About this republication

The republished law

This is a republication of the *Public Sector Management Standards 2006*, made under the *Public Sector Management Act 1994* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 20 April 2007. It also includes any amendment, repeal or expiry affecting the republished law to 20 April 2007.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

 - (a) if an officer has received their substantive salary for less than twelve months no HDA is payable until the total of the substantive and higher duties service is twelve months, HDA must then be payable at the next salary point in the higher range;
 - (b) if an officer has received their substantive salary for twelve months or more, HDA must be raised to the next increment point of the higher office. The next HDA increment must then be due when the officer has received HDA for twelve months.

Part 4.7 Motor vehicle allowance

304 Application—pt 4.7

This part applies to officers or employees unless specifically excluded.

305 Use of private vehicle for official purposes

- (1) A Chief Executive may authorise an officer to use a motor vehicle that they own or hire, for official purposes, if they are satisfied that this would—
 - (a) result in greater efficiency; or
 - (b) involve the ACT Government in less expense than if public transport or a vehicle owned by the ACT Government were used.
- (2) The relevant Chief Executive should specify the period for which this section applies.
- (3) If an officer uses a motor vehicle in accordance with this part they are entitled to be paid an allowance in accordance with section 309 for each kilometre travelled.
- (4) If an officer satisfies the relevant Chief Executive that the allowance to which they are entitled under this part, is insufficient to meet the amount of the expenses reasonably incurred and paid by the officer in using a motor vehicle for official purposes, the Chief Executive may grant an additional allowance equal to the amount by which those expenses exceed the amount of the allowance or allowances.
- (5) If, as a consequence of using a motor vehicle in accordance with this part, an officer is required to pay a higher insurance premium than would otherwise be the case, they are entitled to be reimbursed the additional cost.

- (6) Any money received by an officer under this part or a provision of the Act in respect of the use of a motor vehicle is not intended to be payment for hire, a reward or other consideration within the meaning of any State or Territory law relating to motor vehicles, transport or traffic.

306 Use of private vehicle for specified journeys

If an officer has not been authorised under this part to use a motor vehicle for official purposes, the relevant Chief Executive may grant the officer permission to use a motor vehicle owned or hired by the officer for a specified journey, providing that the relevant Chief Executive is satisfied that—

- (a) the use will not result in the officer taking more time on the journey than they would otherwise take; or
- (b) it would not be contrary to the interests of the ACT Government.

307 Travel to temporary work station

A Chief Executive may authorise the use of a private motor vehicle for travel between normal headquarters and a temporary station, or between the staff member's home and the temporary station, where the relevant Chief Executive is satisfied that—

- (a) there is no public transport available for travel to the temporary station; or
- (b) although public transport is available, the work program makes its use impossible.

308 Rates

- (1) An officer who uses a motor vehicle in accordance with this part, is entitled to be paid an allowance for each kilometre travelled at a rate calculated in accordance with section 309.

- (2) If an officer who is being paid an allowance under this part, uses a motor vehicle to suit the convenience of an agency to—
- (a) transport a person or persons the cost of which would otherwise be borne by the ACT Government; or
 - (b) transport equipment, tools or materials weighing more than 100 kilograms belonging to or hired by the ACT Government; or
 - (c) haul a caravan or trailer belonging to or hired by the ACT Government;
- they are entitled to be paid an allowance set out in section 310 in addition to the allowance otherwise payable under the conditions of this part.
- (3) Staff using a private motor vehicle under (Motor Vehicle Allowance) conditions may be reimbursed parking fees (not fines), bridge and car-ferry tolls incurred on duty.
- (4) Officers may be entitled to payments under this part on appointment to the Service, or on transfer, as determined by the Commissioner.
- (5) The amount of allowance(s) which may be paid in accordance with this part is to be reduced by the amount of any allowance payable under the terms of the *Australian Government Employment Isolated Establishment Allowance Award 1989*.
- (6) If the amount payable under that Award exceeds the amount that would otherwise be payable under this part, then no allowance may be authorised under this part.

309 Motor vehicle allowances rates schedules

- (4) If an officer is paid an amount under this part and then recovers damages equal to or greater than the amount paid under this part for the loss or damage, an amount equal to the amount paid under this part, is recoverable from the officer as a debt due to the ACT Government.

327 Expenses—cancellation of leave or recall to duty from leave

- (1) For the purposes of this section, officer includes a Chief Executive and an Executive.

- (3) The hours of attendance for a teacher must be 36 hours and 45 minutes per week for those matters in which weekly hours of duty are relevant.
- (4) If an officer cannot perform their ordinary weekly hours the Commissioner may reduce that officer's ordinary weekly hours to suit the circumstances.

