

# Fisheries (Recreational Fishing) Declaration 2022

## Disallowable instrument DI2022–221

made under the

**Fisheries Act 2000, s 15 (Declaration of fish of prohibited size or weight) and s 16 (Declaration of fish quantity)**

---

### 1 Name of instrument

This instrument is the *Fisheries (Recreational Fishing) Declaration 2022*.

### 2 Commencement

This instrument commences on the day after its notification day.

### 3 Declaration of fish of prohibited size or weight—Act, s 15

I declare the fish described in schedule 1, column 2, to be fish of the size prohibited as described in column 3.

*Note* A person commits an offence if the person takes a fish from public waters and the fish is of size or weight that is prohibited (see *Fisheries Act 2000*, s 81).

### 4 Declaration of fish quantity—Act, s 16

I declare the quantity of the species of fish that a person may take in a day is as described in schedule 1, column 4.

*Note* A person commits an offence if the person takes, in a day, more fish of the species than the quantity allowed (see *Fisheries Act 2000*, s 82).

### 5 Revocation

The *Fisheries Prohibition and Declaration 2016 (No 1)* (DI2016–282) is revoked.

Shane Rattenbury MLA  
Minister for Water, Energy and Emissions Reduction  
19 September 2022
