# Public Place Names (City) Determination 2009 (No 1)

Disallowable instrument DI2009 - 183

made under the

**Public Place Names Act 1989— section 3 (Minister to determine names)**

## EXPLANATORY STATEMENT

The *Public Place Names Act 1989* provides for the naming of divisions and public places and, in particular, section 3 empowers the Minister to determine in writing, by notification in the ACT Legislation Register, the name of a division or public place.

Pursuant to Section 254A of the *Legislation Act 2001*, the Minister has delegated the power under the *Public Place Names Act 1989* to name a division or public place to the Chief Planning Executive, ACT Planning and Land Authority.

This instrument determines the name of a park in the Division of City, *Latin American Plaza*, as specified in the attached schedule and associated plan.

While the theme for the naming of public places in City is *Aboriginal words, capital cities and pioneers* the *ACT Geographical Naming Guidelines* also allow for a place to be named in regard to its character and tradition. Latin America Plaza has been developed to provide a focus point for Latin American social activities and a place for artwork gifts from individual Latin American countries.
