Schedule 3 Annual Pollutant Fees

(See s 3(2))

Part 1 – Annual Pollutant Fee - Calculation of amount of payments

- The Annual Pollutant Fee payable for an activity listed in part 3 of this schedule is:
 - nil - if the relevant authorisation fee for that activity listed in schedule 2 of this instrument is greater than or equal to the relevant pollutant fees; or
 - the relevant pollutant fees for that activity, less the relevant authorisation fee listed in schedule 2 of this instrument - if the relevant authorisation fee is less than the relevant pollutant fees.
- The *pollutant fee* for an activity listed in columns 2 and 3 of part 3 of this Schedule is equal to the pollutant fee unit for that activity listed in column 5 of part 3, multiplied by the assessable load of the pollutant.
- The *assessable load* for the pollutant is equal to the concentration of the pollutant multiplied by the discharge weight or volume as defined in the environmental authorisation for the relevant activity. The unit of measure for assessable load is kilograms.
- The *concentration of the pollutant* is the weight in kilograms of the pollutant per volume or weight of discharge from the relevant activity. Concentration and volume or weight of discharge is measured in accordance with the environmental authorisation for the relevant activity.

Part 2 – Annual Pollutant Fee - Timing of payments

- The annual fee for the purpose of an activity described in item 10 of Table 1.2 of Schedule 1 of the Act is payable in four instalments of three months each.
 - The commencement date for the instalments is the day after the date of effect or anniversary of effect of the authorisation. The commencement date for the second, third and fourth instalments each year is three months, six months and nine months respectively after the commencement date for the first instalment.
 - Each instalment payments is payable within 60 days after the instalment finish date.
- The fees for all other activities described in this Schedule are payable within 60 days after the date of effect or anniversary of effect of the authorisation.
