## 12. Other Application Requirements

### **DOCUMENTATION AND PLANS**

**All required documentation must be provided in an electronic format on compact disc/DVD and meet the following requirements** (Form can be submitted in hardcopy if lodged over the counter)

- Each document must be saved as a PDF and named in accordance with the naming convention as detailed on the ESDD website.
- All plans must be to scale.
- All plans must be rotated to the correct orientation i.e. they are the right way up when opened
- All plans are to be clear and concise and generally consistent with Australian Standard 1100.301 - 1985 and Australian Standard 1100.301 supplementary - as updated from time to time.
- The proposal number included in the naming convention is unique to the application and provided by the planning and land authority. If you have already had dealings with the planning and land authority about your proposal through a pre-application meeting or have requested and received pre application advice, you would already have a proposal number allocated for your development application. If you have not been allocated a proposal number, leave this number out of the file name.
- The documentation provided on CD/DVD either over the counter or via an electronic lodgment process (email or internet) will be considered to be the relevant documentation associated with this application.

### **HARDCOPY DOCUMENTATION REQUIREMENTS FOR ALL APPLICATION TYPES**

In addition to the documentation being provided on CD/DVD **one bound and one unbound hard copy must also be provided.**

**Privacy Notice**

The personal information on this form is being collected to enable processing of your application. Collection of personal information is authorised by Chapters 7, 8 and 9 of the Planning and Development Act 2007. The information that you provide may be disclosed to the ACT Revenue Office and the Registrar-General's Office. The information may be accessed by other government agencies, ACTEWAGL, ACTEW Corporation and other commercial organisations interested in development and building information. The Planning and Development Act 2007 requires the details of applications, decisions and orders to be kept on a register and made available for public inspection. Information and documentation relevant to a development application may be made available via the Internet.

**Does the Commonwealth Environment Protection and Biodiversity Conservation Act 1999 (EPBC) affect your proposal?**

The EPBC came into operation on 16 July 2000. It establishes an environmental assessment and approval system that is separate and distinct from the ACT system. It does not affect the validity of ACT development assessment and approval processes, but may affect the assessment track. The ACT cannot provide preliminary advice on whether a proposal falls within the definition of a controlled action, or requires referral to the Commonwealth. You should consult with the Commonwealth to determine if your proposal is a controlled action before seeking any approvals under the *Planning and Development Act 2007*. For information about the EPBC, including the referral process and when a referral should be made, contact the Department of Sustainability, Environment, Water, Population and Communities, GPO Box 787, CANBERRA ACT 2601 Telephone: 62741111.
