SCHEDULE 2 - FEES AND CHARGES TO BE PAID

Item	Matter in respect of which fee or charge is payable	Amount Payable
------	---	----------------

Explanatory Note: The determination sets out the amount of various fees in the Residential Tenancy Tribunal. The application fee for a termination and possession order is higher in respect of a property where no bond has been provided. As the scheme is funded by interest from bond revenue and the retention of fees, the imposition of a higher fee in respect of such a class partially addresses a funding inequity that might otherwise exist. Note that a fee was not previously set in relation to application for endorsement by the Tribunal under s10 of the Residential Tenancies Act 1997 (see item (iii) above) because the former fee setting power did not extend to applications which did not involve a dispute for the purposes of s73 of that Act. Note that no fee is set by this determination but that if a fee is set in a future year, only one fee would be payable in relation to a series of applications made at the same time and raising the same issue, say, by the lessor and all the tenants in a co-operative for an endorsement. Last Financial Year the Fees were \$92.00, \$174.00, Nil, \$46.00 and Nil respectively

-----	--	----------

Explanatory Note: This fee applies when the Magistrates Court, on application from a party to proceedings, reviews an order, direction or other act of the Registrar of that Court. No fee is payable for a review of an order, direction or other act of the Registrar in relation to small claims proceedings under Part XXII of the Magistrates Court (Civil Jurisdiction) Act 1982 or a Tribunal. Last Financial Year the fee was \$92.00.

181	On filing for taxation a bill of costs as between party and party that, as filed, exceeds \$2,000 (other than under Part XXII of the Magistrates Court (Civil Jurisdiction) Act 1982).	\$ 246.00

	(iii) Where the amount in dispute is \$2,000 or less (if under Part XXII of the Act).	\$ 37.00

Explanatory Note: This item sets the fees for instituting a proceeding before the Magistrates Court (including small claims proceedings commenced under Part XXII of the Magistrates Court (Civil Jurisdiction) Act 1982). Last Financial Year the Fees were \$317.00, \$92.00, \$36.00 respectively