335 Penalty rate and overtime

- (1) If an officer, without at least seven days notice, is required to work ordinary duty outside the rostered hours of duty, payment to that officer will be at the appropriate overtime rate (this may include higher duties) for work done outside the rostered hours of duty and at the ordinary rate for work performed within the normal rostered shift.
- (2) This penalty rate is in substitution for any other penalty which would otherwise be paid to that part of the work which falls outside the normal rostered shift.
- (3) This payment will continue for each changed shift until the seven days notice period of change of shift has been reached.
- (4) This penalty rate is not payable if an agency cannot give at least seven days notice to an officer because of the sickness or absence of another officer and the agency did not have seven days notice of that sickness or absence.
- (5) If an officer is instructed to cease work during a rostered shift and to complete the balance of the shift later in the day, no deduction will be made from the ordinary days pay for the break in work.
- (6) Overtime is payable for the hours worked after ordinary rostered finishing time.
- (7) If an officer is directed to work more or fewer hours than the ordinary weekly hours, the hours specified must result in the officer's attendance over two or more consecutive weeks equalling the aggregate of the ordinary weekly hours for that period.

336 Duty after office hours

A Chief Executive may direct an officer to work outside normal office hours because of work demands, and the Chief Executive must comply with any relevant Award provisions relating to overtime and emergency duty.

337 Recording attendance times

- (1) An officer must record the time of their arrival and departure to and from the workplace each day at the actual time they arrive or depart unless they temporarily leave the workplace during normal working hours on official business.
- (2) Unless otherwise provided by this part, this does not apply to—
 - (a) officers who, by reason of their rate of pay are not entitled to overtime duty and those who have been exempted due to work requirements, by the relevant Chief Executive in consultation with the Commissioner; and
 - (b) any other officer or class of officer who has been exempted due to work requirements, by the Commissioner.
- (3) However, the exemption specified in subsection 2 (a) does not apply to an officer that participates in flextime or similar arrangements for flexible working arrangements under an agency certified agreement or industrial instrument.
- (4) The exemption of any officer from this section does not authorise them to be absent from duty or leave their place of duty within ordinary weekly hours except on official business.

338 Notification of absences

- (1) An officer must report an unauthorised absence from duty to the relevant officer in charge within a reasonable time.
- (2) An officer is in breach of this Standard if the officer—
 - (a) falsely records their time of arrival or departure at their place of work; or

- (3) If an officer is on unauthorised absence from duty, the relevant Chief Executive may direct the officer to make up that time by working an equivalent time outside their normal working hours.
- (4) No overtime or penalty payment must be paid for the time made up.

339 Deductions in salary for unauthorised absences

- (1) A Chief Executive may direct that the salary of an officer must be forfeited for a period of unauthorised absence of 30 minutes or more, which is not made up for under this part, in one pay period.
- (2) A deduction from an officer's salary must be made in accordance with the relevant agency's Chief Executive Financial Instructions.

Part 4.12 Overtime duty

340 Application—pt 4.12

If an officer or employee is required to work in excess of their normal hours and they are not covered by an Award or industrial agreement that deals with overtime, they are entitled to payment for overtime duty in accordance with this part.

341 Interpretation—pt 4.12

In this part:

duty outside normal hours means overtime duty and must commence before or be completed outside normal hours of duty applicable to the officer.

normal weekly hours has the same meaning as it does in part 4.11.

overtime means a period of duty which an officer performs in accordance with a direction of a Chief Executive, in addition to duty during ordinary hours, less the period, if any, for which the officer has been released from duty in lieu of payment for overtime.

342 Conditions for overtime duty

- (1) A Chief Executive may direct an officer to work a greater number of hours than their ordinary weekly hours in any week.
- (2) If overtime duty commences before or is completed outside ordinary hours or flextime bandwidth, the period of a meal break is not treated as a break in overtime duty.

343 Eligibility for the payment of overtime duty

- (1) An officer is eligible for overtime payment unless—
 - (a) they occupy, whether temporarily or permanently, an office or position where the minimum salary rate exceeds the maximum rate of Administrative Service Officer Class 6; or
 - (b) they are not being closely supervised; or
 - (c) their overtime duty hours cannot be verified; or
 - (d) their Award does not provide for the payment of overtime.
- (2) These limitations do not apply if—
 - (a) the Commissioner considers there are special circumstances and approves the payment for the overtime duty; or
 - (b) the officer is required to perform duties with another agency that—
 - (i) are in excess of the weekly normal hours; and
 - (ii) are not the normal duties of the officer, and
 - (iii) the officer is not receiving payment for the duties.
- (3) An officer who is paid below the overtime salary barrier (which is where the minimum salary exceeds the maximum ASO 6 salary) but who are ineligible for payment for overtime—
 - (a) because their overtime is not being supervised; or
 - (b) overtime duty hours cannot be verified;may be eligible for a commuted allowance instead of overtime.
- (4) The Commissioner may approve the payment of such an allowance having regard to—
 - (a) the nature of the extra work and whether it can be directed and supervised; and

- (b) the frequency of the requirement for overtime; and
 - (c) the classification of the officer concerned; and
 - (d) the periods of the year when overtime is required and worked.
- (5) The material provided to the Commissioner must include details of overtime performed over a period sufficient to establish the claim.

