(republication for amendments by [A2018-41](#))

## About this republication

### The republished law

This is a republication of the *Government Procurement Act 2001* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 7 November 2019. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 7 November 2019.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register ([www.legislation.act.gov.au](http://www.legislation.act.gov.au)). For more information, see the home page for this law on the register.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

### Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see *Legislation Act 2001*, s 133).

---

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Government Procurement Act 2001*.

### 2 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition '*Territory entity*—see section 3.' means that the expression 'Territory entity' is defined in that section.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

### 2A Meaning of *procurement*

In this Act:

*procurement*—

- (a) means the process of acquiring goods, services, works or property by purchase, lease, rental or exchange; and
- (b) includes the process of disposing of goods, works or property including by sale.

### 3 Meaning of *Territory entity*

(1) In this Act:

*Territory entity*—

- (a) means—
  - (i) an administrative unit; or

- (ii) a Territory entity under the *Auditor-General Act 1996*; or
  - (iii) the Office of the Legislative Assembly; or
  - (iv) an officer of the Assembly; and
- (b) for an unincorporated Territory entity—includes a member of the entity acting on behalf of the Territory.
- (2) However, *territory entity* does not include—
- (a) The University of Canberra; or
  - (b) a Territory-owned corporation; or
  - (c) another entity established under the *Corporations Act*; or
  - (d) an entity declared under the regulations not to be a territory entity.

### **3A Application of Act to land sales etc**

This Act does not apply to the grant of a licence or lease of land, or the sale of a lease of land, under the *Planning and Development Act 2007*.

### **3B Responsible chief executive officer to ensure Act complied with**

The responsible chief executive officer for a territory entity must ensure that the entity complies with this Act.

## **4 Notes**

A note included in this Act is explanatory and is not part of this Act.

*Note* See *Legislation Act 2001*, s 127 (1), (4) and (5) for the legal status of notes.

#### 4A Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1 Criminal Code*

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2 Penalty units*

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

## Part 3 Notifiable contracts

### Division 3.1 Preliminary

#### 23 Application—pt 3

- (1) To remove any doubt, this part applies in relation to a contract entered into by—
  - (a) a territory entity with an excluded body; or
  - (b) an excluded body as an agent of a territory entity.

**Example**

A directorate (representing the Territory) enters into a notifiable contract with a Territory owned corporation. The directorate, but not the Territory owned corporation, is required to notify the contract under pt 3 (Notifiable contracts).

- (2) In this section:

*excluded body* means a body that is not included as a territory entity under section 3 (2) (Meaning of *territory entity*).

#### 24 Definitions for pt 3

In this part:

*confidential text*, of a notifiable contract, means that part of the contract that a party to the notifiable contract (including the Territory or a Territory entity) is required to keep confidential under—

- (a) a provision of a contract (including the notifiable contract) that requires a party to the notifiable contract to keep any part of the notifiable contract confidential; or
- (b) any other requirement imposed by law that has the effect of requiring a party to the notifiable contract to keep any part of the notifiable contract confidential.

*contract* includes a contract as amended.

*notifiable amendment*, of a notifiable contract—see section 26.

*notifiable contract*—see section 25.

*notifiable contracts register*—see section 27 (1).

*public text*—the *public text* of a notifiable contract is—

- (a) the text (if any) of the contract that is not confidential text; and
- (b) any confidential text of the contract—
  - (i) that ceases to be confidential in accordance with the contract or by the agreement of the parties to the contract; or
  - (ii) the substance of which has become public knowledge.

*responsible Territory entity*, for a contract or proposed contract, means—

- (a) the Territory entity that is, or will be, responsible for the administration of the contract; or
- (b) if a Territory entity administers, or will administer, the contract for another Territory entity—the other Territory entity.

**Example for par (b)**

A Territory owned corporation administers a contract for an unincorporated government body. The body is the responsible Territory entity for the contract.

**25 What is a *notifiable contract*?**

- (1) For this part, a *notifiable contract* is a written contract for procurement entered into by the Territory or a territory entity.
- (2) However, *notifiable contract* does not include the following:
  - (a) a contract with a total consideration, or estimated total consideration, that is less than the prescribed amount;  
*Note* *Contract* includes a contract as amended, see s 24.
  - (b) an intergovernmental agreement;

(c) a contract prescribed under the regulations.

