Other Development Application Requirements

LODGEMENT & PAYMENT

A valid development application comprises of a completed development application form accompanied by all of the required information or documents that address the relevant rules and/or relevant criteria for it to be considered for approval.

Proposals in the **Code** track must be accompanied by information or documents addressing all the relevant rules, including all statements of endorsement required for the application. If the information is not provided the application must be refused.

Proposals in the **Merit** track have the option to comply with the rules or criteria, unless the rule is mandatory. Where it is proposed to meet the criteria, the onus is on the applicant to demonstrate, by supporting plans and written documentation, that the proposed development satisfies the criteria and therefore the intent of the element.

Proposals in the **Impact** track also have the option to justify any non-compliance with the rules and the criteria, unless the rule is mandatory. Where it is proposed to not meet the rules and the criteria, the onus is on the applicant to justify the non-compliance by demonstrating that the proposed development is consistent with the relevant principles of the Statement of Strategic Directions. Supporting plans and written documentation, providing consideration of the relevant Intents of the Code and the Zone objectives, are to accompany the development application.

Once a development application is received, the documentation will be checked to ensure it meets the standard for lodgment. If the documentation provided is acceptable, you will receive written confirmation the application is ready for lodgment and a request for the payment of the application fees. A development application is not considered lodged until full payment of fees is made.

If the DA documentation is not acceptable for lodgment, you will receive written advice detailing the additional information required and/or any other issues with your application. Once these things are provided the Authority will recommence the documentation check and fee payment process outlined above.

All required documentation must be provided in an electronic format on compact disc/DVD and meet the following requirements (DA form to be lodged in hardcopy if submitted over the counter)

- Each document must be saved as a PDF and named in accordance with the naming convention as detailed on the ACTPLA website.
- All plans must be to scale.
- All plans must be rotated to landscape.
- All plans are to be clear and concise and consistent with Australian Standard 1100.301 - 1985 and Australian Standard 1100.301 supplementary - as updated from time to time.
- The proposal number included in the naming convention is unique to the application and provided by the ACT Planning and Land Authority. If you have already had dealings with the Authority about your proposal through a pre-application meeting or have requested and received pre application advice, you would already have a proposal number allocated for your development application. If you have not been allocated a proposal number, leave this number out of the file name.
- The documentation provided on CD/DVD either over the counter or via an electronic lodgment process (email or internet) will be considered to be the relevant documentation associated with this application.

HARDCOPY DOCUMENTATION REQUIREMENTS

In addition to DA documentation being provided on compact disc/DVD a hard copy must also be provided for the following:

- **Any** report required as part of an application over 20 pages in length
- **ALL** development applications that will be assessed in the **IMPACT** assessment track
- development applications for:
 - a residential building intended to be higher than 3 storeys and consisting of more than 50 units
 - a building where the total floor space of which is intended to be more than 7000m²
 - a building or structure intended to be higher than 25m
 - an application to change a concessional lease into a lease that is not concessional

Amendment to Development Application Not Yet Approved (s.144)

When submitting documentation or plans in relation to an amendment to a development application that has not been determined, a written statement specifying what elements of the original proposal have been changed must be provided.

Further Information (S.141) (not applicable to Code track applications)

In addition to the documentation provided at the time of lodgment the Authority may, by written notice, request more information from the applicant under section 141 of the *Planning and Development Act 2007* at any time after the lodgment of the development application.

Satisfying Conditions of Approval (S.165)

When submitting documentation or plans to satisfy conditions of approval a written statement detailing which conditions the documentation or plans are seeking to satisfy must be provided.

Amendment to Development Approval (S.197)

When submitting documentation or plans in relation to an amendment to a development approval, a written statement specifying what elements of the original approval have been changed must be provided. The amended application may need to be notified (S.198).

Changes to a Unit Development

Your building work may have an effect on the Unit Entitlements of the Units Plan. You may require a statement from a certified valuer as to this effect. For further information please contact the Authority.

Applicant and Lessee Declaration

I/we the undersigned, hereby apply for approval to carry out the development described on the land specified in this application;

I/we declare that this application is accompanied by all of the required information or documents that address the relevant rules and/or relevant criteria for it to be considered for approval;

I/we understand that if during the assessment of this application it is found to have been submitted in the incorrect assessment track the application will be refused and I/we will not be entitled to a refund or transfer of fees;

I/we understand that the information submitted with this application form will undergo a documentation check prior to the payment of fees and formal lodgement of the application. Further information may be required prior to the acceptance of the development application by the Authority;

I/we understand that the documentation provided on CD/DVD or via the electronic lodgment process will be considered to be the relevant documentation associated with this application. If only hard copy plans are provided at the time of lodgment they will be electronically scanned. All development application documentation will be made available for public inspection including via the Internet unless exclusion has been approved;

If the time for deciding the application (prescribed period) has ended and a decision has not been reached I/we understand that the application will be deemed refused and the ACT Planning and Land Authority will not provide written advice of this decision. I/we also understand that the ACT Planning and Land Authority is able to still consider the application and make a decision after the expiration of the prescribed period.

I/we hereby authorise the ACT Planning and Land Authority its servants and agents to erect sign/s on the subject property(s) as required;

I/we hereby authorise ACT Government officers to access the subject property(s) for the purpose of evaluating the proposal (including the inspection of driveways and trees);

I/we the undersigned (lessee) appoint the applicant whose signature appears below to act on my/our behalf in relation to this Development Application. This authorises the applicant to pay all application fees, bonds and securities, liaise with the ACT Planning and Land Authority when required, alter, amend or provide further information as necessary and receive any communications relating to this Development Application.

I understand that all costs including the relocation of any engineering services (light poles, storm water, sumps etc) will be at my expense and that I will indemnify the ACT Government, its servants and agents against any claims arising during construction;

I understand that construction of any driveway associated with this application may not commence until the contractor has received endorsement by the relevant government entity.

I understand that a Certificate of Design Acceptance and a Road Opening Permit and Temporary Management Plan must be obtained from the relevant government agencies prior to the start of construction works.

I/we declare that all the information given on this form and its attachments is true and complete;

If signing on behalf of a company, organisation or Government agency: -

I/we the undersigned, declare I/we have the appropriate delegation or authority to sign on behalf of the company, organisation or Government agency.
