THE LEGISLATIVE ASSEMBLY  
FOR THE AUSTRALIAN CAPITAL TERRITORY

---

(As presented)

(Minister for Employment and Workplace Safety)

# **Loose-fill Asbestos Legislation Amendment Bill 2020**

---

## **A Bill for**

An Act to amend legislation about loose-fill asbestos, and for other purposes

---

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Part 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Loose-fill Asbestos Legislation Amendment Act 2020*.

4 **2 Commencement**

5 This Act commences on 1 July 2020.

6 *Note* The naming and commencement provisions automatically commence on  
7 the notification day (see [Legislation Act](#), s 75 (1)).

8 **3 Legislation amended**

9 This Act amends the following legislation:

- 10 • [Building \(General\) Regulation 2008](#)
- 11 • [Dangerous Substances Act 2004](#)
- 12 • [Dangerous Substances \(General\) Regulation 2004](#)
- 13 • [Planning and Development Act 2007](#)
- 14 • [Planning and Development Regulation 2008](#)
- 15 • [Residential Tenancies Act 1997](#).

16 *Note* This Act also amends other legislation (see sch 1).

---

1 **Part 2** **Building (General)**  
2 **Regulation 2008**

3 **4 Exempt buildings and building work generally—Act,**  
4 **s 152 (2)**  
5 **New section 6 (1A)**

6 *insert*

- 7 (1A) Also, a building mentioned in schedule 1, part 1.2, items 2 to 15 is  
8 not exempt if the building is erected at affected residential premises.

9 **5 New section 6 (5A)**

10 *insert*

- 11 (5A) Also, a building or building work mentioned in schedule 1, part 1.3,  
12 items 14 to 16, 23 and 24 is not exempt if the building is erected or  
13 the work is undertaken at affected residential premises.

14 **6 Section 15A**

15 *substitute*

16 **15A Asbestos contamination report—Act, s 26 (3)**

- 17 (1) This section applies to an application for building approval in relation  
18 to affected residential premises.
- 19 (2) The application must include a copy of the current asbestos  
20 contamination report for the premises.
- 21 (3) In this section:

22 *current asbestos contamination report*—see the *Dangerous*  
23 *Substances Act 2004*, section 47J (2).

1 **7 Building approval applications—asbestos warning**  
2 **notices—Act, s 152 (3) (b)**  
3 **Section 18A (9), definition of *affected residential***  
4 ***premises register***

5 *substitute*

6 *affected residential premises register*—see the [Dangerous](#)  
7 [Substances Act 2004](#), section 47P.

8 **8 New section 29A**

9 *insert*

10 **29A Building approvals not to be issued—Act, s 30 (2)**

11 (1) A building approval must not be issued for building work involving  
12 an affected building at affected residential premises unless the  
13 building work is any of the following:

14 (a) building work related to the demolition of the affected building  
15 including asbestos removal related to the demolition;

16 (b) building work essential for health, safety or reasonable living  
17 conditions at affected residential premises.

18 (2) The Minister may make guidelines about building work mentioned in  
19 subsection (1) (b).

20 (3) A guideline is a notifiable instrument.

21 *Note* A notifiable instrument must be notified under the [Legislation Act](#).

22 **9 Dictionary, new definitions**

23 *insert*

24 *affected building*—see the [Dangerous Substances Act 2004](#),  
25 section 47I.

26 *affected residential premises*—see the [Dangerous Substances](#)  
27 [Act 2004](#), section 47I.

---

## 1 Part 3 Dangerous Substances Act 2004

### 2 10 Failure to comply with safety duty—exposing people to 3 substantial risk of death or serious harm 4 Section 43 (1), examples 1 and 2

5 *omit*

### 6 11 Chapter 3A

7 *substitute*

## 8 Chapter 3A Asbestos

9 *Note* Chapter 6 provides compliance measures for contraventions of the Act.

