Rates Act 2004

A2004-3

Republication No 17

Effective: 1 January 2010 – 6 July 2010

Republication date: 1 January 2010

Last amendment made by A2009-52

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Rates Act 2004* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 January 2010. It also includes any amendment, repeal or expiry affecting the republished law to 1 January 2010.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Australian Capital Territory

Rates Act 2004

An Act about rates, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Rates Act 2004*.

Note This Act is a **tax law** under the Taxation Administration Act. As a tax law, this Act is subject to provisions of the Taxation Administration Act about the administration and enforcement of tax laws generally.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere.

For example, the signpost definition '**land tax**—see the *Land Tax Act 2004*, dictionary.' means that the term 'land tax' is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Part 2 Unimproved value of rateable land

6 Meaning of *unimproved value*

- (1) The *unimproved value* of a parcel of land held under a lease from the Commonwealth is the capital amount that might be expected to have been offered on the relevant date for the lease of the parcel, assuming that—
- (a) the only improvements on or to the parcel were the improvements (if any) by way of clearing, filling, grading, draining, levelling or excavating—
 - (i) if the Territory or Commonwealth had, before the parcel became rateable as a separate parcel, granted a development lease of land that included the parcel—made by the lessee under that lease or by the Territory or Commonwealth, or the cost of which was met by that lessee or by the Territory or Commonwealth; or
 - (ii) in any other case—made by the Territory or Commonwealth or the cost of which was met by the Territory or Commonwealth; and
 - (b) the circumstances that existed on the prescribed date also existed on the relevant date; and
 - (c) on the relevant date, the lease had an unexpired term of 99 years; and
 - (d) a nominal rent was payable under the lease for the 99 year term.

Note **Relevant date** is defined in the dictionary.

- (2) The *unimproved value* of a parcel of land held in fee simple is the capital amount that might be expected to have been offered for the parcel at a genuine sale on the relevant date on the reasonable terms and conditions that a genuine seller would require, assuming that no improvements had been made on or to the parcel.
- (3) In this section:
- prescribed date*, for a parcel of land, means—
- (a) for a determination of the unimproved value of the parcel—the date the parcel became rateable; or
 - (b) for an annual redetermination of the unimproved value of the parcel—the date the redetermination applies; or
 - (c) for a redetermination of the unimproved value of the parcel under section 11 (Redetermination—error) or section 11A (Redetermination—change of circumstances)—the date the redetermination begins to apply to the parcel.

7 Unimproved value of land developed under development lease

- (1) This section applies to a parcel of land on or to which an improvement mentioned in section 6 (1) (a) is made by a lessee under a development lease mentioned in section 6 (1) (a) (i).
- (2) For the determination of the unimproved value of the parcel, the improvement is taken to have been made only to the extent that the Territory or Commonwealth normally makes improvements of the same kind on or to a comparable parcel of land.

8 Meaning of *rateable land*

- (1) All land in the ACT, including Commonwealth land, is *rateable land*, except—
- (a) commons, public parks and public reserves not held under lease or licence; and
 - (b) sites of cemeteries, public hospitals, benevolent institutions and buildings used exclusively for public charitable purposes; and
 - (c) sites of churches and other buildings used exclusively for public worship; and
 - (d) sites of buildings used for free public libraries; and
 - (e) land leased from the Commonwealth that is occupied by, or used in connection with, a school; and
 - (f) Commonwealth land that is not leased and is unoccupied (other than land that, immediately before becoming unoccupied, was occupied by a lessee of the Territory or Commonwealth on a weekly or fortnightly tenancy).

- (2) In this section:

benevolent institution does not include an entity declared under the *Duties Act 1999*, section 73A (Transfers etc to entities for community housing).

community housing—see the *Duties Act 1999*, section 73A (4).

public charitable purposes does not include community housing purposes.

school means a non-government school under the *Education Act 2004*, and includes a playground belonging to, or used in relation to, the school.

9 First determination of unimproved value

- (1) This section applies if a parcel of land becomes rateable on or after a relevant date (the *1st relevant date*).
- (2) The commissioner must—
 - (a) determine the unimproved value of the parcel of land as at the 1st relevant date; and
 - (b) if necessary, redetermine the unimproved value of the parcel as at each relevant date after the first relevant date when it was not determined.
- (3) A determination under subsection (2) (a) applies to a parcel of land for the period—
 - (a) beginning on 1 July in the calendar year in which the relevant date falls; and
 - (b) ending on 30 June in the next calendar year.
- (4) A redetermination under subsection (2) (b) for a parcel of land applies to the parcel for the period—
 - (a) beginning on 1 July in the calendar year in which the relevant date as at which the redetermination is made falls; and
 - (b) ending on 30 June in the next calendar year.

