About this republication

The republished law

This is a republication of the *Motor Accident Injuries Act 2019* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 2 February 2025. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 2 February 2025.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see *Legislation Act 2001*, s 133).

Motor Accident Injuries Act 2019

An Act about motor accident injuries, and for other purposes

Chapter 1 Preliminary

Part 1.1 Preliminary

1 Name of Act

This Act is the *Motor Accident Injuries Act 2019*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition '*personal health information*—see the *Health Records (Privacy and Access) Act 1997*, dictionary.' means that the term 'personal health information' is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

6 Objects of Act

The main objects of this Act are to—

- (a) ensure benefits are available to support all people injured in motor accidents on a no-fault basis, subject to some exclusions and limitations; and
- (b) encourage early and appropriate treatment and care of people injured in motor accidents to achieve optimum recovery and return to pre-accident levels of activity and work; and
- (c) support people injured in motor accidents to access defined benefits; and
- (d) promote and encourage the early, quick, cost-effective and just resolution of disputes; and
- (e) continue and improve the system of motor accident injury insurance, and the scheme of statutory insurance for uninsured and unidentified vehicles, operating in the ACT; and
- (f) keep the costs of motor accident injury insurance at an affordable level; and

Part 2.2 Defined benefits—entitlement

Division 2.2.1 Entitlement to defined benefits

38 Person injured in motor accident entitled to defined benefits

If a person sustains a personal injury as a result of a motor accident in the Territory, defined benefits are payable in relation to the personal injury.

39 Defined benefits payable by relevant insurer

The defined benefits payable to a person in relation to a personal injury are payable by the relevant insurer for the motor accident.

40 Payment of defined benefits by interstate relevant insurer

- (1) This section applies if the relevant insurer for a motor accident is an interstate insurer (the *interstate relevant insurer*).

Note Interstate insurer—see the dictionary.

- (2) The interstate relevant insurer must—

 - (c) enter into an arrangement with the nominal defendant for the nominal defendant to manage the payment of the defined benefits on behalf of the interstate relevant insurer.

- (3) However, if the insurance policy of an interstate relevant insurer does not provide benefits, on a no-fault basis, to an at-fault driver who sustains a personal injury in the motor accident—
 - (a) the nominal defendant is the relevant insurer for the motor accident for an application for defined benefits made by the at-fault driver; and
 - (b) the interstate relevant insurer must give the nominal defendant any information it has in relation to the at-fault driver's application for defined benefits.

- (5) The nominal defendant may recover as a debt from the interstate relevant insurer any costs reasonably incurred by the nominal defendant in relation to the management of the payment of the defined benefits.
- (6) The nominal defendant may bring a proceeding for recovery of costs under this section before the costs have been actually paid in full and, in that case, a judgment for recovery of costs may provide that, as far as the costs have not been actually paid, the right to recover the costs is contingent on payment.

- (7) This section does not affect a right of recovery that the nominal defendant may have, apart from this section, against the responsible person for, or the driver of, the motor vehicle at fault in the motor accident.

Note An amount recovered under this section by the nominal defendant must be paid into the nominal defendant fund (see s 330).

59 Application for defined benefits—must be made within application period

- (1) An application for defined benefits in relation to a motor accident must be made within the application period.
- (2) The relevant insurer for a motor accident may accept an application for defined benefits made after the application period (a *late application*) if—
 - (a) the application is made—
 - (i) for income replacement benefits or treatment and care benefits, or both—within 2 years after the date of the motor accident; or
 - (ii) for death benefits and funeral benefits—within 1 year after the date of the injured person’s death; and
 - (b) the relevant insurer is satisfied the applicant has a full and satisfactory explanation for the late application.

Note **Full and satisfactory explanation**—see s 35.
- (3) The relevant insurer—
 - (a) may ask the applicant for additional information in relation to the application; and
 - (b) need not make a decision about accepting the application until the insurer receives the additional information.
- (4) However, if the relevant insurer does not respond to the applicant about the applicant’s explanation for the late application within 28 days after receiving it, the relevant insurer is taken to have accepted the application.
- (5) The relevant insurer need not accept an application if the application is made after the time stated in subsection (2) (a).

60 Application for defined benefits—action following receipt

- (1) If the relevant insurer for a motor accident receives an application for defined benefits, the relevant insurer must, within the period stated in the MAI guidelines—
 - (a) for an application made during the application period—give the applicant a written notice (a *receipt notice*) that includes—
 - (i) information about how the applicant may apply for payment of allowable expenses; and
 - (ii) other information required by the MAI guidelines; or
 - (b) for a late application—give the applicant a written notice (a *late receipt notice*) stating that defined benefits will be paid to the applicant if the insurer accepts the application; or
 - (c) for an application that is incomplete—return the application to the applicant accompanied by a notice (a *required additional information notice*) stating the additional information needed to complete the application and that the application will not be dealt with until the relevant insurer receives the additional information.
- (2) For subsection (1) (c), an application is incomplete if the application—
 - (a) is not signed by or on behalf of the applicant; or
 - (b) does not include all the information required, under the MAI guidelines or a regulation, to be included in the application.
- (3) A receipt notice or late receipt notice must be in the form, and include the information, required by the MAI guidelines.

Division 2.3.3 Payment of allowable expenses

61 Meaning of *allowable expenses*—ch 2

- (1) In this chapter:

allowable expenses means expenses an applicant for defined benefits may incur in relation to treatment and care of the applicant's injury without the relevant insurer's approval during the initial period for the application for defined benefits.

- (2) In this section:

initial period, for an application for defined benefits, means the period—

- (a) beginning on the date of the receipt notice for the application;
and
- (b) ending—
 - (i) on the day the relevant insurer makes, or is taken to have made, a final decision to accept or reject liability for the application; or
 - (ii) if the insurer transfers the application to another insurer—
4 weeks after the date of the receipt notice for the application; or
 - (iii) if there is a dispute between insurers about liability under section 70—4 weeks after the date of the receipt notice for the application.

62 Allowable expenses—relevant insurer must pay

The relevant insurer for a motor accident must pay an applicant for defined benefits' allowable expenses if the applicant provides the relevant insurer with a receipt for the allowable expenses.

63 Allowable expenses—MAI guidelines

The MAI guidelines may make provision in relation to the allowable expenses for treatment and care for an applicant for defined benefits in relation to a motor accident, including provision in relation to the following:

- (a) the treatment and care for which the applicant may incur allowable expenses, including restrictions in relation to the treatment and care;

Example—restrictions

the number of doctor’s appointments an applicant may have

- (b) verifying the injured person’s allowable expenses;
- (c) the period for which allowable expenses are payable;
- (d) the amount of allowable expenses.

64 Allowable expenses—relevant insurer later rejects liability for defined benefits

- (1) This section applies if a relevant insurer pays an amount of allowable expenses to an applicant.
- (2) If the relevant insurer later rejects liability for defined benefits for the applicant, the following applies:
 - (a) if the relevant insurer (the *first insurer*) rejects liability for the defined benefits because another insurer is the relevant insurer for the application—
 - (i) the amount of allowable expenses paid is not recoverable from the applicant; but
 - (ii) the first insurer may recover the amount as a debt from the other insurer;

- (b) if the relevant insurer rejects liability for the defined benefits because the application was based on false or misleading information, the insurer may recover the amount of allowable expenses paid as a debt from the applicant.

