# **Victims of Crime (Financial Assistance) Act 2016**

**A2016-12**

---

An Act to provide financial assistance for people affected by acts of violence,  
and for other purposes

---

The Legislative Assembly for the Australian Capital Territory enacts as  
follows:

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Victims of Crime (Financial Assistance) Act 2016*.

### 2 Commencement

- (1) This Act commences on—
- (a) 1 July 2016; or
  - (b) if, before 1 July 2016, the Minister fixes another day by written notice—the day fixed.

*Note 1* The naming and commencement provisions automatically commence on the notification day (see [Legislation Act](#), s 75 (1)).

*Note 2* A single day or time may be fixed, or different days or times may be fixed, for the commencement of different provisions (see [Legislation Act](#), s 77 (1)).

- (2) If this Act has not commenced within 18 months beginning on its notification day, it automatically commences on the first day after that period.
- (3) The [Legislation Act](#), section 79 (Automatic commencement of postponed law) does not apply to this Act.

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*commissioner*—see the *Victims of Crime Act 1994*, dictionary.’ means that the term ‘commissioner’ is defined in that dictionary and the definition applies to this Act.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act*, s 155 and s 156 (1)).

### 4 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See the *Legislation Act*, s 127 (1), (4) and (5) for the legal status of notes.

### 5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1* *Criminal Code*

The *Criminal Code*, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2* *Penalty units*

The *Legislation Act*, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

**6 Object of Act**

The object of this Act is to help victims of crime by establishing a system for giving financial assistance to—

- (a) assist victims of crime to recover from acts of violence; and
- (b) contribute to the safety of victims of crime and the prevention of future acts of violence; and
- (c) acknowledge the harmful effects of acts of violence; and
- (d) complement other services provided for victims of crime.

## Part 2 Important concepts

### 7 Meaning of *act of violence*

- (1) In this Act:
- act of violence* means conduct that—
- (a) results in a person's injury or death; and
  - (b) is, or happens in the course of, an offence (the *associated offence*) that is—
    - (i) a schedule 1 offence; or
    - (ii) an offence prescribed by regulation; and
  - (c) occurs on or after the commencement of this Act.
- (2) In deciding whether conduct is an *act of violence*, it does not matter whether a person responsible for the conduct—
- (a) has or has not been identified; or
  - (b) lacks the legal capacity to be charged with, or convicted or found guilty of, the associated offence; or
  - (c) has or has not been charged with, or convicted or found guilty of, the associated offence based on the conduct.

### 8 Meaning of *circumstance of aggravation for an offence*

- (1) For this Act, each of the following is a *circumstance of aggravation* for an offence:
- (a) as a direct result of the offence a very serious injury that is not likely to be permanent is caused to the primary victim of the offence;

- (b) the offence forms part of a series of offences that are related;

**Examples—series of offences that are related**

- 1 offences with same offender and same primary victim
- 2 contemporaneous or near contemporaneous offences

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

- (c) the offence is carried out by a person acting in company;
- (d) a person carrying out the offence uses an offensive weapon against the primary victim of the offence;
- (e) a person carrying out the offence is in a position of power, trust or authority in relation to the primary victim of the offence;
- (f) when the offence was carried out, the primary victim of the offence—
- (i) had an impaired physical, psychological or intellectual capacity; or
  - (ii) was either under 18 years old or more than 65 years old; or
  - (iii) was pregnant.
- (2) However, a circumstance mentioned in subsection (1) (a) to (f) is not a *circumstance of aggravation* for an offence if the circumstance is an element of the offence.

**9 Meaning of *injury***

- (1) In this Act:

*injury*—

- (a) means any of the following:
- (i) physical injury;

- (ii) mental illness;
- (iii) mental disorder; and
- (b) includes—
  - (i) the aggravation, acceleration or recurrence of a physical injury, mental illness or mental disorder; or
  - (ii) the contraction, aggravation, acceleration or recurrence of a disease; and
- (c) if the injury occurs in the course of, or as a result of, a sexual offence or domestic violence offence includes—
  - (i) unplanned pregnancy; or
  - (ii) a sense of violation; or

- (a) occurs on or after the commencement of this Act; and
- (b) results in the death of a person; and
- (c) is, or happens in the course of, an offence of murder, manslaughter or culpable driving causing death.