10 Annual redeterminations

- (1) As soon as practicable after each 1 January, the commissioner must redetermine the unimproved value, as at that date, of each parcel of land rateable on that date.
- (2) An annual redetermination of the unimproved value of a parcel of land applies to the parcel for the period—
 - (a) beginning on 1 July in the calendar year in which the relevant date when the redetermination is made falls; and

- (b) ending on 30 June in the next calendar year.

11 Redetermination—error

- (1) This section applies if an error was made in relation to a determination of the unimproved value of a parcel of land as at a particular date.
- (2) The commissioner may redetermine the unimproved value of the parcel as at that date.
- (3) The redetermination applies to the parcel for the period—
 - (a) beginning on 1 July in the calendar year in which the relevant date when the redetermination is made falls; and
 - (b) ending on 30 June in the next calendar year.

Example

A clerical error was made in relation to the determination of Branko's parcel of land as at 1 January 2009, resulting in the unimproved value of the land being incorrectly determined as \$220 000. The unimproved value of parcel was correctly determined as at 1 January 2007 as \$230 000 and 1 January 2008 as \$240 000.

The average unimproved value of the land for the year beginning 1 July 2009 was calculated as—

$$(\$230\,000 + \$240\,000 + \$220\,000)/3 = \$230\,000$$

After the clerical error was corrected, the unimproved value of the parcel was correctly redetermined as at 1 January 2009 as \$250 000.

The average unimproved value of the land was recalculated as (the *recalculated AUV*)—

$$(\$230\,000 + \$240\,000 + \$250\,000)/3 = \$240\,000$$

The recalculated AUV applies for the period starting on 1 July 2009 and ending on 30 June 2010.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (4) In this section:
- error*, in relation to a determination, includes—
- (a) an error in making a valuation on which the determination is based; and
 - (b) the duplication of an error in relation to an earlier determination.

11A Redetermination—change of circumstances

- (1) This section applies if a change of circumstances happens in relation to a parcel of land that affects the unimproved value of the land.
- (2) The commissioner may redetermine the unimproved value of the parcel as at a date if the unimproved value as at that date is used in calculating the average unimproved value of the land for the year in which the change of circumstances happens.
- (3) The commissioner may also redetermine the unimproved value of the parcel as at a later date if a determination of the unimproved value as at that date did not take the change of circumstances into account.
- (4) A redetermination under subsection (2) applies to the parcel for the period—
 - (a) beginning on the day the change of circumstances happened; and
 - (b) ending on 30 June in the next calendar year.

- (5) A redetermination under subsection (3) applies to the parcel for the period—
- (a) beginning on 1 July in the calendar year in which the relevant date when the redetermination is made falls; and
 - (b) ending on 30 June in the next calendar year.

Example—s (4)

On 1 September 2009, Mungo obtained development approval for an authorised use of Mungo’s parcel of land (the *change of circumstances*) that increases the unimproved value of the parcel. Before the change of circumstances, the commissioner determined the unimproved value of the land as at 1 January 2007 as \$260 000, 1 January 2008 as \$280 000 and 1 January 2009 as \$300 000.

The average unimproved value (the *original AUV*) of the land for the year beginning 1 July 2009 was calculated as—

$$(\$260\,000 + \$280\,000 + \$300\,000)/3 = \$280\,000$$

After the change of circumstances, the commissioner redetermined the unimproved value of the land as at 1 January 2007 as \$320 000, 1 January 2008 as \$340 000 and 1 January 2009 as \$360 000.

The average unimproved value (the *recalculated AUV*) of the land was recalculated as:

$$(\$320\,000 + \$340\,000 + \$360\,000)/3 = \$340\,000$$

The original AUV applies for the period starting on 1 July 2009 and ending on 31 August 2009, and the recalculated AUV applies for the period starting on 1 September 2009 and ending on 30 June 2010.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

12 Recording, notification and publication of determinations

- (1) The commissioner must record particulars of each determination of the unimproved value of a parcel of land.
- (2) The commissioner must give written notice of the amount determined as the unimproved value of a parcel to the owner.

