Republication No 3

Effective: 1 July 2004 – 1 July 2004

Republication date: 1 July 2004

Last amendment made by A2004-28

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Dangerous Substances Act 2004* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 July 2004. It also includes any amendment, repeal or expiry affecting the republished law to 1 July 2004.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

page 1

Chapter 1 Preliminary

1 Name of Act

This Act is the *Dangerous Substances Act 2004*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*infringement notice*—see the *Magistrates Court Act 1930*, section 117.’ means that the term ‘infringement notice’ is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 *Criminal Code*

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms

used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 *Penalty units*

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Chapter 2 Important concepts

Part 2.1 Operation of Act

6 Purpose of Act

- (1) The purpose of this Act is to protect the health and safety of people, and to protect property and the environment from damage, from the hazards associated with dangerous substances.
- (2) The purpose of this Act includes the following:
 - (a) to eliminate the hazards associated with dangerous substances;
 - (b) if it is not reasonably practicable to eliminate the hazards—to minimise as far as reasonably practicable the risks resulting from the hazards by, for example—
 - (i) ensuring that the hazards are identified and the risks are assessed and controlled; and
 - (ii) requiring information and training about the hazards and the safe handling of the substances to be made available to people handling the substances;
 - (c) to allocate responsibilities to people in relation to dangerous substances;
 - (d) to regulate dangerous substances, including by providing for authorisation, licensing, notification and registration schemes for dangerous substances.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

7 Exclusions from Act

Note 1 A reference to an Act includes a reference to statutory instruments made or in force under the Act, including regulations and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

Note 3 See the *Emergencies Act 2004* for provisions relating to hazardous materials incidents (which may include dangerous occurrences).

Note 4 See the *Road Transport Reform (Dangerous Goods) Act 1995* (Cwlth), and the regulations made under that Act, for the transport of dangerous substances (other than explosives, infectious substances and radioactive substances) that are classified as dangerous goods under that Act.

Note 5 Territory laws have no effect to the extent that they are inconsistent with a Commonwealth law (see Self-Government Act, s 28).

- (2) A duty or power under another Territory law in relation to a dangerous substance has no effect to the extent that it is inconsistent with a duty under this Act in relation to the substance.
- (3) However, a duty or power under another Territory law in relation to a dangerous substance must not be taken to be inconsistent with a duty under this Act to the extent that they can operate concurrently.

- (b) if an incorporated document applies to the packing or storage of the substance—the substance is packed or stored in accordance with the incorporated document; or

- (c) in any other case—the substance is packed or stored in a way that eliminates the hazards associated with the substance or, if this is not reasonably practicable, minimises the risks resulting from the hazards as far as is reasonably practicable.

Note 1 For the meaning of *incorporated document*, see the dictionary.

Note 2 An incorporated document has no effect to the extent that it is inconsistent with the regulations (see s 9 (1)).

- (2) For this Act, a dangerous substance is *correctly* labelled or placarded if—
- (a) if the regulations apply to the labelling or placarding of the substance—the substance is labelled or placarded in accordance with the regulations; or
- (b) in any other case—the substance is labelled or placarded in accordance with an incorporated document (if any) applying to the labelling or placarding of the substance.
- (3) In this section:
- dangerous substance* includes a container or package containing a dangerous substance.

15 Meaning of *hazard* and *risk*

- (1) For this Act, a *hazard* is a thing (including an intrinsic property of a thing), or a situation, with potential to—
- (a) cause the death of or harm to a person; and
- (b) damage property or the environment.
- (2) For this Act, a *risk* is the likelihood of death or harm to a person, or damage to property or the environment, from a hazard.

16 ***Reasonable steps for a risk***

- (1) The regulations may prescribe what are, or are not, *reasonable steps* in relation to a risk.
- (2) However, if the regulations do not prescribe what are, or are not reasonable steps in relation to a risk, all of the following must be considered in working out whether *reasonable steps* have been taken to minimise the risk:
 - (a) the seriousness of the risk;
 - (b) the current state of knowledge about—
 - (i) the hazard giving rise to the risk and the risk itself; and
 - (ii) any ways of eliminating the hazard or minimising the risk;
 - (c) the availability and suitability of ways to eliminate the hazard or minimise the risk;
 - (d) the cost of eliminating the hazard or minimising the risk;
 - (e) anything else prescribed under the regulations.

17 ***Person in control for premises, plant etc***

- (1) For this Act, a *person in control* is—
 - (a) for the handling of a dangerous substance—anyone who has control of the handling of the substance (including anyone with authority to make decisions about the handling of the substance); or
 - (b) for premises—anyone who has control of the premises (including anyone with authority to make decisions about the management of the premises); or

- (c) for plant or a system for handling a dangerous substance—anyone who has control of the plant or system or the operation of the plant or system (including anyone with authority to make decisions about the plant or system or the operation of the plant or system); or
- (d) for the design, manufacture, import or supply of plant or a system for handling a dangerous substance—anyone who has control of the design, manufacture, import or supply of the plant or system (including anyone with authority to make decisions about the design, manufacture, import or supply); or
- (e) anyone else prescribed under the regulations.

Note **Plant** includes a building or other structure (see dict).

- (2) To remove any doubt, more than 1 person may be a person in control for a duty under this Act.

18 Responsible person for a dangerous substance

- (1) For this Act, a person is a **responsible person** for a dangerous substance if the person is—
 - (a) a person in control of the handling of the substance; or
 - (b) a person in control of premises where the substance is handled; or
 - (c) a person in control of plant or a system for handling the substance.
- (2) To remove any doubt, more than 1 person may be a responsible person for a duty under this Act.