Division 2.3.4 Accepting or rejecting liability for defined benefits

65 Relevant insurer must decide liability for defined benefits

- (1) If a relevant insurer for a motor accident receives an application for defined benefits, the relevant insurer must, within 28 days after the date of the receipt notice given to the applicant—
- (a) decide whether the relevant insurer accepts or rejects liability for the defined benefits; and
 - (b) give the applicant a notice about the decision.
- (2) If the relevant insurer accepts liability for the defined benefits, the relevant insurer must give the applicant a written notice (*a defined benefits notice*)—
- (a) stating that the insurer accepts liability for the defined benefits; and
 - (b) including any information required under the MAI guidelines.
- (3) If the relevant insurer does not accept liability for the defined benefits, the relevant insurer must give the applicant either—
- (a) a written notice (*a transfer notice*) stating—
 - (i) that the insurer does not accept liability for the defined benefits because another insurer is liable; and
 - (ii) that the application has been given to another insurer; and
 - (iii) the name and contact details of the other insurer; or

Note Transfers of applications are dealt with in s 69.

- (b) a written notice (a *rejection notice*) stating—
 - (i) that the insurer does not accept liability for the defined benefits; and
 - (ii) the reasons for the decision; and
 - (iii) how the applicant may dispute the decision.
- (4) If the relevant insurer fails to give the applicant a transfer notice or rejection notice within the 28 days, the relevant insurer—
 - (a) is taken to have accepted liability for the defined benefits; and
 - (b) is liable for the defined benefits; and
 - (c) must give the applicant a defined benefits notice.

Note 1 A decision by a relevant insurer to accept liability does not prevent the insurer from making a later decision to reject the liability (see s 68).

Note 2 For how documents may be given, see the [Legislation Act](#), pt 19.5.

- (5) This section is subject to section 70 (Dispute about liability for application).

66 Accepting liability—payment of defined benefits

- (1) If a relevant insurer accepts liability for defined benefits, the insurer must pay the applicant the defined benefits to which the applicant is entitled.

Note If relevant insurer receives an application for death benefits, the insurer must apply to the ACAT for an order for the payment of the death benefits to the dependants (see s 176).

- (2) The MAI guidelines may make provision in relation to the payment of defined benefits.

67 Rejecting liability

- (1) If a relevant insurer gives an applicant a rejection notice, liability for the application is taken to have been rejected on the day the relevant insurer gives the notice to the applicant.

Note For how documents may be given, see the [Legislation Act](#), pt 19.5.

- (2) If the relevant insurer rejects liability for defined benefits for any of the following reasons, the relevant insurer may recover as a debt from the applicant any amounts paid to the applicant under this part:
- (a) the applicant was not entitled to defined benefits under either of the following sections when the applicant applied for defined benefits:
 - (i) section 45 (No entitlement—multiple driving offences);
 - (ii) section 48 (No entitlement—serious offences);
 - (b) information in the application is false or misleading;
 - (c) information the applicant gave a doctor or other health practitioner in relation to the applicant's injury is false or misleading;
 - (d) information the applicant gave the police or a lawyer in relation to the motor accident is false or misleading.
- (3) This section is subject to section 69 (Transferring application to another insurer).

68 Insurer may change decision about accepting or rejecting liability

- (1) A decision by a relevant insurer to accept liability for defined benefits does not prevent the insurer from making a later decision to reject the liability.

Note Section 65 (3) applies to a later decision to reject liability.

- (2) However, if a relevant insurer later rejects liability, the insurer may only recover amounts paid to the applicant under this part from a relevant insurer who later accepts liability for the defined benefits.
- (3) A decision by a relevant insurer to reject liability for defined benefits does not prevent the insurer from making a later decision to accept the liability.

Division 2.3.5 Transfer of application to another insurer

69 Transferring application to another insurer

- (1) This section applies if the relevant insurer for a motor accident (the *first insurer*) intends to reject liability for defined benefits because another insurer (the *second insurer*) appears to be liable for the application.
- (2) Before the first insurer gives the applicant a transfer notice under section 65 (Relevant insurer must decide liability for defined benefits), the first insurer must give the second insurer the applicant's application for defined benefits, and any information the applicant gave the first insurer in relation to the application.
- (3) The application is taken to have been given to the second insurer on the date it was given to the first insurer.
- (4) If, after assessing the application, the second insurer decides to accept liability for the application, as soon as practicable, but not later than 28 days after the date of the receipt notice given to the applicant by the first insurer—
 - (a) the first insurer must give the applicant the transfer notice; and
 - (b) the second insurer must tell the applicant—
 - (i) about the decision to accept liability for the application; and

- (ii) that the applicant must give the second insurer an authority to disclose personal health information.

Note Authority to disclose personal health information—see s 54.

- (5) Liability for the application is taken to have been transferred to the second insurer when the applicant receives notification of the second insurer's decision under subsection (4).
- (6) The first insurer may recover the following amounts as a debt from the second insurer:
- (a) any amounts of the applicant's allowable expenses already paid;
 - (b) the cost of managing the application.

70 Dispute about liability for application

- (1) This section applies if—
- (a) the relevant insurer for a motor accident (the *first insurer*) intends to reject liability for the application because another insurer (the *second insurer*) appears to be the relevant insurer for the motor accident; and
 - (b) the second insurer disputes its liability for the application.
- (2) The first insurer—
- (a) must not give the applicant a transfer notice; and
 - (b) must give the MAI commission written notice of the dispute.
- (3) If the first insurer gives the MAI commission a notice under subsection (2) (b)—
- (a) section 65 (Relevant insurer must decide liability for defined benefits) does not apply in relation to the application until the dispute is resolved; and

- (b) the first insurer must notify the applicant—
 - (i) about the dispute; and
 - (ii) that the first insurer continues to be liable for the applicant’s allowable expenses; and
 - (iii) that the first insurer is liable for the applicant’s treatment and care benefits, income replacement benefits and funeral benefits in accordance with this chapter until the dispute is resolved.
- (4) The dispute must be dealt with in accordance with the insurance industry deed.
- (5) If the second insurer is found to be liable for the application, the first insurer may recover the following amounts as a debt from the second insurer:
 - (a) any amounts of the applicant’s allowable expenses already paid;
 - (b) any defined benefits already paid;
 - (c) the cost of managing and disputing the application.
- (6) If the second insurer is found to be liable for the application, the second insurer must not dispute a decision the first insurer made in relation to any amounts paid to the applicant by the first insurer.

Division 2.3.6 Miscellaneous—pt 2.3

71 Fraudulent applications or requests

- (1) This section applies if the relevant insurer for a motor accident receives—
 - (a) an application for defined benefits from a person injured in the motor accident; or

- (b) a request for reimbursement of expenses for treatment and care for an applicant that are incurred before the application is made or while the application is being considered; or
 - (c) a request from a provider of treatment and care for payment of treatment and care provided to an applicant.
- (2) If the relevant insurer reasonably suspects that information in the application or request is false or misleading, the relevant insurer may refuse to—
- (a) accept liability for the application; or
 - (b) reimburse the applicant; or
 - (c) pay the provider.

Note 1 It is an offence to make a false or misleading statement, give false or misleading information or produce a false or misleading document (see [Criminal Code](#), pt 3.4).

