ELECTRICITY AND WATER ACT

DETERMINATION OF FEE

NO. 39 OF 1993

EXPLANATORY STATEMENT

FEE PAYABLE FOR DRAINAGE PLANS UNDER REG 20 OF THE CANBERRA SEWERAGE AND WATER SUPPLY REGULATIONS

This fee was determined by the ACT Electricity and Water Authority on 29 April 1993 as delegate of the Minister for Urban Services under Section 80 of the Electricity and Water Act 1988. The fee was gazetted in ACT Gazette No. 21 of 27 May 1992 in Determination of Fees No. 53 of 1992. The fee relates to the supply of a plan of existing drainage issued under Regulation 20 of the Canberra Sewerage and Water Supply Regulations.

This fee was increased by over 100% when this service was expected to be transferred from ACTEW to Department of Urban Services. As this function has remained with ACTEW and a fee of \$10 is more reflective of cost, this fee has been so reduced.