19 What is a *safety management system*

- (1) A *safety management system* for handling a dangerous substance is a system that does each of the following:
- (a) identifies the hazards associated with the substance, having regard to the current state of knowledge about the hazards;
 - (b) identifies and assesses the risks resulting from the identified hazards, having regard to the current state of knowledge about the risks;
 - (c) controls the risks by eliminating the hazards or, if this is not reasonably practicable, minimising the risks as far as reasonably practicable;
 - (d) provides for how compliance with the system is to be documented;
 - (e) complies with any requirements prescribed under the regulations (either in addition to or instead of a requirement mentioned in paragraphs (a) to (d)).

Example for par (e)

The regulations may provide that a supplier of a stated dangerous substance may identify the hazards associated with the substance, and identify and assess the risks resulting from the hazards, by reviewing the safety information supplied by the substance's manufacturer under section 26 (1) (e) instead of complying with subsections (2) and (3).

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) For subsection (1) (a), the matters that must be considered in identifying the hazards include, for example—
- (a) the chemical and physical properties of the dangerous substance; and

- (b) any chemical and physical reactions that may happen if the substance comes into contact with other substances; and
- (c) the premises, plant and systems for handling the substance; and
- (d) anything else prescribed under the regulations for this subsection.

Examples for par (c)

- 1 access to the premises or plant at the premises, including access by members of the public
- 2 the design, physical location and arrangement of areas and plant
- 3 the characteristics of the materials used in plant
- 4 activities, systems of work and non-dangerous substances that could interact with the substance

Note **Plant** includes a building or other structure (see dict).

- (3) For subsection (1) (b), the matters that must be considered in identifying and assessing the risks include, for example—
 - (a) the matters mentioned in subsection (2); and
 - (b) the consequences, at premises where the dangerous substance is to be handled and elsewhere, of incidents that may happen because of the handling of the substance at the premises; and
 - (c) anything else prescribed under the regulations for this subsection.
- (4) For subsection (1) (c), the matters that must be considered in controlling the risks include, for example—
 - (a) implementing, operating, maintaining and repairing systems to ensure the dangerous substance is handled safely; and
 - (b) allocating responsibilities to people involved in the handling of the substance to ensure the substance is handled safely; and
 - (c) appropriately inducting or supervising people handling the substance; and

- (d) giving appropriate information, education and training to people handling the substance about the hazards associated with the substance, and the risks resulting from them; and
- (e) anything else prescribed under the regulations.

Examples of systems for par (a)

- 1 safe systems of work and safe handling systems
- 2 security systems for premises where the substance is manufactured or stored
- 3 a system to identify and rectify any incidents of noncompliance (including minimising any risks resulting from the noncompliance) with the safety management system

Part 2.3 Complying with Act

20 Person may have more than 1 duty under Act

To remove any doubt, a person may be subject to more than 1 duty under this Act.

Example

A supplier of a dangerous substance must comply with the general safety duty applying to everyone handling a dangerous substance (see s 23) and with the supplier's particular duties under section (2).

If the supplier is a person in control of premises, the supplier must also comply with the safety duties of a person in control of premises (see s 31).

Note 1 A reference to an Act includes a reference to statutory instruments made or in force under the Act, including regulations and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

Note 2 An example is part of this Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

21 Person not relieved of duty because someone else also has same duty

- (1) This section applies if 2 or more people have the same duty under this Act.
- (2) To remove any doubt, each person must comply with the duty whether or not someone else may also be required to comply with the duty.

- (3) However, if this Act requires or allows them to do something, it is sufficient if 1 of them does the thing.

Example

If 2 people are in control of premises where a dangerous substance is handled, it is sufficient if 1 of them prepares the safety management system required under section 31 (1). However, if the safety management system is not prepared, each of them is responsible for the failure to comply with the duty to ensure that the safety management system is prepared.

Note An example is part of this Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

22 Incorporated documents and approved codes of practice may be considered

An incorporated document or approved code of practice applying to a duty under this Act may be considered in deciding whether a person has complied with the duty.

Note For the meaning of *incorporated document* and *approved code of practice*, see the dictionary.

68 Taking disciplinary action

- (1) If the chief executive proposes to take disciplinary action in relation to a licensee, or a former licensee, the chief executive must give the person a written notice (a *disciplinary notice*) that—
 - (a) states the proposed action (including any proposed disqualification period, suspension period or amendment of a licence); and
 - (b) states the grounds for the proposed action; and
 - (c) tells the person that the person may, within 14 days after the day the person receives the notice, give a written response to the chief executive about the notice.

- (2) In deciding whether to take disciplinary action, the chief executive must consider any response given to the chief executive in accordance with the notice under subsection (1) (c).
- (3) If the chief executive is satisfied that a ground for taking action under this section has been established in relation to a licensee, the chief executive may do 1 or more of the following (each of which is *disciplinary action*):

Note For the return of the licence to the chief executive, see s 64.

- (5) If the licensee is given an immediate suspension notice because the chief executive is considering whether to give a disciplinary notice to the licensee, the chief executive must, as soon as practicable, give a disciplinary notice to the licensee or tell the licensee in writing that a disciplinary notice will not be given to the licensee.

- (2) If the chief executive suspends a licence or handling authority, the licensee is, during the suspension—
- (a) taken not to hold the licence or handling authority; and
 - (b) disqualified from applying for a licence or handling authority of that kind.

