GUNGAHLIN DRIVE EXTENSION AUTHORISATION REGULATION 2004

EXPLANATORY STATEMENT

Overview

The Gungahlin Drive Extension Authorisation Regulation 2004 makes four additional territory laws relevant laws under section 9 of the Gungahlin Drive Extension Authorisation Act 2004.

Detail

This Regulation makes the following legislation relevant laws under the Gungahlin Drive Extension Authorisation Act:

- Public Roads Act 1902,
- Roads and Public Places Act 1937,
- Road Transport (Safety and Traffic Management) Act 1999, and
- Heritage Act 2004

All of these laws are relevant to aspects of the construction of the Gungahlin Drive Extension project, and for this reason it is important they are included in the Gungahlin Drive Extension Authorisation Act.