Note 2 The insurer may recover from the applicant any costs reasonably incurred because of the applicant's fraudulent conduct (see s 349).

- (3) However, if the relevant insurer later establishes that the information in the application or request is not false or misleading, the relevant insurer must—
- (a) reimburse the applicant for the expenses incurred; or
 - (b) pay the provider for the treatment and care.
- (4) Despite subsection (2), if the relevant insurer has not made a decision to accept or reject liability for the application, the relevant insurer must pay the applicant's allowable expenses.

72 Recovery of amounts paid for defined benefits

- (1) This section applies if—
- (a) the relevant insurer for a motor accident pays an amount under this part to an applicant for defined benefits; and

- (b) the insurer was not liable for the amount.
- (2) The relevant insurer may recover as a debt from the applicant any amount for which the relevant insurer was not liable under this part.
- (3) If the relevant insurer rejects an application for defined benefits because the applicant's injury was not a result of the motor accident, the relevant insurer is not entitled to recover as a debt any amount paid to the applicant before the application was rejected unless the application was fraudulent or included information that was false or misleading.

73 Application for defined benefits—notification of claim under workers compensation scheme

- (1) This section applies if—
 - (a) an application for defined benefits (the *defined benefits application*) is made under this part—
 - (i) by a person injured in a motor accident; or
 - (ii) in relation to the injured person; and
 - (b) a claim for compensation under a workers compensation scheme (the *workers compensation claim*) is made in relation to the injury.

Note There is no requirement for both an application for defined benefits and a claim for workers compensation to be made in relation to a motor accident.

- (2) The claimant for the workers compensation claim must give the relevant insurer written notice about the following:
 - (a) that the workers compensation claim has been made;
 - (b) whether liability for the workers compensation claim has been accepted or rejected;
 - (c) any amounts paid to or on behalf of the claimant under the workers compensation claim.

- (3) The notice must be given to the relevant insurer—
- (a) if the workers compensation claim is made before the defined benefits application—when the defined benefits application is made; or
 - (b) if the workers compensation claim is made after the defined benefits application—within 3 business days after the workers compensation claim is made.
- (4) However, if the person withdraws the workers compensation claim within 13 weeks after the date of the motor accident, the person must give the relevant insurer for the motor accident written notice of the withdrawal—
- (a) if the workers compensation claim is withdrawn before the defined benefits application is made—when the defined benefits application is made; or
 - (b) if the workers compensation claim is withdrawn after the defined benefits application is made—within 3 business days after the workers compensation claim is withdrawn.
- (5) If a relevant insurer receives a notice under subsection (2) or (4), the relevant insurer may get information about the workers compensation claim from the insurer for the workers compensation claim.

Note A person's entitlement to certain defined benefits ends on the day a workers compensation claim is accepted, however may be revived if the person's workers compensation claim is withdrawn within 13 weeks after the date of the motor accident or if the claim is rejected (see s 50 (3)).

- (1) This section applies to a person injured in a motor accident if, on the date of the accident, the person was the pension age, or older.
- (2) The injured person is entitled to income replacement benefits only if, on the date of the motor accident, the person was in paid work.

Note 1 See s 101 for the period for which income replacement benefits are payable for the injured person.

Note 2 **Pension age**—see the dictionary.

91 No entitlement to income replacement benefits—death of injured person

- (1) A person injured in a motor accident is not entitled to income replacement benefits if the person is dead.
- (2) However, subsection (1) does not affect an entitlement to income replacement benefits that accrued before the injured person's death.

92 No entitlement to income replacement benefits—damages already paid

A person injured in a motor accident is not entitled to income replacement benefits if an insurer has already paid damages for the loss of income under a motor accident claim for the motor accident.

Division 2.4.3 Income replacement benefits—payments

93 Definitions—div 2.4.3

In this division:

first payment period means the period of 13 weeks beginning on the date of the motor accident.

post-injury earning capacity, of an injured person, means the weekly amount the person has the capacity to earn in paid work for which the person is reasonably suited because of the person's education, training and experience, based on the person's fitness for work in that paid work as decided by the relevant insurer under section 100 (1) (Injured person's post-injury earning capacity).

second payment period means the period—

- (a) beginning on the day after the end of the first payment period;
and
- (b) ending 5 years after the date of the motor accident.

94 Meaning of *AWE adjusted*—div 2.4.3

- (1) In this division:

AWE adjusted, for an injured person's pre-injury income, means the person's income as adjusted in line with any adjustment in the AWE—

- (a) after the date of the motor accident in which the person sustained the personal injury; and
 - (b) on a day (an *adjustment day*) prescribed by regulation for the pre-injury income; and
 - (c) rounded up to the nearest dollar.
- (2) However, if an amount to be AWE adjusted would, if adjusted in line with the adjustment (the *negative adjustment*) to the AWE, become smaller, the amount is not reduced in line with the negative adjustment.
- (3) An amount that, in accordance with subsection (2), is not reduced may be increased in line with an adjustment in the AWE that would increase the amount only to the extent that the increase, or part of the increase, is not one that would cancel out the effect of the negative adjustment.
- (4) Subsection (3) does not apply to a negative adjustment once the effect of the negative adjustment has been offset against an increase in line with an adjustment in the AWE.

Example—adjustments

On 30 September 2020, Penny has pre-injury income of \$1 500 per week. Penny's entitlement to income replacement benefits started on 15 June 2020.

The adjustment days prescribed for pre-injury income are 1 April and 1 October.

The AWE last published before 1 October 2020 (for May 2020) is \$1 884.30. The AWE published for November 2019 (being 6 months before May 2020) is \$1 856.80.

The AWE adjustment factor for Penny's pre-injury income is calculated as follows:

$$\$1\,884.30 \div \$1\,856.0 = 1.015 \text{ (rounded to 3 decimal places).}$$

The amount of Penny's pre-injury income on the 1 October 2020 adjustment date is calculated as follows:

$$\$1\,500 \times 1.015 = \$1\,522.50.$$

Penny's benefit from the adjustment date of 1 October 2020 is \$1 522.50, rounded to \$1 523.

95 Adjustment of pre-injury income

- (1) The MAI commission must, on or before each adjustment day for pre-injury income, declare—
 - (a) the AWE adjustment factor for the pre-injury income; and
 - (b) that the AWE adjustment factor applies on the adjustment day.

- (2) A declaration under subsection (1) is a notifiable instrument.

Note A notifiable instrument must be notified under the [Legislation Act](#).

- (3) In this section:

adjustment day—see section 94 (1) (b).

AWE adjustment factor, for an amount, means the factor worked out for the amount in the way prescribed by regulation.

96 Amount of income replacement benefits—first payment period

- (1) An injured person entitled to income replacement benefits is entitled to the amount each week worked out as follows for the first payment period:

$$(P - A) \times N$$

A means the amount of the injured person's post-injury earning capacity.

N means—

- (a) if *P* is \$100 AWE indexed or less—1.0; or
- (b) if *P* is more than \$100 AWE indexed but less than \$800 AWE indexed— $1.0 + \frac{SG_{/100}}{100}$; or
- (c) if *P* is \$800 AWE indexed or more—0.95.

Note *AWE indexed*, for an amount—see s 18.

Example—working out *N*, par (b)

Kristin is injured in a motor accident on 1 March 2021. Because of her injuries, Kristin is unable to return to her part-time job as a teacher’s assistant at Lyneham Primary School for 8 weeks following the accident. Kristin does not perform any other paid work during the 8 weeks.

