* is any of the following:

- (a) land in the ACT;
- (b) a Crown lease;
- (c) a declared land sublease;
- (d) a land use entitlement;
- (e) a commercial lease with premium;
- (f) an interest in a partnership that holds dutiable property mentioned elsewhere in this section (a *partnership interest*);

Note Former paragraphs (i) and (j) (covering certain business assets and statutory licences and permissions) were removed from the definition of *dutiable property* by the *Duties Amendment Act 2006*. For transitional provisions applying to these paragraphs, see s 400.

 - (iv) goods held or used in connection with land used for primary production;
 - (v) livestock;
 - (vi) a registered motor vehicle;
 - (vii) a ship or vessel;
 - (h) an option to purchase land in the ACT or a Crown lease or declared land sublease over land in the ACT;
 - (i) an interest in any dutiable property mentioned in paragraphs (a) to (h), except to the extent that it is, or is attributable to, an option over dutiable property.
- (2) In this section:
- holds**—a partnership **holds** dutiable property if (but not only if)—
- (a) the partners hold the property for the partnership; or
 - (b) the partnership has an indirect interest in the property.
- indirect interest**—a partnership has an **indirect interest** in dutiable property if—
- (a) through a partnership interest or trust interest there is a connection between the partnership and dutiable property of the other partnership or trust; or

- (b) through a series of partnership interests or trust interests, or a combination of any of them, there is a connection between the partnership and dutiable property of a partnership in the series.

intellectual property means—

- (a) a business name, trading name, trade mark, industrial design, patent, registered design or copyright; or
- (b) a right to use or exploit—
 - (i) a business name, trading name, trade mark or industrial design; or
 - (ii) a thing, system or process that is the subject of a patent, registered design or copyright (or an adaptation or modification of such a thing, system or process).

11 When does a liability for duty arise?

- (1) A liability for duty payable under this chapter arises—
 - (a) when a transfer of dutiable property occurs; or
 - (b) if a transfer of dutiable property is effected by an instrument—when the instrument is first executed.

Note **First executed**, for an instrument—see s 243.

- (2) However, a liability for duty payable under this chapter must not be paid until it becomes payable under section 16 (When does duty become payable?).

12 Who is liable to pay the duty?

Duty payable under this chapter is payable by the transferee, unless this chapter requires another person to pay the duty.

13 Liability of joint tenants

For the purpose of assessing duty payable under this chapter, joint tenants of dutiable property are taken to hold the dutiable property as tenants in common in equal shares.

14 Necessity for written instrument or written statement

- (1) If a dutiable transaction that is liable to ad valorem duty under this chapter is not effected by an instrument, the transferee must make a written statement.

Note If a form is approved under the [Taxation Administration Act](#), s 139C for a statement, the form must be used.

- (2) The statement must be made within 90 days after the liability arises.
- (3) If a dutiable transaction is completed or evidenced by an instrument within 90 days after the day when the dutiable transaction happens, the requirement to lodge a statement and pay duty in respect of the statement may be satisfied by the lodgment of and payment of duty on the instrument within 90 days after the day when the dutiable transaction happens.

15 Lodging instrument etc with commissioner

- (1) A transferee who is liable to pay duty in relation to a dutiable transaction must, within 90 days after the day the liability arises lodge with the commissioner—
- (a) the instrument that effects the dutiable transaction or, if there is more than 1 instrument that effects the transaction, each of them; or
- (b) the written statement made in accordance with section 14.

- (2) Subsection (1) does not apply in relation to a dutiable transaction if—
- (a) the registrar-general must tell the commissioner about the transaction under the *Land Titles Act 1925*, section 178B (Registrar-general may give information about certain dutiable transactions and instruments to revenue commissioner); or
 - (b) an electronic application for assessment of duty in relation to the transaction is lodged with the commissioner by a person approved under section 239 (Electronic assessment and payment of duty) within the 90-day period.
- (3) If an agreement for the sale or transfer of dutiable property is cancelled to give effect to a subsale, the purchaser or transferee must, within 14 days after the date the agreement is cancelled (or any longer time determined by the commissioner), lodge with the commissioner the instrument effecting the cancelled agreement.
- (4) A determination is a notifiable instrument.

Note A notifiable instrument must be notified under the [Legislation Act](#).

16 When does duty become payable?

- (1) The duty payable under this chapter in relation to a dutiable transaction mentioned in column 2 of an item in table 16 becomes payable at the time mentioned in the item, column 3.