- (1) This section applies if a person applies under section 120 for compensation in relation to the giving of a prohibition notice.
- (2) If, after considering the application, the Minister is satisfied that there were insufficient grounds for giving the prohibition notice, the Territory must pay the person the reasonable compensation decided by the Minister.
- (3) However, compensation is not payable to the person—

- (1) This section applies if the chief executive alleges that a person has contravened a provision of this Act in relation to a dangerous substance.

Note A reference to an Act includes a reference to statutory instruments made or in force under the Act, including regulations and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

- (2) The person may give the chief executive a written undertaking (a *safety undertaking*) to comply with the provision in relation to the substance.
- (3) The safety undertaking must—
 - (a) state that it is an enforceable undertaking under this Act; and
 - (b) acknowledge that the chief executive alleges that the person has contravened a stated provision of this Act (the *alleged contravention*); and

- (c) identify the facts and circumstances of the alleged contravention; and
- (d) include 1 or more undertakings relating to the alleged contravention; and
- (e) include a statement to the effect that each person who is required to comply with a duty under this Act must comply with the duty whether or not someone else may also be responsible for complying with the duty.

Examples of undertakings

- 1 to cease a certain conduct
- 2 to take particular action to compensate people adversely affected by a contravention of this Act
- 3 to take particular action to rectify a state of affairs that arose as a direct or indirect result of the contravention
- 4 to take particular action (including implementing particular systems) to prevent future contraventions of this Act
- 5 to implement publicity or education programs

Note An example is part of this Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

124 Acceptance of safety undertaking

- (1) The chief executive may accept a safety undertaking by written notice given to the person who gave the undertaking.
- (2) On the acceptance of the safety undertaking, the undertaking becomes an enforceable undertaking.

125 Withdrawal from or amendment of enforceable undertaking

- (1) A relevant person for an enforceable undertaking may withdraw from or amend the undertaking only with the chief executive's written agreement.
- (2) However, the enforceable undertaking may not be amended to provide for a different alleged contravention.

126 Term of enforceable undertaking

- (1) A safety undertaking is enforceable from the time it becomes an enforceable undertaking.
- (2) The chief executive may end an enforceable undertaking by written notice to the relevant person for the undertaking if satisfied that the undertaking is no longer necessary or desirable.
- (3) The chief executive may act under subsection (2) on the chief executive's own initiative or on the application of the relevant person for the enforceable undertaking.
- (4) The undertaking ends when the relevant person for the enforceable undertaking receives the chief executive's notice.

127 Safety undertaking not admission of fault etc

- (1) This section applies if a person gives the chief executive a safety undertaking, whether or not the undertaking is accepted by the chief executive.
- (2) Giving the safety undertaking—
 - (a) is not an express or implied admission of fault or liability by the person in relation to the alleged contravention; and
 - (b) is not relevant to deciding fault or liability in relation to the alleged contravention.

128 Contravention of enforceable undertakings

- (1) If the chief executive believes, on reasonable grounds, that an enforceable undertaking has been contravened by anyone, the chief executive may apply to the Magistrates Court for an order under subsection (2).

- (3) A person commits an offence if the person fails to take all reasonable steps to comply with an order under subsection (2).

Maximum penalty: 200 penalty units.
- (4) An offence against this section is a strict liability offence.

Part 6.6 Injunctions

129 Injunctions to restrain offences against Act

- (1) This section applies if a person has committed, is committing, or is likely to commit, an offence against this Act.

Note 1 A reference to an offence against a Territory law includes a reference to an offence against the Criminal Code, part 2.4 (Extensions of criminal responsibility) or the *Crimes Act 1900*, section 181 (Accessory after the fact) that relates to the Territory law (see Legislation Act, s 189).

Note 2 A reference to an Act includes a reference to statutory instruments made or in force under the Act, including regulations and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

- (2) The chief executive or any other interested person may apply to the Magistrates Court for an injunction.
- (3) On application under subsection (2), the Magistrates Court may grant an injunction restraining the person from contravening this Act (including by requiring the person to do something).
- (4) The Magistrates Court may grant the injunction—
- whether or not it appears to the court that the person intends to contravene this Act, contravene this Act again or continue to contravene this Act; and
 - whether or not the person has previously contravened this Act; and
 - whether or not there is a likelihood of the health or safety of a person being affected by, or property or the environment being damaged by, a hazard if the person contravenes this Act; and
 - whether or not a proceeding for an offence against this Act has begun or is about to begin.

- (5) The Magistrates Court may grant an interim injunction restraining the person from committing an offence against this Act (including requiring the person to do something) before deciding an application for an injunction under this section.

130 Enforcement of injunctions

The Magistrates Court has the same powers as the Supreme Court to enforce an injunction (including an interim injunction) made under this part.

131 Amendment or discharge of injunctions

The Magistrates Court may amend or discharge an injunction (including an interim injunction) made under this part on the application of the chief executive or any other interested person.

132 Interim injunctions—undertakings about damages

- (1) If the chief executive applies for an injunction under this part, the Magistrates Court must not require the chief executive to give an undertaking about costs or damages as a condition of granting an interim injunction.
- (2) The Magistrates Court must accept an undertaking from the chief executive about costs or damages, and not require a further undertaking from anyone else, if—
- (a) the applicant for an injunction under this part is not the chief executive; and
 - (b) the court would, apart from this subsection, require the applicant to give an undertaking about costs or damages; and
 - (c) the chief executive gives the undertaking.