344 Calculation of payment for overtime duty

- (1) Higher Duties Allowance (HDA) and allowances in the nature of salary are included in salary for the purposes of calculating overtime.
- (2) Overtime duty must be calculated to the nearest quarter of an hour after totalling the overtime duty periods each fortnight for payment.
- (3) If the payment of overtime duty is covered in a provision of an Award or industrial agreement, then an officer must be paid in accordance with that provision.
- (4) If no Award provisions cover overtime duty, the hourly rate payable must be calculated to two decimal places as follows:

$$\frac{\text{Annual Salary} \times 6}{313 \times \text{normal weekly hours before overtime is payable}}$$

- (5) For a public holiday, the hourly rate is multiplied by two and one half.
- (6) For a Sunday, the hourly rate is multiplied by two.
- (7) For a Saturday, for the first three hours, the hourly rate is multiplied by one and one half. After those three hours, the hourly rate is multiplied by two.
- (8) For any other period, the hourly rate is multiplied by one and one half.

- (9) If an officer performs overtime duty that is not continuous with their normal hours, they are entitled to be paid for a minimum of four hours unless—
- (a) the officer has been requested to perform restricted or emergency duty; or
 - (b) an Award or industrial agreement provision determines the payment of overtime duty; or
 - (c) it has been previously arranged with the officer under section 345 that the officer will take time off in lieu of the overtime duty performed.

345 Time off instead of full payment for overtime duty

- (1) An officer may be given time off duty plus part payment instead of receiving full payment for overtime duties performed.
- (2) If an officer performs a period of overtime duty and agrees to receive time off and part payment, they are entitled to be released from duty for a period not greater than the period of overtime duty.
- (3) If an officer performs a period of overtime duty on a Sunday equivalent to their normal daily hours, where practicable they should be released from duty for one of the following six days. In addition, they are entitled to payment at single time for the Sunday work.

346 Calculating part payment

- (1) If an officer receives time off and part payment for the overtime duty performed, the hourly rate payable for the overtime duty must be calculated to two decimal places as follows:

$$\frac{\text{Annual Salary} \times 6}{313 \times \text{normal weekly hours before overtime is payable}}$$

- (2) For a public holiday, the hourly rate is multiplied by one and a half.

- (3) For a Sunday, the hourly rate is multiplied by one.
- (4) For a Saturday, for the first three hours, the hourly rate is multiplied by a half. After those three hours, the hourly rate is multiplied by one.
- (5) For another period, the hourly rate is multiplied by a half.

347 Eligibility for overtime duty meal allowance

- (1) An officer is eligible to be paid a meal allowance of \$19.30 on and from 19 April 2006, or \$20.60 on and from 19 April 2007, if they—
 - (a) are required after the completion of their normal hours of duty to perform duty after a meal break and are not entitled to payment for that break; or
 - (b) perform overtime duty without a break, after the completion of their ordinary hours, up to the end of or after the meal period which occurs next after the completion of their ordinary hours; or
 - (c) perform overtime duty before their ordinary hours of duty commence and are granted a meal break before commencement and are not entitled to payment for that break. Meal periods are between 7.00 am and 9.00 am, 12 noon and 2.00 pm, 6.00 pm and 7.00 pm and 12 midnight and 1.00 am; or
 - (d) perform overtime duty on a day they are not normally required to work and, during the period of overtime duty, they have an unpaid meal break. This includes officers rostered for duty for six days and required to perform overtime duty after 2 pm after having an unpaid meal break, on their regular half day off.
- (2) An officer who is required to perform duty under subsection (1) (a), (b) or (c) is not entitled to be paid for the meal break unless the relevant Chief Executive is satisfied the officer performing that duty

cannot reasonably be expected to return home for a meal in the time allocated for the meal break.

- (3) If a three-course meal is available to the officer at a canteen, cafeteria or dining room conducted, controlled or assisted by the Commonwealth or ACT Government, the meal allowance is the maximum amount for which a three-course meal is obtainable.

348 Rest period between normal duty on successive days

- (1) Unless a Chief Executive directs an officer to report for duty earlier, the officer must have a continuous period of eight hours off duty between ceasing overtime duty following normal duty one day, and commencing normal duty the following day.
- (2) An officer is entitled to be absent from duty, without loss of salary, until the officer has been off duty for a continuous period of eight hours.
- (3) In this section an officer is taken to be on duty while travelling to and from the workplace.
- (4) Where no eight hour break is possible reference should be made to the appropriate Award.