- (3) As soon as practicable after each annual redetermination under section 10 of the unimproved values of parcels of rateable land, the commissioner must arrange for the unimproved values to be available to the public.

Example

To make the unimproved values available to the public, the commissioner might make copies of a schedule of the unimproved values available at ACT government shopfronts.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Part 3 Imposition and payment of rates

13 Pt 3 subject to pt 5

This part is subject to part 5 (Unit subdivisions).

14 Imposition of rates

- (1) Rates of the fixed charge are imposed for a parcel of rateable land that has an average unimproved value of the threshold amount or less.
- (2) Rates are imposed for a parcel of rateable land that has an average unimproved value of more than the threshold amount in accordance with the following formula:

$$FC + ((AUV - TA) \times P)$$

- (3) In this section:

AUV means the average unimproved value of the parcel.

FC (or fixed charge) means the fixed charge determined under the Taxation Administration Act, section 139 for the parcel.

P means the percentage rate determined under the Taxation Administration Act, section 139 for the parcel.

TA (or threshold amount) means the threshold amount determined under the Taxation Administration Act, section 139 for the parcel.

Note Different fixed charges, amounts, or percentage rates may be determined for residential, commercial or rural land (see Legislation Act, s 48).

15 Rates for part of year

- (1) This section applies to a parcel of land if the parcel starts or stops being rateable in a year.

- (2) In working out the rates payable for the parcel for the year, the amount of rates payable is the amount worked out in accordance with the following formula:

$$\text{rates otherwise payable for year} \times \frac{\text{rateable days}}{\text{days in year}}$$

- (3) However, if a parcel of rateable land is held under a lease from the Commonwealth for only part of the year, the amount of rates payable for the year is the amount worked out in accordance with the following formula:

$$\text{rates otherwise payable for year} \times \frac{\text{days lease in force}}{\text{days in year}}$$

- (4) In this section:

days lease in force means the number of days in the year when the lease is in force, and includes any days when an owner continues to occupy the parcel of land after the ending of the lease.

rateable days means the number of days in the year that the parcel of land was a rateable parcel.

16 Owner to pay rates

- (1) Rates imposed for a parcel of land are payable to the commissioner by the owner of the parcel.
- (2) The person who is the owner of a parcel of land is liable to pay to the commissioner the whole or any part of rates payable for the parcel that have not been paid whether the amount became payable before or after the person became the owner.

17 When are rates payable?

- (1) The assessment notice for the rates payable for a year for a parcel of land must state a date for payment of the rates (the *payment date*).

- (2) The payment date must not be a date earlier than 4 weeks after the date of the notice.
- (3) The rates are payable on the payment date.

18 How may rates be paid?

- (1) Rates payable for a year for a parcel of land must be paid by the owner—
 - (a) if the amount payable is for a year and any arrears of rates in relation to previous years have been paid in full—by paying, on or before the payment date, the amount of the rates less the discount rate; or
 - (b) if the amount payable is for part of a year—by paying the amount of the rates on or before the payment date; or
 - (c) by paying the rates in instalments in accordance with section 19; or
 - (d) by paying amounts so that the total amount paid by the person on or before a date in the year is not less than the total amount that the person would have paid on that date if the person were paying the rates in instalments in accordance with section 19.
- (2) If the amount payable under a notice of assessment is for a period of longer than a year, subsection (1) (a) applies only to the payment of that part of the amount payable that is for a year.

- (3) In this section:

discount rate means the discount rate determined under the Taxation Administration Act, section 139.

19 Payment of rates by instalments

- (1) For payment of rates in instalments—
 - (a) the amount of each instalment must be a whole dollar amount worked out by dividing the total amount of the rates payable by 4 and adding the amount of any remainder to the amount worked out for the 1st instalment; and
 - (b) the date when an instalment is due for payment is not less than 3 months after the date when any previous instalment is due for payment.
- (2) The Taxation Administration Act, section 52 (4) (which deals with failure to pay an instalment when due) does not apply to the payment of rates in instalments.

Part 4 Enforcement

20 Non-application of provisions of Taxation Administration Act

The Taxation Administration Act, section 25 (Interest in relation to tax defaults), division 5.2 (Penalty tax) and section 110 (Interest payable on amounts to be paid by taxpayer) do not apply to unpaid overdue rates.