**11 Meaning of *primary victim***

- (b) is either—
  - (i) a close family member of the primary victim who has a genuine personal relationship with the primary victim; or
  - (ii) in a relevant relationship with the primary victim.

- (a) being present when the homicide occurs; or

(2) In this section:

*guardian* does not include the director-general responsible for administering the [Children and Young People Act 2008](#) or any other person who is a guardian because of the person’s occupation of a statutory office, whether within the ACT or elsewhere.

## **Part 3**                      **Financial assistance**

### **Division 3.1**                **Eligibility**

*Note*        In addition to financial assistance, a person may also be eligible for a funeral expense payment.

#### **18**                      **Eligibility for financial assistance**

Financial assistance may only be given to a person who is eligible to apply for financial assistance in accordance with this division.

#### **19**                      **Primary victim**

A primary victim is eligible to apply for any of the following:

- (a) an immediate need payment;
- (b) an economic loss payment;
- (c) a recognition payment.

#### **20**                      **Class A related victim**

A class A related victim is eligible to apply for any of the following:

- (a) an immediate need payment;
- (b) an economic loss payment;
- (c) a recognition payment.

#### **21**                      **Class B related victim**

A class B related victim is eligible to apply for any of the following:

- (a) an immediate need payment;
- (b) an economic loss payment;
- (c) a recognition payment.

**22 Class C related victim**

A class C related victim is eligible to apply for any of the following:

- (a) an immediate need payment;
- (b) an economic loss payment.

**23 Homicide witness**

A homicide witness is eligible to apply for any of the following:

- (a) an immediate need payment;
- (b) an economic loss payment.

**Division 3.2 Amount of financial assistance**

**24 Maximum total financial assistance**

The maximum total amount of financial assistance that may be given to a person for an application for financial assistance is the amount prescribed by regulation.

**25 CPI indexation of certain prescribed amounts**

- (1) An amount prescribed by regulation under the following sections must be amended each year in line with variations in the CPI that happen after the commencement of the regulation in which the amount is prescribed:
  - (a) section 24 (Maximum total financial assistance);
  - (b) section 28 (Recognition payment for primary victim);
  - (c) section 29 (Recognition payment for class A related victim);
  - (d) section 30 (Recognition payment for class B related victim).

- (2) However, if an amount required to be amended in accordance with subsection (1) would be reduced because of a reduction in the CPI (a *negative adjustment*), the amount must not be amended in line with the negative adjustment.
- (3) An amount that, in accordance with subsection (2), is not reduced may be increased in line with an adjustment in the CPI that would increase the amount only to the extent that the increase, or part of the increase, is not one that would cancel out the effect of the negative adjustment.
- (4) Subsection (3) does not apply to a negative adjustment once the effect of the negative adjustment has been offset against an increase in line with an adjustment in the CPI.

**Example—adjustments**

An amount prescribed by regulation is \$100. There is a 20% increase in the CPI after the section commences. The amount prescribed becomes \$120 (\$100 + 20%).

There is then a 10% drop in the CPI. The amount does not change from \$120 (although if it had changed it would be \$108).

There is a 20% increase in the CPI. The 20% increase is not to the \$120, but to the \$108.  $\$108 + 20\% = \$129.60$ . So the \$120 becomes \$129.60. This is the amount (\$120) increased by so much of the 20% increase that did not cancel out the effect of the adjustment down to \$108.

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

- (5) In this section:

**CPI** means the All Groups Consumer Price Index (Canberra) issued by the Australian statistician.

## Division 3.3 Financial assistance

- (1) A financial payment (an *immediate need payment*) may be made to a person for reasonable expenses incurred, or expected to be incurred, for an immediate need that is related to an act of violence.
- (2) For this section, an expense is a reasonable expense if payment of the expense, at the time the application is made, is likely to—
  - (a) promote the recovery of the person; or
  - (b) prevent further harm to the person; or
  - (c) limit further threats to the safety of the person.
- (3) A regulation may prescribe the following:

- (2) A regulation may prescribe the following:
  - (a) an offence in the course of which the act of violence must occur for a recognition payment to be made;
  - (b) the amount of the recognition payment—
    - (i) generally; and
    - (ii) if a circumstance of aggravation applies to the offence in the course of which the act of violence occurs; and
    - (iii) if the act of violence results in a very serious injury that is likely to be permanent in the primary victim.