Table 16

column 1 item	column 2 dutiable transaction	column 3 when duty becomes payable
1	transfer of dutiable property	when the transfer is registered with the registrar-general
2	agreement for sale or transfer	when the transfer is registered with the registrar-general after the agreement is completed
3	declaration of trust	when the declaration is made

column 1 item	column 2 dutiable transaction	column 3 when duty becomes payable
4	grant of a Crown lease (or declared land sublease)	when the lease is registered with the registrar-general
5	grant of a commercial lease with premium	when the lease is registered with the registrar-general
6	cancelled agreement for which duty is payable under s 50	when the cancelled agreement is lodged with the commissioner under s 15 (3)

Note Liability for duty payable under pt 3.2 arises when a relevant acquisition is made (see s 85). Duty must be paid within 90 days after the relevant acquisition is made (see s 88).

- (2) A tax default does not happen for the [Taxation Administration Act](#) if duty payable under this chapter in relation to a dutiable transaction mentioned in column 2 of an item in table 16 is paid within 14 days, or any longer time determined by the commissioner, after the duty becomes payable.
- (3) A determination is a notifiable instrument.

Note A notifiable instrument must be notified under the [Legislation Act](#).

17 No double duty

- (1) If a dutiable transaction is effected by more than 1 instrument, duty under this chapter—
 - (a) is payable in relation to the first executed instrument effecting the transaction; but
 - (b) is not payable in relation to the other instruments.
- Note* **First executed**, for an instrument—see s 243.
- (2) Duty under this chapter is not payable in relation to a transfer of dutiable property made in conformity with an agreement for the sale or transfer of the property.

- (3) Subsection (4) applies if—
- (a) a transfer of dutiable property is not made in conformity with an agreement for the sale or transfer of the property; and
 - (b) the transfer would be in conformity with the agreement if the transferee was the purchaser under the agreement; and
 - (c) the purchaser under the agreement and the transferee under the transfer were related people at the time the agreement was entered into.
- (4) Duty under this chapter—
- (a) is payable in relation to the agreement for the sale or transfer of the dutiable property; but
 - (b) is not payable in relation to the transfer of the dutiable property.
- (5) Duty under this chapter is not payable in relation to a transfer to a trustee of dutiable property subject to a declaration of trust if ad valorem duty has been paid on the declaration of trust in relation to the same dutiable property.
- (6) Duty under this chapter is not payable in relation to a declaration of trust that declares the same trusts as those on and subject to which the same dutiable property was transferred to the person declaring the trust if ad valorem duty has been paid on the transfer.
- (7) A dutiable transaction in respect of marketable securities that confer a land use entitlement is taken to be a dutiable transaction in respect of the land use entitlement only and, if duty has been paid on the dutiable transaction in accordance with a law of another Australian jurisdiction, the duty payable under this chapter on the dutiable transaction is to be reduced by the amount of the duty so paid.
- (8) This section does not apply to a personal relationship financial agreement if—
- (a) the agreement provides for a transfer of dutiable property; and

- (b) the transfer is not exempt from duty under any of the following:
 - (i) section 232G (Transactions under Family Law Act 1975 (Cwlth), s 90B, s 90C or s 90D financial agreements);

18 Rate of duty

Duty is payable on the dutiable value of the dutiable property subject to the dutiable transaction at the relevant rate set out in part 2.3.

Note Exemptions from duty payable under this chapter are dealt with in pt 2.5.

Part 2.2 Dutiable value

20 What is the *dutiable value* of dutiable property?

- (1) The *dutiable value* of dutiable property that is subject to a dutiable transaction is the greater of—
 - (a) the consideration (if any) for the dutiable transaction (being the amount of a monetary consideration or the value of a non-monetary consideration); and
 - (b) whichever of the following applies:
 - (i) for a land rent lease—the amount that would be the unencumbered value of the lease if it were a Crown lease that is not a land rent lease;
 - (ii) for any other dutiable property—the unencumbered value of the dutiable property.
- (2) The *dutiable value* of a dutiable transaction that is the transfer of a commercial lease with premium is the amount of the premium.
- (3) However, if the lease is granted for more than 1 purpose including commercial purposes, the dutiable value is worked out as follows:

$$P \times DV$$

DV means the dutiable value mentioned in subsection (2).

P means the percentage of the land the subject of the lease, determined by the commissioner, that is used for commercial purposes.

- (4) A determination is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the [Legislation Act](#).

- (5) The *dutiable value* of a partnership interest mentioned in section 28 is to be determined in accordance with that section.

- (6) In this section:

land rent lease—see the *Land Rent Act 2008*, section 7 (4).