21 Interest payable on overdue rates

- (1) Interest on an amount of unpaid overdue rates is worked out—
 - (a) for each calendar month when the amount remains unpaid; and
 - (b) on the 1st day of that month; and
 - (c) at the interest rate applying to that day; and
 - (d) on the total amount of overdue rates that are unpaid on a day when the interest is worked out.

Note The Minister may determine an interest rate for this section under the Taxation Administration Act, s 139.

- (2) For subsection (1) (a), if an amount remains unpaid for part of a calendar month, interest is payable for the whole month.

Example

Fred's rates are due on 15 August. He doesn't pay it until 5 October. Fred has to pay interest worked out for the overdue period from 16 August to 5 October. Because of the operation of s (2), Fred has to pay interest for the period from 16 August to 15 October. Interest for the month from 16 August to 15 September is at the rate applying on 16 August, which is the 1st day of the 1st month that the amount remains unpaid (see s (1)). Interest for the month from 16 September to 15 October is at the rate applying on 16 September, which is the 1st day of the 2nd month that the amount remains unpaid (see s (1)).

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

22 Charge of rates on land

- (1) Rates payable in relation to a parcel of land are a charge on the interest held by the owner of the parcel.
- (2) The charge takes priority over a sale, conveyance, transfer, mortgage, charge, lien or encumbrance in relation to the parcel.
- (3) The charge does not have effect against an honest purchaser of the parcel of land for value if—
- (a) the purchaser had obtained a certificate under section 76 (Certificate of rates and other charges) in relation to the parcel before the purchase; and
 - (b) at the time of purchase, the purchaser did not have notice of liability under the charge.

23 Notice of rates in arrears

- (1) If rates payable for a parcel of land have been in arrears for at least 1 year, the commissioner may give the owner of the parcel written notice that the rates are in arrears.

- (2) At any time after giving notice, the commissioner may declare, in writing, that the rates for the parcel of land are in arrears.
- (3) A declaration is a notifiable instrument.

Note A notifiable instrument must be notified under the Legislation Act.

24 Unoccupied land—letting for unpaid rates

- (1) This section applies if—
 - (a) a declaration is made under section 23 in relation to an unoccupied parcel of land; and
 - (b) the rates payable for the parcel are not paid within 30 days after the day the declaration is notified.
- (2) The commissioner may—
 - (a) take possession of the parcel; and
 - (b) hold the parcel against anyone; and
 - (c) lease the parcel for not longer than 7 years.
- (3) If the commissioner takes possession of the parcel, the commissioner must keep accounts of—
 - (a) rent and other amounts received by the commissioner in relation to the parcel; and
 - (b) the expenses of the lease; and
 - (c) the rates and land tax payable for the land.
- (4) If rent and other amounts are received by the commissioner under this section—
 - (a) the rent and other amounts must be applied against—
 - (i) the expenses of the lease necessarily incurred by the commissioner; and
 - (ii) the rates payable for the land; and

- (iii) the land tax payable for the land; and
 - (iv) any other expenses incurred by the commissioner in relation to the parcel; and
 - (b) any remaining rent and other amounts received belongs to anyone who, at the time it is received, would have been entitled to receive it if the parcel had not been in the commissioner's possession.
- (5) In this section:
expenses, of a lease, includes expenses incidental to the lease and the collection of rent under the lease.

25 Entitlement to possession of land held by commissioner

- (1) This section does not apply to a parcel of land sold under section 26.
- (2) A person who, apart from section 24, would be entitled to the parcel may, within 16 years after the day the commissioner takes possession of the parcel—
 - (a) inspect the accounts kept under section 24; and
 - (b) ask the commissioner to put the person in possession of the parcel.
- (3) On request under subsection (2), the commissioner must put the person in possession of the parcel—
 - (a) if rates, land tax or both are payable for the parcel—on payment by the person of the amount payable; and
 - (b) if the parcel is subject to a lease made by the commissioner under section 24—subject to the lease.
- (4) If no-one is put in possession of the parcel under this section within 16 years after the day the commissioner takes possession of the parcel—
 - (a) the parcel vests absolutely in the Commonwealth; and

- (b) rent and any other amounts received by the commissioner in relation to the land vest in the Territory.

