

THE LEGISLATIVE ASSEMBLY FOR THE AUSTRALIAN CAPITAL TERRITORY

LAND (PLANNING AND ENVIRONMENT) (AMENDMENT) BILL (No 2) 1992

SUPPLEMENTARY EXPLANATORY MEMORANDUM

Amendments to be moved on behalf of the Government

Circulated by authority of

Bill Wood MLA

Minister for the Environment, Land and Planning

Outline

The amendment to the Land (Planning and Environment) (Amendment) Bill (No 2) 1992 is required as the Bill, while being introduced in 1992, was not passed in that year. The commencement provisions therefore need to be amended.

Section 2 is omitted and a clause substituted which provides that the Act will commence on a day to be notified in the Gazette.