Kristin gives the relevant insurer for the motor accident a letter from her employer stating that Kristin’s annual salary at the time of the motor accident was \$36 500 and that Kristin had been a part-time employee at Lyneham Primary School for 18 months before the accident.

The relevant insurer for the motor accident calculates Kristin’s gross income for the 52 weeks before the accident as follows:

$$\$36\,500 \times \frac{364}{365}$$

Kristin’s gross income for the 52 weeks before the motor accident is \$36 400 and her pre-injury income is \$700.

Kristin also gives the relevant insurer a copy of the last payslip she received from her employer before the motor accident, which shows that employer contributions were payable to her chosen superannuation fund for the 52 weeks before the motor accident. The superannuation charge number for the 2020-21 year is 9.5%.

In working out the amount of income replacement benefits Kristin is entitled to each week, *N* is calculated as follows:

$$N = 1 + \frac{9.5}{100}$$

N is therefore 1.095. Using the formula set out in subsection (1), the amount of income replacement benefits payable to Kristen for each week during the first payment period after the motor accident that Kristin is entitled to income replacement benefits is calculated as follows:

$$\$700 \times 1.095 = \$766.50$$

P means—

- (a) if the injured person's pre-injury income AWE adjusted is \$2 250 AWE indexed or less—the amount of the injured person's pre-injury income AWE adjusted; or
- (b) if the injured person's pre-injury income AWE adjusted is more than \$2 250 AWE indexed—\$2 250 AWE indexed.

(2) In this section:

SG, for the factor N, paragraph (b), means—

- (a) if superannuation contributions were paid or payable to a superannuation scheme on behalf of the injured person by an employer of the injured person during the 52 weeks before the motor accident—the superannuation guarantee charge number set out in the *Superannuation Guarantee (Administration) Act 1992* (Cwlth), section 19 (2) for the year in which the contributions were paid or payable; or
- (b) if no superannuation contributions were paid or payable to a superannuation scheme on behalf of the injured person by an employer of the injured person during the 52 weeks before the motor accident—0.

97 Amount of income replacement benefits—second payment period

- (1) An injured person entitled to income replacement benefits is entitled to the amount each week worked out as follows for the second payment period:

$$(P - A) \times N$$

A means the amount of the injured person's post-injury earning capacity.

N means—

- (a) if *P* is \$100 AWE indexed or less—1.0; or
- (b) if *P* is more than \$100 AWE indexed but less than \$800 AWE indexed— $1.0 + \text{SG}/100$; or
- (c) if *P* is at least \$800 AWE indexed and not more than \$1 000 AWE indexed—0.95; or
- (d) if *P* is more than \$1 000 AWE indexed—0.8.

Note *AWE indexed*, for an amount—see s 18.

P means—

- (a) if the injured person's pre-injury income AWE adjusted is \$2 250 AWE indexed or less—the amount of the injured person's pre-injury income AWE adjusted; or
- (b) if the injured person's pre-injury income AWE adjusted is more than \$2 250 AWE indexed—\$2 250 AWE indexed.

(2) In this section:

SG, for the factor *N*, paragraph (b)—see section 96 (2).

 - (A) attained a particular age; or
 - (B) completed a particular period of service or course of training.
- (2) For any week after the date of the motor accident in relation to which the person is entitled to an income replacement benefit payment, the payment must be calculated on the basis that the person’s pre-injury weekly income is the weekly income the person is likely to have been entitled to for that week.
- (3) The MAI guidelines may make provision in relation to the matters to be taken into account for determining the weekly income the person is likely to have been entitled to had the motor accident not happened and had the person continued in the employment.

 - (ii) if only 1 WPI report from an independent medical examiner assesses the person’s WPI—the person’s WPI is less than 10%; and
 - (c) the relevant insurer has not previously referred the injured person to an authorised IME provider under this section for an SOI assessment in relation to the injuries; and
 - (d) 4 years and 6 months has passed since the date of the motor accident; and
 - (e) the person consents to the relevant insurer referring the injured person to an authorised IME provider for an SOI assessment.
- (2) The relevant insurer must refer the injured person to an authorised IME provider for an SOI assessment.
- (3) The relevant insurer for a motor accident is liable for the costs of an SOI assessment, unless otherwise provided in this chapter.

210 Arrangement of SOI assessment

- (1) This section applies if an injured person is referred to an authorised IME provider for an SOI assessment under section 209.
- (2) The IME provider must arrange for the SOI assessment to be carried out—
 - (a) by 1 or more independent medical examiners or independent assessors who are trained as required by the SOI assessment guidelines; and
 - (b) in accordance with the SOI assessment guidelines.
- (3) The MAI guidelines may make provision in relation to the procedure for arranging an SOI assessment of an injured person, including—
 - (a) selecting an IME provider; and
 - (b) the time within which the assessment must be arranged; and
 - (c) arrangements for payment of the assessment.

211 SOI assessment—provision of information

- (1) This section applies if an authorised IME provider arranges for an independent medical examiner or independent assessor to carry out an SOI assessment of an injured person.
- (2) The injured person must give the authorised IME provider and the person carrying out the assessment (the *assessor*)—
 - (a) all information in the injured person’s possession that is relevant to the SOI assessment; and
 - (b) any other information the authorised IME provider or assessor reasonably requires for the SOI assessment.

- (3) The relevant insurer for the motor accident must give the authorised IME provider and the assessor—
 - (a) all information in the insurer’s possession that is relevant to the SOI assessment; and
 - (b) a copy of any WPI reports in the insurer’s possession; and
 - (c) any other information the authorised IME provider or assessor reasonably requires for the SOI assessment.
- (4) The information must be given to the authorised IME provider and the assessor at least 10 days before the day the assessor is to carry out the SOI assessment.
- (5) The assessor may decline to carry out the SOI assessment if the injured person or the insurer fails to give any information reasonably required by the authorised IME provider or assessor.

212 SOI report to be prepared

- (1) An independent medical examiner or independent assessor who carries out an SOI assessment of an injured person must give an SOI report about the assessment to the IME provider who arranged the assessment.
- (2) The IME provider must give the SOI report to the relevant insurer for the motor accident.
- (3) The SOI assessment guidelines may make provision for the requirements for an SOI report, including the time within which an SOI report must be given.

213 SOI report—injury has significant occupational impact

- (1) This section applies if—
 - (a) a relevant insurer refers an injured person to an authorised IME provider for an SOI assessment; and

- (b) the authorised IME provider arranges for an independent medical examiner or independent assessor to carry out an SOI assessment of the person; and
 - (c) an SOI report from the independent medical examiner or independent assessor confirms the person's injury has a significant occupational impact on the person's ability to undertake employment.
- (2) The injured person—
- (a) is taken to have a WPI of 10% for this Act; and
 - (b) is entitled to make a motor accident claim in relation to the motor accident.
- (3) Subsection (2) does not prevent a person mentioned in that subsection from reviving a quality of life benefits application.
- (4) The relevant insurer for the motor accident must, within 14 days after receiving the SOI report, give the injured person a written notice—
- (a) including a copy of the report and the WPI report, if any; and
 - (b) stating that—
 - (i) the person is taken to have a WPI of 10% for this Act; and
 - (ii) the person is entitled to make a motor accident claim in relation to the motor accident.

