EXPLANATORY STATEMENT

The *Fisheries Act 2000* is an Act about the management of fisheries.

Section 114 of the Act provides the Minister with the power to determine fees.

The purpose of this determination is to revoke Disallowable Instrument DI 2005—182 that set fees for the 2005-2006 financial year and to determine fees for the 2006-2007 financial year. An adjustment has been made to the wording of matters for which a fee is payable to more accurately reflect the legislation.

All fees have increased by the Wage Price Index (3.7%).

The fees take effect on 10 July 2006.

The determination under section 114 of the Act is a disallowable instrument.
