Government Procurement Act 2001

A2001-28

Republication No 13

Effective: 17 December 2009 – 31 December 2010

Republication date: 17 December 2009

Last amendment made by A2009-49

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Government Procurement Act 2001* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 17 December 2009. It also includes any amendment, repeal or expiry affecting the republished law to 17 December 2009.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Australian Capital Territory

Government Procurement Act 2001

An Act about procurement by the Territory and territory entities, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Government Procurement Act 2001*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition '*Territory entity*—see section 3.' means that the expression 'Territory entity' is defined in that section.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

2A Meaning of *procurement*

In this Act:

procurement—

- (a) means the process of acquiring goods, services, works or property by purchase, lease, rental or exchange; and
- (b) includes the process of disposing of goods, works or property including by sale.

3 Meaning of *Territory entity*

(1) In this Act:

Territory entity—

- (a) means an administrative unit, or a Territory entity under the *Auditor-General Act 1996*; and
- (b) for an unincorporated Territory entity—includes a member of the entity acting on behalf of the Territory.

(2) However, *territory entity* does not include—

- (a) The University of Canberra; or
- (b) a Territory-owned corporation; or
- (c) another entity established under the Corporations Act; or
- (d) an entity declared under the regulations not to be a territory entity.

3A Application of Act to land sales etc

This Act does not apply to the grant of a licence or lease of land, or the sale of a lease of land, under the *Planning and Development Act 2007*.

3B Responsible chief executive officer to ensure Act complied with

The responsible chief executive officer for a territory entity must ensure that the entity complies with this Act.

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See *Legislation Act 2001*, s 127 (1), (4) and (5) for the legal status of notes.

4A Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Part 2 Government procurement board

Division 2.1 Establishment and functions

5 Government Procurement Board

There is an Australian Capital Territory Government Procurement Board.

- (c) a procurement proposal referred to the board in accordance with the regulations;
- (d) a procurement proposal for a procurement matter stated in a declaration under section 22B (Minister may declare procurement matters to be reviewed).

Note Power to make a statutory instrument includes power to make different provision for different classes (see Legislation Act, s 48).

procurement proposal means a proposal by a territory entity for procurement.

20 Disclosure of interests by members

- (1) This section applies to a member if—
 - (a) the member has a direct or indirect financial interest, or a direct or indirect interest of any other kind, in an issue being considered, or about to be considered, by the board; and
 - (b) the interest could conflict with the proper exercise of the member's functions in relation to the board's consideration of the issue.
- (2) As soon as practicable after the relevant facts come to the member's knowledge, the member must disclose the nature of the interest to a meeting of the board.

- (3) The disclosure must be recorded in the board's minutes and, unless the board otherwise decides, the member must not—
 - (a) be present when the board considers the issue; or
 - (b) take part in a decision of the board on the issue.
- (4) Any other member who also has a direct or indirect financial interest in the issue must not—

- (1) In relation to the exercise of its functions, the board may, in writing, ask a Territory entity to give stated information or a stated document to the board within a stated time and in a stated way.
- (2) The Territory entity must comply with the request.

Part 2A Procurement activities

22A Procurement principle—value for money

- (1) A territory entity must pursue value for money in undertaking any procurement activity.
- (2) Value for money means the best available procurement outcome.
- (3) In pursuing value for money, the entity must have regard to the following:
 - (a) probity and ethical behaviour;
 - (b) management of risk;
 - (c) open and effective competition;
 - (d) optimising whole of life costs;
 - (e) anything else prescribed by regulation.

22B Minister may declare procurement matters to be reviewed

- (1) The Minister may declare the procurement matters for which a procurement proposal must be reviewed by the board.

Examples of declarations

- 1 procurement matters with the same risk profile
- 2 procurement matters above a stated value threshold

Note 1 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Note 2 Power to make a statutory instrument includes power to make different provision for different classes (see Legislation Act, s 48).

- (2) A declaration under subsection (1) is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

22C Procurement proposal or activity may be referred to board

The responsible Minister or responsible chief executive officer may refer a procurement proposal or activity to the board for review and advice.

Part 3 Notifiable contracts

Division 3.1 Preliminary

23 Application—pt 3

- (1) To remove any doubt, this part applies in relation to a contract entered into by—
- (a) a territory entity with an excluded body; or
 - (b) an excluded body as an agent of a territory entity.

Example

A government department (representing the Territory) enters into a notifiable contract with a Territory owned corporation. The government department, but not the Territory owned corporation, is required to notify the contract under pt 3 (Notifiable contracts).

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) In this section:

excluded body means a body that is not included as a territory entity under section 3 (2) (Meaning of *territory entity*).

