## About this republication

### The republished law

This is a republication of the *Long Service Leave (Portable Schemes) Act 2009* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 October 2022. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 October 2022.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register ([www.legislation.act.gov.au](http://www.legislation.act.gov.au)). For more information, see the home page for this law on the register.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

### Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see *Legislation Act 2001*, s 133).

# Long Service Leave (Portable Schemes) Act 2009

---

An Act to provide for the portability of long service entitlements in certain industries, and for other purposes

---

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Long Service Leave (Portable Schemes) Act 2009*.

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act.

For example, the signpost definition ‘*reviewable decision*, for part 9 (Notification and review of decisions)—see section 80.’ means that the term ‘reviewable decision’ is defined in that section for part 9.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

### 4 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

## 5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1 Criminal Code*

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2 Penalty units*

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

## Part 2 Key concepts

### 6 What is a *covered industry*?

Each of the following is a *covered industry*:

- (a) the building and construction industry;
- (b) the contract cleaning industry;
- (c) the community sector industry;
- (d) the security industry.

*Note 1 Building and construction industry*—see sch 1, s 1.1.

*Note 2 Contract cleaning industry*—see sch 2, s 2.1.

*Note 3 Community sector industry*—see sch 3, s 3.1.

*Note 4 Security industry*—see sch 4, s 4.1.

### 7 Who is an *employer*?

- (1) An *employer*, for a covered industry, is a person engaged in the industry in the ACT who—
  - (a) employs someone else (whether in the ACT or elsewhere) to carry out work in the industry; or
  - (b) is declared to be an employer for the industry under section 12 (Declarations by Minister—additional coverage of Act).
- (2) Also, a person is an *employer* for a covered industry if—
  - (a) the person employs or engages someone else (a *worker*) to carry out work in the industry for another person engaged in the industry in the ACT for a fee or reward; and

- (b) there is no contract to carry out the work between the worker and the person for whom the work is carried out.

*Note* This section does not make an employment agent the employer of those for whom the agency finds work if the workers are engaged directly by the person for whom the work is to be carried out.

- (3) However, the following are not *employers*:

- (a) the Territory;
- (b) the Commonwealth;
- (c) the Australian National University;

- (g) a person prescribed by regulation.

*Note 1* **Covered industry schedule**—see the dictionary.

*Note 2* Power to make a statutory instrument (including a regulation) includes power to make different provision in relation to different matters or different classes of matters, and to make an instrument that applies differently by reference to stated exceptions or factors (see [Legislation Act](#), s 48).

**8 Who is a *worker*?**

Each of the following is a *worker* for a covered industry:

- (a) an employee for the industry;

*Note 1* An individual may be declared by the Minister to be an employee or a voluntary member for a covered industry (see s 12).

*Note 2* An individual may be declared by the Minister not to be an employee or a voluntary member for a covered industry (see s 13).

**9 Who is an *employee*?**

- (1) An individual is an *employee* for a covered industry if the individual—

- (a) is—
  - (i) employed by an employer for the industry (whether in the ACT or elsewhere); or

- (b) a part-time employee; or
- (c) a casual employee; or
- (d) a person remunerated at piecework rates or completely or partly by commission; or

(e) an apprentice.

*Note* For this Act, an individual declared to be an employee of a stated employer is taken to be employed by the employer (see s 12 (5)).

## 10 Who is a *voluntary member*?

- (1) An individual is a *voluntary member* for a covered industry if—
- (a) the individual is—
    - (i) a contractor; or
    - (ii) a working director; or
    - (iii) declared to be a voluntary member for the industry under section 12; and
  - (b) the individual is not declared not to be a voluntary member for the industry under section 13.
- (2) In this section:

*contractor* means an individual (other than an employee) who carries out work in the industry for another person for fee or reward on the individual's own account.

*Note 2* **Cleaning work**—see sch 2, s 2.2.

*Note 3* **Community sector work**—see sch 3, s 3.2.

*Note 4* **Security work**—see sch 4, s 4.2.

- (b) includes work in a covered industry carried out outside the ACT only if—
  - (i) if the work is carried out by an employee—the employer—
    - (A) gives the authority a quarterly return under section 49 in relation to the work; and
    - (B) pays the authority the levy payable by the employer under section 50 for the quarter; and
  - (ii) if the work is carried out by a voluntary member—the voluntary member—
    - (A) gives the authority a quarterly return under section 54 in relation to the work; and

- (5) A person declared to be an employee of a stated employer is taken to be employed by the employer.

- (a) long service leave must be taken in the reverse order in which it accrued; and
  - (b) if payment instead of long service leave is being made—the payment is made in relation to the leave in the order in which it accrued.

