- 2 operational planning for response to a fuel shortage emergency

---

**5 New section 19A**

*insert*

**19A Delegation by commissioner**

The commissioner may delegate the commissioner's functions under this Act or another territory law to a public servant or a member of an emergency service.

*Note* For the making of delegations and the exercise of delegated functions, see the Legislation Act, pt 19.4.

**6 Section 54**

*substitute*

**54 Rural fire brigades**

- (1) The chief officer (rural fire service) may establish rural fire brigades for the rural fire service.
- (2) The chief officer (rural fire service) must, after consulting with the bushfire council, determine the number of rural fire brigades for the rural fire service.
- (3) The chief officer (rural fire service) may also determine names for the brigades.
- (4) A determination under this section is a notifiable instrument.

*Note* A notifiable instrument must be notified under the Legislation Act.

**7 Section 59**

*substitute*

**59 SES operational units**

- (1) The chief officer (SES) may establish operational units for the SES.

- (2) The chief officer (SES) must determine the number of operational units for the SES.
- (3) The chief officer (SES) may also determine names for the operational units.
- (4) A determination under this section is a notifiable instrument.

*Note* A notifiable instrument must be notified under the Legislation Act.

## **8 New section 59A**

*in part 4.4, insert*

### **59A Ranks for SES members**

The chief officer (SES) may give members of the SES various ranks in accordance with the standards and protocols for the SES.

*substitute*

- (b) inviting interested people to give written comments about the draft plan to the authority at a stated address during a stated period ending at least 15 business days after the end of the period mentioned in paragraph (a).

---

**11 Assessment of resources and capabilities**  
**Section 76 (1)**

*substitute*

- (1) After the Minister makes the strategic bushfire management plan, the authority must conduct an assessment, based on the plan, of available resources and capabilities for bushfire prevention and preparedness.

**12 Sections 78 and 79**

*substitute*

**78 Bushfire operational plans**

- (1) This section applies to a person who is—
  - (a) the manager of an area of unleased territory land or land occupied by the Territory, unless the land is exempt from the operation of this section under the strategic bushfire management plan; and
  - (b) the owner of an area of land in a bushfire abatement zone if—
    - (i) the strategic bushfire management plan sets out requirements for a bushfire operational plan for the bushfire abatement zone; and
    - (ii) the land is identified in the strategic bushfire management plan as land for which a bushfire operational plan must be prepared; and
    - (iii) there is no land management agreement applying to the land that is consistent with the strategic bushfire management plan.
- (2) The person must give the authority a draft bushfire operational plan for the area in accordance with the strategic bushfire management plan.

- (3) The authority may—
  - (a) approve the draft bushfire operational plan for the area; or
  - (b) approve the draft plan for the area with stated amendments; or
  - (c) decide not to approve the draft plan.
- (4) The authority is taken to have approved a draft bushfire operational plan without amendments if the authority does not make a decision about the approval within 40 working days after the day the plan is given to the authority.
- (5) The person must review the bushfire operational plan and give the authority a draft updated bushfire operational plan at intervals of not longer than 2 years.
