## ROAD TRANSPORT (GENERAL) TRAFFIC OFFENCE DETECTION DEVICE IMAGE FEE DETERMINATION 2004

### INSTRUMENT No. DI 2004 - 129

### EXPLANATORY STATEMENT

Under sub-section 27(2) of the *Road Transport (Safety and Traffic Management) Act* the road transport authority must provide, on request, a copy of an image taken by a traffic offence detection device to the responsible person for the vehicle shown in the image. This determination provides for a \$10 fee for one copy of such an image.

The amount of \$10 has not changed since the last determination of this fee, instrument no. DI2000-137, notified on 25 May 2000. However, the format of the previous determination requires minor technical changes for consistency with other fee determinations made since the commencement of the *Legislation Act 2001*.
