

**AUSTRALIAN CAPITAL TERRITORY**  
**ROAD TRANSPORT (GENERAL) (DRIVER LICENCE FEES) DETERMINATION 2002**  
**EXPLANATORY STATEMENT**

**INSTRUMENT DI 2002 - 53**

This instrument has the effect of determining fees, payable in advance, for transactions relating to driver licences under the *Road Transport (Driver Licensing) Regulations 2000*.

The fee for a full five-year licence has increased to \$117 to align with the current corresponding NSW fee. ACT and NSW driver licence fees have been aligned since 1999. The three-year provisional licence fee is proportional to the five-year full licence fee and has therefore increased to \$70.20.

The fee for a learner licence is unchanged as it does not correspond in duration and other ways to the NSW learner licence.

Most other licence-related fees have increased by CPI.
