# Utilities (Licensing) Exemption 2021 (No 2)

Disallowable instrument DI2021–237

made under the

**Utilities Act 2000, s 22 (Exemption)**

---

## 1 Name of instrument

This instrument is the *Utilities (Licensing) Exemption 2021 (No 2)*.

## 2 Commencement

This instrument commences on the day after its notification day.

## 3 Exemption

- (1) I exempt Capital Battery Pty Ltd from the requirement for a licence in relation to the following utility service:
  - (a) The capacity to generate 30MW or more of power connected to an electricity network.
- (2) This exemption is granted for the purpose described in clause 4 and subject to the conditions described in clause 5 of this instrument.

## 4 Purpose

This exemption is given to Capital Battery Pty Ltd to operate a 100MW/2-hour stand-alone battery energy storage system at Rural Block 187 Jerrabomberra (the *Capital Battery*).

## 5 Conditions

This exemption is granted subject to the condition that Capital Battery Pty Ltd must hold an operating certificate under section 46 of the *Utilities (Technical Regulation) Act 2014* prior to commencing construction of the Capital Battery.

Shane Rattenbury MLA  
Minister for Water, Energy and Emissions Reduction