21 What is the consideration for the transfer of dutiable property?

- (1) The consideration for the transfer of dutiable property is taken to include the amount or value of all encumbrances, whether certain or contingent, subject to which the dutiable property is transferred.
- (2) The consideration for the transfer of the interest of a transferee under an uncompleted agreement for the sale or transfer of dutiable property is taken to include the balance of the amount or value of the consideration that would be required from the transferee under the agreement to complete it in accordance with its terms.
- (3) If a Crown lease, or declared land sublease, is granted subject to a requirement that the lessee, or sublessee, carry out, or cause to be carried out, works on land other than the land the subject of the lease, or sublease, the cost of carrying out the works is taken to form part of the consideration for the lease or sublease.
- (4) If a Crown lease is granted—
- (a) for an initial term; and
 - (b) subject to a right provided by the lease for the lessee to be granted a further term (whether or not the exercise of that right is subject to conditions);

the lease is taken to be granted for a term equal to the aggregate of the initial term and the further term, up to a maximum of 99 years, and the consideration for the lease is taken to be the aggregate of—

- (c) any lump sum paid for the grant of the lease; and
- (d) any lump sum payable for renewal of the lease; and
- (e) the rent payable under the lease during the term for which it is taken to have been granted; and

- (f) any costs that are taken to form part of the consideration under subsection (3).

22 What is the *unencumbered value* of dutiable property?

- (1) The *unencumbered value* of dutiable property is the value of the property determined without regard to any encumbrance to which the property is subject.
- (2) If, before land is transferred to a transferee, the transferee has made improvements to the land, the unencumbered value of the land is to be determined as if those improvements had not been made.
- (3) The *unencumbered value* of a Crown lease at the time it is granted is, for this chapter, taken to be the amount determined by the granting body to be that value.
- (4) However, if the commissioner is not satisfied with the amount determined by the granting body of a Crown lease to be the unencumbered value of the lease, the commissioner may—
 - (a) have the Crown lease valued as at the time it was granted; and
 - (b) determine the unencumbered value of the lease in accordance with the valuation.
- (5) If the granting body of a Crown lease did not determine the value of the lease at the time it was granted, the commissioner may—
 - (a) have the Crown lease valued as at the time it was granted; and
 - (b) determine the unencumbered value of the lease in accordance with the valuation.
- (6) In determining the unencumbered value of a Crown lease at the time it is or was granted, the granting body or a person making a valuation of the lease under subsection (4) (a) or (5) (a) must assume—
 - (a) that the consideration for the lease is or was to be paid as a lump sum; and

- (b) that the lessee is not obliged by the lease to carry out any works, or to cause any works to be carried out, on the land leased or elsewhere.
- (7) The commissioner may recover from the lessee under a Crown lease—
 - (a) the cost of getting a valuation under subsection (4) if the value of the Crown lease shown by the valuation was more than the value of the lease determined by the granting authority; or
 - (b) the cost of getting a valuation under subsection (5).

- (8) In this section:

grant, of a Crown lease over a parcel of land, includes the grant of a second or subsequent lease over the same parcel.

granting body, in relation to a Crown lease, means the administrative unit or other entity responsible for arranging the grant.

23 Arrangements that reduce dutiable value

If any arrangement affecting the dutiable value of dutiable property that was entered into within 12 months before a dutiable transaction was brought about by any person with the intention of reducing the dutiable value of the dutiable property, the commissioner may—

- (a) cause a valuation of the dutiable property to be made; and
- (b) direct the valuer to disregard the arrangement for the purposes of the valuation; and
- (c) assess duty on the basis of the valuation carried out in accordance with the direction.

24 Aggregation of dutiable transactions

- (1) Dutiable transactions relating to separate items of dutiable property, or separate parts of, or interests in, dutiable property are to be aggregated and treated as a single dutiable transaction if—
 - (a) they occur within 12 months; and
 - (b) the transferee is the same or the transferees are associated people; and
 - (c) the dutiable transactions together form, evidence, give effect to or arise from what is, substantially, 1 arrangement relating to all of the items or parts of, or interests in, the dutiable property.
- (2) Dutiable transactions are not to be aggregated under this section if the commissioner is satisfied—
 - (a) that the transactions are for the purpose of acquiring 2 or more blocks of land in the same subdivision for the purpose of developing the blocks for resale; or
 - (b) that the transactions are for the purpose of purchasing 2 or more units in the same units plan under the *Unit Titles Act 2001* for the purpose of investment; or
 - (c) that the transactions are for the purpose of acquiring 2 or more parcels of shares in a company or 2 or more parcels of units in a units trust scheme which parcels either alone or together with a lease or licence give an entitlement to occupy 2 or more areas that are on a single parcel of land; or
 - (d) that it would not be just and reasonable for the transactions to be so aggregated.
- (3) The dutiable value of aggregated dutiable property is the sum of the dutiable values of the items or parts of, or the interests in, the dutiable property as at the time when each dutiable transaction occurs.