349 Eligibility for payment of overtime

The Commissioner may approve payment of overtime to an officer whose salary is above the overtime salary barrier in exceptional circumstances.

350 Time spent travelling to and from overtime duty

Time spent in travelling to or from work must not be taken into account for the calculations of overtime payments unless—

- (a) officers are required by the relevant Chief Executive to drive, on official business and outside their normal hours of duty, an agency vehicle or their private motor vehicle; or

- (b) the travel is associated with emergency duty; or
- (c) excess travelling time is applicable under an Award or these Standards.

351 Weekend and shift overtime duty

- (1) Payment must be made at the overtime rate relevant to the particular day on which it is worked unless it extends past midnight Sunday, when Sunday overtime rate must be applied until ceasing overtime on Monday.
- (2) If overtime extends beyond the time at which the officer would have commenced their rostered shift on Monday, the prescribed rate must change to the normal Monday rate starting from when the rostered Monday shift was due to commence.
- (3) This also applies when overtime commencing on a public holiday extends beyond midnight.
- (4) If overtime duty extends beyond Friday midnight, minimum Saturday overtime duty requirements continue to apply before a higher rate of penalty is payable.
- (5) Midnight does not break the continuity of an overtime attendance for the purposes of any minimum payment provisions.
- (6) For example, three hours overtime must actually be worked, after midnight, on the Saturday (at time and a half) before a higher penalty rate (double time) can be applied.
- (7) If overtime (other than a full overtime shift) is being worked when clocks are adjusted from Standard time to daylight saving time, or *vice versa*, payment must be made for the time actually worked, not clock time.

352 Overtime on a public holiday

- (1) If an officer works ordinary duty and overtime duty on a public holiday in one attendance, the minimum payment provisions must not be applied separately to the hours of ordinary duty and overtime duty.
- (2) In applying the minimum payment provisions, the period of duty worked must be taken as a whole, and payment based on the greater of either four hours or the hours of duty for that day if it had not been a public holiday.
- (3) For part-time officers, the minimum overtime payment for each separate attendance on a public holiday is the lesser of either four hours or the ordinary hours of duty for that day if it had not been a public holiday.

Part 4.13 Restricted duty

353 Application—pt 4.13

This part applies to officers or employees unless specifically excluded.

354 Interpretation—pt 4.13

In this part:

officer is an officer or employee who—

- (a) occupies an office, or performs duties in a capacity, for which the rate, or minimum rate of salary does not exceed the maximum rate of salary payable to an occupant of an office of Administrative Service Class 6; and
- (b) is eligible for payment of restricted duty allowance in accordance with an industrial Award.

355 Approval

- (1) A Chief Executive may approve payment of restricted duty to an officer.
- (2) In exceptional circumstances the Commissioner may approve payment of restricted duty allowance to an officer who does not fall within the definition of officer.

356 Restricted duty allowance

- (1) If an officer is required for duty outside their ordinary weekly hours of attendance and is directed, in writing, by the relevant Chief Executive to be contactable and available to return to duty without delay or within a reasonable time, they are entitled to be paid an allowance of—

- (a) 7.5 per cent of the officer's hourly rate of salary for each hour restricted Monday to Friday; and
 - (b) 10.0 per cent of the officer's hourly rate of salary for each hour restricted on Saturday and Sunday; and
 - (c) 15.0 per cent of the officer's hourly rate of salary for each hour restricted on public holidays and rostered days off.
- (2) An officer's salary for the purposes of calculating payment must include higher duties allowance and any other allowance paid in the nature of salary.
 - (3) This allowance is not payable to an officer who is absent on leave when the restriction has been lifted.
 - (4) An officer to whom clause 20 of the *Medical Officers' (Australian Capital Territory Public Sector) Award 2000* applies is to be paid an allowance of \$9.48 per on-call period or \$47.51 per week. The relevant Chief Executive may determine whether the allowance is paid per on-call period or at the weekly rate.
 - (5) In this section:
on-call period has the same meaning as in the *Medical Officers' (Australian Capital Territory Public Sector) Award 2000*.

Part 4.14 Sunday or public holiday duty

357 Application—pt 4.14

This part applies to officers or employees unless specifically excluded.

358 Interpretation—pt 4.14

In this part:

public holiday means a day or part of a day at a location where a holiday has been declared for members of the Service.

substitute duty occurs when an officer works on a public holiday as a substitute for another officer who was scheduled to perform the extra duty.