214 SOI report—no significant occupational impact

- (1) This section applies if an SOI report of an injured person confirms that the injured person's injury has not had a significant occupational impact on the person's ability to undertake employment.
- (2) The relevant insurer for the motor accident must, within 14 days after receiving the SOI report, give the injured person a written notice—
 - (a) including a copy of the report; and

- (b) stating that the person may apply to the ACAT for a review of the SOI report.

Part 3.3 SOI reports—ACAT review

215 SOI report—no significant occupational impact—ACAT review

- (1) If an injured person receives a notice under section 214 in relation to an SOI report, the injured person may apply to the ACAT for review of the report.
- (2) An application for review of the SOI report must be made within 14 days after the day the injured person received the notice.
- (3) The independent medical examiner or independent assessor who carries out the SOI assessment of the injured person must not be—
 - (a) named as a respondent to an application made under subsection (1); or
 - (b) joined as a party to an application made under subsection (1).

216 Review of SOI report—ACAT to notify insurer etc

As soon as practicable after receiving an application for review of an SOI report under section 215, the ACAT must give written notice of the application to—

- (a) the IME provider that arranged the SOI assessment to which the SOI report relates; and
- (b) the relevant insurer for the motor accident.

217 Review of SOI report—IME provider to give ACAT information

- (1) This section applies if an IME provider receives a notice under section 216 in relation to an application for review of an SOI report.
- (2) The IME provider must, within 14 days after receiving the notice, give the ACAT all information in the provider's possession that was used in carrying out the SOI assessment to which the SOI report relates.

218 ACAT review—decision

- (1) In deciding an application for review of an SOI report of a person injured in a motor accident, the ACAT must, by order—
 - (a) affirm the SOI report; or
 - (b) set aside the SOI report and make an order confirming that the injured person's injury has had a significant occupational impact on the person's ability to undertake employment.
- (2) In deciding the application for review, the ACAT must only consider the information that was available to the independent medical examiner or independent assessor when the SOI assessment to which the SOI report relates was carried out.
- (3) However, the ACAT may, on application by a party, give the party leave to present information or evidence that was not reasonably available to the independent medical examiner or independent assessor when the SOI assessment was carried out.

Example

a medical report for an examination undertaken, but not reported on, when the SOI assessment was carried out

- (4) If the ACAT makes an order under subsection (1), the order takes effect on the date the ACAT makes the order, unless the ACAT otherwise orders.

- (5) To remove any doubt, if the ACAT makes an order under subsection (1) (b), section 213 applies as if the decision of the ACAT is an SOI report from an independent medical examiner or independent assessor.
- (6) A regulation may prescribe conditions for allowing additional information or evidence to be presented under subsection (3).

219 Effect of ACAT order affirming SOI report

- (1) This section applies if the ACAT makes an order under section 218 (1) (a) affirming an SOI report in relation to a person injured in a motor accident.
- (2) The relevant insurer for the motor accident must pay the injured person the amount of quality of life benefits payable to the person under section 167 (Amount of quality of life benefits payable).

Note The amount of quality of life benefits payable under s 167 depends on the injured person's WPI, as assessed under s 141 or div 2.6.3.

Part 3.4 Significant occupational impact of injuries—miscellaneous

220 Effect of SOI assessment on motor accident claim

Despite the *Limitation Act 1985*, section 16AA (Motor accident claims), a person injured in a motor accident who has had an SOI assessment has 3 months from the latest of the following dates to make a motor accident claim in relation to the motor accident:

- (a) if the injured person receives a notice under section 213 (4) (SOI report—injury has significant occupational impact)—the date of the notice;
- (b) if the ACAT makes an order under section 218 (1) (b)—
 - (i) if no appeal from the order is made—the date the appeal period for the order ends; or
 - (ii) if an appeal from the order is made—the date the appeal is finally decided.

Chapter 4 Payment of future medical treatment expenses

221 Definitions—ch 4

In this chapter:

future treatment payment—see section 222 (2).

medical treatment means medical treatment prescribed by regulation.

222 Application for future treatment payment

- (1) This section applies to a person injured in a motor accident if—
 - (a) at the relevant date for the motor accident, the person is receiving treatment and care benefits for treatment and care expenses related to medical treatment; and
 - (b) has, immediately before the relevant date for the motor accident, been receiving medical treatment continuously for at least 2 years and 6 months; and
 - (c) was not the driver at fault, or is not taken to be the driver at fault, in the motor accident; and
 - (d) is not entitled to make a motor accident claim.
- (2) The injured person may apply to the relevant insurer for the motor accident for payment of an amount (a *future treatment payment*) to cover expenses for approved medical treatment the person receives—
 - (a) after the person's entitlement to defined benefits for treatment and care ends; and
 - (b) not later than 10 years after the date of the motor accident.

- (3) The application must be made—
- (a) not earlier than the relevant date for the motor accident; and
 - (b) not later than 5 years after the date of the motor accident.

- (4) In this section:

approved medical treatment, for a person injured in a motor accident, means medical treatment that is of the same kind that—

- (a) the person received in the 6-month period following the 4th anniversary of the motor accident; and
- (b) the relevant insurer for the motor accident has paid or agreed to pay.

continuous—an injured person is receiving medical treatment continuously if the injured person is receiving medical treatment at least monthly.

expenses, of an injured person, does not include expenses for medical treatment—

- (a) received before the date of the application; or
- (b) for which the relevant insurer has previously refused to pay.

Example—par (b)

the medical treatment was not reasonable and necessary in the circumstances

relevant date, for a motor accident, means the date that is 4 years and 6 months after the date of the motor accident.

223 Future treatment payment—assessment and calculation

If the relevant insurer for a motor accident receives an application under section 222, the insurer must—

- (a) assess—
 - (i) whether the applicant's approved medical treatment, and the costs of the medical treatment, are reasonable and necessary; and
 - (ii) the period for which the applicant will need the approved medical treatment; and
- (b) consider the opportunities available to the applicant for investing a future treatment payment; and
- (c) calculate the amount payable to the applicant; and

Example—calculation of amount payable

A person injured in a motor accident receives the following continuous medical treatment in the 6 months before the relevant date for the motor accident:

- 2 appointments at 3-monthly intervals with a medical specialist;
- 2 appointments at 3-monthly intervals with a physiotherapist;
- 2 appointments at 3-monthly intervals with a psychiatrist.

For the purposes of calculating the amount payable to the person, if they continue to require treatment with the 3 health practitioners after their entitlement to treatment and care benefits ends, expenses for the 3 health practitioners may be included in the calculation.

- (d) within 2 months after the day the application is made, give the applicant a written notice that includes the following:
 - (i) the amount calculated;
 - (ii) information about how the amount was calculated, including what information was considered in calculating the amount;

- (iii) a statement to the effect that the amount calculated relates only to expenses for approved medical treatment the applicant receives—
 - (A) after the person’s entitlement to defined benefits for treatment and care ends; and
 - (B) not later than 10 years after the date of the motor accident;
- (iv) a statement to the effect that—
 - (A) the applicant may agree to the amount calculated or negotiate with the insurer for a different amount; and
 - (B) if the applicant negotiates with the insurer for a different amount—the applicant may rely on medical information the applicant sought for the purposes of the negotiation; and
 - (C) an amount agreed to under this section (including a negotiated amount) applies only to future medical treatment.

