

2000

**THE LEGISLATIVE ASSEMBLY FOR THE AUSTRALIAN CAPITAL
TERRITORY**

Subordinate Law No. 55 of 2000

**LAND (PLANNING AND ENVIRONMENT) REGULATIONS
AMENDMENT REGULATIONS 2000**

EXPLANATORY STATEMENT

Circulated by Authority of
Brendan Smyth MLA
Minister for Urban Services

Outline

The *Land (Planning and Environment) Regulations Amendment* amends the *Land (Planning and Environment) Regulations 1992* by adding items to Schedules 2, 5 and 7. The items exempt photovoltaic panels, solar water heaters and airconditioning units from Part 6 of the *Land (Planning and Environment) Act 1991*, subject to an Authority Guideline.

Financial Implications

Nil.

NOTES

Regulation 1 – Commencement – is a machinery provision that specifies the manner of commencement of the amending Regulations.

Regulation 2 – Regulations amendment – provides that the regulations amend the *Land (Planning and Environment) Regulations 1992*.

Regulation 3 – Schedule 2 – inserts three items into Schedule 2 being exemptions for photovoltaic panels, solar water heaters and airconditioning units.

Regulation 4 – Schedule 5 – inserts three items into Schedule 5 being exemptions from notification for photovoltaic panels, solar water heaters and airconditioning units.

Regulation 5 – Schedule 7 – inserts three items into Schedule 7 being exemptions from appeals by objectors for photovoltaic panels, solar water heaters and airconditioning units.
