

AUSTRALIAN CAPITAL TERRITORY

OZONE PROTECTION ACT 1991

DETERMINATION NO. 59 OF 1993

EXPLANATORY STATEMENT

The Ozone Protection Act 1991 controls the use of ozone depleting substances in the Australian Capital Territory. Under Section 47 of the Ozone Protection Act 1991, the Minister may determine fees and charges for the purposes of this Act.

This determination sets fees and charges for the issue of or renewal of a licence to supply, sell or use an ozone depleting substance or service an article which contains an ozone depleting substance. The fees are set out below, the amounts in brackets are the previous charge. The fees payable under the Ozone Protection Act 1991 have been reviewed and increased so that charges for retailers dealing with an ozone depleting substance are similar to those that apply in New South Wales. The increase in the charge for a wholesaler dealing with an ozone depleting substance provides a greater deterrent to the use of ozone depleting substances.