### 10 Part 3A.1 Preliminary

#### 11 471 Definitions—ch 3A

12 In this chapter:

13 *affected building* means a building that contains or has contained  
14 loose-fill asbestos insulation.

15 *affected residential premises*—

16 (a) means residential premises on which there is or was an affected  
17 building; but

18 (b) does not include premises if the premises have been—

19 (i) removed from the affected residential premises register; or

20 (ii) acquired by the Territory under the buyback scheme or the  
21 *Lands Acquisition Act 1994*.

22 *affected residential premises register*—see section 47P.

23 *approved occupant*—see section 47T (1).

- 1            ***asbestos assessment report***—see section 47K.
- 2            ***asbestos contamination*** means loose-fill asbestos contaminated dust  
3            or debris.
- 4            ***asbestos contamination report***—see section 47J.
- 5            ***building work***—see the [Building Act 2004](#), section 6.
- 6            ***buyback scheme*** means the scheme—
- 7            (a) involving the acquisition of residential premises that contain or  
8            have contained loose-fill asbestos insulation; and
- 9            (b) for which funding was appropriated under the [Appropriation](#)  
10            ([Loose-fill Asbestos Insulation Eradication](#)) [Act 2014-2015](#).
- 11           ***class***, of building—see the [Building Act 2004](#), dictionary.
- 12           ***current asbestos contamination report***—see section 47J.
- 13           ***licensed asbestos removalist***—see the [Work Health and Safety](#)  
14           [Regulation 2011](#), dictionary.
- 15           ***loose-fill asbestos insulation*** means loose-fill amosite or crocidolite  
16           asbestos used as ceiling insulation.
- 17           ***owner***, of affected residential premises—
- 18           (a) means the person who is registered under the [Land Titles](#)  
19           [Act 1925](#) as the proprietor of the lease for the residential  
20           premises; and
- 21           (b) includes any person registered as a joint tenant or tenant in  
22           common in relation to the lease.
- 23           ***regulator*** means the director-general of the administrative unit  
24           responsible for the [Work Health and Safety Act 2011](#).
- 25           ***residential premises***—
- 26           (a) means a parcel of land on which there is or was a class 1 or  
27           class 2 building; and

1 (b) includes any buildings on the land.

2 **47J Meaning of *asbestos contamination report* and *current***  
3 ***asbestos contamination report***

4 (1) For this chapter, an *asbestos contamination report* is a report  
5 prepared by a licensed asbestos assessor about asbestos  
6 contamination at affected residential premises that—

7 (a) expires after—

8 (i) a defined period stated by the assessor in the report; or

9 (ii) any building work at, or structural damage to, an affected  
10 building at the premises that may have disturbed asbestos  
11 contamination in the roof space, wall cavity or sub-floor  
12 area of the building; and

13 **Examples—structural damage**

14 1 fire damage

15 2 dislodged fixture or fitting

16 3 hole in ceiling, wall or floor

17 (b) complies with any requirements prescribed by regulation.

18 (2) For this chapter, a *current asbestos contamination report* is an  
19 asbestos contamination report for affected residential premises that  
20 has not expired.

21 (3) In this section:

22 *defined period* means a period of not less than 6 months and not more  
23 than 2 years.

24 **47K Meaning of *asbestos assessment report***

25 For this chapter, an *asbestos assessment report* is a report prepared  
26 by a licensed asbestos assessor about residential premises that—

27 (a) identifies the location, type and condition of asbestos in relation  
28 to the premises; and

- 1 (b) assesses the risk resulting from the identified asbestos; and  
2 (c) advises how the asbestos should be managed; and  
3 (d) includes anything required by regulation to be included in the  
4 report.

## 5 **Part 3A.2 Asbestos—assessments and** 6 **register etc**

### 7 **47L Duty to publish educational material**

8 The Minister must publish educational material to increase public  
9 awareness about risks associated with asbestos.

### 10 **47M Asbestos advice**

- 11 (1) The Minister must prepare an advice about the likely location of  
12 asbestos in buildings built, or the building of which started, before  
13 1985.  
14 (2) An advice is a notifiable instrument.

