Health Professionals (Fees) Determination 2007 (No 16)

Disallowable instrument DI2007–304

made under the

Health Professionals Act 2004, s 132 (Determination of fees)

The *Health Professionals Act 2004* (the Act) is an Act to protect the public from risk of harm by ensuring that the people who provide health services regulated by this Act are competent to provide health services, and for other purposes.

Section 132 of the Act provides the Health Professional Boards with the power to determine fees for the purpose of the Act. This instrument sets fees for the ACT Chiropractors and Osteopaths Board.

This instrument sets fees for registration of persons under Section 112 of the *Health Professionals Regulation 2004*, for short term registration under section 115A of the *Health Professionals Regulation 2004*, for late payment of annual renewal under section 127 of the *Health Professionals Regulation 2004*, for retrospective re-registration under section 128 of the *Health Professionals Regulation 2004*, for provision of a duplicate certificate under section 122 of the *Health Professionals Regulation 2004*, for alteration to the register under section 156 of the *Health Professionals Regulation 2004*, and fee for an extract from the register under section 155 of the *Health Professionals Regulation 2004*.

The fees are to meet the agreed costs of operating the Health Professions Boards Secretariat and carrying out the functions of the Board.

The fees are unchanged except to increase the fee for late payment of annual renewal for registration from \$330 to \$355 and for retrospective re-registration from \$395 to \$455. The increase is to include a penalty for failure to pay on time and to provide a disincentive to allowing a registration to lapse.

This instrument sets a new fee, for registration of persons under Section 112 of the *Health Professionals Regulation 2004*, for registration for a non-practising registrant.
