## About this republication

### The republished law

This is a republication of the *Planning and Land Act 2002* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 July 2003. It also includes any amendment, repeal or expiry affecting the republished law to 1 July 2003.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

### Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

## Chapter 1 Preliminary

### 1 Name of Act

This Act is the Planning and Land Act 2002.

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act or in other legislation.

For example, the signpost definition ‘*development*—see the *Land (Planning and Land Management) Act 1991*, section 222 (Definitions for pt 6).’ means that development is defined in that section and the definition applies to this Act.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act 2001*, s 155 and s 156 (1)).

### 4 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See *Legislation Act 2001*, s 127 (1), (4) and (5) for the legal status of notes.

### 5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1* *Criminal Code*

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2 Penalty units*

The *Legislation Act 2001*, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

## **6 Object of Act**

The object of this Act is to provide a planning and land system that contributes to the orderly and sustainable development of the ACT—

- (a) consistently with the social, environmental and economic aspirations of the people of the ACT; and
- (b) in accordance with sound financial principles.

## **Chapter 2 The authority and chief planning executive**

### **Part 2.1 The authority**

#### **7 Establishment of authority**

- (1) The Planning and Land Authority is established.
- (2) The authority—
  - (a) is a body corporate; and
  - (b) must have a seal.
- (3) The chief planning executive is the authority.

#### **8 Territory bound by actions of authority**

Anything done in the name of, or for, the authority by the chief planning executive in exercising a function of the authority is taken to have been done for, and binds, the Territory.

## Part 2.2 Functions of authority

### 9 Authority functions

- (1) The authority has the following functions:
- (a) to administer the Territory plan;
  - (b) to continually assess the Territory plan and propose amendments as necessary;

  - (d) to advise on planning and land policy, including the broad spatial planning framework for the ACT;
  - (e) to maintain the digital cadastral database;
  - (f) to make available land information;
  - (g) to grant, administer, vary and end leases on behalf of the Executive;

*Note* Under the *Land (Planning and Environment) Act 1991*, s 160B, the planning and land authority is authorised to grant, on behalf of the Executive, leases the Executive may grant on behalf of the Commonwealth.

- (h) to grant licences over unleased Territory land;
- (i) to decide applications for approval to undertake development;
- (j) to regulate the building industry;

*Note* The provision of planning services to somebody other than the Territory is subject to s 15 (Provision of planning services to others—ministerial approval).

- (m) to review its own decisions;
- (n) to provide administrative support and facilities for the council;
- (o) to ensure community consultation and participation in planning decisions;
- (p) to promote public education and understanding of the planning process, including by providing easily accessible public information and documentation on planning and land use.

- (2) The authority may exercise any other function given to the authority under this Act, another Territory law or a Commonwealth law.

*Note* A provision of a law that gives an entity (including a person) a function also gives the entity powers necessary and convenient to exercise the function (see *Legislation Act 2001*, s 196 and dict, pt 1, def of *entity*).

- (3) The authority must exercise its functions—
- (a) in a way that has regard to sustainable development; and
- (b) taking into consideration the statement of planning intent.

*Note* For the meaning of *sustainable development*, see s 74. The statement of planning intent is dealt with in s 14.

- (4) In this section:

*digital cadastral database*—see the *Districts Act 2002*, section 17.

## **10 Authority to comply with directions**

The authority must comply with any directions given to the authority under this Act or another Territory law.

*Note* The authority may be given directions by the Minister under s 12.

## **11 Asking council's advice**

- (1) The Minister may give a written direction to the authority—
  - (a) about the general policies the authority must follow; or
  - (b) requiring the authority to revise the Territory plan, or a provision of the plan.
- (2) Before giving a direction, the Minister must—
  - (a) tell the authority about the proposed direction; and
  - (b) give the authority reasonable opportunity to comment on the proposed direction; and
  - (c) consider any comment made by the authority.
- (3) The Minister must—
  - (a) present a copy of a direction to the Legislative Assembly within 6 sitting days after the day it is given to the authority; and
  - (b) if the copy would not be presented to the Legislative Assembly under paragraph (a) within 14 days after the day it is given to the authority—give a copy of the direction to the members of the Legislative Assembly within the 14 days.
- (4) If subsection (3) is not complied with, the direction is taken to have been revoked at the end of the period within which the copy of the direction should have been presented or given to members.

  - (b) if the copy would not be presented to the Legislative Assembly under paragraph (a) within 14 days after the day it is given to the authority—give a copy of the statement to members of the Legislative Assembly within the 14 days.

- (3) To remove any doubt, the statement of planning intent does not authorise a person to whom the *Land (Planning and Environment) Act 1991*, section 8 (Effect of plan) applies to do anything inconsistent with the plan.

**Example**

The statement of planning intent may include policy material inconsistent with the Territory plan, but the plan would have to be amended before the policy could be implemented.

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

**15 Provision of planning services to others—ministerial approval**

- (3) If, within 6 sitting days after the day the statement is presented, the Legislative Assembly resolves to require the Executive to end the chief planning executive's appointment, the Executive must end the chief planning executive's appointment.