224 No agreement on future treatment payment—application to ACAT

- (1) If the relevant insurer for a motor accident and an injured person who receives a notice under section 223 are unable to agree on the future treatment payment, the insurer or injured person may apply to the ACAT for—
 - (a) a determination of the future treatment payment; and
 - (b) an order for payment of the future treatment payment.
- (2) The MAI guidelines may make provision in relation to the information to be given to the ACAT with an application under subsection (1).

225 Decision about future treatment payment—ACAT orders

- (1) On application under section 224, the ACAT must—
 - (a) decide the future treatment payment the ACAT considers appropriate for the injured person; and
 - (b) order the relevant insurer to pay the future treatment payment to the injured person.
- (2) In deciding the future treatment payment, the ACAT—
 - (a) must consider—
 - (i) evidence about the injured person’s medical treatment; and
 - (ii) the opportunities available to the injured person for investing the payment; and
 - (b) may—
 - (i) consider any other relevant matter; and
 - (ii) ask for additional information in relation to the application.

226 Future treatment payment—costs of proceedings

- (1) The ACAT may order a party to pay the costs of the other party arising from an application under section 224.
- (2) A regulation may prescribe the following:
 - (a) when an order under subsection (1) may be made;
 - (b) what may be considered a disbursement;
 - (c) the maximum amount that can be awarded for particular costs;

- (d) the maximum amount of costs that can be awarded in relation to an application under section 224.

Note Power to make a statutory instrument (including a regulation) includes power to make different provision in relation to different matters or different classes of matters, and to make an instrument that applies differently by reference to stated exceptions or factors (see [Legislation Act](#), s 48).

- (3) In this section:
costs include disbursements.

227 Future treatment payment—no monetary limit on jurisdiction of ACAT

- (1) The ACAT is not, in exercising jurisdiction conferred on it by this chapter, limited in the amount of the future treatment payment it may order to be paid.
- (2) This section is subject to section 226.

Part 5.3 WPI assessment—claimant receiving workers compensation

240 Application—pt 5.3

- (1) This part applies to a person injured in a motor accident if the person—
 - (a) has made a successful claim for workers compensation benefits in relation to the injury; and

- (5) If the injured person makes an application under subsection (1), a reference to income replacement benefits in section 209 (1) (a) (SOI assessment 4 years 6 months after motor accident) is taken to be a reference to payments for the loss of income under a workers compensation scheme.

Part 5.4 Damages for claims—exclusions and limitations

Note 1 The *Civil Law (Wrongs) Act 2002*, part 7.1 (Damages for personal injuries—exclusions and limitations) also applies to motor accident claims. It includes, for example—

 - (b) an additional amount that is not more than 20% of the amount awarded under paragraph (a) if the court considers that the WPI report that the claimant relies on for the motor accident claim did not take into account a particular injury, or a particular effect on the claimant’s quality of life.

Example—particular effect on claimant’s quality of life
 chronic pain

Examples—no-fault motor accident

- 2 an accident that happens as the result of a driver colliding with a kangaroo that hops onto the road

255 Presumption of no-fault motor accident

In a proceeding based on a motor accident claim, an averment by the claimant that the motor accident was a no-fault motor accident is evidence of that fact unless there is evidence to the contrary.

256 Working out driver at fault in no-fault motor accident

- (1) This section applies if a person is injured in a no-fault motor accident.
- (2) For the purposes of making a motor accident claim—

Division 5.7.2 Compulsory conferences before court proceedings

258 Compulsory conference

- (1) Before a claimant for a motor accident claim brings a court proceeding based on the claim, the parties to the claim must have a conference (the *compulsory conference*).
- (2) However, if the claimant brings a proceeding based on the claim, and applies to stay the proceeding, under section 141 (5) (WPI assessment 4 years 6 months after motor accident), the parties to the claim must have a compulsory conference before the proceeding can proceed.

Note The *Civil Law (Wrongs) Act 2002*, s 79 (Need for urgent proceeding) applies to a claimant in relation to a motor accident claim.

- (3) Any party may call the compulsory conference—
 - (a) at a time and place agreed by each party; or
 - (b) if more than 6 months has passed since the respondent received, or is taken to have received, the claimant's complying notice of claim—at a reasonable time and place nominated by the party calling the conference.
- (4) On application by a party, the court may decide the time and place for the compulsory conference and make any other orders the court considers appropriate.
- (5) The parties may, by agreement, change the time or place for holding the compulsory conference or adjourn the conference from time to time and from place to place.
- (6) The compulsory conference may be conducted, if the parties agree, by telephone or another form of communication allowing contemporaneous and continuous communication between the parties.

259 Compulsory conference may be dispensed with

- (1) On application by 1 or more of the parties for the motor accident claim, the court may dispense with the compulsory conference for good reason and make any other orders the court considers appropriate.
- (2) In considering whether to dispense with the compulsory conference, the court must take into account the extent of compliance by the parties with their obligations for the motor accident claim.

260 Compulsory conference with mediator

- (1) A compulsory conference may be held with a mediator if—

- (2) The mediator must be a person who is independent of the parties.
- (3) The mediator must be decided by agreement by each party.
- (4) However, if the parties are unable to agree on a mediator not later than 30 days after the date for the compulsory conference is decided, any party may apply to the registrar of the court for the registrar to decide the mediator.

261 Procedures before compulsory conference

- (1) At least 7 days before the compulsory conference is to be held, each party for the motor accident claim must give each other party—

 - (b) a statement verifying that all relevant documents in the possession of the party or the party's lawyer have been given as required; and
 - (c) details of the party's legal representation; and
 - (d) if the party has legal representation—a certificate of readiness signed by the party's lawyer.
- (2) However, on application by a party, the court may exempt the party from an obligation to give material to another party before trial if satisfied that—
 - (a) giving the material would alert a person reasonably suspected of fraud to the suspicion; or
 - (b) there is some other good reason why the material should not be given.

(3) In this section:

certificate of readiness, by a party to a motor accident claim, means a certificate stating that—

- (a) the party is in all respects ready for the compulsory conference; and

- (a) details of the legal costs (clearly identifying costs that are legal fees and costs that are disbursements) payable by the party to the party's lawyer up to the completion of the compulsory conference; and
- (b) an estimate of the party's likely legal costs (clearly identifying costs that are legal fees and costs that are disbursements) if the claim proceeds to trial and is decided by the court; and
- (c) a statement of the consequences to the party, in terms of costs, in each of the following cases:
 - (i) if the amount of the damages awarded by the court is equal to, or more than, the claimant's mandatory final offer;

- (ii) if the amount of the damages awarded by the court is less than the claimant's mandatory final offer but equal to, or more than, the respondent's mandatory final offer;

264 Mandatory final offers may be dispensed with

The court may, on application by the claimant or respondent for the motor accident claim, dispense with the obligation to exchange mandatory final offers.

265 Timing of mandatory final offers

- (1) If the court has not dispensed with the obligation to exchange mandatory final offers, mandatory final offers for a motor accident claim must be exchanged—

 - (b) if the claim is not settled at the compulsory conference—at the end of the conference.
- (2) A mandatory final offer remains open for 14 days.