### **Example**

Patricia has 10 years of service in the contract cleaning industry giving her an entitlement to 8.3 weeks long service leave. She first worked in the industry as a registered employee and accrued 5 weeks of the entitlement in that capacity. Patricia then worked as a registered voluntary member and accrued 3.3 weeks of the entitlement in that capacity.

Patricia decides to take 7 weeks long service leave. The payment for the leave is the total of the following amounts:

- the amount calculated under s 2.12 where ‘D’ is 1825 (ie it took 1825 days of service as a registered employee to accrue the first 5 weeks of her long service leave entitlement);

- the amount calculated under s 2.13 which is the total of the amounts paid to the authority under s 57 for her first 2.41 years work as a registered voluntary member (ie it took that period of service as a registered voluntary member to accrue the next 2 weeks of her long service leave entitlement) and the interest under s 2.13 on those amounts.

## 2.12 Leave payments for service as registered employee—contract cleaning industry

- (1) For section 2.11, the amount payable to a registered worker for long service leave for service accrued as a registered employee for the contract cleaning industry is the amount worked out as follows:

$$0.8667 \times \frac{D}{365} \times R$$

- (2) In this section:

*D* means the number of days of service credited to the registered worker in the workers register to which the payment relates.

*designated day* means—

- if the registered worker is taking long service leave—the day the leave begins; and
- if the registered worker is being paid instead of taking long service leave—the day the payment is made.

*R* is—

- if the registered worker is receiving compensation under the *Workers Compensation Act 1951*—the weekly average of the ordinary remuneration received by the worker during the 4 quarters before the injury to which the compensation relates happened; or

- (b) in any other case—the highest of the weekly averages of the ordinary remuneration received by the registered worker during each of the following periods that applies to the worker:
- (i) the most recent 2 quarters of service as a registered employee before the designated day;
  - (ii) the most recent 4 quarters of service as a registered employee before the designated day;
  - (iii) the most recent 20 quarters of service as a registered worker before the designated day;
  - (iv) the most recent 40 quarters of service as a registered worker before the designated day.

**Example—R, par (b)**

Henry has worked in the cleaning industry for 7 years. The periods in par (b) (i), (ii) and (iii) apply to Henry because he has completed more than 20 quarters (or 5 years), but less than 40 quarters (or 10 years), relevant service.

Henry's average weekly income for the 2 quarters before the designated day is \$283. His weekly averages for the 4 and 20 quarters before the designated day are \$427 and \$375, respectively. Accordingly, 'R' is \$427 because it is the highest of the weekly averages.

**2.13 Leave payments for service as registered voluntary member—contract cleaning industry**

- (1) For section 2.11 (How are leave payments worked out for the contract cleaning industry?), the amount payable to a registered worker for the contract cleaning industry for long service leave for service accrued as a registered voluntary member is the total of the following for the service:
- (a) amounts paid by the worker to the authority under section 56 (Determination of levy—voluntary members);
  - (b) interest at the determined rate worked out from the date of receipt of each amount paid under section 56 until the designated day for the leave.

- (2) The governing board must determine an interim rate of interest from time to time before the determination of the rate under subsection (1).
- (3) The determined rate of interest must be determined at the end of each financial year for the previous financial year, and is—
  - (a) if the contract cleaning scheme industry funds invested made a return—75% of the rate of the return for the financial year in which the determination is made; or
  - (b) if the fund did not make a return or made a loss—nil.
- (4) In this section:  
*designated day* means—
  - (a) if the registered worker is taking long service leave—the day the leave begins; and
  - (b) if the registered worker is being paid instead of taking long service leave—the day the payment is made.

#### **2.14 Payments by authority on reciprocal authority's behalf—contract cleaning industry**

- (1) This section applies to a registered worker for the contract cleaning industry who has a long service leave entitlement under this Act and a corresponding law.
- (2) The worker may apply to the authority for payment of a long service leave entitlement worked out in accordance with the corresponding law.
- (3) The authority must pay the worker the amount of the entitlement worked out in the way stated in the corresponding law if the authority is authorised by the reciprocal authority to make the payment.

**2.15 Payments by reciprocal authority on authority's behalf—contract cleaning industry**

- (1) This section applies if, under a corresponding law, a reciprocal authority pays to a person an amount that, but for the payment, would have been payable for a long service leave entitlement under this Act for work done in the contract cleaning industry.
- (2) If the authority is notified about the payment and is satisfied the payment was properly made, the authority must reimburse the reciprocal authority the amount worked out as follows:

$$0.8667 \times \frac{D}{365} \times R$$

- (3) If the authority makes a reimbursement under subsection (2), the obligation of the authority to make the payment to the person for the entitlement is discharged.
- (4) In subsection (2):

*D* means the number of days of service credited to the registered employee in the workers register and to which the payment relates.

*R* is the amount decided by the reciprocal authority as the weekly amount payable to the worker for the service credited to the worker in the State.