15 *Note* A notifiable instrument must be notified under the [Legislation Act](#).

### 16 **47N Requirement to give asbestos assessment report**

- 17 (1) This section applies if—  
18 (a) there is an asbestos assessment report for residential premises;  
19 and  
20 (b) a person (the *engager*) engages someone (the *worker*) to  
21 undertake work involving asbestos at the premises.  
22 (2) The engager must—  
23 (a) tell the worker about the asbestos at the premises; and  
24 (b) give the worker a copy of the asbestos assessment report for the  
25 premises.

- 1           (3) However, the engager need not give the worker a copy of the asbestos  
2           assessment report for the premises—
- 3           (a) if the engager cannot obtain a copy of the report after taking  
4           reasonable steps; or
- 5           (b) if the work is a response to an emergency situation.
- 6           (4) In this section:
- 7           *asbestos containing material* means any material or thing that, as part  
8           of its design, contains asbestos.
- 9           *involves*—work *involves* asbestos if the work involves supplying,  
10          transporting, storing, removing, using, installing, handling, treating,  
11          disposing of or disturbing asbestos or asbestos containing material.
- 12       **47O       Requirements—affected residential premises**
- 13          (1) The owner of affected residential premises must have a current  
14          asbestos contamination report for the premises.
- 15          (2) A person (the *engager*) who engages someone (the *worker*) to  
16          undertake work at affected residential premises must—
- 17               (a) tell the worker about the asbestos at the premises; and
- 18               (b) give the worker a copy of the current asbestos contamination  
19               report for the premises.
- 20          (3) A person who undertakes, or engages a person to undertake, work that  
21          may disturb asbestos contamination in the defined areas of an affected  
22          building at affected residential premises, must tell the regulator about  
23          the work at least 5 business days before the day the work begins.
- 24          (4) A regulation may prescribe requirements for the following in relation  
25          to the management of asbestos contamination at affected residential  
26          premises:
- 27               (a) the regulator;
- 28               (b) the owner of affected residential premises;

- 1 (c) a property manager of, or real estate agent for, affected  
2 residential premises;
- 3 (d) the occupier of affected residential premises;
- 4 (e) a licensed asbestos assessor;
- 5 (f) a licensed asbestos removalist;
- 6 (g) a worker or other person at affected residential premises.

7 **Examples—requirements**

- 8 1 undertaking work required under an asbestos contamination report
- 9 2 complying with any other requirements under an asbestos contamination  
10 report including installing warning signs at affected residential premises
- 11 3 displaying a copy of an asbestos contamination report at affected residential  
12 premises
- 13 4 giving a copy of an asbestos contamination report and any related documents  
14 to the people mentioned in pars (a) to (g)
- 15 (5) In this section:

16 *defined areas*, in relation to an affected building, means the roof  
17 space, wall cavity or sub-floor area of the building.

18 **47P Affected residential premises register**

- 19 (1) The Minister must keep a register of affected residential premises (the  
20 *affected residential premises register*).
- 21 (2) The Minister must include the following details in relation to affected  
22 residential premises in the register:
- 23 (a) the address where the premises are located;
- 24 (b) the block and section;
- 25 (c) the date the premises were included in the register;
- 26 (d) whether the premises have been acquired by the Territory under  
27 the buyback scheme or the *Lands Acquisition Act 1994*;