359 Sunday or public holiday duty

- (1) An officer rostered to work must attend work on a public holiday.
- (2) If an officer is required to work on Sunday or a public holiday, they may be entitled to extra payments for this duty under the relevant Award.
- (3) An officer is eligible for payment for Sunday or public holiday duty unless they—
 - (a) occupy or perform temporarily or permanently the duties of an office where the salary rate exceeds the maximum rate of ASO Class 6 and their ordinary hours of duty are not arranged in accordance with a shift roster; or
 - (b) reside on the premises where their duties are performed, and their attendances on Sunday or on a public day are only intermittent or for brief periods of the day; or

- (c) are employed as a teacher.
- (4) An officer is entitled to be paid their normal salary for those days which are observed as holidays in the Service if the holiday would normally have been an ordinary working day except if the holiday occurs in a period where an officer is on leave without pay.
- (5) Unless otherwise declared by the Commissioner, officers and employees who are not entitled to observe Union Picnic Day as a public holiday under an applicable Award will observe an additional public holiday within the Christmas/New Year period according to the table 359.

Table 359

column 1 Christmas Day	column 2 Additional Day
Sunday	Wednesday 28 December
Monday	Wednesday 27 December
Tuesday	Monday 31 December
Wednesday	Friday 27 December
Thursday	Monday 29 December
Friday	Tuesday 29 December
Saturday	Wednesday 29 December

- (6) The Commissioner may declare that any other day shall be observed as a holiday in respect of any class of officers or employees in the ACTPS.

360 Calculation of salary for Sunday or public holiday duty

- (1) If the payment of Sunday or public holiday duty for an officer is covered in the provision of an Award, then the officer is paid based on that provision.
- (2) Where an employee covered by the *Medical Officers' (Australian Capital Territory Public Sector) Award 2000* is rostered for duty on a public holiday which is not in excess of the set weekly hours as specified in that Award, the employee is paid at the rate of time and a half for the actual time worked on the public holiday.
- (3) Overtime worked on a public holiday is to be paid at the rate of double time and a half.
- (4) If there is no Award provision covering Sunday or public holiday duty, officers performing that duty are entitled to be paid at the rate set out in section 344 (Calculation of payment for overtime duty).
- (5) If an allowance is, under an Award or Standard, treated as part of salary, then the allowance must be included when calculating the hourly rate for Sunday or public holiday duty.
- (6) Subject to any relevant Award, payment for ordinary hours on a public holiday is subject to a minimum payment of four hours for ordinary duty on a public holiday which is not continuous with duty worked the day before or the day after.
- (7) If an officer performs continuous duty for two consecutive days and part of, or all of, these days includes a public holiday, and the continuous duty is less than four hours, they are entitled to be paid for four hours duty at public holiday salary rates.
- (8) The period of a meal break must not be treated as a break in Sunday or public holiday duty.

361 Eligibility for payment or leave for Sunday or public holiday duty

- (1) If an employee is rostered for a seven day shift and a public holiday occurs when the employee is rostered off, they must be granted one day off in lieu instead of the public holiday.
- (2) The days leave must be granted within one month of the public holiday occurring.
- (3) If the leave is not granted, the employee is entitled to one days pay at the single rate in addition to their normal salary.
- (4) An officer who is not normally eligible for payment for Sunday or public holiday duty because the salary for their office exceeds the maximum rate of salary payable to an ASO Class 6, may receive payment of an allowance if—
 - (a) they are required to regularly attend for duty on those days; and
 - (b) they are not entitled to be paid penalty payments or released from duty under a provision of this part.
- (5) The amount of the allowance is an amount as the Commissioner approves.
- (6) An officer who is not eligible for payment for Sunday or public holiday duty under an Award, under this Part may accrue leave in lieu of any payment.
- (7) If the accrual of leave for an officer is covered in a provision of an industrial Award, then the rate of accrual is based on that provision.
- (8) In all other cases, the rate of accrual is equal to time worked on Sunday or a public holiday.
- (9) Such leave is treated as if it were recreation leave.

- (10) The officer may have immediate access subject to recreation leave provisions.
- (11) If an officer is to report for duty on a public holiday but is unable to do so, pay must be forfeited for the day unless leave with pay has been granted.

362 Substitution arrangements

- (1) An officer must receive payment for substitute duty calculated on their own salary, regardless of whether their salary is higher or lower than the officer for whom they are substituting.
- (2) The conditions outlined in the following three paragraphs apply if, on a public holiday, an officer works ordinary duty and works additional duty as a substitute for another officer:
 - (a) subject to relevant provisions, substitute duty should be paid at ordinary rates (single time) for the scheduled shift and for time in excess of the scheduled shift to complete the full period of duty, before eligibility for public holiday overtime payment arises;
 - (b) subject to relevant provisions, the normal rostered duty (that is duty for which the staff member is actually rostered) should be paid for at the ordinary set public holiday rate (that is, at single-time-and-a-half additional) for the scheduled shift and for time in excess of the scheduled shift to complete the full period of duty before eligibility for overtime payment arises;
 - (c) substitute duty and ordinary duty should each stand alone for public holiday overtime purposes. Payment at overtime rates (that is, double-time-and-a-half) should only be made for duty normally regarded as overtime.
- (3) An officer is entitled to at least half a day's pay for substitute and ordinary duty on a public holiday.

