- B. Engineers Australia has made an application to the Professional Standards Council (the Council), appointed under the *Professional Standards Act 2004* (Northern Territory of Australia) *the Act*, for a scheme under the *Act*.
- C. The scheme is propounded by Engineers Australia for the purposes of limiting occupational liability to the extent to which such liability may be limited under the *Act*.
- D. The scheme propounded by Engineers Australia is to apply to members of Engineers Australia who are also members of The Engineering Science and Technology Professional Standards Society (the Society).
- E. All of the Society's Professional Members are members of Engineers Australia, being those members of Engineers Australia who are from time to time admitted to the membership of the Society by the Society's Management Committee.
- F. Engineers Australia has furnished the Council with a detailed list of the risk management strategies intended to be implemented in respect of its members and the means by which those strategies are intended to be implemented.
- G. The scheme is intended to remain in force for five (5) years from its commencement unless prior to that time it is revoked, its operation ceases or it is extended pursuant to section 33 of the *Act*.

**ENGINEERS AUSTRALIA NORTHERN TERRITORY PROFESSIONAL  
STANDARDS SCHEME**

**1. Occupational Association**

- 1.1 The Engineers Australia Northern Territory Professional Standards Scheme (the scheme) is a scheme under the *Professional Standards Act 2004* (Northern Territory of Australia) (the *Act*) prepared by the Institution of Engineers Australia (Engineers Australia) whose business address is 11 National Circuit, Barton, ACT 2600.
- 1.2 The scheme is intended to operate in the Northern Territory and in the Australian Capital Territory, Queensland and Western Australia.

## 2. Persons to Whom the scheme Applies<sup>1</sup>

- 2.1 The scheme applies to all members of Engineers Australia who are at the same time also members of the Engineering Science and Technology Professional Standards Society (the Society).
- 2.2 This scheme also applies to all persons to whom the scheme applied under clause 2.1 at the time of any act or omission giving rise to occupational liability.<sup>2</sup>

## 3 Limitation of liability

- 3.1 If a person who was at the time of the act or omission giving rise to occupational liability a category A member or a category B member or a category C member or a category D member against whom a proceeding relating to occupational liability is brought is able to satisfy the court that such member has the benefit of an insurance policy:
- (a) of a kind which complies with the standards determined by Engineers Australia,
  - (b) insuring such member against that occupational liability, and
  - (c) under which the amount payable in respect of the occupational liability relating to the cause of action (including any amount payable by way of excess under or in relation to the policy) is not less than the amount of the monetary ceiling (maximum amount of liability) specified in clause 3.2 hereof as applying to such members at the time at which the act or omission giving rise to the cause of action occurred,

the member is not liable in damages<sup>3</sup> in relation to that cause of action above the amount so specified.

- 3.2 The monetary ceiling (maximum amount of liability) required for the purposes of limitation of liability under this scheme at the time at which the act or omission giving rise to the cause of action occurred is to be determined according to the following table:

<sup>1</sup> Sections 18 and 19 of the Act provide that if the scheme applies to a body corporate, the scheme also applies to each officer of the body corporate and if the scheme applies to a person, the scheme also applies to each partner of the person, and if the scheme applies to a person the scheme also applies to each employee of the person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 21 provides that the scheme may also apply to other persons as specified in that section.

However, section 5(1) of the Act provides that the Act does not apply to liability for damages arising from the death or personal injury to a person, a breach of trust, fraud or dishonesty. Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 9, Division 2, Subdivision 3 of the *Land Title Act* (Northern Territory of Australia).

3.3 This scheme limits the occupational liability in respect of a cause of action founded on an act or omission occurring during the period when the scheme was in force of any person to whom the scheme applied at the time the act or omission occurred.