133 Magistrates Court's other powers not limited

- (1) The powers given to the Magistrates Court under this part are in addition to any other powers of the court.
- (2) In particular, an application to the Magistrates Court for an injunction under this part may be made without notice to the person against whom the injunction is sought.

Part 6.7 Taking and analysis of samples

134 Inspector may buy samples without complying with pt 6.7

This part does not stop an inspector from buying a sample of a substance for analysis for the routine monitoring of compliance with this Act without complying with the requirements of this part.

Note For the admissibility of the analysis of a sample of a substance taken by an inspector, see s 204.

135 Person in charge etc to be told sample to be analysed

- (1) This section applies if an inspector proposes to take, or takes, a sample of a substance for analysis from premises where a dangerous substance is handled.
- (2) Before or as soon as practicable after taking the sample, the inspector must tell a person in charge of the premises of the inspector's intention to have the sample analysed.
- (3) If a person in charge is not present or readily available, the inspector must instead tell the person from whom the sample was obtained of the inspector's intention to have the sample analysed.

136 Payment for samples

- (1) This section applies if an inspector takes a sample of a substance for analysis from premises where a dangerous substance is handled.
- (2) The inspector must pay, or offer to pay, to the person from whom the sample is taken—
 - (a) the amount (if any) prescribed under the regulations as the amount payable for the sample; or
 - (b) if no amount is prescribed—the current market value of the sample.

137 Samples from packaged substances

If a package of a substance contains 2 or more smaller packages of the same substance, the inspector may take 1 of the smaller packages for analysis.

138 Procedures for dividing samples

- (1) This section applies to a sample of a substance being taken by an inspector for analysis and is subject to section 139.
- (2) The inspector must—
 - (a) divide the sample into 3 separate parts, and mark and seal or fasten each part; and
 - (b) leave 1 part with the person told under section 135 (Person in charge etc to be told sample to be analysed) of the inspector's intention to have the sample analysed; and
 - (c) keep 1 of the parts for analysis; and
 - (d) keep 1 part for future comparison with the other parts of the sample.
- (3) If a sample of a substance taken by an inspector is in the form of separate or severable objects, the inspector—
 - (a) may take a number of the objects; and
 - (b) divide them into 3 parts each consisting of 1 or more of the objects, or of the severable parts of the objects, and mark and seal or fasten each part; and
 - (c) deal with the sample under subsection (2) (b) to (d).

139 Exception to s 138

- (1) This section applies to a sample of a substance being taken by an inspector for analysis if dividing the substance into 3 separate parts would, in the inspector's opinion—

- (a) so affect or impair the composition or quality of the sample as to make the separate parts unsuitable for accurate analysis; or
 - (b) result in the separate parts being of an insufficient size for accurate analysis; or
 - (c) otherwise make the sample unsuitable for analysis (including a method of analysis prescribed under the regulations for the substance in relation to which the sample was taken).
- (2) The inspector may take as many samples as the inspector considers necessary to allow an accurate analysis to be made, and may deal with the sample or samples in any way that is appropriate in the circumstances, instead of complying with section 138.

140 Certificates of analysis by authorised analysts

- (1) The analysis of a sample of a substance for the chief executive must be carried out by, or under the supervision of, an authorised analyst.
- (2) The authorised analyst must give to the chief executive a certificate of analysis that—
 - (a) is signed and dated by the analyst; and
 - (b) contains a written report of the analysis that sets out the findings; and
 - (c) identifies the method of analysis.

Note 1 If a form is approved under s 222 for the certificate, the form must be used.

Note 2 For the evidentiary status of a certificate under this section, see s 203.

157 Warrants generally

- (1) An inspector may apply to a magistrate for a warrant to enter premises.
- (2) The application must be sworn and state the grounds on which the warrant is sought.
- (3) The magistrate may refuse to consider the application until the inspector gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.
- (4) The magistrate may issue a warrant only if satisfied there are reasonable grounds for suspecting—
 - (a) there is a particular thing or activity connected with an offence against this Act; and
 - (b) the thing or activity is, or is being engaged in, at the premises, or may be, or may be engaged in, at the premises within the next 14 days.

Note At premises includes in or on the premises (see dict).

 - (c) the things that may be seized under the warrant; and
 - (d) the hours when the premises may be entered; and
 - (e) the date, within 14 days after the day of the warrant's issue, that the warrant ends.

(6) In this section:

connected—an activity is ***connected*** with an offence if—

- (a) the offence has been committed by engaging or not engaging in it; or
- (b) it will provide evidence of the commission of the offence.

Note For the meaning of thing ***connected*** with an offence, see s 141.