- (4) The amount of duty payable in accordance with this section is to be reduced by the amount of any ad valorem duty paid on a prior dutiable transaction that is, or prior dutiable transactions that are, aggregated in accordance with this section.
- (5) Duty may be apportioned to the instruments effecting or evidencing the dutiable transactions, or may be payable in accordance with section 17 (1), as determined by the commissioner.

25 Value of goods in certain transactions also involving other property

The commissioner, if satisfied that it would not be just and reasonable in the circumstances to charge duty on the dutiable value of all the dutiable property in a dutiable transaction involving goods and other property, may disregard the value of the goods, or any of them, in determining the dutiable value of the property involved.

26 Apportionment—dutiable property and other property

- (1) If a dutiable transaction relates to dutiable property and property that is not dutiable property, duty is payable under this chapter in relation to the dutiable transaction only to the extent that it relates to dutiable property.
- (2) If a dutiable transaction relates to different types of dutiable property for which different rates of duty are payable under this chapter, duty is payable under this chapter in relation to the dutiable transaction as if a separate dutiable transaction had occurred in relation to each such type of dutiable property.

28 Partnership interests

The dutiable value of a partnership interest (*DV*) is to be determined in accordance with the following formula:

$$DV = A \times \frac{X}{Y}$$

where:

A means the value of the partnership interest, or so much of the consideration for the dutiable transaction as relates to the partnership interest, whichever is the greater.

X means the unencumbered value of all dutiable property of the partnership.

Y means the unencumbered value of all assets of the partnership.

- (2) For this section, section 15 and section 17, a partition is taken to be a single dutiable transaction.
- (3) The dutiable value of a partition (***DV***) is to be determined in accordance with the following formula:

$$DV = A \times \frac{X}{Y}$$

where:

A means the sum of the amounts by which the unencumbered value of the property transferred or agreed to be transferred to a person exceeds the unencumbered value of the interest held by the person in that property immediately before the partition, or the sum of any consideration for the partition paid by any of the parties, whichever is the greater.

X means the unencumbered value of all dutiable property the subject of the partition.

Y means the unencumbered value of all property the subject of the partition.

- (4) Duty payable under this section is payable by the people making the partition or any 1 or more of them.

30 Effect of alteration in purchase price

- (1) If after an agreement for the sale or transfer of dutiable property is entered into and before the property is transferred—
- (a) the consideration under the agreement is reduced and the reduced consideration is not less than the unencumbered value of the dutiable property when the consideration was reduced; or
 - (b) the consideration under the agreement is reduced because the parties have agreed not to transfer some of the dutiable property previously agreed to be transferred and the reduced consideration is not less than the unencumbered value of the dutiable property that remained to be transferred when the consideration was reduced; or
 - (c) the consideration under the agreement is increased and the dutiable value when the consideration was increased is greater than the dutiable value when the agreement was entered into;

the commissioner must assess or reassess the liability to duty of the agreement in accordance with the change in the consideration.

- (2) The liability to pay additional duty arising from an increase in the consideration occurs on the day when the consideration is agreed to be increased.

Part 2.3 Rates of duty

31 General rate

Except as provided by this chapter, duty at the determined rate is payable on a dutiable transaction.

33 Certain business assets

- (1) Duty is payable at the determined rate on a dutiable transaction so far as it is in relation to—

 - (i) an interest in property mentioned in section 10 (1) (a), (b) or (d); or
 - (ii) an interest in property mentioned in section 10 (1) (i) that is dutiable property mentioned in section 10 (1) (a), (b) or (d); or
 - (b) an interest in property mentioned in section 10 (1) (i), other than an interest in dutiable property mentioned in section 10 (1) (a), (b), or (d).
- (2) The proportion of the dutiable value of a partnership interest for which duty is payable under subsection (1) (a) is—
 - (a) if no interest in property of a kind mentioned in subsection (1) (a) (i) or (ii) is transferred as a result of the transfer of the partnership interest—the whole of the value of the partnership interest; or

- (b) if an interest in property of a kind mentioned in either of those subparagraphs is transferred as a result of the transfer of the partnership interest—the proportion of the value of the partnership interest that is equal to the proportion of so much of the unencumbered value of all the dutiable assets of the partnership as is not constituted by the unencumbered value of the dutiable assets of the partnership that are property of a kind mentioned in either of those subparagraphs.

the duty payable on the new lease is the amount of duty that would have been payable on the new lease under part 2.3 less the amount of duty that would have been payable under part 2.3 on the grant of a Crown lease over the land that was comprised in the development lease, if the Crown lease had been granted on the same terms as the new lease.