26 Sale of land for nonpayment of rates

- (1) This section applies if—
 - (a) a parcel of land is held by the owner under a lease from the Commonwealth for a term of years; and
 - (b) the commissioner has complied with section 23 (Notice of rates in arrears) in relation to the parcel; and
 - (c) rates payable for the parcel are in arrears for at least 1 year after the day of notification under section 23 in relation to the parcel.
- (2) The commissioner may apply to a court of competent jurisdiction for an order for the sale of all or part of the parcel.

Example

The commissioner has given notice and made a declaration under section 23 in relation to a parcel of land held under lease from the Commonwealth. If the parcel is unoccupied, the commissioner may take action under section 24 to lease the parcel or, if the rates are in arrears for at least 1 year after the day of notification of the declaration, make an application under this section for an order for sale. The option to lease would not be available if the property were occupied.

Note 1 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Note 2 A single application form may be approved for this section and the *Land Tax Act 2004*, s 24 (see Legislation Act, s 255 (7)).

- (3) In the application, the commissioner may ask that the proceeds of the sale also be applied in paying the total amount of any rates, land rent or land tax in arrears for 1 or more related parcels of land stated in the application.

- (4) If the court is satisfied that this section applies to the parcel, the court must—
- (a) order the sale by public auction of the parcel, or as much of the parcel as will be sufficient to pay the total of the following:
 - (i) the total amount of rates in arrears for the parcel at the time the court makes the order;
 - (ii) the total amount of any land tax in arrears for the parcel at the time the court makes the order;
 - (iii) costs and expenses in relation to the declaration, application and sale in relation to the parcel;
 - (iv) if the commissioner has made a request mentioned in subsection (3) in the application in relation to another parcel of land and the court is satisfied that the parcel is a related parcel of land—the total amount of any rates, land rent or land tax in arrears for the other parcel, at the time the court makes the order; and
 - (b) order that the proceeds be paid into court; and
 - (c) order that the title to the parcel be transferred to the purchaser free from mortgages and other encumbrances.
- (5) The proceeds of the sale are to be applied in the following order:
- (a) first, the commissioner is entitled to be paid the total of the amounts mentioned in subsection (4) (a) (i) to (iii);
 - (b) second, a person who was a mortgagee of the parcel before the sale is entitled to be paid the amount owing to the person under the mortgage (or, if that amount is more than the amount of any remaining proceeds, the remaining proceeds);
 - (c) third, subject to subsection (9), the commissioner is entitled to be paid the total of amounts to which subsection (4) (a) (iv) applies (or, if that amount is more than the amount of any remaining proceeds, the remaining proceeds);

- (d) finally, subject to subsection (10), the person who was the owner of the parcel before the sale is entitled to be paid any balance.
- (6) The commissioner must be paid out of court any amounts to which the commissioner is entitled under subsection (5) without a court order.
- (7) If a person who was the owner or mortgagee of the parcel before the sale hands over to the court the certificate or other title to the parcel, the person must be paid out of court any amount to which the person is entitled under subsection (5) without a court order.
- (8) If there were 2 or more mortgagees of the parcel before the sale, the court may make the orders about their respective entitlements that the court considers just.
- (9) On application by a person who has an interest in the land otherwise than as owner or mortgagee, the court may order that the person is entitled to be paid the value of the person's interest (as decided by the court) in priority to the commissioner's entitlement under subsection (5) (c).
- (10) On application by any other interested person, the court may order payment out of court of all or part of any balance to a person other than the person who was the owner before the sale if the court considers it just to do so.
- (11) Any sale of the parcel or a part of the parcel under this section must be abandoned if the owner pays—
 - (a) the total rates in arrears for the parcel at the time of the payment; and
 - (b) the total of any land tax in arrears for the parcel at the time of the payment; and
 - (c) the costs and expenses incurred up to the time of payment in relation to the declaration, application and sale in relation to the parcel; and

- (d) the costs and expenses reasonably incurred in relation to the abandonment of the sale; and
- (e) if the commissioner has made a request under subsection (3) in the application in relation to 1 or more related parcels of land—the total amount of any rates or land tax in arrears for the related parcel or parcels at the time of the payment.

Example for par (d)

advising the public that an auction has been cancelled

- (12) In this section:

related—a parcel of land is a *related* parcel of land in relation to another parcel of land if—

- (a) the parcels have the same owner; and
- (b) the commissioner has complied with section 23 in relation to them.