## **29 Recognition payment for class A related victim**

- (1) A financial payment (a *recognition payment*) may be made to a class A related victim for trauma experienced by the class A related victim as a result of an act of violence against a primary victim.
- (2) A recognition payment for a class A related victim is a payment of the amount prescribed by regulation.

## **30 Recognition payment for class B related victim**

- (1) A financial payment (a *recognition payment*) may be made to a class B related victim for trauma experienced by the class B related victim as a result of an act of violence against a primary victim.

## Division 3.4 Applications for financial assistance

### 31 Application to commissioner

- (1) A person (the *applicant*) may apply to the commissioner for financial assistance.
- (2) An application for financial assistance must—
  - (a) be in writing; and
  - (b) include a contact address for the applicant; and
  - (c) indicate the financial assistance payment that the applicant wishes to claim; and
  - (d) be accompanied by evidence that—
    - (i) the act of violence that is the subject of the application has been reported to a police officer; or
    - (ii) if the applicant is a special reporting class victim and the application does not include a claim for a recognition payment—the act of violence that is the subject of the application has been reported in accordance with subsection (4).

*Note* If a form is approved under s 100 for an application, the form must be used.

- (3) An applicant is a *special reporting class victim* if, in relation to an act of violence that is the subject of an application, the applicant is a primary victim—
  - (a) of a sexual offence; or
  - (b) of an offence in which the person responsible for the act of violence against the primary victim was in a position of power, trust or authority in relation to the primary victim; or
  - (c) who has impaired physical, psychological or intellectual capacity; or

- (d) who was under 18 years old when the act of violence occurred;  
or
  - (e) who did not report the act of violence to police because of threats made, or intimidation by, another person.
- (4) For subsection (2) (d) (ii), an applicant who is a special reporting class victim reports an act of violence in accordance with this section if—
- (a) for an application applying for an immediate need payment only—the applicant reported the act to at least 2 of the following:
    - (i) a government agency;
    - (ii) a doctor or a psychologist or a counsellor or a social worker;
    - (iii) an appropriately qualified non-government agency; or
  - (b) for an application applying for an immediate need payment and an economic loss payment, or for an economic loss payment only—the applicant reported the act to both of the following:
    - (i) a government agency;
    - (ii) a doctor or a psychologist or a counsellor or a social worker.
- (5) In this section:

***appropriately qualified non-government agency*** means an agency specified by the commissioner as an appropriately qualified non-government agency in the commissioner's guidelines under section 87 (Commissioner's guidelines).

### **32 Time for making application**

- (1) An application under section 31 must be made within 3 years of the last occurring of the following:
  - (a) the day of the act of violence that is the subject of the application;
  - (b) if there are 2 or more relevant acts of violence—the day of the most recent act of violence;
  - (c) for an application by an individual who was under 18 years old on the day mentioned in paragraph (a) or (b)—the day the individual turns 18.
- (2) The commissioner may extend the time for making an application if the commissioner believes on reasonable grounds that an extension is in the interests of fairness having regard to the following:
  - (a) the age of the person when the act of violence that is the subject of the application occurred;
  - (b) whether the applicant has, or had, impaired physical, psychological or intellectual capacity;
  - (c) whether the person responsible for the act of violence that is the subject of the application was in a position of power, trust or authority in relation to the primary victim;
  - (d) the physical and psychological effect of the act of violence that is the subject of the application on the applicant;
  - (e) whether the extension of time will prevent a fair consideration of the application;
  - (f) any other matter that the commissioner believes on reasonable grounds is relevant.

### **33 Notice of repayment and recovery procedures**

- (1) As soon as practicable after the day the commissioner receives an application under section 31 (Application to commissioner) the commissioner must give the applicant written notice about the action that may be taken against—
  - (a) an applicant under part 5 (Repayment of financial assistance and funeral expenses by assisted person); and
  - (b) an offender under part 6 (Recovery from offender).
- (2) The notice must also state that, if financial assistance is given to the applicant, the person responsible for the act of violence that is the subject of the application may be contacted by the commissioner to recover some or all of the financial assistance given.