(3) In this section:

Note The dictionary defines *partner* as a person's spouse or someone with whom the person has a domestic relationship. *Domestic relationship* is defined in the dictionary to have the same meaning as in the *Domestic Relationships Act 1994*, s 3.

- (2) However, subsection (1) only applies if the transfer results in the property being held by the partners as—
- (a) joint tenants; or

75AD Conditions of deferral arrangement

- (b) if a person makes a relevant acquisition because the person acquires an interest by exercising a right to acquire the interest—the 3-year period before the person or an associated person acquired the right to acquire the interest and ending on the date of the relevant acquisition.

significant interest, in a landholder—see section 83.

Division 3.2.2 Landholding entities

78A Meaning of *entity*—pt 3.2

- (1) In this part:

entity means—

- (a) a private company; or
- (b) a private unit trust scheme.

Note *Private company*—see the dictionary.

- (2) In this section:

private unit trust scheme means a unit trust scheme that is not a public unit trust scheme.

79 Meaning of *landholder*—pt 3.2

For this part, a *landholder* is an entity that has a landholding in the ACT.

80 Meaning of *landholding*—pt 3.2

- (1) For this part, a *landholding* is any interest in land, other than the interest of a mortgagee, chargee or other secured creditor or a *profit à prendre*.

Note *Interest*—see the dictionary.

- (2) However, an interest in land is not a *landholding* of—

- (a) a private company unless the interest of the company is a beneficial interest; or
- (b) a unit trust scheme unless the interest is held by the trustees in their capacity as trustees of the scheme.

- (3) This section is in aid of, but does not limit, the operation of any provision of this part providing for constructive ownership of interests.

- (4) For this part, the vendor and the purchaser under an uncompleted agreement for the sale of land are taken to be separately entitled to the whole of the land.

81 Constructive ownership of landholdings and other property—linked entities

- (1) In addition to any interest in land or other property that it may hold in its own right, an entity (the *principal entity*) is taken, for this part, to hold an interest in land or other property held by a linked entity of the principal entity.
- (2) For this section, a *linked entity* of a principal entity means a person (other than an individual)—
- (a) who is part of a chain of people—
 - (i) which includes the principal entity; and
 - (ii) which is comprised of 1 or more links; and
 - (iii) in which a link exists if a person would be entitled to receive at least 50% of the unencumbered value of the property of another person if the other person were to be wound up; and
 - (iv) which does not include in any of the links between the person and the principal entity, a public unit trust scheme or a company whose shares are listed on the Australian Stock Exchange or any other exchange of the World Federation of Exchanges; and
 - (b) who is not a public unit trust scheme or a company whose shares are listed on the Australian Stock Exchange or any other exchange of the World Federation of Exchanges.

(3) The value, for duty purposes, of the interest in land or other property that a principal entity is taken, by subsection (1), to hold because of a holding by a linked entity is that part of the interest's unencumbered value to which the principal entity would be entitled (without regard to any liabilities of the linked entity or any other person in the ownership chain) if each entity in the chain of entities were to be wound up.

(4) In this section:

person includes an entity.

Note *Entity*—see s 78A.

82 Constructive ownership of landholdings and other property—discretionary trusts

(1) For this section, a person is a *beneficiary* of a discretionary trust if the person is a person, or a member of a class of people, in whose favour, by the terms of the trust, capital the subject of the trust may be applied in the event—

(a) of the exercise of a power or discretion in favour of the person or class; or

(b) that a discretion conferred under the trust is not exercised.

Note *Discretionary trust*—see the dictionary.

(2) A beneficiary of a discretionary trust is taken to own or to be otherwise entitled to the property the subject of the trust.

(3) For this part, any property that is the subject of a discretionary trust (the *primary trust*) is taken to be the subject of any other discretionary trust—

(a) that is a beneficiary of the primary trust; or

(b) any trustee of which (in the capacity of trustee) is a beneficiary of the primary trust.

- (4) Subsection (3) extends to apply to property that is the subject of a discretionary trust only by the operation of that subsection.
- (5) However, subsection (2) or (3) does not apply in a particular case if the commissioner—
 - (a) is satisfied that the application of the subsection would be inequitable; and
 - (b) determines, in writing, that the subsection does not apply.
- (6) In this section:
person includes an entity.

Note *Entity*—see s 78A.

83 Interest and significant interest in landholders—pt 3.2

- (1) For this part, a person has an *interest* in a landholder if the person has an entitlement (otherwise than as a creditor or other person to whom the landholder is liable) to a distribution of property from the landholder on a winding up of the landholder or otherwise.
- (2) A person who, under subsection (1), has an interest in a landholder has a *significant interest* in the landholder if the person, in the event of a distribution of all the property of the landholder immediately after the interest was acquired, would be entitled to at least 50% of the property distributed.
- (3) In this section:
person includes an entity.