**2.17 Records of payments and service—contract cleaning industry**

- (1) This section applies if the authority—
  - (a) pays an amount to a registered worker for the contract cleaning industry under section 2.9 (Payments for leave—contract cleaning industry) or section 2.10 (Payments instead of leave—contract cleaning industry); or

- (b) reimburses a reciprocal authority under section 2.15 (Payments by reciprocal authority on authority's behalf—contract cleaning industry) for an amount paid to a registered worker.
- (2) The authority must delete from the workers register the details relating to the service period for which the worker has been paid.
- (3) However, the authority must keep another record of—
  - (a) the period of the service; and
  - (b) the amount paid to the worker for long service leave or instead of long service leave; and
  - (c) the period of long service leave (if any) granted to or taken by the worker.

**2.18 Public holidays not to count as leave—contract cleaning industry**

- (b) if the governing board has allowed, on application by the employee, a period longer than 6 months—the period allowed by the board; or
- (c) if the employer and employee agree on a period longer than 6 months—the period agreed.

#### **4.9 Entitlement to payment instead of leave—security industry**

- (1) This section applies if a registered worker for the security industry has 5 years recognised service and any of the following apply to the worker:
  - (a) the worker has left the industry because of total incapacity;
  - (b) the worker has reached the prescribed retiring age;
  - (c) the worker has died.
- (2) If the governing board is satisfied that this section applies to the worker, the worker is entitled to payment instead of long service leave for the amount of long service leave worked out in accordance with the long service leave formula.

- (3) In this section:

*prescribed retiring age*—

- (a) for a registered worker who has been granted a service pension under the *Veterans Entitlements Act 1986* (Cwlth), section 38 (Eligibility for partner service pension)—the age at which the worker first receives payment of the service pension; or
- (b) in any other case—55 years.

#### **4.10 Payments for leave—security industry**

- (1) A registered employee for the security industry who has been granted long service leave under section 4.7, or a registered voluntary member for the industry who is entitled to long service leave, may apply to the authority for payment for the leave.
- (2) The authority must pay to the applicant the amount payable under section 4.12 (How are payments worked out for the security industry?) if the registrar is satisfied that—
  - (a) the applicant is entitled to long service leave under this Act for work done in the security industry; and
  - (b) the applicant has been granted leave by the applicant's employer.
- (3) The authority must pay an applicant any amount payable under subsection (2) not later than 21 days after the worker's application has been made.

#### **4.11 Payment instead of leave—security industry**

- (1) If a registered worker for the security industry is entitled to payment instead of long service leave under this Act, the worker may apply to the authority for the payment.

- (2) An application by a registered employee for the security industry on the ground that the employee has ceased work in the security industry because of total incapacity must be accompanied by a certificate of a doctor certifying that the employee is totally incapacitated for employment in the industry.
- (3) The governing board may require an applicant mentioned in subsection (2) to a medical examination by a doctor chosen by the board for that purpose from a panel of 3 doctors nominated by the Australian Capital Territory Branch of the Australian Medical Association.
- (4) All fees or charges payable for a medical examination under subsection (3) are to be paid by the authority.
- (5) If an applicant fails, without reasonable excuse to comply with a requirement under subsection (3), the governing board may refuse the application.
- (6) If the governing board is satisfied that the applicant is entitled to payment instead of long service leave under this Act, the authority must pay to the applicant the amount payable under section 4.12.

#### **4.12 How are payments worked out for the security industry?**

- (1) For section 4.10 and section 4.11, the amount payable to a registered worker for, or instead of, long service leave is—
  - (a) for any part of the entitlement to long service leave accrued as an employee—the amount worked out in accordance with section 4.13; and
  - (b) for any part of the entitlement to long service leave accrued as a voluntary member—the amount worked out in accordance with section 4.14.

- (2) For subsection (1)—
- (a) long service leave must be taken in the reverse order in which it accrued; and
  - (b) if payment instead of long service leave is being made—the payment is made in relation to the leave in the order in which it accrued.

**Example**

Trevor has 7 years of service in the security industry giving him an entitlement to 6.0669 weeks long service leave. He first worked in the industry as a registered employee and accrued 4.3335 weeks of the entitlement in that capacity. Trevor then worked as a registered voluntary member and accrued 1.7334 weeks of the entitlement in that capacity.

Trevor decides to take 6.0669 weeks long service leave. The payment for the leave is the total of the following amounts:

- the amount calculated under s 4.13 where ‘D’ is 1825 (ie it took 1825 days of service as a registered employee to accrue the first 4.3335 weeks of his long service leave entitlement);
- the amount calculated under s 4.14 which is the total of the amounts paid to the authority under s 56 for his 730 days work as a registered voluntary member (ie it took that period of service as a registered voluntary member to accrue the next 1.7334 weeks of his long service leave entitlement) and the interest under s 4.14 on those amounts.