### **34 Withdrawal of application**

An application for financial assistance may be withdrawn by the applicant, at any time, by written notice given to the commissioner.

*Note* If a form is approved under s 100 for this provision, the form must be used.

### **35 Amendment of application before commissioner's decision**

An application for financial assistance may be amended by the applicant, at any time before the commissioner has decided the application, by written notice given to the commissioner.

*Note* If a form is approved under s 100 for this provision, the form must be used.

**36 Application lapses if no contact with commissioner**

- (1) This section applies if an applicant does not contact the commissioner within 6 months after the day the commissioner gives notice under section 33 (Notice of repayment and recovery procedures).
- (2) The commissioner must give the applicant notice that the application will lapse under subsection (3) unless the applicant makes contact with the commissioner within 6 months.

## **Division 3.6                      Deciding applications for financial assistance**

### **42                      Time for deciding application for financial assistance**

- (1) The commissioner must decide an application for financial assistance as soon as reasonably practicable after—
  - (a) the day the commissioner receives the application; or
  - (b) if the commissioner asks for information under division 3.5 (Commissioner may ask for information when deciding applications for financial assistance)—the day the information is given to the commissioner.
- (2) If an application for financial assistance includes a claim for an immediate need payment, the commissioner must give priority to a decision about the claim (the *expedited decision*) before deciding any other claim in the application.

### 43 Deciding matters relevant to application for financial assistance generally

The commissioner must be satisfied on the balance of probabilities about the existence of any matter relevant to deciding an application for financial assistance.

#### Examples—matter relevant to an application for financial assistance

- 1 whether an offence has occurred
- 2 whether a circumstance of aggravation applies to an offence
- 3 whether a circumstance in which financial assistance must not be given applies
- 4 whether an application involves related conduct
- 5 whether an injury was caused by an act of violence
- 6 whether an economic loss was caused by an act of violence
- 7 the nature and extent of an injury
- 8 the nature and amount of an economic loss

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

### 44 Deciding whether applications involve related acts of violence

- (1) This section applies if a person makes 2 or more separate applications for financial assistance under division 3.4 (Applications for financial assistance).
- (2) The commissioner must review the applications to work out if the applications are for acts of violence that occur in the course of a series of offences that are related.

#### Examples—series of offences that are related

- 1 offences with same offender and same primary victim
- 2 contemporaneous or near contemporaneous offences

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

- (3) Acts of violence that occur in the course of a series of offences that are related must be treated as a single act of violence—
- (a) if the series of offences are, or are likely to be, part of a single ongoing offence; or
  - (b) if the effect of treating each act of violence separately would result in the applicant receiving a total amount of financial assistance that would be disproportionately more than the amount of financial assistance that would be appropriate for the totality of harm suffered by the applicant as a result of the acts; or
  - (c) in circumstances prescribed by regulation.
- (4) If the commissioner is satisfied that the acts of violence that are the subject of separate applications appear to be a single act of violence, the commissioner must give the applicant written notice—
- (a) that the separate applications for financial assistance appear to disclose a series of offences that are related, and that without further information suggesting otherwise the acts of violence occurring in the course of the offences must be treated as a single act of violence; and
  - (b) asking the applicant to tell the commissioner, in writing, within 14 days after the notice is received, if there is a reason why the acts of violence should not be treated as a single act of violence.
- (5) After considering any reasons given by the applicant in response to notice under subsection (4) the commissioner must—
- (a) decide whether or not to treat the acts of violence as a single act of violence; and
  - (b) tell the applicant, by written notice, the commissioner's decision.

- (6) If the commissioner decides to treat the acts of violence as a single act of violence, the separate applications are taken to be a single application for financial assistance.
- (7) If the commissioner decides to treat the separate applications as a single application under this section the commissioner must, for an application that includes a primary victim's claim for a recognition payment, decide whether the acts of violence amount to a circumstance of aggravation.