24 Definitions for pt 3

In this part:

confidential text, of a notifiable contract, means that part of the contract that a party to the notifiable contract (including the Territory or a Territory entity) is required to keep confidential under—

- (a) a provision of a contract (including the notifiable contract) that requires a party to the notifiable contract to keep any part of the notifiable contract confidential; or

- (b) any other requirement imposed by law that has the effect of requiring a party to the notifiable contract to keep any part of the notifiable contract confidential.

contract includes a contract as amended.

notifiable amendment, of a notifiable contract—see section 26.

notifiable contract—see section 25.

notifiable contracts register—see section 27 (1).

public text—the *public text* of a notifiable contract is—

- (a) the text (if any) of the contract that is not confidential text; and
- (b) any confidential text of the contract—
- (i) that ceases to be confidential in accordance with the contract or by the agreement of the parties to the contract; or
- (ii) the substance of which has become public knowledge.

responsible Territory entity, for a contract or proposed contract, means—

- (a) the Territory entity that is, or will be, responsible for the administration of the contract; or
- (b) if a Territory entity administers, or will administer, the contract for another Territory entity—the other Territory entity.

Example for par (b)

A Territory owned corporation administers a contract for an unincorporated government body. The body is the responsible Territory entity for the contract.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

25 **What is a *notifiable contract***

- (1) For this part, a ***notifiable contract*** is a written contract for procurement entered into by the Territory or a territory entity.
- (2) However, ***notifiable contract*** does not include the following:
 - (a) a contract with a total consideration, or estimated total consideration, worth less than \$20 000 (or, if another amount is prescribed under the regulations, the other amount);

Note ***Contract*** includes a contract as amended, see s 24.
 - (b) an intergovernmental agreement;
 - (c) a contract prescribed under the regulations.

Example—par (a)

The consideration for a contract for the purchase of swings by the Territory is \$18 500. The contract is later amended to increase the total consideration to \$25 500. The contract, as amended, is a notifiable contract.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) To remove any doubt, none of the following is a ***notifiable contract***:
 - (a) a contract of employment;
 - (b) a contract for the settlement of a legal liability to an individual.

26 **Meaning of *notifiable amendment***

For this part, a ***notifiable amendment*** of a notifiable contract is any amendment that, either alone or counted with another amendment or other amendments that have not been notified in the notifiable contracts register—

- (a) increases the total consideration for the contract by at least the greater of—

- (i) 10% (or, if another percentage is prescribed by regulation, the other percentage) of the total consideration for the contract as already notified in the notifiable contracts register; and
 - (ii) \$20 000 (or, if another amount is prescribed by regulation, the other amount); or
- (b) substantially changes the scope or nature of the goods, services, works or property to be procured under the contract.

Example

The consideration for a contract between the Territory and Acme Pty Ltd for the supply of road runner retention devices is \$190 000.

The minimum value for notification of an amendment, or a series of amendments, of the contract is \$20 000 (ie the greater of \$20 000 or 10% of the value of the contract which is \$19 000). The contract is amended on 3 occasions.

The 1st and 2nd amendments are for \$15 000 each. While neither of the amendments is separately notifiable, the total of the 2 amendments is \$30 000 and each of them is therefore a notifiable amendment. When the 2 amendments are notified on the register, the 2 amendments cannot be counted towards any other notifiable amendment. They increase the total consideration for the contract to \$220 000.

The 3rd amendment is for \$21 000. It is not a notifiable amendment because, even though it is more than \$20 000, it is less than 10% of the total consideration for the contract as amended by all previous notifiable amendments, ie \$22 000.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Division 3.2 Notifiable contracts register

27 Keeping of register

- (1) The chief executive must keep a register of notifiable contracts (the *notifiable contracts register*).

Note The reference to the chief executive is to the chief executive of the administrative unit that administers this provision (and not to the chief executive of each administrative unit), see Legislation Act, s 163.

- (2) The register must be kept electronically.

Example of how register may be kept

The register may be kept in the form of, or as part of, 1 or more computer databases, and may include data compiled electronically from the databases.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) The chief executive may correct any mistake, error or omission in the register subject to the requirements (if any) of the regulations.

28 Contents of register

- (1) The notifiable contracts register must include the following for each notifiable contract:
- (a) the parties to the contract;
 - (b) the responsible Territory entity for the contract and any change in the responsible Territory entity for the contract;
 - (c) a brief description of what the contract is for;
 - (d) the date the contract was made;
 - (e) the date the contract ends;
 - (f) the value of the total consideration, or estimated total consideration, for the contract;
 - (g) if a notifiable amendment of the contract is made—
 - (i) the change in—
 - (A) the value of the consideration to which the amendment relates; or
 - (B) the scope or nature of the goods, services, works or property to which the amendment relates; and

- (ii) the value of the total consideration, or estimated total consideration, for the contract because of the amendment;
and
- (iii) the date the amendment was made;
- (h) whether any part of the contract is confidential text;
Note **Contract** includes a contract as amended, see s 24.
- (i) if any part of the contract is confidential text—a brief indication of what the confidential text relates to;
- (j) for a notifiable contract, and any notifiable amendment of the contract, held by the responsible Territory entity in electronic form—an electronic copy of the public text (if any) of the contract;
- (k) where anyone can obtain a printed copy of the public text (if any) of the contract as made and of any notifiable amendment of the contract;
- (l) anything else prescribed under the regulations.

