### A Bill for

An Act for the control of diseases and pests affecting plants, and for other purposes

---

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Part 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Plant Diseases Act 2002*.

4 **2 Commencement**

5 This Act commences on a day fixed by the Minister by written  
6 notice.

7 *Note 1* The naming and commencement provisions automatically commence on  
8 the notification day (see *Legislation Act 2001*, s 75).

9 *Note 2* A single day or time may be fixed, or different days or times may be  
10 fixed, for the commencement of different provisions (see *Legislation*  
11 *Act 2001*, s 77 (1)).

12 *Note 3* If a provision has not commenced within 6 months beginning on the  
13 notification day, it automatically commences on the first day after that  
14 period (see *Legislation Act 2001*, s 79).

15 **3 Dictionary**

16 The dictionary at the end of this Act is part of this Act.

17 *Note 1* The dictionary at the end of this Act defines certain words and  
18 expressions used in this Act, and includes references (*signpost*  
19 *definitions*) to other words and expressions defined elsewhere in this  
20 Act.

21 For example, the signpost definition '*disease*—see section 5 (Meaning  
22 of *disease*).' means that the word 'disease' is defined in that section.

23 *Note 2* A definition in the dictionary (including a signpost definition) applies to  
24 the entire Act unless the definition, or another provision of the Act,  
25 provides otherwise or the contrary intention otherwise appears (see  
26 *Legislation Act 2001*, s 155 and s 156 (1)).

1   **4   Notes**

2       A note included in this Act is explanatory and is not part of this Act.

3       *Note*     See *Legislation Act 2001*, s 127 (1), (4) and (5) for the legal status of  
4               notes.

1 **Part 2 Key concepts**

24                  in a proceeding in the court; and

- (3) The magistrate may refuse to consider the application until the inspector gives the magistrate the information the magistrate requires about the application in the way the magistrate requires.
- (4) The magistrate may issue a warrant only if satisfied there are reasonable grounds for suspecting—
  - (a) there is a particular thing or activity connected with an offence against this Act; and
  - (b) the thing or activity is at the premises, or may be at the premises within the next 14 days.
- (5) The warrant must state—
  - (a) that an inspector may, with necessary assistance and force, enter the premises and exercise the inspector's powers under this part; and
  - (b) the offence for which the warrant is sought; and
  - (c) the evidence that may be seized under the warrant; and
  - (d) the hours when the premises may be entered; and
  - (e) the date, within 14 days after the day of the warrant's issue, the warrant ends.

**25 Warrants—application made other than in person**

- (1) An inspector may apply for a warrant by phone, fax, radio or other form of communication if the inspector considers it necessary because of—
  - (a) urgent circumstances; or

3 application stating the grounds on which the warrant is sought.
- 4 (3) The inspector may apply for the warrant before the application is  
5 sworn.
- 6 (4) After issuing the warrant, the magistrate must immediately fax a  
7 copy to the inspector if it is practicable to do so.
- 8 (5) If it is not practicable to fax a copy to the inspector—  
9 (a) the magistrate must—  
10 (i) tell the inspector the terms of the warrant; and

22 magistrate—  
23 (a) the sworn application; and

25 warrant form.
- 26 (8) On receiving the documents, the magistrate must attach them to the  
27 warrant.

- 1 (9) A court must assume that a power exercised by an inspector was not  
2 authorised by a warrant under this section if—
- 3 (a) the question arises in a proceeding before the court whether the  
4 exercise of power was authorised by a warrant; and
- 5 (b) the warrant is not produced in evidence; and
- 6 (c) it is not proved that the exercise of power was authorised by a  
7 warrant under this section.

- 26 (b) has reasonable grounds for believing that the person has just  
27 committed an offence against this Act.

- 1        (2) If an inspector makes a requirement of a person under  
2           subsection (1), the inspector must—

- 5        (3) A person must not, without reasonable excuse, contravene a  
6           requirement under subsection (1).
- 7           Maximum penalty: 5 penalty units.

18              connected with an offence against this Act; and
- 19           (b) seizure of the thing is consistent with the purpose of the entry  
20              as told to the occupier when seeking the occupier's consent.
- 21       (3) An inspector may also seize anything on premises entered under this  
22           part if satisfied on reasonable grounds that—
- 23           (a) the thing is connected with an offence against this Act; and
- 24           (b) the seizure is necessary to prevent the thing from being—
- 25              (i) concealed, lost or destroyed; or
- 26              (ii) used to commit, continue or repeat the offence.

- 1       (4) An inspector may also seize anything on premises entered under this  
2       part if satisfied on reasonable grounds that it is necessary to seize

4       spreading, in the ACT.
- 5       (5) Having seized a thing, an inspector may—
- 6           (a) remove the thing from the premises where it was seized; or