#### 4.13 Leave payments for service as registered employee—security industry

For section 4.12, the amount payable to a registered worker for long service leave for service accrued as a registered employee for the security industry is the amount worked out as follows:

$$0.8667 \times \frac{D}{365} \times R$$

*D* means the number of days of service credited to the registered worker in the workers register to which the payment relates.

*designated day* means—

- (a) if the registered worker is taking long service leave—the day the leave begins; and
- (b) if the registered worker is being paid instead of taking long service leave—the day the payment is made.

**R** is—

- (a) if the registered worker is receiving compensation under the *Workers Compensation Act 1951*—the weekly average of the ordinary remuneration received by the worker during the 4 quarters before the injury to which the compensation relates happened; or
- (b) in any other case—the highest of the weekly averages of the ordinary remuneration received by the registered worker during each of the following periods that applies to the worker:
  - (i) the most recent 2 quarters of service as a registered employee before the designated day;
  - (ii) the most recent 4 quarters of service as a registered employee before the designated day;
  - (iii) the most recent 20 quarters of service as a registered worker before the designated day.

**Example—R, par (b)**

Danijela has worked in the security industry for 5 years. The periods in par (b) (i), (ii) and (iii) apply to Danijela because she has completed more than 20 quarters (or 5 years) relevant service.

Danijela's average weekly income for the 2 quarters before the designated day is \$283. Her weekly averages for the 4 and 20 quarters before the designated day are \$427 and \$375, respectively. Accordingly, 'R' is \$427 because it is the highest of the weekly averages.

**4.14 Leave payments for service as registered voluntary member—security industry**

- (1) For section 4.12 (How are payments worked out for the security industry?), the amount payable to a registered worker for the security industry for long service leave for service accrued as a registered voluntary member is the total of the following for the service:
  - (a) amounts paid by the worker to the authority under section 56 (Determination of levy—voluntary members);
  - (b) interest at the determined rate worked out from the date of receipt of each amount paid under section 56 until the designated day for the leave.
- (2) The governing board must determine an interim rate of interest from time to time before the determination of the rate under subsection (1).
- (3) The determined rate of interest must be determined at the end of each financial year for the previous financial year, and is—
  - (a) if the security industry scheme funds invested made a return—75% of the rate of the return for the financial year in which the determination is made; or
  - (b) if the fund did not make a return or made a loss—nil.
- (4) In this section:  
*designated day* means—
  - (a) if the registered worker is taking long service leave—the day the leave begins; and
  - (b) if the registered worker is being paid instead of taking long service leave—the day the payment is made.

**4.15 Payments by authority on reciprocal authority’s behalf—security industry**

- (1) This section applies to a registered worker for the security industry who has a long service leave entitlement under this Act and a corresponding law.
- (2) The worker may apply to the authority for payment of a long service leave entitlement worked out in accordance with the corresponding law.
- (3) The authority must pay the worker the amount of the entitlement worked out in the way stated in the corresponding law if the authority is authorised by the reciprocal authority to make the payment.

**4.16 Payments by reciprocal authority on authority’s behalf—security industry**

- (1) This section applies if, under a corresponding law, a reciprocal authority pays to a person an amount that, but for the payment, would have been payable for a long service leave entitlement under this Act for work done in the security industry.
- (2) If the authority is notified about the payment and is satisfied the payment was properly made, the authority must reimburse the reciprocal authority the amount worked out as follows:

$$0.8667 \times \frac{D}{365} \times R$$

**D** means the number of days of service credited to the person in the workers register for service as an employee and to which the payment relates.

**R** is the amount decided by the reciprocal authority as the weekly amount payable to the person for the service credited to the person in the State.

- (3) If the authority makes a reimbursement under subsection (2), the obligation of the authority to make the payment to the person for the entitlement is discharged.

#### **4.18 Records of payments and service—security industry**

- (1) This section applies if the authority—
  - (a) pays an amount to a registered worker for the security industry under section 4.10 (Payments for leave—security industry) or section 4.11 (Payment instead of leave—security industry); or
  - (b) reimburses a reciprocal authority under section 4.16 (Payments by reciprocal authority on authority’s behalf—security industry) for an amount paid to a registered worker for the industry.
- (2) The authority must delete from the workers register the details relating to the period of service for which the worker has been paid.
- (3) However, the authority must keep another record of—
  - (a) the period of service; and
  - (b) the amount paid to the worker for long service leave or instead of long service leave; and
  - (c) the period of long service leave (if any) granted to or taken by the worker.

#### **4.19 Public holidays not to count as leave—security industry**

- (1) This section applies if a public holiday falls during a period of long service leave taken by a registered employee for the security industry.
- (2) The period of long service leave is increased by 1 day for each public holiday.