Note *Entity*—see s 78A.

83A Meaning of associated person—pt 3.2

- (1) Without limiting the meaning of the dictionary, definition of *associated person*, paragraph (a), a public company and a subsidiary of a public company are taken to be associated people for this part.

- (2) However, the responsible entity of a managed investment scheme (the *first scheme*), and the responsible entity of another managed investment scheme (the *other scheme*), are associated people for this part only if a person who is a member of the first scheme and is beneficially entitled to more than 20% of the property to which the scheme relates is also a member of the other scheme and is beneficially entitled to more than 20% of the property to which the other scheme relates.

Note For another exception to *associated person*—see s 86 (1).

- (3) In this section:

subsidiary—see the [Corporations Act](#), section 9.

84 How person acquires an interest in a landholder—pt 3.2

- (1) For this part, a person *acquires* an interest in a landholder if the person obtains an interest, or the person's interest increases, in the landholder regardless of how it is obtained or increased.
- (2) Without limiting subsection (1), a person may acquire an interest in a landholder—
- (a) by any of the following:
- (i) purchase, gift, allotment, issue or transfer of a share or unit in the landholder;
 - (ii) variation, abrogation or alteration of a right attaching to any such share or unit;
 - (iii) cancellation, redemption or surrender of any such share or unit;
 - (iv) variation, abrogation or alteration of a right of a holder of any such share or unit;
 - (v) payment of an amount owing for any such share or unit;
or

- (b) by any combination of the means mentioned in paragraph (a);
or
- (c) if the person holds an interest in the landholder (whether or not as trustee) and the capacity in which the person holds the interest changes (including if there is a change in the beneficial ownership of an interest held by a person as trustee).

Example—par (c)

a person who holds a unit in the landholder declares a trust in relation to the unit

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

- (3) If the acquisition arises from an agreement to purchase, allot or issue a unit or share, the acquisition is made, for this part, when the agreement is completed.
- (4) For subsection (3)—
 - (a) it does not matter whether or not the acquisition or interest acquired is registered; and
 - (b) an agreement is taken to be completed when the necessary transfer or title documents are delivered to the person acquiring the interest and the purchase price is paid in full.
- (5) To remove any doubt, a person may acquire an interest in a landholder without acquiring shares or units in the landholder.

Division 3.2.3 Charging of duty

85 When does liability for duty arise?

A liability for duty payable under this part arises when a relevant acquisition is made.

86 What is a *relevant acquisition*?—pt 3.2

- (1) For this part, a person is taken to have made a *relevant acquisition* if the person—
- (a) acquires an interest in a landholder—
 - (i) that is of itself a significant interest in the landholder; or
 - (ii) that, when aggregated with other interests in the landholder held by the person or an associated person, results in an aggregation that amounts to a significant interest in the landholder; or
 - (iii) that, when aggregated with other interests in the landholder acquired by the person or other people in an associated transaction, results in an aggregation that amounts to a significant interest in the landholder; or
 - (b) having an interest described in paragraph (a) in a landholder, acquires a further interest in the landholder.

Note *Associated person*—see s 83A.

- (2) In this section:

associated transaction, in relation to the acquisition of an interest in a landholder by a person, means an acquisition of an interest in the landholder by another person in circumstances in which—

- (a) those people are acting in concert; or

- (b) the acquisitions form, are evidence of, give effect to or arise from substantially 1 arrangement, 1 transaction or 1 series of transactions.

87 Acquisition statements

- (1) A person who has made a relevant acquisition must prepare a statement and lodge it with the commissioner.
- (2) The statement must be lodged not later than 90 days after the day the relevant acquisition is made.
- (3) The acquisition statement must contain the following information:
 - (a) the name and address of the person who has acquired the interest;
 - (b) the date of the relevant acquisition;
 - (c) particulars of the interest acquired;
 - (d) particulars of the total interest of the person and any associated person in the landholder at that date;
 - (e) the unencumbered value of all landholdings in the ACT of the landholder as at the date of the relevant acquisition and as at the date of acquisition of each interest acquired in the landholder during the relevant period for the relevant acquisition;
Note **Relevant period**—see s 78.
 - (f) the unencumbered value of the property of the landholder at the date of the relevant acquisition;
 - (g) the amount of duty paid under this Act or under a law of another Australian jurisdiction in respect of each earlier acquisition of an interest mentioned in paragraph (e);

(h) the other information that the commissioner may require.

Note If a form is approved under the [Taxation Administration Act](#), s 139C for an acquisition statement, the form must be used.