Examples for par (i)

see examples for s 35 (1) (a)

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) The register may include anything else the chief executive considers appropriate.

Example

Information about and hypertext links to contracts that are not notifiable contracts.

- (3) The regulations may make provision in relation to documents that are to be entered in the register.

Example

requiring a document to be in portable document format (created in Adobe Acrobat 5.0) or in rich text format

29 Public access to material on register

- (1) The chief executive must ensure, as far as practicable, that a copy of the material mentioned in section 28 (1) for a notifiable contract is accessible on a web site approved by the chief executive—
 - (a) at all times; and
 - (b) for at least 2 years after the day the notifiable contract expires.
- (2) Access is to be provided without charge by the Territory.

30 Territory entities to provide material for register

- (1) The responsible Territory entity for a notifiable contract must, within 21 days after the day the contract is made—
 - (a) enter the material mentioned in section 28 (1) for the contract in the register; or
 - (b) give the material to the chief executive for entry in the register.
- (2) The entity must also, within 21 days after the day a change in the material mentioned in section 28 (1) happens—
 - (a) update the material for the contract in the register; or
 - (b) give the updated material to the chief executive for entry in the register.

Note **Contract** includes a contract as amended, see s 24.

- (3) However, subsection (2) only applies to a change mentioned in section 28 (1) (g) if the change is about a notifiable amendment.

Division 3.3 Availability of notifiable contracts

31 Public text of contracts to be made available

- (1) The responsible Territory entity for a notifiable contract must make the public text of the contract as made, and of any notifiable amendment of the contract, available to the public within—
 - (a) for the contract—21 days after the day the contract becomes a notifiable contract; or
 - (b) for the amendment—21 days after the day the amendment becomes a notifiable amendment.
- (2) The public text must be made available—
 - (a) if section 28 (1) (j) (Contents of register) applies to the public text—from the notifiable contracts register in accordance with section 29 (Public access to material on register); and
 - (b) by allowing anyone to buy a printed copy of the public text, at a place mentioned in section 28 (1) (k) in relation to the contract, on payment of the reasonable costs of reproducing it.

Example

A notifiable contract for public works consists of computer-written text in a form that can be included on the register and a hand-drawn plan. The public text of the contract that is computer-written must be made available both in hardcopy and electronically from the notifiable contracts register. The public text of the hand-drawn plan must be made available in hardcopy.

If the responsible Territory entity has an electronically scanned copy of the plan, the public text of the scanned copy must also be made available from the register.

Note 1 A responsible Territory entity is not required to create an electronic copy of a document that is not in electronic form, see s 33.

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision when it appears (see Legislation Act, s 126 and s 132).

- (3) The requirement to make the public text of a notifiable contract (including any notifiable amendment of the contract) available ends when the contract ends, but the Territory entity may continue to make the public text available for any period after the contract ends.

Note **Contract** includes a contract as amended, see s 24.

32 **Making information and contracts available apart from pt 3**

- (1) This part does not prevent responsible Territory entities from making available information about, or the text of, government contracts otherwise than as required by this part if an agency is required under law to do so or can otherwise properly do so.

Examples

- 1 publishing information about a contract in a newspaper advertisement in addition to complying with s 28 (1) (Contents of register)
- 2 giving a person an electronic copy of a notifiable contract, without charge, on a floppy disk, CD or DVD

Note 1 The *Freedom of Information Act 1989* and *Territory Records Act 2002* provide for access to documents subject to certain exemptions.

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) In this section:

government contract means a notifiable contract and any other contract to which the Territory or a Territory entity is a party.

33 **Entities not required to create electronic copies**

If a responsible Territory entity does not have a notifiable contract in electronic form, this part does not require the entity to create an electronic copy of the contract.

Division 3.4 Confidential text

34 Notice of effect of div 3.4 to contracting parties

- (1) This section applies in relation to a proposed notifiable contract if—
 - (a) a party to the contract, including the Territory or a Territory entity, proposes that any part of the contract be confidential text; or
 - (b) any part of the contract will be confidential text because of a requirement imposed under law that requires a party to the contract to keep the part confidential.
- (2) The responsible Territory entity for the contract must ensure that this division is drawn to the attention of all the proposed parties to the contract (other than the Territory or a Territory entity).

