3 <sup>rd</sup> Owner's Signature	<input type="text"/>	Date	<input type="text"/>
4 <sup>th</sup> Owner's Signature	<input type="text"/>	Date	<input type="text"/>

**NOTE:** There are penalties for deliberately giving false and misleading information. The Planning and Land Authority or Minister may revoke an approval if satisfied that the approval was obtained by fraud or misrepresentation.

Where relevant the following information **MUST** be included in either the application or the plans accompanying the application for building approval:

#### General Requirements

- ▶ Estimated Cost of Works -as per *Building (General) (Cost of Building Work) Determination 2011*
- ▶ if the proposed building work to be carried out at or near a street or place that is open to or used by the public the application must contain details of the precautions proposed to be taken to protect the safety of people using the street or place while the building work is carried out
- ▶ the area of the parcel of land to which this application relates
- ▶ the class of the building according to the intended use of the building as proposed to be erected or altered;
- ▶ if applicable what fire-resisting construction type (under the building code) the building as proposed to be erected or altered will be.  
*Note: Fire-resisting construction type may not be applicable if an alternative solution under the building code is used.*
- ▶ for an application relating to the erection of a class 1 building the site classification of the parcel of land
- ▶ for an application relating to the alteration of a class 1 building if the alteration will increase the building load carried by foundation material beyond the building load carried by the foundation before the alteration.
- ▶ the site classification of the parcel of land
- ▶ for an application relating to the alteration of a building the class and type of fire-resisting construction of the existing building classified under the building code and the materials used in the existing building  
*Note Fire-resisting construction type may not be applicable if an alternative solution under the building code is used.*
- ▶ the number of storeys of the building as proposed to be erected or altered;
- ▶ the number of new dwellings (if any) created by the proposed building work;
- ▶ the floor area of the proposed building or proposed new part of the building;
- ▶ the materials to be used in the frame, floor, walls and roof of the proposed building or proposed new part of the building
- ▶ if a performance requirement of the building code is to be complied with by use of an alternative solution under the code -
  - (i) the performance requirement; and
  - (ii) the alternative solution; and
  - (iii) each assessment method used to show that the alternative solution complies with the performance requirement;
- ▶ if the building code does not state a standard of work in relation to any part of the proposed building work and it is intended to carry out that part of the proposed building work in accordance with a standard of work stated in another document -
  - (i) the nature of the proposed building work; and
  - (ii) the title of the document; and
  - (iii) each assessment method used to show that the proposed building work complies with the standard of work stated in the document.

#### Removal or demolition of building/s

- ▶ Details of the methods to be used in carrying out the proposed building work, including a work plan stated or set out in AS 2601 (Demolition of structures), as in force from time to time;
- ▶ the number of dwellings (if any) to be demolished.

#### Asbestos

- ▶ The application must include a description of the method proposed to be used to remove the bonded asbestos sheeting from the building.
- ▶ the application must include the following information:
  - (i) the method proposed to be used to remove the asbestos;
  - (ii) the approximate amount and kind of asbestos to be removed;
  - (iii) the equipment proposed to be used to remove the asbestos, including any personal protective equipment;
  - (iv) details of a program, prepared in accordance with the asbestos removal code, for monitoring airborne asbestos to be followed during the removal.

#### Privacy Notice

The personal information on this form is provided to the Environment and Planning Directorate (EPD) to enable the processing of your application. The collection of personal information is authorised by the *Building Act 2004*. If all or some of the personal information is not collected EPD cannot process your application. The personal information you provide may be disclosed to Australian Bureau of Statistics, ACT Revenue Office and the Taxation Office. The information may also be disclosed where authorised by law or court order, or where the Directorate reasonably believes that the use or disclosure of the information is reasonably necessary for enforcement-related activities conducted by, or on behalf of, an enforcement body. EPD's Information Privacy Policy contains information about how you may access or seek to correct your personal information held by EPD, and how you may complain about an alleged breach of the Territory Privacy Principles. The EPD Information Privacy Policy can be found at [www.environment@act.gov.au](http://www.environment@act.gov.au)
