About this republication

The republished law

This is a republication of the *Planning and Land Act 2002 (repealed)* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)). It also includes any commencement, amendment, repeal or expiry affecting the republished law to 31 March 2008.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Australian Capital Territory

Planning and Land Act 2002 (repealed)

An Act relating to the use of land in the ACT, and for related purposes

Chapter 1 Preliminary

1 Name of Act

This Act is the *Planning and Land Act 2002*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act or in other legislation.

For example, the signpost definition '*development*—see the *Land (Planning and Environment) Act 1991*, section 222 (Definitions for pt 6).' means that development is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

6 Object of Act

The object of this Act is to provide a planning and land system that contributes to the orderly and sustainable development of the ACT—

- (a) consistently with the social, environmental and economic aspirations of the people of the ACT; and
- (b) in accordance with sound financial principles.

Chapter 2 The authority and chief planning executive

Part 2.1 The authority

7 Establishment of authority

- (1) The Planning and Land Authority is established.
- (2) The authority—
 - (a) is a body corporate; and
 - (b) must have a seal.
- (3) The chief planning executive is the authority.

8 Territory bound by actions of authority

Anything done in the name of, or for, the authority by the chief planning executive in exercising a function of the authority is taken to have been done for, and binds, the Territory.

Part 2.2 Functions of authority

9 Authority functions

- (1) The authority has the following functions:
- (a) to administer the territory plan;
 - (b) to continually assess the territory plan and propose amendments as necessary;
 - (c) to plan and regulate the development of land;
 - (d) to advise on planning and land policy, including the broad spatial planning framework for the ACT;
 - (e) to maintain the digital cadastral database;
 - (f) to make available land information;
 - (g) to grant, administer, vary and end leases on behalf of the Executive;

Note Under the *Land (Planning and Environment) Act 1991*, s 160B, the planning and land authority is authorised to grant, on behalf of the Executive, leases the Executive may grant on behalf of the Commonwealth.

- (h) to grant licences over unleased territory land;
- (i) to decide applications for approval to undertake development;
- (j) to regulate the building industry;
- (k) to make orders under the *Land (Planning and Environment) Act 1991*, part 6 (Approvals and orders);

- (l) to provide planning services, including services to entities outside the ACT;

Note The provision of planning services to somebody other than the Territory is subject to s 15 (Provision of planning services to others—ministerial approval).

- (m) to review its own decisions;
- (n) to ensure community consultation and participation in planning decisions;
- (o) to promote public education and understanding of the planning process, including by providing easily accessible public information and documentation on planning and land use.

- (2) The authority may exercise any other function given to the authority under this Act, another territory law or a Commonwealth law.

Note A provision of a law that gives an entity (including a person) a function also gives the entity powers necessary and convenient to exercise the function (see Legislation Act, s 196 and dict, pt 1, def of *entity*).

- (3) The authority must exercise its functions—

- (a) in a way that has regard to sustainable development; and
- (b) taking into consideration the statement of planning intent.

Note For the meaning of *sustainable development*, see s 53. The statement of planning intent is dealt with in s 14.

- (4) In this section:

digital cadastral database—see the *Districts Act 2002*, section 17.

10 Authority to comply with directions

The authority must comply with any directions given to the authority under this Act or another territory law.

Note The authority may be given directions by the Minister under s 12.

Part 2.3 Operations of authority

12 Ministerial directions to authority

- (1) The Minister may give a written direction to the authority—
 - (a) about the general policies the authority must follow; or
 - (b) requiring the authority to revise the territory plan, or a provision of the plan.
- (2) Before giving a direction, the Minister must—
 - (a) tell the authority about the proposed direction; and
 - (b) give the authority reasonable opportunity to comment on the proposed direction; and
 - (c) consider any comment made by the authority.
- (3) The Minister must—
 - (a) present a copy of a direction to the Legislative Assembly within 6 sitting days after the day it is given to the authority; and
 - (b) if the copy would not be presented to the Legislative Assembly under paragraph (a) within 14 days after the day it is given to the authority—give a copy of the direction to the members of the Legislative Assembly within the 14 days.
- (4) If subsection (3) is not complied with, the direction is taken to have been revoked at the end of the period within which the copy of the direction should have been presented or given to members.
- (5) A direction is a notifiable instrument.

Note A notifiable instrument must be notified under the Legislation Act.

13 Assembly may recommend directions to authority

- (1) The Legislative Assembly may, by resolution, recommend that the Minister give the authority a stated direction under section 12.
- (2) The Minister must consider the recommended direction and must either—

 - (b) tell the Legislative Assembly that the Minister does not propose to direct the authority as recommended.
- (3) A direction mentioned in subsection (2) (a) may be in accordance with the Legislative Assembly's resolution or as changed by the Minister.

14 Statement of planning intent

- (1) The Minister may give the authority a written statement that sets out the main principles that are to govern planning and land development in the ACT (the *statement of planning intent*).
- (2) The Minister must—
 - (a) present a copy of the statement of planning intent to the Legislative Assembly within 6 sitting days after the day it is given to the authority; and
 - (b) if the copy would not be presented to the Legislative Assembly under paragraph (a) within 14 days after the day it is given to the authority—give a copy of the statement to members of the Legislative Assembly within the 14 days.

- (3) To remove any doubt, the statement of planning intent does not authorise a person to whom the *Land (Planning and Environment) Act 1991*, section 8 (Effect of plan) applies to do anything inconsistent with the plan.

Example

The statement of planning intent may include policy material inconsistent with the territory plan, but the plan would have to be amended before the policy could be implemented.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

15 Provision of planning services to others—ministerial approval

The authority may provide planning services to somebody other than the Territory only with the Minister's written approval.

16 Reports by authority to Minister

- (3) This section is in addition to any other provision about the giving of reports or information by the authority.

- (a) a copy of any direction given to the authority under this Act or another territory law during the year; and

Note **Financial year** has an extended meaning in the *Annual Reports (Government Agencies) Act 2004*.

- (1) The Executive must appoint a person to be the Chief Planning Executive.

Note 1 For the making of appointments generally, see the Legislation Act, div 19.3.

Note 2 A power to appoint a person to a position includes power to appoint a person to act in the position (see Legislation Act, s 209).

- (2) However, the Executive must not appoint a person under subsection (1) unless satisfied that the person has the management and planning experience or expertise to exercise the functions of the chief planning executive.
- (3) An appointment must be for a term of not longer than 5 years.

Note A person may be reappointed to a position if the person is eligible to be appointed to the position (see Legislation Act, s 208 (1) (c)).

- (3) If, within 6 sitting days after the day the statement is presented, the Legislative Assembly resolves to require the Executive to end the chief planning executive's appointment, the Executive must end the chief planning executive's appointment.
- (4) The chief planning executive's suspension ends—
 - (a) if the Minister does not comply with subsection (2)—at the end of the day the Minister should have presented to the Legislative Assembly the statement mentioned in that subsection; or
 - (b) if the Assembly does not pass a resolution mentioned in subsection (3) within the 6 sitting days—at the end of the 6th sitting day.
- (5) The chief planning executive is entitled to be paid salary and allowances while suspended.
