made under the

**Planning and Development Act 2007, s 424 (Determination of fees)**

## EXPLANATORY STATEMENT

---

The *Planning and Development Act 2007* is an Act about planning and development in the ACT.

Section 424 of the Act provides the Minister with the power to determine fees.

The purpose of this determination is to revoke Disallowable Instruments DI 2008-201 and DI2009-19 that set fees for 2008-09 financial year and to determine fees for the 2009-10 financial year.

The fees determined for the 2009-10 financial year represent the 2008-09 financial year fees increased in accordance with Treasury's inflation factor of 3.5%. Appropriate rounding has occurred in relation to the increases.

New fees have been set for:

- additional signage relating to minor and major public notification;
- application for consent to sublease all or part of the land contained in a lease;
- amendments to approved estate development plans

There are also minor changes to descriptions for copies and extracts and estate development plans.

The fees take effect on 1 July 2009.

The determination under section 424 of the Act is a disallowable instrument.
