

AUSTRALIAN CAPITAL TERRITORY

ELECTRICITY AND WATER ACT 1988

DETERMINATION OF FEES

NO 53 OF 1992

EXPLANATORY STATEMENT

SCHEDULE OF FEES CONCERNING PLUMBING, DRAINAGE AND WATER

These fees were determined by the ACT Electricity and Water Authority on 23 April 1992 as delegate of the Minister for Urban Services under Section 80 of the Electricity and Water ACT 1988. The fees relate to services provided by ACTEW under the Canberra Sewerage and Water Supply Regulations. They relate to:

- . the issue of permits for plumbing and drainage work;
- . inspection of plans submitted for approval;
- . provision of plans of existing drainage arrangements;
- . inspection of work;
- . issue of certificates.

Most fees were unchanged. Five rose by about 4.8%, one by about 4% and one by about 8%. The fees left unchanged did not rise because they were increased by a large percentage last year as a result of expected transfer of these regulatory functions to the Department of Urban Services.

The 1992/93 fees and the current fees, together with the percentage variation appear below.