Part 4.15 Leave—general

363 Application—pt 4.15

- (1) This part details the fixed minimum conditions which must be met and applies to officers or employees.
- (2) The conditions of leave for a Chief Executive apply to the Clerk of the Legislative Assembly.

364 Interpretation—pt 4.15

In this part:

officer includes an employee.

one working month means 30 calendar days.

Note 30 calendar days is equivalent to 22 working days based on a 5 day working week.

365 Grant of leave

- (1) A Chief Executive may grant leave to an officer, in accordance with these rules, on written application by that officer.
- (2) A Chief Executive must give written notice to the officer if the leave requested is not granted, another period is substituted, or conditions are set.
- (3) If an officer is promoted or transferred to an office in another agency after leave has been granted, but before the leave commences, the approval of the Chief Executive of the gaining agency must be obtained for any period of the leave which occurs after the officer would have commenced duty in the gaining agency.

- (4) This does not apply to those types of leave for which there is no discretion to withhold approval including—
- (a) staff organisation leave; and
 - (b) maternity leave; and
 - (c) leave for jury service.

366 Leave not to count as service

- (1) If leave that does not count as service aggregates to one or more working months in a calendar year for recreation leave or personal leave year for personal leave, then—
- (a) the accrual of personal leave is deferred by 1 day for each day's absence; and
 - (b) the officer's recreation leave credit is reduced by one twelfth of their annual entitlement of 20 days for each month of such leave.
- (2) For the purposes of this section, '*personal leave year*' has the same meaning as under section 391.
- (3) Leave which does not count as service includes—
- (a) unauthorised absences of more than 30 minutes; and
 - (b) absences due to illness caused by misconduct; and
 - (c) absence due to no sufficient cause; and
 - (d) leave when the Commissioner or Chief Executive determines leave will not count as service; and
 - (e) leave without pay; and
 - (f) certain periods of staff organisation leave; and
 - (g) unpaid parental leave; and

- (h) compensation leave in excess of 45 weeks, but not when officer is on GRTW; and

 - (d) campaign leave;
 - (e) leave for full time defence service;
 - (f) leave for work or employment in the interests of defence or public safety;
 - (g) leave not provided for elsewhere.
- (2) For other forms of leave the Chief Executive in consultation with the Commissioner may extend the period of leave beyond any maximum specified, on written application by an officer.

368 Leave taken in excess of credits

If an officer has been granted leave in excess of entitlements, the relevant Chief Executive must correct the leave entitlement by—

- (a) recovering any over payment; or
- (b) adjusting the leave credits; or
- (c) a combination of both.

369 Leave without pay and public holidays

- (1) If an officer is on leave without pay on the working day either before or after a public holiday (or consecutive public holidays), they must be paid for the public holiday.
- (2) For the purposes of this section the public holidays from Christmas Day to New Year's Day inclusive are to be regarded as consecutive.
- (3) If an officer is on leave without pay and a public holiday occurs during that period of leave, no payment may be made for the public holiday.

370 Unauthorised absences

- (1) An officer is not entitled to be paid for unauthorised absences unless the Chief Executive so directs.
- (2) The Chief Executive may direct an officer to attend for duty outside normal hours for no extra pay for a length of time equivalent to the unauthorised absence.

Part 4.16 Recreation leave

371 Interpretation—pt 4.16

In this part:

officer includes an employee.

372 Counts as service

Leave granted under this part counts as service for all purposes.

373 Service as a temporary employee for recreation leave purposes

If a temporary employee becomes a permanent officer immediately after ceasing temporary employment, they must be credited with any recreation leave credits accrued during service as a temporary employee.

374 Grant of recreation leave—general

- (1) A Chief Executive may grant paid recreation leave for a period (in the section called the ‘relevant period’) up to an officer's available credit.
- (2) Subject to this part, available credit includes credit that accrues from day to day.
- (3) Recreation leave can be granted up to an officer's available credit on full pay for the relevant period or on half pay for a period not exceeding twice the relevant period.

375 Use of recreation leave

- (1) Subject to operational requirements, a Chief Executive should approve an officer's application for recreation leave that would

enable the officer to take their recreation leave in the year that it accrues.

- (2) If the Chief Executive does not approve an officer's application for recreation leave because of operational requirements, the Chief Executive will consult with the employee to determine another time (or times) for the recreation leave to be taken that is mutually convenient to both the agency and the officer.