158 Warrants—application made other than in person

- (1) An inspector may apply for a warrant by phone, fax, radio or other form of communication if the inspector considers it necessary because of—
 - (a) urgent circumstances; or
 - (b) other special circumstances.
- (2) Before applying for the warrant, the inspector must prepare an application stating the grounds on which the warrant is sought.
- (3) The inspector may apply for the warrant before the application is sworn.
- (4) After issuing the warrant, the magistrate must immediately fax a copy to the inspector if it is practicable to do so.
- (5) If it is not practicable to fax a copy to the inspector—
 - (a) the magistrate must—
 - (i) tell the inspector what the terms of the warrant are; and
 - (ii) tell the inspector the date and time the warrant was issued; and
 - (b) the inspector must complete a form of warrant (the ***warrant form***) and write on it—
 - (i) the magistrate's name; and

- (ii) the date and time the magistrate issued the warrant; and
 - (iii) the warrant's terms.
- (6) The faxed copy of the warrant, or the warrant form properly completed by the inspector, authorises the entry and exercise of the inspector's powers under this chapter.
- (7) The inspector must, at the first reasonable opportunity, send to the magistrate—
 - (a) the sworn application; and
 - (b) if the inspector completed a warrant form—the completed warrant form.
- (8) On receiving the documents, the magistrate must attach them to the warrant.
- (9) A court must find that a power exercised by an inspector was not authorised by a warrant under this section if—

- (c) if a person in charge of the premises, or someone else who apparently represents the person, is present at the premises—
identify himself or herself to the person.
- (2) The inspector is not required to comply with subsection (1) if the inspector believes, on reasonable grounds, that immediate entry to the premises is required to ensure—
 - (a) the safety of anyone (including the inspector or any person assisting); or
 - (b) that the effective execution of the warrant is not frustrated.

160 Details of search warrant to be given to person in charge etc

If a person in charge of the premises, or someone else who apparently represents the person, is present at the premises while a search warrant is being executed, the inspector or a person assisting must make available to the person—

161 Person in charge entitled to be present during search etc

- (1) If a person in charge of premises, or someone else who apparently represents the person, is present at the premises while a search warrant is being executed, the person in charge or the other person is entitled to observe the search being conducted.
- (2) However, the person is not entitled to observe the search if—
 - (a) to do so would impede the search; or
 - (b) the person is under arrest, and allowing the person to observe the search being conducted would interfere with the objectives of the search.

- (3) This section does not prevent 2 or more areas of the premises being searched at the same time.

162 Moving things to another place for examination or processing

- (1) A thing found at premises entered under a search warrant may be moved to another place for examination or processing to decide whether it may be seized under the warrant if—
- (a) both of the following apply:
- (i) there are reasonable grounds for believing that the thing is or contains something to which the warrant relates;
 - (ii) it is significantly more practicable to do so having regard to the timeliness and cost of examining or processing the thing at another place and the availability of expert assistance; or
- (b) a person in charge of the premises agrees in writing.
- (2) The thing may be moved to another place for examination or processing for no longer than 72 hours.
- (3) An inspector may apply to a magistrate for an extension of time if the inspector believes, on reasonable grounds, that the thing cannot be examined or processed within 72 hours.
- (4) The inspector must give notice of the application to a person in charge of the premises, and the person is entitled to be heard on the application.

- (1) An inspector or a person assisting may operate electronic equipment at premises entered under a search warrant to access data (including data not held at the premises) if the inspector or person believes, on reasonable grounds, that—
 - (a) the data might be something to which the warrant relates; and
 - (b) the equipment can be operated without damaging the data.
- (2) If the inspector or person assisting believes, on reasonable grounds, that any data accessed by operating the electronic equipment might be something to which the warrant relates, the inspector or person may—
 - (a) copy the data to a data storage device brought to the premises; or
 - (b) if a person in charge of the premises agrees in writing—copy the data to a data storage device at the premises.
- (3) The inspector or person assisting may take the device from the premises.
- (4) The inspector or person assisting may do the following things if the inspector or person finds that anything to which the warrant relates (the *material*) is accessible using the equipment:
 - (a) seize the equipment and any data storage device;

- (b) if the material can, by using facilities at the premises, be put in documentary form—operate the facilities to put the material in that form and seize the documents produced.
- (5) An inspector may seize equipment under subsection (4) (a) only if—
 - (a) it is not practicable to copy the data as mentioned in subsection (2) or to put the material in documentary form as mentioned in subsection (4) (b); or
 - (b) possession of the equipment by a person in charge of the premises or someone else could be an offence.

164 Person with knowledge of computer or computer system to assist access etc

- (1) An inspector may apply to a magistrate for an order requiring a stated person to provide any information or assistance that is reasonably necessary to allow the inspector or a person assisting to do 1 or more of the following:
 - (a) access data held in or accessible from a computer that is at the premises;
 - (b) copy the data to a data storage device;
 - (c) convert the data into documentary form.
- (2) The magistrate may make an order if satisfied that—
 - (a) there are reasonable grounds for suspecting that something to which the warrant relates is accessible from the computer; and
 - (b) the stated person is—
 - (i) reasonably suspected of possessing, or having under the person's control, something to which the warrant relates; or
 - (ii) the owner or lessee of the computer; or

- (iii) an employee or agent of the owner or lessee of the computer; and
 - (c) the stated person has knowledge of—
 - (i) the computer or a computer network of which the computer forms a part; or

- (3) A person commits an offence if the person contravenes an order under this section.
Maximum penalty: 50 penalty units, imprisonment for 6 months or both.
- (4) The provisions of this chapter relating to the issue of search warrants apply, with any necessary changes, to the making of an order under this section.