35 Grounds for confidentiality of information

- (1) The responsible Territory entity for a contract to which section 34 applies must not propose that any part of the text of the contract be confidential text, or agree to any part of the contract being confidential text, unless satisfied that—
 - (a) the disclosure of the text would—
 - (i) be an unreasonable disclosure of personal information about a person; or
 - (ii) disclose a trade secret; or
 - (iii) disclose information (other than a trade secret) having a commercial value that would be, or could reasonably be expected to be, destroyed or diminished if the information were disclosed; or
 - (iv) be an unreasonable disclosure of information about the business affairs of a person; or

- (v) disclose information that may put public safety or the security of the Territory at risk; or
 - (vi) disclose information prescribed by regulation for this section; or
- (b) a requirement imposed under law requires a party to the contract to keep the text confidential.

Example for par (a) (ii)

intellectual property including software source codes

Example for par (a) (iii)

information on the design and operation of goods

Examples for par (a) (iv)

- 1 hourly rates, on-costs and management fees
- 2 individual components of the total contract price

Examples for par (a) (v)

- 1 construction plans for a correctional facility or law enforcement facility
- 2 information about design, construction or operation of major infrastructure or public works

Example for par (b)

a failure to comply with the requirement would create an action for breach of confidence

Note 1 The Information Privacy Principles apply to a Territory entity. Personal information may be disclosed under a Territory law (see *Privacy Act 1988* (Cwlth), s 14, principle 11 (1) (d)).

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see *Legislation Act*, s 126 and s 132).

- (2) However, the responsible Territory entity for the contract must not propose that any part of the text of the contract be confidential text, or agree to any part of the contract being confidential text, if—
- (a) the substance of the information to which the text relates is public knowledge; or

- (b) the effect of the proposal or agreement—
 - (i) would be to inappropriately restrict a Territory entity in the management or use of Territory assets; or
 - (ii) would not be in the public interest; or
 - (iii) would be to require the obligation of confidentiality to apply for longer than is reasonably necessary to protect the interest to which it relates.
- (3) The responsible territory entity for the contract may delegate the entity's functions under this section to a public employee.
- (4) In this section:
 - personal information*—see the *Privacy Act 1988* (Cwlth), section 6.
 - public employee*—see the *Legislation Act*, dict, pt 1.

36 Model confidentiality clause required for confidential text

The text of a notifiable contract must not be made confidential text unless—

- (a) a confidentiality clause that incorporates the substance of the model confidentiality clause in schedule 1, as far as is applicable, is included in the contract; and
- (b) the confidentiality clause does not limit disclosure of information to a greater extent than provided in the model confidentiality clause.

37 Invalidity of non-complying confidentiality clauses

A confidentiality clause in or applying to a notifiable contract is void if—

- (a) the clause does not comply with section 36; or
- (b) the clause was included in the contract in contravention of section 35 (Grounds for confidentiality of information).

38 Contracts and information to be given to auditor-general

- (3) The entity may also give the committee any other information the entity considers appropriate.
- (4) The entity must give the list or statement to the committee within 21 days after the day each relevant reporting period ends.
- (5) The entity must, if asked by the committee, give the committee the information the committee requires about the decision to agree to the inclusion of confidential text in the contract.
- (6) In this section:

appropriate Legislative Assembly committee means a standing committee of the Legislative Assembly nominated, in writing, by the Speaker.

confidential text includes text that purports to be confidential text.

- (1) This section applies if the auditor-general requests a copy of a reportable contract under section 38.
- (2) The auditor-general must report to the appropriate Legislative Assembly committee on whether the auditor-general is satisfied that confidential text in the contract complies with section 35 (1) (a) or (b) (Grounds for confidentiality of information).

(3) In this section:

appropriate Legislative Assembly committee—see section 39 (6).

confidential text includes text that purports to be confidential text.

Division 3.5 Other matters

- (2) The disclosure does not affect the continuing force of the obligation of confidence.

41 Effect of other disclosure laws

This part does not affect any other law in force in the Territory about the disclosure of documents or information.

Note 1 The *Freedom of Information Act 1989* and *Territory Records Act 2002* provide for access to documents subject to certain exemptions.

- (4) If payment of the account is made by mail, the payment is taken to be made when it is posted.

46 Exclusion of inconsistent contractual terms

A term in a contract is void if—

- (a) for a contract with a total consideration worth less than the prescribed amount for section 43—the term excludes the application of this part to the contract; or
- (b) the term provides for the payment of interest on an unpaid commercial account that has been rendered under the contract.

47 Availability of funds to pay interest

- (1) Interest payable under this part is payable whether or not there is an appropriation available for the purpose.
- (2) If a commercial account is payable out of a trust banking account under the *Financial Management Act 1996*, section 51 (Departmental trust banking accounts), any interest payable under this part for the account is also payable out of the account.