266 Working out costs for mandatory final offers

- (1) A mandatory final offer for \$50 000 or less must be exclusive of any amount for costs.
- (2) If a mandatory final offer is for \$50 000 or less but for more than \$30 000, and is accepted, costs must be worked out and paid in the way prescribed by regulation.
- (3) If a mandatory final offer is for \$30 000 or less, and is accepted—
- (a) for a claimant who was a child at the time of the motor accident or holds a Commonwealth concession card when the offer is accepted—costs (including disbursements) must not exceed \$5 000; or

267 Court proceedings not to begin if mandatory final offer open

- (1) A claimant for a motor accident claim must not begin a court proceeding based on the claim if a mandatory final offer for the claim remains open.
- (2) If a claimant brings a court proceeding based on a motor accident claim, the claimant must, at the beginning of the proceeding, file in the court a sealed envelope containing a copy of the claimant's mandatory final offer.
- (3) The respondent must, before or at the time of filing a defence, file in the court a sealed envelope containing a copy of the respondent's mandatory final offer.

Note 1 Contravention of a licence condition is also a ground for the following:

- (a) suspension of the MAI insurer licence (see s 383);
- (b) the MAI commission to apply to the ACAT for an occupational discipline order in relation to the licensed insurer (see pt 7.6).

Note 2 Penalties imposed under this Act must be paid into the nominal defendant fund (see s 330).

380 Contravention of licence condition does not affect MAI policy

If an MAI insurer issues an MAI policy in contravention of a condition of their MAI insurer licence, the MAI policy is not annulled or affected only because the MAI insurer is in contravention of the condition.

381 Offence—unlicensed insurer contravening licence condition

A person commits an offence if—

- (a) the person is not a licensed insurer; and
- (b) the person engages in conduct that would, if the person was a licensed insurer, contravene a condition of an MAI insurer licence; and

- (2) However, if the MAI commission is satisfied that the contravention could be remedied not later than 21 days after the day the contravention happened, the MAI commission must not suspend the licence under section 385 until at least 21 days after the day the contravention happened.

Note The grounds in s (1) are also grounds for the MAI commission to apply to the ACAT for an occupational discipline order in relation to the licensed insurer (see pt 7.6).

384 Grounds for licence suspension—other grounds

Each of the following is a ground for suspending a licensed insurer's MAI insurer licence:

- (a) the insurer is not authorised under the *Insurance Act 1973* (Cwlth) to carry on insurance business;

- (f) the insurer defaults in the payment of principal or interest of more than \$100 000 under any debenture, or series of debentures, issued by the insurer, unless the default occurs because the insurer genuinely disputes its liability to make the payment;

- (g) the insurer enters into, or resolves to enter into any of the following, other than for a reconstruction or amalgamation on terms that have been approved by the MAI commission:
 - (i) an arrangement, composition or compromise with its creditors;

- (h) a proceeding is commenced to sanction an arrangement, composition, compromise or transfer mentioned in paragraph (g), other than for a reconstruction or amalgamation on terms that have been approved by the MAI commission;
- (i) an application (other than a frivolous or vexatious application) or order is made for the winding up or dissolution of the insurer, other than for a reconstruction or amalgamation on terms that have been approved by the MAI commission;
- (j) a resolution is passed for the winding up or dissolution of the insurer, other than for a reconstruction or amalgamation on terms that have been approved by the MAI commission;
- (k) there is a change in the effective control of the insurer;
- (l) the insurer becomes a subsidiary of a corporation of which it was not a subsidiary when the licence was issued;
- (m) the MAI commission believes on reasonable grounds that the insurer has failed to comply with a condition imposed on the insurer's authority to carry on insurance business under the *Insurance Act 1973* (Cwlth);
- (n) a person claiming to be a creditor of the insurer gives the insurer a demand requiring the insurer to pay an amount of more than \$100 000, and the insurer fails to pay the amount, or secure or compound for it to the satisfaction of the person, within 3 weeks after the demand is given;

- (o) an execution or other process issued on a judgment, decree or order of a court in favour of a creditor of the insurer is returned unsatisfied, completely or partly, and the amount unsatisfied is more than \$100 000;
- (p) the insurer agrees to the suspension.

Note A licensed insurer, or former licensed insurer, commits an offence if any of the events or things mentioned in this section, other than paragraph (e), paragraph (m) or paragraph (p), happens and the person does not tell the MAI commission about it (see s 416).

385 Licence suspension

- (1) If the MAI commission believes on reasonable grounds that a ground for suspending a licensed insurer's MAI insurer licence exists, the MAI commission may suspend the licence by giving the licensed insurer written notice of the suspension (a *suspension notice*).

Note A decision by the MAI commission to suspend an MAI insurer licence is a reviewable decision (see ch 10 and sch 2).

- (2) The suspension notice must state—
 - (a) that the licence is suspended on and from—
 - (i) the day the insurer is given the notice; or
 - (ii) if the suspension notice states a later date—the day stated in the notice; and
 - (b) the ground for the suspension.

Note Power given by a law to make a decision includes power to reverse or change the decision. The power to reverse or change the decision is exercisable in the same way, and subject to the same conditions, as the power to make the decision (see [Legislation Act](#), s 180).

386 Ending licence suspension

- (1) The MAI commission may end the suspension of an MAI insurer licence only if the MAI commission believes on reasonable grounds that the licensed insurer is able to comply with the requirements that would be imposed on the insurer if it were issued with a licence for the first time.
- (2) If the MAI commission ends a suspension, the MAI commission must give a written notice to the licensed insurer stating when the suspension ends.

387 Offence—issuing MAI policy if licence suspended

A person commits an offence if—

- (a) the person is a licensed insurer; and
- (b) the person's MAI insurer licence is suspended; and
- (c) the person issues an MAI policy.

Maximum penalty: 100 penalty units

Note Penalties imposed under this Act must be paid into the nominal defendant fund (see s 330).

388 Effect of suspension on existing liabilities—suspended insurer

- (1) The suspension of an insurer's MAI insurance licence does not affect—
 - (a) liabilities incurred, or accruing, before the date of suspension;
or
 - (b) the suspended insurer's liabilities under MAI policies that came into force before the date of suspension.

- (2) The suspended insurer is subject to this Act and the insurance industry deed in the same way, and to the same extent, as a licensed insurer until all the suspended insurer's liabilities for MAI insurance business have been fully satisfied.

389 Suspended insurer selected after suspension

- (1) If a suspended insurer is selected under part 6.4 (Selecting an MAI insurer) to be the MAI insurer for an MAI policy, the MAI commissioner must allocate another insurer under subsection (3) or (4) to be the MAI insurer for the MAI policy.
- (2) The MAI commission—
 - (a) must consult with the remaining licensed insurers about their capacity to underwrite the suspended insurer's MAI policies; and
 - (b) may consult with any insurer the MAI commission considers may be appropriate to become a licensed insurer; and
 - (c) must have regard to the result of any consultation with APRA relevant to the matter.
- (3) The MAI commission must randomly allocate the MAI policies to the remaining licensed insurers in proportion to their shares of the market for MAI insurance.
- (4) However, the MAI commission must not allocate MAI policies, if—
 - (a) the MAI commission decides that the remaining licensed insurers do not have capacity to underwrite the MAI policies; or
 - (b) an insurer mentioned in subsection (2) (b) becomes a licensed insurer.

Part 7.6 MAI insurer licences— occupational discipline

390 Meaning of *licensed insurer*—pt 7.6

In this part:

licensed insurer includes a former licensed insurer.