165 Securing electronic equipment

 - (a) something to which the warrant relates (the *material*) may be accessible by operating electronic equipment at the premises; and
 - (b) expert assistance is required to operate the equipment; and
 - (c) the material may be destroyed, altered or otherwise interfered with if the inspector or person does not take action.
- (2) The inspector or person may do whatever is necessary to secure the equipment, whether by locking it up, placing a guard or otherwise.
- (3) The inspector or a person assisting must give written notice to a person in charge of the premises of—

- (a) the inspector's or person's intention to secure the equipment;
and
 - (b) the fact that the equipment may be secured for up to 24 hours.
- (4) The equipment may be secured until the earlier of the following events happens:
- (a) the end of the 24-hour period;
 - (b) the equipment is operated by the expert.
- (5) If the inspector or a person assisting believes on reasonable grounds that the expert assistance will not be available within the 24-hour period, the inspector or person may apply to a magistrate to extend the period.
- (6) The inspector or a person assisting must tell a person in charge of the premises of the intention to apply for an extension, and the person is entitled to be heard on the application.
- (7) The provisions of this chapter relating to the issue of search warrants apply, with any necessary changes, to the giving of an extension under this section.

166 Copies of seized things to be provided

- (1) This section applies if—

 - (b) the inspector seizes—
 - (i) a document, film, computer file or something else that can be readily copied; or
 - (ii) a data storage device containing information that can be readily copied.

- (2) The person in charge or other person may ask the inspector to give the person a copy of the thing or information.
- (3) The inspector must give the person the copy as soon as practicable after the seizure.
- (4) However, the inspector is not required to give the copy if—
 - (a) the thing was seized under section 163 (Use of electronic equipment at premises); or
 - (b) possession of the thing or information by a person in charge of the premises or someone else would be an offence.

Part 7.4 **Return and forfeiture of things seized**

167 **Receipt for things seized**

- (1) As soon as practicable after a thing is seized by an inspector under this chapter, the inspector must give a receipt for it to the person from whom it was seized.

 - (b) for anything else—to inspect it.
- (3) This section does not apply to—
- (a) a thing seized under section 152 (4) (which is about the seizure of a thing that poses a risk to the health or safety of people or of damage to property or the environment); or
 - (b) a thing seized under section 163 (Use of electronic equipment at premises); or
 - (c) a thing or information if possession of it by the person otherwise entitled to inspect it would be an offence.

169 Return of things seized

- (1) A thing seized under this chapter must be returned to its owner, or reasonable compensation must be paid to the owner by the Territory for the loss of the thing, if—
- (a) an infringement notice for an offence connected with the thing is not served on the owner within 1 year after the day of the seizure and either—
 - (i) a prosecution for an offence connected with the thing is not begun within the 1-year period; or
 - (ii) a prosecution for an offence connected with the thing is begun within the 1-year period but the court does not find the offence proved; or
 - (b) an infringement notice for an offence connected with the thing is served on the owner within 1 year after the day of the seizure, the infringement notice is withdrawn and—
 - (i) a prosecution for an offence connected with the thing is not begun within the 1-year period; or

- (ii) a prosecution for an offence connected with the thing is begun within the 1-year period but the court does not find the offence proved; or
 - (c) an infringement notice for an offence connected with the thing is served on the owner within 1 year after the day of the seizure, liability for the offence is disputed in accordance with the *Magistrates Court Act 1930*, section 132 (Disputing liability for infringement notice offence) and—
 - (i) an infringement notice is not laid in the Magistrates Court against the person for the offence within 60 days after the day notice is given under section 132 that liability is disputed; or
 - (ii) the Magistrates Court does not find the offence proved; or
 - (d) before the thing is forfeited to the Territory under section 173 (Forfeiture of seized things), the chief executive—
 - (i) becomes satisfied that there has been no offence against this Act with which the thing was connected; or
 - (ii) decides not to prosecute or serve an infringement notice for the offence.
- (2) However, this section does not apply—
- (a) to a thing seized under section 152 (4) (which is about the seizure of things that pose a risk to the health or safety of people or of damage to property or the environment)); or
 - (b) to a thing if the chief executive believes, on reasonable grounds, that the only practical use of the thing in relation to the premises where it was seized would be an offence against this Act; or
 - (c) to a thing if possession of it by its owner would be an offence.

170 Application for order disallowing seizure

- (1) A person claiming to be entitled to anything seized under this chapter may apply to the Magistrates Court within 10 days after the day of the seizure for an order disallowing the seizure.
- (2) However, this section does not apply to a thing seized under section 152 (4) (which is about the seizure of things that pose a risk to the health or safety of people or of damage to property or the environment).
- (3) The application may be heard only if the applicant has served a copy of the application on the chief executive.
- (4) The chief executive is entitled to appear as respondent at the hearing of the application.

171 Order for return of seized thing

- (1) This section applies if a person claiming to be entitled to anything seized under this chapter applies to the Magistrates Court under section 170 for an order disallowing the seizure.
- (2) The Magistrates Court must make an order disallowing the seizure if the court is satisfied that—
 - (a) the applicant would, apart from the seizure, be entitled to the return of the seized thing; and
 - (b) the thing is not connected with an offence against this Act; and
 - (c) possession of the thing by the person would not be an offence.
- (3) The Magistrates Court may also make an order disallowing the seizure if satisfied there are exceptional circumstances justifying the making of the order.

- (4) If the Magistrates Court makes an order disallowing the seizure, the court may make 1 or more of the following ancillary orders:
- (a) an order directing the chief executive to return the thing to the applicant or to someone else that appears to be entitled to it;
 - (b) if the thing cannot be returned or has depreciated in value because of the seizure—an order directing the Territory to pay reasonable compensation;
 - (c) an order about the payment of costs in relation to the application.

172 Adjourment pending hearing of other proceedings

- (1) This section applies to the hearing of an application under section 170 (Application for order disallowing seizure).