- 1 (e) whether the premises require a current asbestos contamination  
2 report;
- 3 (f) whether—
- 4 (i) the premises have a current asbestos contamination report;  
5 and
- 6 (ii) any work mentioned in the report to manage the asbestos  
7 contamination has been completed;
- 8 (g) whether the premises are subject to an occupancy prohibition,  
9 and, if so—
- 10 (i) whether an approved occupant is occupying the premises;  
11 and
- 12 (ii) if an approved occupant is occupying the premises—the  
13 name of the approved occupant.
- 14 *Note* An approved occupant may occupy affected residential premises  
15 that are subject to an occupancy prohibition (see s 47U).
- 16 (3) The Minister must remove all details about affected residential  
17 premises from the register if—
- 18 (a) each affected building at the premises has been demolished; and  
19 (b) the Minister is satisfied that the premises have been remediated.
- 20 (4) The register may be kept in any form, including electronically, that  
21 the Minister decides.
- 22 (5) The Minister may make the register, or part of the register, publicly  
23 available (other than matters mentioned in subsection (2) (g)).
- 24 **Example—publicly available**  
25 published on an ACT Government website
- 26 (6) In this section:
- 27 *affected residential premises* means residential premises on which  
28 there is or was an affected building.

1     **47Q       Notice of affected residential premises to**  
2     **registrar-general**

3             The Minister must, as soon as possible after including or removing  
4             details of residential premises in or from the affected residential  
5             premises register, tell the registrar-general about the inclusion or  
6             removal.

7             *Note*     An administrative interest may be placed on the title for affected  
8             residential premises that includes noting that the premises will be subject  
9             to an occupancy prohibition following the transfer or transmission of the  
10            premises (see *Land Titles Act 1925*, s 69A (ba)).

11    **Part 3A.3                   Occupancy prohibition**

12    **47R       Definitions—pt 3A.3**

13             In this part:

14             *occupy*—a person *occupies* affected residential premises if the person  
15             has the premises as their principal place of residence.

16             *transfer*—see the *Land Titles Act 1925*, dictionary.

17             *transmission*—see the *Land Titles Act 1925*, dictionary.

18    **47S       Meaning of occupancy prohibition**

19             The occupation of affected residential premises is prohibited (an  
20             *occupancy prohibition*) if—

21             (a) there has been a transfer or transmission of the premises on or  
22             after 1 July 2020; and

23             (b) the premises were included in the affected residential premises  
24             register before the transfer or transmission of the premises.

25             *Note*     An approved occupant may occupy affected residential premises that are  
26             subject to an occupancy prohibition (see s 47U).

1     **47T        Meaning of *approved occupant***

2             (1) In this chapter:

3                     ***approved occupant***, of affected residential premises, means—

4                         (a) an individual (a ***resident***) who has occupied the premises  
5                                 continuously on and after the day it was added to the affected  
6                                 residential premises register; or

7                         (b) an individual (a ***support person***) who, upon application, is  
8                                 approved by the Minister to occupy the premises to provide  
9                                 support to a resident.

10            (2) Before making a decision under subsection (1), definition of  
11                     ***approved occupant***, paragraph (b), the Minister must consider  
12                     whether—

13                         (a) the support is reasonably necessary for the ongoing physical or  
14                                 emotional care of the resident; and

15                         (b) it is reasonably necessary for the support person to occupy the  
16                                 premises to provide the support.

17            (3) The Minister must give a written copy of the approval or refusal of  
18                     the support person's occupancy of the premises to the applicant  
19                     within 28 days after receiving the application.

20            (4) If the Minister has not given a written copy of the approval or refusal  
21                     to the applicant within 28 days after receiving the application, the  
22                     Minister is taken to have refused the application.

23     **47U        Occupancy prohibition—affected residential premises**

24             (1) The owner of affected residential premises that are subject to an  
25                     occupancy prohibition must ensure that the premises are not occupied  
26                     by a person other than an approved occupant of the premises.

27             *Note*     A residential tenancy agreement for affected residential premises may be  
28                     terminated under the [Residential Tenancies Act 1997](#), s 64AA.

- 1           (2) The owner of affected residential premises commits an offence if—
- 2               (a) the premises are subject to an occupancy prohibition; and
- 3               (b) there was an administrative interest under the *Land Titles*
- 4                     *Act 1925*, section 69A (ba) (i) or (iii) on the title for the premises
- 5                     when the premises were transferred or transmitted to the owner;
- 6                     and
- 7               (c) the owner fails to comply with subsection (1) in relation to the
- 8                     premises.