88 When must duty be paid?

A tax default does not happen for the [Taxation Administration Act](#) if duty is paid within 90 days after the liability to pay it arises.

Note A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including regulations (see [Legislation Act](#), s 104).

89 Who is liable to pay duty?

- (1) Subject to subsection (2), duty payable under this part is payable by the person who makes the relevant acquisition.
- (2) If a relevant acquisition results from an aggregation of the interests of associated people, the person who made the relevant acquisition and the associated person or people are jointly and severally liable for payment of the duty.

90 How duty is payable on relevant acquisitions

- (1) If an acquisition statement does not disclose any acquisitions during the relevant period for the relevant acquisition, duty is payable, at the rate specified under this Act for a transfer of dutiable property, on the amount calculated by multiplying the unencumbered value of all landholdings of the landholder in the ACT (calculated at the date of acquisition of the interest acquired) by the proportion of that value represented by the interest acquired in the relevant acquisition.

Note **Relevant period**—see s 78.

- (2) If an acquisition statement discloses 1 or more acquisitions during the relevant period for the relevant acquisition, duty is payable, at the rate specified under this Act for a transfer of dutiable property, on the aggregate of amounts severally calculated, in the way provided by subsection (1), in respect of each interest required to be disclosed in the statement.
- (3) Duty payable under this section is to be reduced by the sum of the duty paid or payable under this Act in respect of the acquisition, during the relevant period for the relevant acquisition, by the person or any associated person of an interest in the same landholder, but only in proportion to the extent to which the duty paid or payable is attributable to the amount of the duty payable under this section.
- (4) If a relevant acquisition is made owing to the aggregation of the interests of associated people, but the commissioner is satisfied that the associated people acquired their respective interests independently and for no common purpose, the commissioner may assess and charge duty on the relevant acquisition without aggregating the interests of the person who made it with the interests of associated people.
- (5) This section is subject to division 3.2.4.

Division 3.2.4 General and supplemental

92 Maximisation of entitlements on distribution of property

- (1) This section applies to any calculation, for this part, of the entitlement of a person (the *interested person*) to participate in a distribution of the property of a landholder, whether on a winding-up of the landholder or otherwise.
- (2) A calculation is to be made based, firstly, on a distribution carried out in accordance with the constitution of the landholder, and with any law relevant to the distribution, as in force at the time of distribution, and the entitlement of the interested person is to be evaluated accordingly.

- (3) Next, a calculation is to be made based on a distribution carried out after the interested person, and any other person whom the interested person has power to direct for such a distribution or who is, in relation to the interested person, an associated person, had exercised all powers and discretions exercisable by them because of having acquired an interest in the landholder concerned—
- (a) to effect or compel an alteration to the constitution of the landholder; and
 - (b) to vary the rights conferred by shares or units in the landholder; and
 - (c) to effect or compel the substitution or replacement of shares or units in the landholder with other shares or units in it;
- in such a way as would maximise the value of the entitlement, and the entitlement of the interested person is to be evaluated accordingly.
- (4) The results obtained by an evaluation of the interested person's entitlement in accordance with subsections (2) and (3) are then to be compared, and whichever evaluation results in a greater entitlement is the correct evaluation, for this part, of the entitlement.
- (5) However, subsection (4) does not apply in a particular case if the commissioner—
- (a) is satisfied that the application of the subsection would be inequitable; and
 - (b) determines, in writing, that the subsection does not apply.

93 Valuation of property

- (1) The provisions of this Act that apply to the ascertainment of the value of transfers in relation to which ad valorem duty is payable apply in the same way to an acquisition statement under this part and the value of landholdings mentioned in it.

- (2) If any arrangement affecting the dutiable value of dutiable landholdings that was entered into within 12 months before a relevant acquisition was brought about by any person with the intention of reducing the dutiable value of the landholdings, the commissioner may—
- (a) cause a valuation of the landholding to be made; and
 - (b) direct the valuer to disregard the arrangement for the purposes of the valuation; and
 - (c) assess duty on the basis of the valuation carried out in accordance with the direction.

94 Agreements for sale or conveyance of land

- (1) If—
- (a) at the time of acquisition of an interest by any person in a landholder that requires the lodgment of an acquisition statement under division 3.2.3 (Charging of duty), the landholder was the vendor under an uncompleted agreement for the sale or conveyance of land; and

- (b) the agreement is subsequently completed;

the commissioner must assess or reassess the statement as though the land the subject of the agreement was not, at the time of the acquisition concerned, a landholding of the landholder.

Note For pt 3.2, the vendor and the purchaser under an uncompleted agreement for the sale of land are taken to be separately entitled to the whole of the land (see s 80 (4)).