173 Forfeiture of seized things

- (1) This section applies if—
- (a) anything seized under this chapter has not been destroyed or otherwise disposed of under section 154 (Power to destroy unsafe things) or returned under section 169 (Return of things seized); and
 - (b) an application for disallowance of the seizure under section 170 (Application for order disallowing seizure)—

- (2) If this section applies to the seized thing—
 - (a) it is forfeited to the Territory; and
 - (b) it may be sold, destroyed or otherwise disposed of as the chief executive directs.

174 Return of forfeited things

- (1) This section applies to something forfeited under section 173 that has not been disposed of in a way that would prevent its return.
- (2) If the chief executive becomes satisfied that there has been no offence against this Act with which the thing was connected, the chief executive must, as soon as practicable, return the thing to the person from whom it was seized or someone else who appears to the chief executive to be entitled to it.
- (3) On its return, any proprietary and other interests in the thing that existed immediately before its forfeiture are restored.

175 Cost of disposal of things forfeited

- (1) This section applies if—
 - (a) a person is convicted, or found guilty, of an offence against this Act in relation to something forfeited to the Territory under this chapter; and
 - (b) the thing was connected with an offence against this Act; and
 - (c) the person was the owner of the thing immediately before its forfeiture.

Note For the meaning of *found guilty*, see Legislation Act, dict, pt 1.

- (2) If this section applies, costs incurred by or on behalf of the Territory in relation to the lawful disposal of the thing (including storage costs) are a debt owing to the Territory by the person.

Part 7.5 Other enforcement provisions

176 Damage etc to be minimised

- (1) In the exercise, or purported exercise, of a function under this chapter, an inspector must take all reasonable steps to ensure that the inspector, and any person assisting, causes as little inconvenience, detriment and damage as is practicable.
- (2) If an inspector, or a person assisting, damages anything in the exercise or purported exercise of a function under this chapter, the inspector must give written notice of particulars of the damage to the person whom the inspector believes, on reasonable grounds, is the owner of the thing.
- (3) If the damage happens at premises entered under this chapter in the absence of a person in charge of the premises, the notice may be given by leaving it secured in a conspicuous place at the premises.

177 Compensation to be paid in certain circumstances

- (1) A person may claim compensation from the Territory if the person suffers loss or expense because of the exercise, or purported exercise, of a function under this chapter by an inspector or person assisting.
- (2) Compensation may be claimed and ordered in a proceeding for—
 - (a) compensation brought in a court of competent jurisdiction; or
 - (b) an order under section 170 (Application for order disallowing seizure); or

- (3) A court may order the payment of reasonable compensation for the loss or expense only if it is satisfied it is just to make the order in the circumstances of the particular case.
- (4) The regulations may prescribe matters that may, must or must not be taken into account by the court in considering whether it is just to make the order.

Chapter 8 Emergency powers

178 **Meaning of *recall order* for ch 8**

In this chapter:

recall order means an emergency order requiring the recall or disposal, or both, of a dangerous substance.

179 **Emergency orders**

The Minister may, in writing, make an order (an *emergency order*) if the Minister believes, on reasonable grounds, that the order is necessary to prevent or minimise a risk of serious harm to the health or safety of people, or substantial damage to property or the environment, from a hazard associated with a dangerous substance.

Note 1 An order may be made in relation to a particular kind of dangerous substance (see Legislation Act, s 48).

Note 2 The power to make an instrument includes the power to amend or repeal the instrument (see Legislation Act, s 46).

180 **Nature of emergency orders**

An emergency order in relation to a dangerous substance may do 1 or more of the following:

- (a) require the publication of warnings, in a form approved by the Minister, that the substance is unsafe;
- (b) prohibit the handling of the substance or particular kinds of handling of the substance, including, for example, the sale of the substance;
- (c) prohibit the advertising of the substance;

- (d) require the recall of the substance if it has been consigned or distributed for sale or sold and state how, and the period within which, the recall is to be conducted;
- (e) require the destruction or other disposal of the substance, and state how the disposal is to be done;
- (f) prohibit absolutely the carrying on of an activity in relation to the substance, or permit the carrying on of the activity only in accordance with conditions stated in the order;
- (g) require the taking and analysis of samples of the substance or of water, soil or anything else that is part of the environment where the activity is or has been engaged in in relation to the substance;
- (h) require that stated methods be used for analysis of any samples required to be taken in accordance with the order.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

181 Special provisions for recall orders

- (1) A recall order in relation to a dangerous substance may require a person bound by the order to tell the public (or a stated part of the public), in a stated way, 1 or more of the following:
 - (a) the substance to be recalled or disposed of;
 - (b) the reasons why the substance is considered to be a hazard;
 - (c) the circumstances in which the substance may cause a risk;
 - (d) procedures for disposing of the substance.
- (2) A person who is required by a recall order to recall a dangerous substance must give written notice to the chief executive of the completion of the recall as soon as practicable after its completion.

- (3) A person bound by a recall order is liable to the Territory for any costs incurred by the Territory in relation to the recall order.

Note The costs may be recovered in a court of competent jurisdiction (see Legislation Act, s 177).

- (4) In a proceeding for the recovery of any costs, a certificate signed by the chief executive stating the amount of the costs, and how they were incurred, is evidence of the matters stated in the certificate.

182 How emergency orders are made

- (1) An emergency order may be addressed to—
- (a) a person or 2 or more people; or
 - (b) a class of people or the general public.

- (2) A copy of an emergency order mentioned in subsection (1) (a) must be served on the person or people to whom it is addressed.

Note For how documents may be served, see Legislation Act, pt 19.5.

