## About this republication

### The republished law

This is a republication of the *Cemeteries and Crematoria Act 2003* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 January 2006. It also includes any amendment, repeal or expiry affecting the republished law to 1 January 2006.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

### Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

# Cemeteries and Crematoria Act 2003

---

An Act about cemeteries and crematoria, and for other purposes

---

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Cemeteries and Crematoria Act 2003*.

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act or in other legislation.

For example, the signpost definition ‘*stillborn child*—see the *Births, Deaths and Marriages Registration Act 1997*, dictionary.’ means that the term ‘stillborn child’ is defined in that dictionary and that the definition applies to this Act.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

### 4 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

## 5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1 Criminal Code*

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2 Penalty units*

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

*Note 2* A notifiable instrument must be notified under the Legislation Act.

- (4) A code of practice approved under this section is a disallowable instrument.
