**Disallowable instrument DI2010 - 40**

made under the

*Surveyors Act 2007*, section 55 – Surveyor-General Practice Directions

## **EXPLANATORY STATEMENT**

---

The *Surveyors Act 2007*, as amended by the Surveyors Amendment Bill 2009, provides for the issuing of instructions to surveyors and, in particular, section 55 provides for the Surveyor-General to issue Surveyor-General Practice Directions.

This instrument establishes the Surveyors (Surveyor-General) Practice Directions 2010 (No 1) and repeals the Surveyors (Chief Surveyor) Practice Directions 2009 (No 2) (DI2009-205). The new instrument replaces references to the Chief Surveyor with Surveyor-General.

This instrument also corrects direction 67 (2) by removing the reference to the Minister approving and promulgating Standards and Specifications. Under the terms of Section 55 of the *Surveyors Act 2007* the Surveyor-General is able to issue directions in relation to the practice of surveying.
