The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). 3 Legislation history

3 Legislation history

This Act was originally a Commonwealth ordinance—the *Drugs of Dependence Ordinance 1989* No 11 (Cwlth).

The *Australian Capital Territory (Self-Government) Act 1988* (Cwlth), s 34 (4) converted most former Commonwealth ordinances in force in the ACT into ACT enactments. This allowed the ACT Legislative Assembly to amend and repeal the laws. This Act was converted into an ACT enactment on 11 May 1989 (self-government day).

As with most ordinances in force in the ACT, the name was changed from *Ordinance* to *Act* by the *Self-Government (Citation of Laws) Act 1989* No 21, s 5 on 11 May 1989 (self-government day).

After 11 May 1989 and before 10 November 1999, Acts commenced on their notification day unless otherwise stated (see *Australian Capital Territory (Self-Government) Act 1988* (Cwlth) s 25).