**45 Circumstances in which financial assistance must not be given**

- (1) This section applies if the commissioner believes on reasonable grounds that any of the following (a *disqualifying circumstance*) apply in relation to an applicant for financial assistance:
  - (a) the applicant is not eligible for the assistance;
  - (b) the applicant conspired with the person responsible for the act of violence that is the subject of the application for assistance;
  - (c) the applicant was involved in a serious crime when the act of violence that is the subject of the application occurred and the serious crime was the main reason that the act of violence occurred;
  - (d) the applicant is claiming financial assistance as a related victim for the act of violence that is the subject of the application that was related to a serious crime carried out by the primary victim;
  - (e) the applicant has unreasonably failed to give assistance to the police in relation to the act of violence that is the subject of the application.

- (2) The commissioner must give the applicant written notice—
- (a) stating that the application for financial assistance appears to involve a disqualifying circumstance described in the notice, and without further information suggesting otherwise financial assistance will not be given; and
  - (b) asking the applicant to tell the commissioner, in writing, within 14 days after the notice is received, if there is a reason why the disqualifying circumstance does not apply.
- (3) After considering any reasons given by the applicant in response to notice under subsection (2), the commissioner must—
- (a) decide whether or not a disqualifying circumstance applies in relation to the applicant; and
  - (b) tell the applicant, by written notice, the commissioner's decision.
- (4) If the commissioner decides that a disqualifying circumstance applies in relation to an applicant the commissioner must not give financial assistance to the applicant.
- (5) In this section:
- serious crime* means any of the following:
- (a) an offence against the person;
  - (b) a sexual offence;
  - (c) an offence relating to property;

*Note* A reference to an offence against a territory law includes a reference to a related ancillary offence, eg attempt (see [Legislation Act](#), s 189).

#### **46 Deciding amount of financial assistance**

- (1) The commissioner must decide the amount of financial assistance that may be given to an applicant for financial assistance if the commissioner—
  - (a) believes on reasonable grounds that the applicant is eligible to apply for the assistance under division 3.1 (Eligibility); and
  - (b) is satisfied that the application for the assistance complies with division 3.4 (Applications for financial assistance); and

      - (B) from other sources; and
    - (ii) decide the immediate needs the applicant has; and
    - (iii) decide the immediate need payment to be made to the applicant; and

- (b) for an application that includes a claim for an economic loss payment—
    - (i) consider the extent to which services are available to the applicant—
      - (A) under the victims services scheme; and
      - (B) from other sources; and
    - (ii) decide the applicant's economic loss; and
    - (iii) decide the economic loss payment to be made to the applicant; and

      - (A) decide whether the act of violence occurs in a circumstance of aggravation; and
      - (B) decide whether the act of violence caused a very serious injury that is likely to be permanent; and
    - (iii) decide the recognition payment to be made to the applicant; and
  - (d) if section 47 applies—reduce the amount in accordance with that section.
- (3) The commissioner must tell the applicant, by written notice, the commissioner's decision.

#### 47 Reducing amount of financial assistance

- (1) This section applies if the commissioner believes on reasonable grounds that, for an act of violence that is the subject of an application for financial assistance, the applicant has—
  - (a) received an associated payment covering the same harm or loss as the financial assistance is intended to cover; or
  - (b) previously been required to repay an amount under part 5 (Repayment of financial assistance and funeral expenses by assisted person) and has not repaid the amount; or
  - (c) previously been required to repay an amount under part 6 (Recovery from offender) and has not repaid the amount; or
  - (d) been involved in contributory conduct.
- (2) The commissioner must reduce the amount of financial assistance to the applicant by an amount—
  - (a) if circumstances mentioned in subsection (1) (a) apply—equal to the associated payment; or
  - (b) if circumstances mentioned in subsection (1) (b) or (c) apply—equal to the outstanding repayment amount; or
  - (c) if circumstances mentioned in subsection (1) (d) apply—that the commissioner is satisfied is appropriate, taking into account the applicant’s contributory conduct.
- (3) In this section:

**contributory conduct** means any of the following conduct by the applicant:

  - (a) conduct that contributed to the injury suffered by the applicant as a result of the act of violence that is the subject of the application;

- (a) as a single payment, or a series of payments, to the applicant;
- (b) as payment of an invoice for, or on behalf of, the applicant;

### **Division 3.7 Variation of amount of financial assistance**

#### **49 Application to vary amount of financial assistance previously received**

## **50 Deciding varied amount of financial assistance**

- (1) If the commissioner receives an application under section 49, the commissioner must decide whether to—
  - (a) refuse to increase the amount of financial assistance to the applicant; or
  - (b) agree to increase the amount of financial assistance to the applicant, and work out the amount of the increase.

