

Australian Capital Territory

Environment Protection declaration that consultation under section 48 on application for an environmental authorisation is not to apply to this prescribed activity 2003 (No. 2)

Disallowable instrument DI2003— 31

made under the

***Environment Protection Act 1997* s 48(6) consultation on application for
environmental authorisation**

I declare that under section 48(6) that the requirement as to consultation does not apply to the prescribed activity of, outdoor concert activities using amplifying equipment where the venue has the capacity to hold more than 2 000 persons and is not an authorised concert venue.

Jon Stanhope

Minister for Environment