376 Direction to take recreation leave

- (1) If the operations of an agency, or part of an agency, are suspended at Christmas or another holiday period, a Chief Executive may direct an officer to take recreation leave at a time that is convenient to the working of the agency, whether or not application for leave has been made.
- (2) A Chief Executive may direct a teacher to take available recreation leave, whether or not application for leave has been made, at a time that is convenient to the agency.
- (3) An officer in the teaching stream is considered to be on recreation leave from the day after the last day on which the officer's school is open in a calendar year unless otherwise directed by a Chief Executive.
- (4) The period of recreation leave taken is to the limit of the officer's available credits.
- (5) This is followed by a stand-down period up to the day before the first day on which the officer's school is open in the next calendar year.

377 Access to recreation leave while on maternity or parental leave

- (1) An officer on maternity leave or parental leave under the Standards may access recreation leave other than for the period the officer is receiving paid maternity or primary care givers' leave.
- (2) This leave may be granted on full pay for the relevant period or on half pay for a period not exceeding twice the relevant period.
- (3) A period of recreation leave may be granted for the purposes of maternity or parental leave provided that it does not extend the maximum period for which maternity or parental leave would be available.

378 Accrual of recreation leave credit

- (1) Subject to this part, an officer is entitled to the equivalent of four weeks recreation leave, expressed in hours, for each calendar year of service.
- (2) Recreation leave for an officer accrues from day to day.
- (3) Credit accrues at either full time or part-time rate, based on an officer's normal working hours.
- (4) If an officer takes an aggregate of more than one working month of leave that does not count as service, the recreation leave credit is reduced by one twelfth of an officer's annual entitlement of 20 days for each month of such leave.
- (5) A teacher or a school assistant in schools who commences duty on or before the first school day of a calendar year, and works without a break in service, during the year, are entitled to the equivalent of four weeks recreation leave, expressed in hours, for each calendar year of service, for their ordinary hours of duty.

379 Additional recreation leave for career medical officers, resident medical officers and registrars

- (1) In addition to the recreation leave he or she would ordinarily be entitled to, a medical officer who is rostered to work regularly on Sundays and Public Holidays, and who works for more than ten Sundays during a calendar year, accrues an additional seven consecutive days recreation leave for that year.
- (2) The seven consecutive days leave include non-working days.
- (3) A medical officer rostered to perform duty on less than ten Sundays during a year in which their annual recreation leave accrues, accrue additional leave for that year at the rate of one tenth of a working week for each Sunday rostered.
- (4) Subject to this part, rostered Sunday overtime shift of less than three hours duration must not be taken into account for the purposes of this section.
- (5) A rostered overtime shift which involves some hours to be worked on a Sunday and some on another day is to be treated as a Sunday overtime shift for the purposes of this section.
- (6) The additional recreation leave prescribed by this section is exclusive of Public Holidays.
- (7) A Chief Executive may determine, if the amount of additional leave is less than one day, that the amount be carried forward to the following year, if hospital working arrangements so require.

380 Accrual for periods including differing hours of duty

If an officer has worked differing numbers of ordinary hours of duty, they will have a recreation leave credit, for each of these periods.

381 Deferral of accrual of recreation leave for certain purposes

If recreation leave considered to have been taken under this part is to be applied to an officer who has been on leave, other than on recreation leave, for more than a year, any recreation leave credits which fall due during that period of leave should be treated as if they were credited on the date the officer resumes duty.

382 Effect of defence service on recreation leave accrual

- (1) A recreation leave credit does not accrue to an officer in accordance with this part if the officer is absent from duty on leave for specified defence service, or full-time defence service granted under section 429, referred to here as the '*relevant provisions*'.
- (2) If an officer is granted leave under the relevant provisions, they accrue a recreation leave credit equal to the credit to which the officer would have been entitled to under this part at the commencement of their specified defence service.
- (3) If an officer resumes duty after a period of specified defence service, this part applies, where relevant, as if the officer's recreation leave credit at the commencement of their specified defence service had accrued on the date the officer resumes duty.

383 Recreation leave considered to have been taken

- (1) This section does not apply to a Chief Executive or an Executive.
- (2) Subject to this section, if an officer has not used the whole or part of a recreation leave credit that accrues two years before 1 July in any year, they are considered to have been granted recreation leave, for the period of the unused recreation leave credit on—
 - (a) the first day of July; or
 - (b) if on the first of July the officer is on leave for a period not exceeding four weeks—immediately at the end of that leave; or