9           Maximum penalty: 50 penalty units.

10 **47V           Owner must notify regulator of approved occupants**

11           The owner of affected residential premises that are subject to an

12           occupancy prohibition following a transfer or transmission of the

13           premises must tell the regulator in writing—

- 14               (a) that an approved occupant occupies the premises within
- 15                     10 business days after—
- 16                       (i) for an approved occupant who occupied the premises on
- 17                       the day of the transfer or transmission—the day of the
- 18                       transfer or transmission; or
- 19                       (ii) for an approved occupant who occupied the premises after
- 20                       the day of the transfer or transmission—the day the
- 21                       occupation began; or
- 22               (b) that an approved occupant has stopped occupying the premises
- 23                     within 10 business days after the day the occupation ends.

1 **12** **Definitions—ch 9**  
2 **Section 186, definition of *decision-maker***

3 *substitute*

4 *decision-maker* means any of the following:

- 5 (a) the Minister;  
6 (b) the director-general;  
7 (c) an inspector;  
8 (d) a licensed asbestos assessor.

9 **13** **New chapter 15**

10 *insert*

11 **Chapter 15** **Transitional—Loose-fill**  
12 **Asbestos Legislation**  
13 **Amendment Act 2020**

14 **232** **Definitions—ch 15**

15 In this chapter:

16 *affected residential premises register*—see section 47P.

17 *asbestos assessment report*—see section 47K.

18 *asbestos contamination report*—see section 47J.

19 *commencement day* means the day the *Loose-fill Asbestos*  
20 *Legislation Amendment Act 2020*, section 3 commences.

21 *contamination management plan*—see the *Dangerous Substances*  
22 *(General) Regulation 2004*, section 341 (1) (c).

23 *existing asbestos advice* means an asbestos advice prepared under  
24 section 47J as in force immediately before the commencement day.

1            *existing assessment report* means an asbestos assessment report  
2            under section 47K as in force immediately before the commencement  
3            day.

4            *existing contamination report* means an asbestos contamination  
5            report that—

6            (a) was prepared under the *Dangerous Substances (General)*  
7            *Regulation 2004*, section 341 as in force immediately before the  
8            commencement day; and

9            (b) was less than 2 years old immediately before the  
10            commencement day.

11            *existing register* means the affected residential premises register  
12            under section 47N as in force immediately before the commencement  
13            day.

#### 14            **233            Existing asbestos advice**

15            An existing asbestos advice is taken to be an advice under  
16            section 47M.

#### 17            **234            Existing contamination reports**

18            (1) An existing contamination report is taken to be an asbestos  
19            contamination report that expires 2 years after the day the report was  
20            prepared.

21            *Note*        The owner of affected residential premises may remove certain personal  
22            information from the copy of the current asbestos contamination report  
23            before giving it to the occupier of the premises (see *Dangerous*  
24            *Substances (General) Regulation 2004*, s 342 (2)).

25            (2) A contamination management plan in an existing contamination  
26            report is taken to be a contamination management plan included in an  
27            asbestos contamination report for a period of 2 years after the day the  
28            report was prepared.

1 **235 Existing assessment reports**

2 An existing assessment report is taken to be an asbestos assessment  
3 report.

4 **236 Existing register**

5 The existing register—

6 (a) is taken to be the affected residential premises register; and

7 (b) may be updated to include any new information required under  
8 section 47P.

9 **237 Expiry—ch 15**

10 This chapter expires 2 years after the commencement day.

11 *Note* Transitional provisions are kept in the Act for a limited time.  
12 A transitional provision is repealed on its expiry but continues to have  
13 effect after its repeal (see [Legislation Act](#), s 88).