- (2) If—
- (a) at the time of acquisition of an interest by any person in a landholder that requires the lodgment by any person of an acquisition statement under division 3.2.3, the landholder was the purchaser under an uncompleted agreement for the sale or conveyance of land; and

- (b) the agreement is subsequently rescinded, annulled or otherwise terminated without completion;

the commissioner must assess or reassess the statement as though the land the subject of the agreement was not, at the time of the acquisition concerned, a landholding of the landholder.

- (3) In this section:

landholder includes a linked entity of the landholder.

linked entity—see section 81 (2) (Constructive ownership of landholdings and other property—linked entities).

95 Duty concession—acquisitions securing financial accommodation

- (1) Subsection (2) applies if—
- (a) the person lodging an acquisition statement under this part in relation to the acquisition of an interest in a landholder tells the commissioner when the statement is lodged that the acquisition is effected for the purpose of securing financial accommodation; and
- (b) the commissioner is satisfied that the acquisition is effected for that purpose.
- (2) Duty under this Act is not payable in relation to the statement so far as it relates to the acquisition, except as provided by subsection (3).
- (3) Duty is payable in relation to the statement at the end of the period of 5 years after the date of the acquisition (or the longer period that may be determined by the commissioner in the particular case) if the interest concerned is not—
- (a) reacquired by the person from whom it was acquired; or

- (b) for an acquisition by way of mortgage—conveyed by the mortgagee to a third person in exercise of the mortgagee’s power of sale;
within that period (or that longer period).
- (4) Section 86 does not apply to the reacquisition by a person of the interest concerned.

Part 3.4 Acquisition of land use entitlements by allotment of shares or issue of units

103 When does liability for duty arise?

- (1) A liability for duty payable under this part arises when a land use entitlement is acquired by an allotment of shares or an issue of units to anyone otherwise than in circumstances to which subsection (2) applies.
- (2) This subsection applies to an allotment of shares to anyone by a territory company that is not listed on the Australian Stock Exchange or any other exchange that is a member of the World Federation of Exchanges at another person's direction, in discharge of an obligation to that other person, whether that obligation arises as consideration for the purchase of property by the company or otherwise.
- (3) In this section:
territory company means—
 - (a) a company incorporated (or taken to be incorporated) under the [Corporations Act](#) that is taken to be registered in the ACT; or
 - (b) a corporation that is incorporated under a territory Act.

104 When must duty be paid?

A tax default does not happen for the [Taxation Administration Act](#) if duty is paid within 90 days after the liability to pay it arises.

Note A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including regulations (see [Legislation Act](#), s 104).

105 Who is liable to pay duty?

Duty payable under this part is payable by the person who acquires the land use entitlement.

106 Acquisition of land use entitlement

- (1) A person who acquires a land use entitlement by an allotment of shares or an issue of units must lodge with the commissioner a statement of the entitlement.

Note If a form is approved under the [Taxation Administration Act](#), s 139C for a statement, the form must be used.

- (2) The statement must be lodged within 90 days after the entitlement is so acquired.

107 What statement under s 106 must contain

A statement under section 106 must contain the following information:

- (a) the name and address of the person;
- (b) the name of the relevant company or unit trust;
- (c) the date when the land use entitlement was acquired;
- (d) the consideration paid by the person for the relevant shares or units;
- (e) the other information that may be required by the commissioner.

108 Assessment of duty

Note The effect of the [FS \(BTGR\) Act](#), s 22 is that a voluntary transfer of business, in itself, is not dutiable under this Act.

- (2) The receiving body must, within 14 days after the voluntary transfer, give the commissioner a declaration about the transfer.

Note 1 If a form is approved under the [Taxation Administration Act](#), s 139C for a declaration, the form must be used.

$$X - Y$$

X means, if all the dutiable property were transferred in conformity with the trust, the unencumbered value of the property.

Y means the unencumbered value of the express beneficial interest in the property transferred in conformity with the trust.

Josh and Brad agree that Brad will buy Josh's share in the house. With the consent of Josh and Brad, the legal personal representative of the deceased person under the will transfers the whole of the interest in the house to Brad. The commissioner determines that the unencumbered value of the express beneficial interest in the property transferred to Brad in conformity with the trust under the will is \$320 000. The dutiable value of the transfer is \$160 000.

6 Expired transitional or validating provisions

This Act may be affected by transitional or validating provisions that have expired. The expiry does not affect any continuing operation of the provisions (see *Legislation Act 2001*, s 88 (1)).

Expired provisions are removed from the republished law when the expiry takes effect and are listed in the amendment history using the abbreviation ‘exp’ followed by the date of the expiry.

To find the expired provisions see the version of this Act before the expiry took effect. The ACT legislation register has point-in-time versions of this Act.