- (2) However, if the commissioner decides to increase the amount of financial assistance, the total amount of all financial assistance to the applicant for the act of violence that is the subject of the application must not, including the increased amount, be more than the maximum financial assistance amounts that applied when financial assistance was first given to the applicant for the act of violence.

**Examples—maximum financial assistance amounts**

- (1) This section applies if—

  - (b) does not, on or before the recovery date stated in the notice, either pay the recoverable amount or apply for a review of the recovery notice under section 77 (3) (b).

*Note* An amount owing under a law may be recovered as a debt in a court of competent jurisdiction or the ACAT (see [Legislation Act](#), s 177).

- (2) The offender is liable to pay to the Territory a recoverable amount that applies to the offender.
- (3) The recoverable amount is a debt due to the Territory, payable by the offender.

*Note* An amount owing under a law may be recovered as a debt in a court of competent jurisdiction or the ACAT (see [Legislation Act](#), s 177).

**71 Commissioner must decide whether to take recovery action etc**

- (1) The commissioner must, as far as practicable, recover a recoverable amount from an offender who is liable to pay the amount.

**Example**

The commissioner does not consider recovery action in a particular case to carry a reasonable prospect of success because the offender is impecunious. It is not practicable for the commissioner to recover a recoverable amount from the offender.

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

- (2) If 2 or more offenders have been convicted or found guilty of a recompensed offence, each of the offenders is jointly and severally liable under this part.

- (3) If 2 or more offenders have been convicted or found guilty of a recompensed offence, the commissioner may apportion the amount each offender must pay to the Territory.
- (4) If the commissioner decides to recover a recoverable amount from an offender, the commissioner must decide whether the amount should be reduced in accordance with subsection (5).
- (5) In deciding whether a recoverable amount should be reduced, the commissioner must take into account the amount of any repayment by the assisted person under part 5 (Repayment of financial assistance and funeral expenses by assisted person).

**72 Commissioner must assess risks associated with recovery action**

The commissioner must not take, or continue, recovery action without taking into account—

- (a) the objective risks to the safety of any person; and
- (b) the subjective concerns of an assisted person about the commissioner's contact with an offender or recovery action generally.

**73 Commissioner must consult assisted person before giving recovery intention notice to offender**

- (1) If the commissioner intends giving an offender a recovery intention notice, the commissioner must tell each assisted person, to whom the offence that is the subject of the recovery notice relates, the following by written notice:
  - (a) that the commissioner is taking recovery action;
  - (b) that the commissioner will contact the offender to give the offender a recovery notice;

- (c) that the assisted person must, within 28 days after the day the notice is given to the person (the *consultation period*), tell the commissioner, in writing, whether the person has any concerns about the commissioner contacting the offender or the action generally.

*Note* If a form is approved under s 100 for this provision, the form must be used.

- (2) The commissioner must, after the end of the consultation period, take into account the matters raised (if any) by an assisted person.

#### **74 Recovery intention notice**

- (1) This section applies if the commissioner—
  - (a) has complied with section 73; and
  - (b) is satisfied on reasonable grounds that, in all the circumstances, recovery action is still practicable and appropriate.
- (2) The commissioner must, as soon as practicable, give the offender written notice (a *recovery intention notice*) of the commissioner's intention to recover a recoverable amount from the offender.
- (3) A recovery intention notice must state the following:
  - (a) that the offender has been convicted or found guilty of a recompensed offence;

*Note* If a form is approved under s 100 for this provision, the form must be used.

(4) The offender may, within 28 days after the day the recovery intention notice is given to the offender, object to recovery action against the offender on the grounds that—

(a) the offender is not the person who is liable for the recoverable amount; or

(b) the commissioner has not taken into account that the offender has made, or is required to make, a payment in relation to the recompensed offence in accordance with a court order.

(5) An objection under subsection (3) must be in writing and include any facts relied on by the offender in support of the objection.

*Note* If a form is approved under s 100 for this provision, the form must be used.

## **75 Commissioner may ask registrar for information relevant to recovery action**

  - (f) a sentence imposed for the offence.

