EXPLANATORY STATEMENT

Section 19 of the *Animal Diseases Act 2005* permits the Minister to make quarantine declarations and section 46 of the *Legislation Act 2001* clarifies that a power to make an instrument also includes the power to repeal the instrument.

This instrument repeals Disallowable Instrument DI2008 – 33 (Animal Diseases (Exotic Disease Quarantine Area) Declaration 2008 (No 1)), bringing the current equine influenza quarantine arrangements in the ACT to an end.

The repeal takes effect on the day after its notification on the ACT Legislation Register.