**Example—par (a)**

The total consideration for a contract for the purchase of swings by the Territory is \$23 500. The contract is later amended to increase the total consideration to \$27 500. If for example, a regulation prescribes an amount of \$25 000 for par (a), the contract, as later amended, would be a notifiable contract.

(3) To remove any doubt, none of the following is a *notifiable contract*:

(a) a contract of employment;

(b) a contract for the settlement of a legal liability to an individual.

**26 Meaning of *notifiable amendment***

For this part, a *notifiable amendment* of a notifiable contract is any amendment that, either alone or counted with another amendment or other amendments that have not been notified in the notifiable contracts register—

(a) increases the total consideration for the contract by at least the greater of—

(i) 10% (or, if another percentage is prescribed by regulation, the other percentage) of the total consideration for the contract as already notified in the notifiable contracts register; and

(ii) the prescribed amount; or

(b) substantially changes the scope or nature of the goods, services, works or property to be procured under the contract.

**Example**

The consideration for a contract between the Territory and Acme Pty Ltd for the supply of road runner retention devices is \$240 000.

If, for example, a regulation prescribes an amount of \$25 000 for par (a) (ii), the minimum value for notification of an amendment, or a series of amendments, of the contract is \$25 000 because this amount, under par (a), is greater than 10% of the value of the contract. The contract is amended on 1 January, 1 March and 1 June.

The 1st and 2nd amendments are for \$23 500 each. While neither amendment is separately notifiable, the total of the 2 amendments is \$47 000 and after the 2nd amendment (ie 1 March) each of them becomes a notifiable amendment. When the 2 amendments are notified on the register, the 2 amendments cannot be counted towards any other notifiable amendment. They increase the total consideration for the contract to \$287 000.

The 3rd amendment is for \$27 000. It is not a notifiable amendment because, even though it is more than \$25 000, it is less than 10% of the total consideration for the contract as amended by all previous notifiable amendments, ie \$28 700.

## **Division 3.2 Notifiable contracts register**

### **27 Keeping of register**

- (1) The director-general must keep a register of notifiable contracts (the *notifiable contracts register*).

*Note* The reference to the director-general is to the director-general of the administrative unit that administers this provision (and not to the director-general of each administrative unit), see [Legislation Act](#), s 163.

- (2) The register must be kept electronically.

#### **Example of how register may be kept**

The register may be kept in the form of, or as part of, 1 or more computer databases, and may include data compiled electronically from the databases.

- (3) The director-general may correct any mistake, error or omission in the register subject to the requirements (if any) of the regulations.

### **28 Contents of register**

- (1) The notifiable contracts register must include the following for each notifiable contract:
  - (a) the parties to the contract;
  - (b) the responsible Territory entity for the contract and any change in the responsible Territory entity for the contract;
  - (c) a brief description of what the contract is for;
  - (d) the date the contract was made;

- (e) the date the contract ends;
- (f) the value of the total consideration, or estimated total consideration, for the contract;
- (g) if a notifiable amendment of the contract is made—
  - (i) the change in—
    - (A) the value of the consideration to which the amendment relates; or
    - (B) the scope or nature of the goods, services, works or property to which the amendment relates; and
  - (ii) the value of the total consideration, or estimated total consideration, for the contract because of the amendment; and
  - (iii) the date the amendment was made;
- (h) whether any part of the contract is confidential text;  
*Note* **Contract** includes a contract as amended, see s 24.
- (i) if any part of the contract is confidential text—a brief indication of what the confidential text relates to;
- (j) for a notifiable contract, and any notifiable amendment of the contract, held by the responsible Territory entity in electronic form—an electronic copy of the public text (if any) of the contract;
- (k) where anyone can obtain a printed copy of the public text (if any) of the contract as made and of any notifiable amendment of the contract;
- (l) anything else prescribed under the regulations.

**Examples for par (i)**

see examples for s 35 (1) (a)

- (2) The register may include anything else the director-general considers appropriate.

**Example**

Information about and hypertext links to contracts that are not notifiable contracts.

- (3) The regulations may make provision in relation to documents that are to be entered in the register.

**Example**

requiring a document to be in portable document format (created in Adobe Acrobat 5.0) or in rich text format

**29 Public access to material on register**

- (1) The director-general must ensure, as far as practicable, that a copy of the material mentioned in section 28 (1) for a notifiable contract is accessible on a web site approved by the director-general—
- (a) at all times; and
  - (b) for at least 2 years after the day the notifiable contract ends.
- (2) Access is to be provided without charge by the Territory.