- (c) if on the first of July the officer is on leave for a period exceeding four weeks and they do not use the unused recreation leave credit within the period of six months immediately following the leave taken—six months after resuming duty.
- (3) A Chief Executive may defer applying the provisions of this section to an officer who is on a GRTW on 1 July of any year or on full-time compensation leave as part of the rehabilitation process under the *Safety, Rehabilitation and Compensation Act 1988* (Cwlth).
- (4) The application of this section may be deferred for either—
- (a) 12 months, starting either from the time the officer commences the GRTW, or from 1 July of that year, whichever is the later; or
- (b) 3 months from the date the officer returns to normal working hours;
- whichever is completed first.
- (5) If an officer on GRTW acquires an additional excess recreation leave credit during this time, the provisions of this section must be applied within six months.
- (6) A Chief Executive may vary, in exceptional circumstances, to meet the operational requirements of an agency, the date on which recreation leave is considered to have been taken in this section for a defined period.
- (7) If an officer is not absent from duty during the whole or part of a period of recreation leave that is granted to the officer in accordance with this part, and the relevant Chief Executive informs the officer that they are required in the interests of the Service to remain absent from duty for the period or part of the period, the officer must remain absent from duty.

- (8) If an officer applies in writing, a Chief Executive must grant recreation leave before the first day of July, if this would enable an officer to use all or part of a leave credit that would otherwise attract the application of this part.
- (9) If an officer consents, a Chief Executive may substitute alternative dates, having considered the operational needs of the agency.
- (10) Recreation leave credits accrued by an officer in the teaching stream in one year may not be carried over beyond the last day of December in the following year except with the approval of the Chief Executive.
- (11) A Chief Executive may only approve a carryover on grounds of the illness of the officer.

384 Recreation leave credit to be reduced by amount of leave taken

- (1) If an officer is granted leave, or considered to have been granted recreation leave, under this part the recreation leave credit is reduced by the period of the leave.
- (2) Public holidays falling during recreation leave are not deducted from the recreation leave credit.

385 Part-time and full-time recreation leave credits

- (1) Recreation leave credits must be used in the order they are accrued as full-time or part-time.
- (2) The rate an officer will be paid for recreation leave depends on the rate the recreation leave credits were accrued at as full-time or part-time.
- (3) Leave credits accrued at full-time rates cannot be converted to part-time credits.

386 Payment in lieu of recreation leave

- (1) Subject to this section, if an officer or employee commenced duty after 26 October 1966 and their employment ceases for some reason other than death, they are entitled to be paid an amount equal to the salary that would be paid if they used their full recreation leave credit at the time they ceased to be an officer, or their employment ceased.
- (2) See section 388 for officers joining before 26 October 1966.
- (3) If an officer or employee commenced duty after 1 January 1978 but before 1 July 2005, the payment in lieu of recreation leave will include payment for any part of a month of service worked at the commencement of service but not included in the officer or employee's recreation leave credit.
- (4) If an officer resigns in order to accept a job with an organisation which will accept their recreation leave credits, they are not entitled to a payment in lieu of recreation leave.
- (5) A temporary employee whose employment is extended lawfully is not considered to have ceased to be an employee for the purposes of this section.
- (6) Allowances which would have been included in an officer's pay during recreation leave must be included when calculating entitlements under this section.

387 Payment to dependants on death

- (1) This section applies in relation to an officer or employee who has died, or who is considered by the Chief Executive to have died, given the relevant circumstances.
- (2) If this section applies, a Chief Executive may authorise payment of the relevant amount to—
 - (a) a dependant of the officer or employee; or

- (b) two or more dependants; and
- (c) where a dependant is under a legal disability—
 - (i) a trustee for the benefit of the dependant; or
 - (ii) the legal personal representative of the officer.
- (3) If there are two or more dependants of an officer in relation to whom this section applies, in exercising the powers conferred by this section, a Chief Executive is to consider the respective losses suffered by those dependants as a result of the loss of earnings.
- (4) The relevant amount is the amount that would have been authorised to be paid in accordance with this section if an officer had ceased to be an officer other than by death.
- (5) If on the death of an officer to whom this section applies, the amount payable under this section in relation to the officer's death must not be paid if the officer had no next of kin.

388 Payment in lieu on separation from ACTPS (except by death)—officers who commenced employment before 26 October 1966

If an officer commenced duty before 26 October 1966, the recreation leave credit which accrues under this part in the year of separation is to be reduced by one-twelfth of 3 weeks for each completed month in that year before the anniversary of the date of commencement.

389 Annual leave loading

- (1) An officer in the teaching stream is entitled to payment equal to 17.5% of their salary as at 1 January of the year in which the leave accrued.
- (2) This section is subject to a maximum of the Commonwealth Government Statistician's average weekly earning per employed

male unit (original Australia) for the September quarter of the preceding year.

- (3) Payment of an entitlement under this section must be made no later than 31 December in the year in which the recreation leave accrues.
- (4) If an officer accrues less than a full year's recreation leave credit, or in the case of an officer paid in lieu of recreation leave on termination for less than a full year's credit, the annual leave bonus is payable on a pro-rata basis for each completed month of service.

Part 4.17 Personal leave

390 Application—pt 4.17