- (3) Notice of an emergency order mentioned in subsection (1) (b) must be published as soon as practicable after the order is made in a newspaper that, in the Minister's opinion, will be most likely to bring the order to the attention of the people to be bound by it.
- (4) The notice must set out the terms of the order and the people to be bound by it.
- (5) An emergency order, when it takes effect, is binding on the person or people to whom it is addressed.
- (6) An emergency order that is served on a person takes effect in relation to the person when it is served on the person.
- (7) An emergency order that is published under subsection (3) takes effect on the day after the day the order's 1st published under that subsection.

- (8) An order ends at the end of 90 days after the day it takes effect unless it is sooner revoked.
- (9) Subsection (8) does not prevent a further order being made in the same terms as an order that has ended.

183 Stay or variation of emergency orders by Supreme Court

- (1) A person bound by an emergency order may apply to the Supreme Court for an order staying or otherwise affecting the operation of the order.
- (2) The Supreme Court may make an order staying or otherwise affecting the operation of an emergency order only if satisfied that the making of the order will not—
 - (a) create or significantly increase the possibility of a risk of serious harm to the health or safety of people, or substantial damage to property or the environment, from a hazard associated with a dangerous substance; or
 - (b) aggravate significantly the harm to the health or safety of people, or damage to property or the environment, from a substantial hazard associated with a dangerous substance.
- (3) In deciding whether to make an order under this section, the Supreme Court must have regard to section 185 (Compensation for emergency order).

184 Failure to comply with emergency order

- (1) A person commits an offence if—
 - (a) the person contravenes a prohibition imposed on the person by an emergency order; or

- (b) the person fails to take all reasonable steps to comply with a direction given by an emergency order.

Maximum penalty: 500 penalty units.

- (2) In this section:

emergency order includes an emergency order as affected by any order of the Supreme Court under section 183.

185 Compensation for emergency order

- (1) This section applies if—
- (a) an emergency order has been made that binds, or has bound, a person; and
 - (b) the person suffers loss or damage because of the making of the order; and
 - (c) the person considers that there were insufficient grounds to make the order.
- (2) The person may apply, in writing, to the Minister for compensation.
- (3) The application must state the reasons why the person considers that there were insufficient grounds to make the emergency order.
- (4) If, after considering the application, the Minister is satisfied that there were insufficient grounds to make the emergency order, the Territory must pay the person the reasonable compensation decided by the Minister.
- (5) However, compensation is not payable to the person—
- (a) in relation to any loss or damage suffered by the person because of an act or omission of the person; or
 - (b) if the person caused or contributed to the relevant risk or harm to the health or safety of people or of damage to property or the environment.

- (6) The Minister must give the person written notice of the Minister's decision on the application.
- (7) If the Minister does not decide the application within 28 days after the day the Minister receives the application, the Minister is taken to have refused to pay compensation.

Chapter 9 Administrative review of decisions

186 Application of ch 9

This chapter applies to a decision (a *reviewable decision*)—

- (a) made by the Minister, chief executive or an inspector under this Act; and
- (b) prescribed under the regulations for this section.

187 Notice of reviewable decisions

- (1) If the Minister, chief executive or inspector (the *decision-maker*) makes a reviewable decision, the decision-maker must give written notice of the decision to each person prescribed under the regulations for the decision.
- (2) The notice must comply with the requirements of the code of practice in force under the *Administrative Appeals Tribunal Act 1989*, section 25B (1).
- (3) In particular, the notice must tell the person—
 - (a) whether the person has the right to apply for internal review of the decision or the right to apply to the administrative appeals tribunal for review of the decision, and how the application must be made; and
 - (b) if the person has the right to apply for internal review of the decision—that person has the right to apply to the administrative appeals tribunal for review of the decision on the internal review if the person is dissatisfied with that decision; and

- (c) about the options available under other ACT laws to have the decision reviewed by a court or the ombudsman.

188 Internal review of certain decisions

- (1) This section applies if the regulations declare that a reviewable decision is a decision that is subject to internal review (an *internally reviewable decision*).
- (2) A person whose interests are affected by an internally reviewable decision may apply in writing to the chief executive for internal review of the decision.
- (3) The chief executive must arrange for someone else (the *internal reviewer*) to review the decision.
- (4) However, this section does not apply to a reviewable decision made personally by the Minister or the chief executive.

Note Section 191 (b) provides for AAT review of decisions exempt from internal review.

189 Applications for internal review

- (1) An application for internal review of an internally reviewable decision must be made within—
 - (a) 28 days after the day when the applicant is told about the decision by the decision-maker; or
 - (b) any longer period allowed by the internal reviewer, whether before or after the end of the 28-day period.
- (2) The application must set out the grounds on which internal review of the decision is sought.
- (3) The making of the application for internal review of the decision does not affect the operation of the decision.

190 Internal review

- (1) The internal reviewer must review the internally reviewable decision, and confirm, vary or revoke the decision, within 5 business days after the decision-maker receives the application for internal review of the decision.

Note For the meaning of *business day*, see Legislation Act, dict, pt 1.

- (2) If the decision is not varied or revoked within the 5-day period, the decision is taken to have been confirmed by the internal reviewer.
- (3) As soon as practicable after reviewing the decision, the internal reviewer must give written notice of the decision on the internal review to the applicant.
- (4) The notice must be in accordance with the requirements of the code of practice in force under the *Administrative Appeals Tribunal Act 1989*, section 25B (1).