**30 Territory entities to provide material for register**

- (1) The responsible Territory entity for a notifiable contract must, within 21 days after the day the contract is made—
- (a) enter the material mentioned in section 28 (1) for the contract in the register; or
  - (b) give the material to the director-general for entry in the register.

- (2) The entity must also, within 21 days after the day a change in the material mentioned in section 28 (1) happens—
- (a) update the material for the contract in the register; or
  - (b) give the updated material to the director-general for entry in the register.
- Note* **Contract** includes a contract as amended, see s 24.
- (3) However, subsection (2) only applies to a change mentioned in section 28 (1) (g) if the change is about a notifiable amendment.

### **Division 3.3 Availability of notifiable contracts**

#### **31 Public text of contracts to be made available**

- (1) The responsible Territory entity for a notifiable contract must make the public text of the contract as made, and of any notifiable amendment of the contract, available to the public within—
- (a) for the contract—21 days after the day the contract becomes a notifiable contract; or
  - (b) for the amendment—21 days after the day the amendment becomes a notifiable amendment.
- (2) The public text must be made available—
- (a) if section 28 (1) (j) (Contents of register) applies to the public text—from the notifiable contracts register in accordance with section 29 (Public access to material on register); and

- (b) by allowing anyone to buy a printed copy of the public text, at a place mentioned in section 28 (1) (k) in relation to the contract, on payment of the reasonable costs of reproducing it.

**Example**

A notifiable contract for public works consists of computer-written text in a form that can be included on the register and a hand-drawn plan. The public text of the contract that is computer-written must be made available both in hardcopy and electronically from the notifiable contracts register. The public text of the hand-drawn plan must be made available in hardcopy.

If the responsible Territory entity has an electronically scanned copy of the plan, the public text of the scanned copy must also be made available from the register.

*Note* A responsible Territory entity is not required to create an electronic copy of a document that is not in electronic form, see s 33.

- (3) The requirement to make the public text of a notifiable contract (including any notifiable amendment of the contract) available ends 2 years after the day the contract ends, but the Territory entity may continue to make the public text available for any period after the contract ends.

*Note* *Contract* includes a contract as amended, see s 24.

## **32 Making information and contracts available apart from pt 3**

- (1) This part does not prevent responsible Territory entities from making available information about, or the text of, government contracts otherwise than as required by this part if an agency is required under law to do so or can otherwise properly do so.

**Examples**

- 1 publishing information about a contract in a newspaper advertisement in addition to complying with s 28 (1) (Contents of register)
- 2 giving a person an electronic copy of a notifiable contract, without charge, on a floppy disk, CD or DVD

*Note* The *Freedom of Information Act 2016* and the *Territory Records Act 2002* provide for how government information and Territory records may be accessed.

(2) In this section:

*government contract* means a notifiable contract and any other contract to which the Territory or a Territory entity is a party.

### **33 Entities not required to create electronic copies**

If a responsible Territory entity does not have a notifiable contract in electronic form, this part does not require the entity to create an electronic copy of the contract.

## **Division 3.4 Confidential text**

### **34 Notice of effect of div 3.4 to contracting parties**

- (1) This section applies in relation to a proposed notifiable contract if—
- (a) a party to the contract, including the Territory or a Territory entity, proposes that any part of the contract be confidential text; or
  - (b) any part of the contract will be confidential text because of a requirement imposed under law that requires a party to the contract to keep the part confidential.
- (2) The responsible Territory entity for the contract must ensure that this division is drawn to the attention of all the proposed parties to the contract (other than the Territory or a Territory entity).

### **35 Grounds for confidentiality of information**

- (1) The responsible Territory entity for a contract to which section 34 applies must not propose that any part of the text of the contract be confidential text, or agree to any part of the contract being confidential text, unless satisfied that—
- (a) the disclosure of the text would—
    - (i) be an unreasonable disclosure of personal information about a person; or

- (ii) disclose a trade secret; or
  - (iii) disclose information (other than a trade secret) having a commercial value that would be, or could reasonably be expected to be, destroyed or diminished if the information were disclosed; or
  - (iv) be an unreasonable disclosure of information about the business affairs of a person; or
  - (v) disclose information that may put public safety or the security of the Territory at risk; or
  - (vi) disclose information prescribed by regulation for this section; or