391 MAI commission may choose occupational discipline instead of prosecution

In regulating the operation of licensed insurers, the MAI commission may, but need not, choose to apply to the ACAT for an occupational discipline order in relation to licensed insurers rather than pursuing a prosecution under this Act if the MAI commission believes on reasonable grounds it would be in the public interest to do so.

Note The MAI commission may apply to the ACAT under s 393.

(f) another ground prescribed by regulation.

Note A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including any regulation (see [Legislation Act](#), s 104).

(2) However, subsection (1) (a), (b) and (c) apply to a former licensed insurer only in relation to anything that happened while the person was licensed.

Note The grounds in s (1) (a), (b) and (c) are also the grounds for licence suspension under s 383.

393 Applications to ACAT for occupational discipline

If the MAI commission believes on reasonable grounds that a ground for occupational discipline exists in relation to a licensed insurer, the MAI commission may apply to the ACAT for an occupational discipline order in relation to the licensed insurer.

394 Occupational discipline orders

(1) This section applies if the ACAT may make an occupational discipline order in relation to a licensed insurer.

Note The [ACT Civil and Administrative Tribunal Act 2008](#), s 65 sets out when the ACAT may make an occupational discipline order.

(2) In addition to any other occupational discipline order that the ACAT may make, the ACAT may require the licensed insurer to pay an amount of not more than \$100 000 to the Territory or someone else.

Note The [ACT Civil and Administrative Tribunal Act 2008](#), s 66 sets out other occupational discipline orders the ACAT may make.

(3) However, if a licensed insurer is convicted of an offence under section 379 (Offence—contravening licence condition) in relation to an act or omission, the ACAT must not make an occupational discipline order requiring the licensed insurer to pay an amount to the Territory or someone else in relation to the same act or omission.

- (4) If the ACAT orders a licensed insurer to pay an amount, the amount must be paid into the nominal defendant fund.

Part 7.6A Financial penalties

- (b) doing or not doing the stated thing would place an unreasonable cost burden on the insurer;

Each of the following is a ground for cancelling a licensed insurer's MAI insurer licence:

- (a) the MAI commission considers the cancellation appropriate for any reason, including reasons relating to the motor accident injury insurance scheme under this Act generally, whether or not the reasons relate to the efficiency and conduct of the licensed insurer;
- (b) the insurer surrenders the MAI insurer licence to the MAI commission and the MAI commission approves the surrender.

Note An MAI insurer must surrender its licence to the MAI commission if the MAI commission approves the transfer of the MAI insurer licence to someone else (see s 398).

396 Proposed licence cancellation

- (1) If the MAI commission proposes to cancel a licensed insurer's MAI insurer licence on a ground mentioned in section 395 (a), the MAI commission must give the licensed insurer a written notice (a *show cause notice*) stating—
 - (a) that the MAI commission proposes to cancel the licence; and
 - (b) the grounds for the proposed cancellation; and
 - (c) that the licensee may, not later than 14 days after the day the licensee is given the notice, give a written submission to the MAI commission about the proposed cancellation.
- (2) In deciding whether to cancel the licence, the MAI commission must consider any submission given to the MAI commission in accordance with the show cause notice.

397 Licence cancellation

- (1) If the MAI commission believes on reasonable grounds that a ground for cancelling a licensed insurer's MAI insurer licence exists, the MAI commission may cancel the licence by giving the licensed insurer written notice of the cancellation (a *cancellation notice*).

Note A decision by the MAI commission to cancel an MAI insurer licence is a reviewable decision (see ch 10 and sch 2).

- (2) The cancellation notice must state—
- (a) that the licence is cancelled on—
 - (i) the day the insurer is given the notice; or
 - (ii) if the cancellation notice states a later date—the day stated in the notice; and
 - (b) the ground for the cancellation.

Note A decision to cancel an MAI insurer licence is a reviewable decision (see ch 10 and sch 2).

- (3) However, the MAI commission must not cancel an MAI insurer licence unless satisfied that the licensed insurer has—
- (a) discharged all of its past, present and future liabilities—
 - (i) under any MAI policy for which it is the insurer; and
 - (ii) to the nominal defendant fund; and
 - (iii) to any other licensed insurer; or
 - (b) provided security, or entered into other arrangements satisfactory to the MAI commission, for the liabilities.

- (4) If the MAI commission is unable to cancel a licensed insurer's MAI insurer licence because of subsection (3), the MAI commission may instead impose a condition on the licence that prohibits the insurer from issuing any further MAI policies.

Note A decision to impose a condition on an MAI insurer licence is a reviewable decision (see ch 10 and sch 2).

Part 7.8 MAI insurer licences—transfer

398 MAI insurer licence—transfer

- (1) A licensed insurer (the *old insurer*) may, with the approval of the MAI commission, transfer the insurer's MAI insurer licence to—
 - (a) another licensed insurer (the *new insurer*); or
 - (b) a corporation to whom the MAI commission proposes to issue an MAI insurer licence (the *new insurer*).

Note A decision by the MAI commission to refuse to transfer an MAI insurer licence to the new insurer is a reviewable decision (see ch 10 and sch 2).

- (2) The MAI commission must not approve the transfer of an MAI insurer licence unless satisfied that the new insurer is able to meet the past, present and future liabilities of the old insurer—
 - (a) under any MAI policy for which the old insurer is the insurer; and
 - (b) to the nominal defendant fund; and
 - (c) to any other licensed insurer.
- (3) If the MAI commission approves the transfer of the old insurer's MAI insurer licence to the new insurer—
 - (a) the old insurer must surrender the insurer's MAI insurer licence to the MAI commission; and
 - (b) all rights and liabilities subject to the transfer are transferred to, and become rights and liabilities of, the new insurer; and
 - (c) this Act operates as if the new insurer had been selected as the insurer under the MAI policies subject to the transfer.

Note If the MAI commission approves the transfer of the old insurer's licence under this section, the MAI commission must cancel the old insurer's licence on surrender of the licence to the MAI commission (see pt 7.7).

399 Transfer of policies to other insurers

- (1) The MAI commission may transfer an insurer's MAI policies to a licensed insurer if—
 - (a) the insurer's MAI insurer licence is cancelled or otherwise ceases to be in force; or

Note A decision by the MAI commission to refuse to transfer an insurer's MAI policies is a reviewable decision (see ch 10 and sch 2).

- (2) The MAI commission must give a written notice to both insurers stating—
 - (a) the MAI policies that are to be transferred; and

 - (a) the original policy is cancelled; and
 - (b) the new insurer is taken to have issued an MAI policy—
 - (i) on the day of the transfer; and

- (ii) on the same terms as the original policy; and
 - (iii) for the balance of the period of the original policy; and
- (c) the old insurer must pay to the new insurer—
 - (i) the same proportion of the MAI premium paid, or to be paid, for the original policy as the balance of the indemnity period of the policy bears to the whole indemnity period of the policy; and
 - (ii) an additional amount decided by the MAI commission for the income from investment and the management fee for the MAI premium.
- (2) The new insurer may recover an amount payable under subsection (1) (c) as a debt from the old insurer.
- (3) Cancellation of an MAI policy under this section ends the indemnity period of the policy but, subject to this section, does not affect any right, obligation or liability acquired, accrued or incurred under the policy during the indemnity period.