27 Application may relate to more than 1 parcel

- (1) The commissioner may make a single application under section 26 in relation to more than 1 parcel of land even if—
 - (a) the parcels belong to different owners; or
 - (b) the notices under section 23 (Notice of rates in arrears) for the parcels were given at different times.
- (2) If the commissioner makes an application in relation to 2 or more parcels of land, the following provisions apply:
 - (a) if the parcels or 2 or more of them have the same owner—the court may, on application by the commissioner, make a single order under section 26 in relation to all of those parcels;
 - (b) the court may make the orders about apportionment of rates and land tax, and any other amounts payable, that the court considers just;

- (c) if the court makes an order under paragraph (a)—the court may, on application by the commissioner, also make any consequential or ancillary orders that the court considers appropriate.

Note The application may include an application under the *Land Tax Act 2004*, s 24 in relation to the parcel (see *Legislation Act*, s 49).

Part 5 **Unit subdivisions**

Division 5.1 **Application of Act to unit subdivisions**

28 **Unit subdivisions**

- (1) For this Act, if a parcel of land is a unit subdivision, the land making up the parcel is taken to continue to be a single parcel of land.

Example

A determination of the unimproved value of a parcel of land that is a unit subdivision is a determination of the unimproved value of the parcel.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) However, in the application of this Act to a unit subdivision—
- (a) a reference to a parcel of land in relation to the assessment or payment of rates is a reference to a unit; and
 - (b) a reference to the owner is—
 - (i) in relation to the assessment or payment of rates—a reference to the unit owner; and
 - (ii) in relation to a notice of transfer—a reference to the unit owner; and
 - (iii) in relation to any other notice—a reference to the owners corporation.

29 Unit subdivisions—rates

- (1) This section applies to a parcel of land that is a unit subdivision.

 - (a) the rates imposed for the parcel are payable by the unit owners; and
 - (b) the amount payable by each unit owner is the amount worked out under subsection (5); and
 - (c) no rates for the parcel are payable by the owners corporation.
- (4) Rates are imposed on a unit that is part of a unit subdivision as if a reference to a parcel of land were a reference to the unit.
- (5) In working out the rates payable for the unit, the average unimproved value of the unit is the amount worked out in accordance with the following formula:

$$\frac{UE}{TUE} \times AUV$$

- (6) In subsection (5):

AUV means the average unimproved value of the parcel.

TUE means the unit entitlement of all the units in the units plan.

UE means the unit entitlement of the unit.

Note If a form is approved under the Taxation Administration Act, s 139C for the application, the form must be used.

- (2) The commissioner must make the determination if satisfied—
 - (a) that the owner is a pensioner or, if there are 2 or more owners, each owner is a pensioner; or
 - (b) if the owner, or each owner, is not a pensioner—that payment of the total amount of rates payable or to become payable is likely to cause substantial hardship to the owner or each owner; or
 - (c) that the owners are a pensioner and his or her partner who is not a pensioner; or
 - (d) for an application made by a pensioner who is a joint owner—that no other owner of the parcel can reasonably contribute to the payment of rates for the parcel.

- (7) To remove any doubt, the owner of a parcel of land who has received a rebate for rates under division 7.3 may make an application under this section.

47 Determination for deferral of rates without application

(6) To remove any doubt, the commissioner may make a determination under this section in relation to a parcel of land even though the owner of the parcel has received a rebate for rates under division 7.3.

48 Effect of deferral determination

(1) If a deferral determination defers a person's obligation to pay all or part of the total amount of rates payable for a parcel of land as at the date of the determination—

(a) the person's obligation to pay the rates is reduced in accordance with the determination; and

(b) the person becomes indebted to the Territory for the amount by which the obligation is reduced.

- (2) If a deferral determination defers a person's obligation to pay all or part of each amount of rates to become payable while the determination is in force—
 - (a) immediately after each amount of rates becomes payable, the person's obligation to pay the amount of rates is reduced in accordance with the determination; and
 - (b) the person becomes indebted to the Territory for the amount by which the obligation is reduced.
- (3) A person who becomes indebted to the Territory for an amount under this section must pay interest on the amount at the market rate component determined under the Taxation Administration Act, section 26.
- (4) Interest is payable on the amount from the date of deferral of the obligation to pay the amount until the earlier of—
 - (a) the day the amount is paid; and
 - (b) the day the deferral determination is revoked.
- (5) For subsection (4), the date of deferral of the obligation to pay an amount is—
 - (a) for an amount payable at the date of the deferral determination—that date; or
 - (b) for an amount deferred after the date of the determination—the date when, if the determination had not been made, interest would begin to be payable on the amount under section 21 (Interest payable on overdue rates).