- (a) contrary to a law in force in the Territory; or
  - (b) otherwise inappropriate.
- (4) The information may be given by allowing the commissioner access to electronic information maintained by the registrar.
- (5) If the commissioner accesses electronic information it may only be used in connection with the information requested under subsection (2).
- (6) This section applies in addition to a provision of any other Act that provides for information to be given by a registrar.

*Note* A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including any regulation (see [Legislation Act](#), s 104).

## **76 Commissioner must not give offender confidential information**

- (1) The commissioner must not, as far as practicable, in any recovery action, give confidential information about a person who has received financial assistance or a funeral expense payment to the offender convicted or found guilty of the offence to which the assistance or payment relates.
- (2) In this section:
- confidential information*, about an assisted person, includes the name, contact details, medical or psychological reports, counselling notes or other identifying information about the assisted person.

**77 Recovery notice**

- (1) If the commissioner, after giving an offender a recovery intention notice and taking into account any objection to the notice under section 74 (4), is satisfied on reasonable grounds that, in all the circumstances, recovery action from the offender is still practicable and appropriate, the commissioner must give the offender written notice (a *recovery notice*) that includes the following information:
- (a) that the offender has been convicted or found guilty of a recompensed offence;
  - (b) that a person has received financial assistance, or a funeral expense payment, in relation to the offence;

    - (i) the offender must pay the recoverable amount on or before the recovery date unless the person applies to the ACAT for review of the recovery notice; and

    - (ii) for an offence mentioned in section 69, definition of *recompensed offence*, paragraph (b)—a funeral expenses payment is made to a person for the funeral of the primary victim.

## **78 Arrangement for payment of recoverable amount**

  - (b) pay an agreed amount (the *agreed recoverable amount*) as a lump sum or in instalments.

- (4) The offender's payment of an agreed recoverable amount for a relevant offence discharges the offender from liability to pay the recoverable amount under section 77 (Recovery notice) for the relevant offence.
- (5) However, an amount stated in an arrangement under subsection (2) is, to the extent that the amount is unpaid under the conditions of the arrangement, a debt due to the Territory.

*Note* An amount owing under a law may be recovered as a debt in a court of competent jurisdiction or the ACAT (see [Legislation Act](#), s 177).

## Part 10 Miscellaneous

### 96 Limitation on lawyers legal costs

- (1) A lawyer must not charge or seek to recover legal costs that are higher than the amount prescribed by regulation for the following:
  - (a) legal services that relate to an application for financial assistance;
  - (b) legal services that relate to an appeal or review process under this Act.

- (2) In this section:

*legal costs*—see the *Legal Profession Act 2006*, dictionary.

*legal services*—see the *Legal Profession Act 2006*, dictionary.

### 97 WPI indexation of lawyers legal costs

- (1) An amount prescribed by regulation under section 96 must be amended each year in line with variations in the WPI that happen after the commencement of the regulation in which the amount is prescribed.
- (2) However, if an amount required to be adjusted in accordance with subsection (1) would be reduced because of a reduction in the WPI (a *negative adjustment*), the amount must not be amended in line with the negative adjustment.
- (3) An amount that, in accordance with subsection (2), is not reduced may be increased in line with an adjustment in the WPI that would increase the amount only to the extent that the increase, or part of the increase, is not one that would cancel out the effect of the negative adjustment.

- (4) Subsection (3) does not apply to a negative adjustment once the effect of the negative adjustment has been offset against an increase in line with an adjustment in the WPI.

**Example—adjustments**

An amount prescribed by regulation is \$100. There is a 20% increase in the WPI after the section commences. The amount prescribed becomes \$120 (\$100 + 20%).

There is then a 10% drop in the WPI. The amount does not change from \$120 (although if it had changed it would be \$108).

There is a 20% increase in the WPI. The 20% increase is not to the \$120, but to the \$108.  $\$108 + 20\% = \$129.60$ . So the \$120 becomes \$129.60. This is the amount (\$120) increased by so much of the 20% increase that did not cancel out the effect of the adjustment down to \$108.

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

- (5) In this section:

**WPI** means the Wage Price Index, Australia issued by the Australian statistician.

- (3) This section expires 4 years after the day it commences.

*Note* The [Legislation Act](#) contains provisions about the making of determinations and regulations relating to fees (see pt 6.3).
