## **ACTTAB Rules of Betting 2003 (No 1)**

**Disallowable instrument DI2003-165**

made under the

**Betting (ACTTAB Limited) Act 1964, s 55 – Rules of betting**

---

ACTTAB (the Company) has amended the rules on which totalisator bets are accepted by the Company as follows:

- Rule 9(1) In the event of Investments being placed on a non-starter in an Event in any Double or Quaddie, the Investment will be transferred to the most favoured Starter, as determined by making a comparison of Win Pool Investments on the remaining Starters after all Investments have been received and collated following the close/sell time of the Event concerned.

This amendment will take effect from 30 June 2003.