49 Deferred amount not recoverable if determination in force

If a person is indebted to the Territory for an amount because of a deferral determination, the amount is not recoverable by the Territory while the determination is in force.

50 Amendment of deferral determination

- (1) The commissioner may, at any time, amend a deferral determination.
- (2) The commissioner may increase an amount deferred if the commissioner is satisfied that the amendment is necessary to avoid substantial hardship to the person whose obligation is deferred under the determination.
- (3) The commissioner may reduce an amount deferred if the commissioner is satisfied that the amendment is not likely to cause substantial hardship to the person whose obligation is deferred under the determination.

51 Revocation of deferral determination—payment of debt and on request

The commissioner must revoke a deferral determination in relation to a person if—

- (a) the amount for which the person is indebted to the Territory because of the determination is paid to the commissioner to discharge the debt; or
- (b) if the determination was made under section 46 (Determination for deferral of rates on application)—the person asks the commissioner in writing to revoke the determination.

52 Additional grounds for revocation of deferral determination

- (1) Each of the following circumstances is a ground for revocation of a deferral determination made under section 46 (Determination for deferral of rates on application) in relation to a parcel of land:
 - (a) if each person to whom the determination relates was a pensioner when the determination was made—each person stops being a pensioner;

- (b) if the determination relates to 2 or more people, each of whom was a pensioner when the determination was made—
 - (i) 1 or more, but not all of them, stops being a pensioner; and
 - (ii) the revocation of the determination is not likely to cause substantial hardship to them;
 - (c) if each person to whom the determination relates was not a pensioner when the determination was made—the revocation of the determination is not likely to cause substantial hardship to a person to whom the determination relates;
 - (d) a person to whom the determination relates fails to comply with a request under section 58 (Information about deferral determination);
 - (e) each person to whom the determination relates who ordinarily lived on the parcel when the application for the determination was made has stopped ordinarily living on the parcel;
 - (f) each person to whom the determination relates has stopped being an owner of the parcel.
- (2) Each of the following circumstances is a ground for revocation of a deferral determination made under section 47 (Determination for deferral of rates without application) in relation to a parcel of land:

Note For how documents may be served, see Legislation Act, pt 19.5.

- (2) The notice must state the ground for revocation.
- (3) However, if a deferral determination relates to 2 or more people as owners (whether jointly or as tenants in common) of a parcel of land and 1 of them dies, the commissioner must not give notice only on the ground mentioned in section 52 (1) (e) or (f) or (2) (a).

54 Revocation of deferral determination on grounds

- (1) The commissioner may revoke a deferral determination on a ground mentioned in section 52 if notice has been given under section 53 in relation to the ground.
- (2) However, the commissioner must not revoke a determination made under section 46—
- (a) within the time when a person may object to the decision that the ground exists; or
- (b) if the person has objected to the decision, until—
- (i) the objection is decided; and

(ii) either—

- (A) the period for applying under the *ACT Civil and Administrative Tribunal Act 2008* for review of the decision has ended and no application has been made; or

- (1) This section applies if the commissioner revokes a deferral determination.
- (2) The amount to which a person is indebted to the Territory because of the determination is payable by the person to the Territory on the day immediately after the day the determination is revoked.

Note An amount owing under a law is recoverable as a debt in a court of competent jurisdiction (see Legislation Act, s 177).

- (3) However, if the commissioner declares that the amount may be paid in stated instalments, the amount of each instalment is payable to the Territory on the day stated in the declaration.

Note A declaration may be included in the revocation (see Legislation Act, s 49 (Single instrument may exercise several powers or satisfy several requirements)).

- (4) Despite subsection (3), if the person to whom the determination relates stops being an owner of the parcel of land to which the determination relates (other than because of the person's death) any balance of an amount to be paid in instalments is payable on the day immediately after the day the person stops being an owner.

56 Interest payable after revocation of deferral determination

- (1) Interest is payable on an unpaid amount payable under section 55.
- (2) Interest on the unpaid amount is worked out in the same way as interest on overdue rates is worked out under section 21.

- (2) The person must give the commissioner the information asked for.

59 Notice of revocation

If the commissioner revokes a deferral determination, the commissioner must give the person to whom the determination relates a copy of the revocation.