10 *substitute*

**339 Asbestos warning signs and display case—approval**

- 12 (1) The Minister may approve the following in relation to a warning sign  
13 about loose-fill asbestos insulation:
- 14 (a) the standard with which the warning sign must comply;
- 15 (b) the way, and the places (in addition to any places mentioned in  
16 a contamination management plan) where, the warning sign  
17 must be displayed.
- 18 (2) The Minister may approve the way, and the place where, the approved  
19 display case must be displayed at affected residential premises.
- 20 (3) An approval under this section is a notifiable instrument.

21 *Note* A notifiable instrument must be notified under the [Legislation Act](#).

1 **26**      **Offence—asbestos warning signs**  
2                    **Section 340 (1) (b)**

3                    *substitute*

4                    (b) fails to ensure that an approved warning sign is displayed in the  
5                    way and the places stated in the approval under

7 **27**      **Sections 341 and 342**

8                    *substitute*

9 **341**      **Requirements for asbestos contamination reports—Act,**  
10                    **s 47J (1) (b)**

11                    (1) An *asbestos contamination report* for affected residential premises  
12                    must—

13                    (a) identify the location, type and condition of—

14                                    (i) asbestos contamination in the living area of each affected  
15                                    building at the premises; and

16                                    (ii) any opening or crack through which asbestos  
17                                    contamination could enter the living area; and

18                    (b) assess the risk—

19                                    (i) resulting from the asbestos contamination in the living  
20                                    area; and

21                                    (ii) that asbestos contamination may enter the living area; and

22                    (c) include a plan that advises how the asbestos contamination  
23                    should be managed (the *contamination management plan*); and

24                    (d) where practicable, exclude photographs that show any personal  
25                    effects of the owner or occupier of the premises.

- 1           (2) The contamination management plan must identify—
- 2               (a) work required to seal, lock or clean the living area; and
- 3               (b) any location at the premises where additional approved warning
- 4                     signs must be displayed.
- 5   **342       Requirements for owners of affected residential**
- 6               **premises—Act, s 47O (4) (b)**
- 7           (1) The owner of affected residential premises must ensure that—
- 8               (a) a licensed asbestos removalist does the following in relation to
- 9                     the current asbestos contamination report for the premises,
- 10                    within 6 months after the inspection date for the report:
- 11                       (i) any work required under the contamination management
- 12                             plan in the report to seal, lock or clean the living area of an
- 13                             affected building at the premises;
- 14                       (ii) install all additional approved warning signs required
- 15                             under the contamination management plan in the report;
- 16                             and
- 17               (b) any other requirement in the contamination management plan in
- 18                     the report is complied with; and
- 19               (c) if an occupier of the premises is not the owner—a copy of the
- 20                     report is given to the occupier of the premises.
- 21           (2) The following information may be removed from a copy of the
- 22               current asbestos contamination report before it is given to the
- 23               occupier of the premises under subsection (1) (c) or before it is
- 24               displayed under subsection (3) (b):
- 25               (a) information that identifies an individual;
- 26               (b) any contact details of an individual.

- 1 (3) The owner of affected residential premises must ensure that—
- 2 (a) an approved display case that has been provided by the Territory
- 3 is situated at the premises in a way and place stated in the
- 4 approval under section 339 (2); and
- 5 (b) a readable copy of the current asbestos contamination report for
- 6 the premises is displayed in the case.
- 7 (4) In this section:
- 8 *inspection date*, for an asbestos contamination report, means the date
- 9 the premises were last inspected by the licensed asbestos assessor for
- 10 the purposes of preparing the report.

11 **342A Requirements for people at affected residential**

12 **premises—Act, s 47O (4)**

- 13 A person at affected residential premises must not tamper, or attempt
- 14 to tamper, with—
- 15 (a) work undertaken to seal, lock or clean the living area of an
- 16 affected building at the premises; or
- 17 (b) an approved warning sign required under the contamination
- 18 management plan for the premises; or
- 19 (c) an approved display case situated at the premises or a current
- 20 asbestos contamination report displayed in the case.
